STATE GOVERNMENT INSTRUMENTS

LIVESTOCK ACT 1997

SECTION 33

Prohibition of Entry into South Australia of Live Poultry and Fertile Poultry Eggs

Pursuant to Section 87 of the *Livestock Act 1997*, I Elise Katherine Spark, Chief Inspector of Stock and delegate of the Minister for Primary Industries and Regional Development revoke the notice made under Section 33 of the *Livestock Act 1997* on 17 June 2024, and published in the *South Australian Government Gazette* on 18 June 2024 on page 1817.

Pursuant to Section 33 of the *Livestock Act 1997*, and for the purposes of controlling or eradicating influenza A viruses in birds, I, Elise Katherine Spark, Chief Inspector of Stock and delegate of the Minister for Primary Industries and Regional Development, hereby prohibit:

- movement into the State of South Australia of *live poultry* and *fertile poultry eggs* that are from an area or premises declared as follows:
 - in the State of Victoria by a *relevant order* as a *Restricted Area*, *Control Area*, *infected premises*, *dangerous contact premises*, or *suspect premises*; or
 - in the State of New South Wales by a *relevant order* as an *AI restricted emergency zone*, or *AI control emergency zone*; or
 - in the Australian Capital Territory by a *relevant order* as a *control quarantine area*, or a *restricted quarantine area*
- movement into the State of South Australia of *live poultry* and *fertile poultry eggs* that are from premises that have received *live poultry*, *specified poultry products* or *specified property* within the preceding 28 days from an area or premises declared as follows:
 - in the State of Victoria by a *relevant order* as a *Restricted Area*, *Control Area*, *infected premises*, or *dangerous contact premises*; or
 - in the State of New South Wales by a *relevant order* as an *AI restricted emergency zone*, or *AI control emergency zone*; or
 - in the Australian Capital Territory by a *relevant order* as a *control quarantine area*, or *restricted quarantine area*
- movement into the State of South Australia of *live poultry* and *fertile poultry eggs* from any other area or premises in the State of Victoria, the State of New South Wales or the Australian Capital Territory unless such movement complies with conditions outlined in Schedule 1.

SCHEDULE 1

Movement Notification Condition

- (a) The Department of Primary Industries and Regions South Australia is notified of the movement at least 5 business days prior to proposed movement either by:
 - (i) downloading the *Notification of Movement of Live Poultry and Fertile Poultry Eggs into South Australia* form as published on the Department of Primary Industries and Regions South Australia website (<https://www.pir.sa.gov.au>) and sending the completed form to PIRSA.BiosecuritySA@sa.gov.au; or
 - (ii) completing the online *Notification of Movement of Live Poultry and Fertile Poultry Eggs into South Australia* form available on the Department of Primary Industries and Regions South Australia website (<https://www.pir.sa.gov.au>).

Transport Conditions

- (b) Transport from the State of Victoria, the State of New South Wales or the Australian Capital Territory to the *destination property* is direct so that the journey does not include any stops at any premises that contain *live poultry*.
- (c) The vehicle and any *specified property* used as part of the movement must be *decontaminated* prior to being used for the movement of *live poultry* or *fertile poultry eggs* into the State of South Australia.
- (d) The vehicle and any *specified property* used for the movement must return directly to the State of Victoria, the State of New South Wales or the Australian Capital Territory or be *decontaminated* prior to further use within the State of South Australia.

Destination Property Conditions

- (e) *Live poultry* or *fertile poultry eggs* are moved either:
 - (i) directly to slaughter (not applicable for *fertile poultry eggs*); or
 - (ii) to a *destination property* where, for 14 days from receipt of *live poultry* or *fertile poultry eggs* from the State of Victoria, the State of New South Wales or the Australian Capital Territory:
 - A. All *live poultry* or *fertile poultry eggs* received from Victoria, New South Wales or the Australian Capital Territory must be confined at the *destination property* so as not to have contact with other animals either on the property or from outside the property.
 - B. All *poultry* on the *destination property* must not be moved from the *destination property*, unless direct to slaughter at an abattoir or for disposal in a manner sufficient to prevent contact with any animal.
 - C. Any *specified property* that has come into contact with the introduced *live poultry* or *fertile poultry eggs* must be *decontaminated* prior to movement off the *destination property*.

DEFINITIONS

In this Notice:

AI control emergency zone has the same meaning as defined in a *relevant order* under Part 5 of the *Biosecurity Act 2015* (NSW).

AI restricted emergency zone has the same meaning as defined in a *relevant order* under Part 5 of the *Biosecurity Act 2015* (NSW).

Control Area has the same meaning as defined in a *relevant order* under Section 29 of the *Livestock Disease Control Act 1994* (Vic).

Control quarantine area has the same meaning as defined by a *relevant order* under Section 19 of the *Animal Diseases Act 2005* (ACT).

dangerous contact premises has the same meaning as defined in a *relevant order* under Section 26 or Section 29 of the *Livestock Disease Control Act 1994* (Vic).

decontaminate means:

- (a) in the case of a vehicle that has been in contact with *poultry* or the carcass of *poultry* or *specified poultry products*, to remove all animal excretions and secretions, including but not limited to faecal material, urine, saliva and blood, and any visible dirt by washing down with water and detergent the livestock crate, flooring, trailer and wheels of the vehicle until they are visibly clean ensuring a 10-minute detergent contact time; and
- (b) in the case of *specified property*, to remove all animal excretions and secretions, including but not limited to faecal material, urine, saliva and blood, and any visible dirt by washing down with water and detergent until visibly clean ensuring a 10-minute detergent contact time.

destination property means the *destination property* specified in the relevant *Notification of Movement of Live Poultry and Fertile Poultry Eggs into South Australia* form.

fertile poultry eggs means poultry eggs that are fertilised and intended for hatching but does not include eggs intended for human consumption.

infected premises has the same meaning as defined in a *relevant order* under Section 26 or Section 29 of the *Livestock Disease Control Act 1994* (Vic).

poultry means any of the following livestock—chicken, turkey, guinea fowl, duck, goose, quail, pigeon, pheasant, partridge, emu and ostrich.

specified property means any equipment, thing or matter which has been:

- (a) used in connection with *poultry* and which has been brought into contact with any *specified poultry products*; or
- (b) used in the processing or manufacture of *specified poultry products* and which has been brought into contact with any *specified poultry product*.

relevant order means an order declared under the *Animal Diseases Act 2005* (ACT), or the *Biosecurity Act 2015* (NSW), or the *Livestock Disease Control Act 1994* (Vic) in relation to Avian Influenza.

Restricted Area has the same meaning as defined in a *relevant order* under Section 26 of the *Livestock Disease Control Act 1994* (Vic).

Restricted quarantine area has the same meaning as defined by a *relevant order* under Section 19 of the *Animal Diseases Act 2005* (ACT).

specified poultry product means:

- (a) the carcass or the portion of a carcass of *poultry*;
- (b) the meat, blood, feathers, skin, feet or offal of *poultry*;
- (c) the fat, or other food or foodstuffs derived from *poultry*;
- (d) eggs and egg product of *poultry*, including the contents of an egg in any form including egg pulp, dried egg, liquid egg white and liquid egg yolk;
- (e) the secretions, excretions, manure, effluent and other wastes of *poultry*.

suspect premises has the same meaning as defined in a *relevant order* under Section 26 or Section 29 of the *Livestock Disease Control Act 1994* (Vic).

This Notice shall remain in force until amended or revoked by subsequent Notice.

Dated: 5 July 2024

ELISE KATHERINE SPARK
Chief Inspector of Stock

Delegate of the Minister for Primary Industries and Regional Development
