INJURY PREVENTION SA INC.

Trauma Memorial Service

A TIME to remember those in our community that are affected by road trauma and other serious injury trauma. An opportunity to offer our support to those in our community who need to grieve on Friday, 31 August 2001 at 7 p.m. in Scots Church, North Terrace, Adelaide. This ecumenical memorial service has grown out of a concern for the current lack of long-term support for people faced with the unbearable task of coming to terms with the sudden, tragic loss that so often occurs with a serious injury.

On the anniversary of Princess Diana's death in a car accident a large number of South Australians who had been moved by the tragedy came together at St Peter's Cathedral to remember. Many people who attended were themselves dealing with the sudden tragic loss of a loved one due to injury on our roads.

Over the years all the members of the Memorial Service Committee have, in various ways, continued to support people who have lost a loved one due to injury. We have come together as a group, and hope that all South Australian's will feel likewise.

Injury Prevention SA, together with the combined Churches, Families Against Senseless Tragedies, WalkSafe SA, the Walking Federation of South Australia, the Star Bear Foundation and others (as word slowly gets around), invite you to participate in the ecumenical memorial service to recognise victims of road trauma and other serious injuries.

We feel that this is an issue that the whole community needs to face. We hope that this event will help us all to better understand and support, as a community, those who have been affected by injury trauma.

We realise that this is only the first step but we are hopeful that this event will grow in time to be an opportunity to come together, without blame or criticism, to remember and understand.

We are hopeful that we will raise funds for a special camp for those children who have lost a sister, brother or other close family member to injury trauma. To help us with this goal, Injury Prevention SA is very pleased to have the involvement of the Star Bear Foundation.

Please feel free to promote this service. Any assistance that you could give is greatly appreciated.

We know that there are many people in our community suffering from the long-term emotional impact of serious injury. We hope this event will help us not to forget.

Anyone wishing to be involved, or to know more about the work of Injury Prevention SA's Memorial Service working group can contact us on: 8331 1824 or email: IPSA@picknowl.com.au.

Yours sincerely,

E. KING, On behalf of the Trauma Memorial
Service Working Group.

ROAD TRAFFIC ACT 1961

Exemption from the Fitting of Mudguards to Agricultural Vehicles

PURSUANT to the provisions of section 163AA of the Road Traffic Act 1961, I, T. N. Argent, Executive Director, Transport SA, as an authorised delegate of the Minister for Transport and Urban Planning, hereby exempt tractors used for agricultural purposes, self propelled agricultural machines and agricultural implements:

From the following provision of the Road Traffic (Vehicle Standards) Rules 1999:

Rule 33—Mudguards and Spray Suppression, Rule 33 (1) (a).

Subject to the following conditions:

1. For the purposes of this notice an agricultural vehicle means tractors used for agricultural purposes, self-propelled agricultural machines, agricultural implements and combinations thereof.
2. That the agricultural vehicle is only permitted to travel on a road or road related area for the purpose of:
 - 2.1 Undertaking activities involved directly with primary production; or
 - 2.2 Transport to or from a farm machinery dealership to a place of agricultural operation, display or repair and return; or
 - 2.3 Transport to or from a place of an agricultural operation to another place of agricultural operation.
3. That the construction or use of the agricultural vehicle makes the fitting of mudguards unnecessary or impractical.
4. That the driver of the agricultural vehicle is responsible for ensuring that it is driven in a manner and at a speed:
 - 4.1 That is commensurate with the prevailing road and weather conditions at the time of travel; and
 - 4.2 That will prevent the likelihood of any material or substance that may be thrown upwards by the rotation of the wheels from becoming a hazard to other road users and the driver of the agricultural vehicle.
5. That the speed of the agricultural vehicle shall not exceed the tyre manufacturer's tyre speed rating specifications.
6. That the agricultural vehicle shall not be driven at a speed greater than any speed limitation that may have been imposed as a condition of registration applying to the agricultural vehicle.

NOTE: The owner of an agricultural vehicle may apply to Transport SA for reassessment of limitations which may have been set as conditions of registration, if the owner considers, due to legislative changes, that the limitations are no longer correct. For example, a 40 km/h speed limit indicated on the registration certificate as registration code 'SP40' may no longer apply if the limitation imposed was due solely to the absence of mudguards.

7. That the agricultural vehicle shall not be driven at a speed greater than the agricultural vehicle manufacturer's recommendations.
