NATIONAL ELECTRICITY (SOUTH AUSTRALIA)  
ACT 1996

*Notices Under National Electricity Law and National

NOTICE is hereby given pursuant to section 6 (2) (b) of the National Electricity Law which forms the Schedule to the National Electricity (South Australia) Act 1996 and Clause 9.1.1 (h) of the National Electricity Code approved under section 6 of the National Electricity Law, that clauses 9.32.1, 9.34.1, 9.35.1, 9.35.3, 9.35.4, 9.35.5, 9.35.6, 9.35.8, 9.35.9(a), (b), (c), (d), (e) and (g), 9.36.1, 9.36.2, 9.36.5, 9.37.12, 9.37.14, 9.37.15, 9.37.18, 9.37.19 and 9.41 (Queensland Derogation amendments to accommodate market network services) of the National Electricity Code are amended.

*ACCC Letter of Authorisation*

9 December 1999

Stephen Kelly  
Managing Director  
National Electricity Code Administrator Limited  
Level 5, 41 Currie Street  
ADELAIDE, S.A. 5000

Dear Stephen

*Interim Authorisation of the Queensland MNSP  
Derogation Amendments*

In your application of 15 November 1999, you sought authorisation (Nos A90725, A90726 and A90727) of amendments to the Queensland derogations to the National Electricity Code to allow market network services to participate in the Queensland market. At that time, you sought interim authorisation of the amendments to the derogations in order to facilitate the introduction of DirectLink which is anticipated to come on stream in January next year.

At its meeting on 8 December 1999, the Commission agreed to provide interim authorisation of the amendments to Queensland's derogations, but not to the amendments to clauses 9.35.6A and 9.35.9(f), as set out in your 15 November 1999 application. The Commission also determined that the interim authorisation would lapse upon the Commission making a final determination.

As you may be aware, clauses 9.35.6A and 9.35.9(f) deal with Queensland's rate of change arrangements and the amendments would place a market network service provider on equivalent

terms to a generator. However, in the Commission's draft determination, dated 8 October 1999, the Commission proposed imposing a condition of authorisation requiring the clauses dealing within Queensland's rate of change arrangements be deleted from the Code.

As these matters are still under consideration pending a final determination, the Commission decided not to consider interim authorisation of the amendments to the clauses 9.35.6A and 9.35.9(f) at this time. The Commission will reconsider interim authorisation of these amendments at the time the Commission makes its determination on authorisation Nos A90671, A90672 and A90673.

If you wish to discuss this matter further, please do not hesitate to either contact myself (02) 6243 1249 or Paul Bilyk (02) 6243 1254.

Yours sincerely,

M. RAWSTRON, General Manager, Regulatory  
Affairs—Electricity.

## INFORMATION FOR THE TENANT

1. You may at any time after receiving this notice, while remaining in possession of the premises, apply to the Residential Tenancies Tribunal for an order—
  - (a) declaring that you are not in breach of your residential tenancy agreement;
  - (b) declaring that you have remedied the breach within the notice period;
  - (c) reinstating the tenancy.
2. If you do not remedy a specified breach, or do not apply to the Tribunal, the tenancy will be terminated on the basis of the breach by force of this notice. The landlord is then entitled to vacant possession of the premises. If you do not give vacant possession, the landlord can apply to the Tribunal for an order that you vacate the premises.
3. When you vacate the premises, you should—
  - × leave the premises in reasonable condition and in a reasonably clean state. If you do not, the landlord may recover from the security bond, or from you directly, the costs of cleaning the premises, removing any rubbish, and so on.
  - × contact the landlord or agent and arrange to meet him or her at the premises at an agreed time. With the landlord or agent, you can then inspect the premises and note on the Inspection Sheet (which you filled in and received at the start of the tenancy) the state of cleanliness of the premises and any damage that has occurred during the tenancy. You can then decide with the landlord or agent how much of the security bond should be paid to you and to the landlord (respectively).
  - × if possible, agree on how the security bond should be paid. If you agree, both of you should complete and sign the Refund of Bond form and lodge it with the Office of Consumer & Business Affairs. Make sure that your forwarding address is included on the form so that all or part of the security bond, or any future correspondence, can be sent to you. If agreement cannot be reached, you should contact the Tenancies Branch at the address set out below.
  - × ensure that you leave all the keys with the landlord or agent, and notify the electricity entity, the Gas Company, Australia Post, Telstra, etc, so that the new tenants do not use gas, electricity and the telephone on your accounts, and so that mail can be forwarded to you.

If you have any questions or doubts about this notice, contact the advice section of the Tenancies Branch at Level 1, 91-97 Grenfell Street, Adelaide. Ph: (08) 8204 9544 Fax: (08) 8204 9570
