PETROLEUM PRODUCTS REGULATION ACT 1995
SECTION 33 (1) (a): DECLARATION OF PERIOD OF
RESTRICTION

Proclamation By The Governor

(L.S.) E. J. NEAL

Preamble

1. The Petroleum Products Regulation Act 1995 provides various means of conserving petroleum products in the event of actual or likely shortages of petroleum products in the State.

2. The Governor is of the opinion that a proclamation should be made under that Act.

Proclamation

PURSUANT to section 33 (1) (a) of the *Petroleum Products Regulation Act 1995* and with the advice and consent of the Executive Council, and being of the opinion that circumstances have arisen that have caused shortages of petroleum products in the State, I declare the period commencing from 12.01 a.m. on Wednesday, 17 October 2001 and extending for seven consecutive days to be a period of restriction under that Act.

Given under my hand and the Public Seal of South Australia, at Adelaide, 16 October 2001.

By command,

JOHN OLSEN, Premier

PETROLEUM PRODUCTS REGULATION ACT 1995

(SECTION 34)

Licence Conditions and Directions—Monday to Friday

PURSUANT to section 34 of the *Petroleum Products Regulation Act 1995*, I, Wayne Matthew, Minister for Minerals and Energy, being of the opinion that it is in the public interest to do so:

Clause I—Fix conditions of licences and issue directions as follows:

1. The conditions and directions apply during the period of restriction declared by proclamation under the *Petroleum Products Regulation Act 1995* and commencing at 12.01 a.m. on 17 October 2001, including any period for which the period of restriction is extended by subsequent proclamation.

2. The conditions apply to licences authorising the sale by retail of petroleum products from premises in the area defined in the Schedule.

3. The directions apply to any person who is an owner, lessee or operator of premises referred to in subclause 2. above and to any employee of such a person.

4. The conditions and directions apply only to the sale or supply of lead replacement petrol/unleaded petrol/premium unleaded petrol (herein referred to as 'motor fuel').

5. The holder of a licence referred to in subclause 2. above is required by the conditions, and persons of a class referred to in subclause 3. above are directed, to:

- (a) not sell lead replacement petrol for a price exceeding 94.5 cents per litre;
- (b) not sell unleaded petrol for a price exceeding 92 cents per litre;
- (c) not sell premium unleaded petrol for a price exceeding 98 cents per litre;
- (d) not sell or supply, on a single occasion, motor fuel exceeding the value of \$25;
- (e) not sell or supply motor fuel on even numbered days of the month except for motor vehicles with a number plate that bears as its last character an even number, zero or an alphabetic letter;

(f) not sell or supply motor fuel on odd numbered days of the month except for motor vehicles with a number plate that bears as its last character an odd number;

(g) not sell or supply motor fuel on Saturday and Sunday and on other days to sell or supply only for a six hour period of the day. The period shall be either 6 a.m. to 12 noon or 1 p.m. to 7 p.m. and the period chosen must be indicated by a prominent sign or notice at the premises;

(h) supply motor fuel only into the tank of a registered road vehicle;

(i) Subject to these conditions and directions, sell and supply motor fuel to any person without discrimination.

6. The conditions and directions contained in paragraphs (e) and (f) of subclause 5. above do not apply to the sale or supply of motor fuel for use in motor cycles, motor scooters, mopeds or other like two-wheeled vehicles.

7. The conditions and directions contained in paragraphs (d), (e), (f) and (g) of subclause 5. above do not apply where the person seeking sale or supply:

- (i) is the driver of a vehicle which has run out of motor fuel at some place other than the place it is normally garaged or kept. Such a person may be supplied with a quantity of motor fuel not in excess of 5 litres (and such sale and supply need not be in accordance with the conditions and directions contained in paragraph (h) of subclause 5. above);
- (ii) is the driver of a licensed taxi cab or licensed bus, or an identifiable police vehicle, ambulance, tow truck, fire brigade vehicle or other fire-fighting unit.

8. Where separate conditions have been fixed and directions issued under Part 5 of the *Petroleum Products Regulation Act 1995* in respect of specified premises from which motor fuel may be sold by retail in the area defined in the Schedule and those separate conditions and directions exclude the application of these general conditions and directions, these general conditions and directions do not apply in respect of those premises.

9. These conditions and directions do not apply to the sale or supply of motor fuel where the person seeking sale or supply, or the person selling or supplying motor fuel, has been issued with a written instrument, signed by me or my lawful delegate, granting an exemption from the application of section 34 (6) of the *Petroleum Products Regulation Act 1995* and motor fuel is sold and supplied in accordance with the conditions of that exemption.

10. These conditions and directions require that where it is a condition of an exemption that a specified document must be handed over to the person supplying motor fuel, the person supplying the motor fuel must draw a line across the face of the document. That document must be kept at the premises from which the fuel was supplied, until handed over at the request of the Executive Director of Energy SA, Department of Primary Industries and Resources or until the expiration of 28 days from the end of the period of restriction, whichever occurs first.

Clause II—Issue further directions to members of the public generally as follows:

1. The directions apply during the period of restriction declared by proclamation under the *Petroleum Products Regulation Act 1995* and commencing at 12.01 a.m. on 17 October 2001, including any period for which the period of restriction is extended by subsequent proclamation.

2. A member of the public must not purchase, require to be supplied with or take delivery of motor fuel where to do so would result in the contravention of a condition fixed or direction issued under Clause 1 by a person to whom Clause 1 applies.

SCHEDULE

The whole of the area comprising the council areas of the Adelaide Hills Council, the District Council of Mount Barker, the City Councils of Playford, Onkaparinga, Port Adelaide Enfield, Norwood Payneham and St Peters, Charles Sturt, West Torrens, Holdfast Bay, the Corporations of the Cities of Salisbury, Tea Tree Gully, Prospect, Campbelltown, Marion, Adelaide, Burnside, Unley, Mitcham, and the Corporations of the Towns of Walkerville and Gawler, but excluding the whole of the town of Callington.

Dated 16 October 2001.

WAYNE MATTHEW, Minister for Minerals and Energy

PETROLEUM PRODUCTS REGULATION ACT 1995

(SECTION 34)

Licence Conditions and Directions—Weekends (Saturday and Sunday)

PURSUANT to section 34 of the *Petroleum Products Regulation Act 1995*, I, Wayne Matthew, Minister for Minerals and Energy, being of the opinion that it is in the public interest to do so:

Clause I—Fix conditions of licences and issue directions as follows:

1. The conditions and directions apply during the period of restriction declared by proclamation under the *Petroleum Products Regulation Act 1995* and commencing at 12.01 a.m. on 17 October 2001, including any period for which the period of restriction is extended by subsequent proclamation.

2. The conditions apply to licences authorising the sale by retail of petroleum products from premises in the area defined in Schedule 1.

3. The directions apply to any person who is an owner, lessee or operator of premises referred to in subclause 2. above and to any employee of such a person.

4. The conditions and directions apply only to the sale or supply of lead replacement petrol/unleaded petrol/premium unleaded petrol (herein referred to as 'motor fuel').

5. Except as provided by subclauses 6., 7. and 10 below, the holder of a licence referred to in subclause 2. above is required by the conditions, and persons of a class referred to in subclause 3. above are directed, to not sell or supply motor fuel on a Saturday or a Sunday.

6. (a) motor fuel may be sold and supplied by retail from premises defined in Schedule 2, or such other premises as I may from time to time to time nominate, (herein referred to as 'nominated retail outlets') on condition that the person seeking sale or supply delivers up to the owner, lessee, licensee or operator of the nominated retail outlet, or to an employee of such a person, a current exemption in writing issued by and signed by me or my lawful delegate permitting the person seeking sale or supply to purchase or be supplied with motor fuel.

(b) where paragraph (a) applies, the holder of the licence in respect of the nominated retail outlet is required by the conditions, and any person who is an owner, lessee or operator of the nominated retail outlet and any employee of such a person is directed, to:

- (i) not sell lead replacement petrol for a price exceeding 94.5 cents per litre;
- (ii) not sell unleaded petrol for a price exceeding 92 cents per litre;
- (iii) not sell premium unleaded petrol for a price exceeding 98 cents per litre;
- (iv) not sell or supply, on a single occasion, motor fuel exceeding the value of \$25;
- (v) supply motor fuel only into the tank of a registered road vehicle;

(vi) draw a line across the face of the exemption document delivered up by the person seeking supply, which document must be kept at the premises from which the fuel was supplied, until handed over at the request of the Executive Director of Energy SA, Department of Primary Industries and Resources or until the expiration of 28 days from the end of the period of restriction, whichever occurs first.

7. The conditions and directions above do not prohibit the holder of a licence referred to in subclause 2. above or persons of a class referred to in subclause 3. above from selling or supplying motor fuel where the person seeking sale or supply:

- (i) is the driver of a vehicle which has run out of motor fuel at some place other than the place it is normally garaged or kept. Such a person may be supplied with a quantity of motor fuel not in excess of 5 litres (and such supply need not be into the tank of the vehicle);
- (ii) is the driver of a motor cycle, motor scooter, moped or other like two-wheeled vehicle;
- (iii) is the driver of a licensed taxi cab or licensed bus, or an identifiable police vehicle, ambulance, tow truck, fire brigade vehicle or other fire fighting unit.

8. Where motor fuel is sold or supplied under subclause 7. above, the holder of a licence referred to in subclause 2. above is required by the conditions, and persons of a class referred to in subclause 3. above are directed, to:

- (i) not sell lead replacement petrol for a price exceeding 94.5 cents per litre;
- (ii) not sell unleaded petrol for a price exceeding 92 cents per litre;
- (iii) not sell premium unleaded petrol for a price exceeding 98 cents per litre;
- (iv) supply motor fuel only into the tank of a registered road vehicle (but this is not required where motor fuel is supplied under subclause 7. (i) above).

9. Where separate conditions have been fixed and directions issued under Part 5 of the *Petroleum Products Regulation Act 1995* in respect of specified premises from which motor fuel may be sold by retail in the area defined in Schedule 1 and those separate conditions and directions exclude the application of these general conditions and directions, these general conditions and directions do not apply in respect of those premises.

10. These conditions and directions do not apply to the sale or supply of motor fuel where the person seeking sale or supply of, or the person selling or supplying, motor fuel has been issued with a written instrument, issued by and signed by me or my lawful delegate, granting an exemption from the application of section 34 (6) of the *Petroleum Products Regulation Act 1995* and motor fuel is sold and supplied in accordance with the conditions of that exemption.

11. These conditions and directions require that where it is a condition of an exemption that a specified document must be handed over to the person supplying motor fuel, the person supplying the motor fuel must draw a line across the face of the document. That document must be kept at the premises from which the fuel was supplied, until handed over at the request of the Executive Director of Energy SA, Department of Primary Industries and Resources or until the expiration of 28 days from the end of the period of restriction, whichever occurs first.

Clause II—Issue further directions to members of the public generally as follows:

1. The directions apply during the period of restriction declared by proclamation under the *Petroleum Products Regulation Act 1995* and commencing at 12.01 a.m. on 17 October 2001, including any period for which the period of restriction is extended by subsequent proclamation.

2. A member of the public must not purchase, require to be supplied with or take delivery of motor fuel where to do so would result in the contravention of a condition fixed or direction issued under Clause 1 by a person to whom Clause 1 applies.

SCHEDULE 1

PETROLEUM PRODUCTS REGULATION ACT 1995

(SECTION 34)

Licence Conditions and Directions—Vending Machines

PURSUANT to section 34 of the *Petroleum Products Regulation Act 1995*, I, Wayne Matthew, Minister for Minerals and Energy, being of the opinion that it is in the public interest to do so:

Clause I—Fix conditions of licences and issue directions as follows:

1. The conditions and directions apply during the period of restriction declared by proclamation under the *Petroleum Products Regulation Act 1995* and commencing at 12.01 a.m. on 17 October 2001, including any period for which the period of restriction is extended by subsequent proclamation.

2. The conditions apply to licences authorising the sale by retail of petroleum products in the area defined in the Schedule and relate to the sale or supply by retail from vending machines (as defined herein) of lead replacement petrol/ unleaded petrol/premium unleaded petrol (herein referred to as 'motor fuel').

3. The directions apply to any person who is an owner, lessee or operator of premises or of a vending machine referred to in subclause 2. above and to any employee of such a person and relate to the sale or supply by retail from vending machines of motor fuel.

4. The holder of a licence referred to in subclause 2. above is required by the conditions, and persons of a class referred to in subclause 3. above are directed, to:

- (a) not dispense motor fuel, whether directly or indirectly, from a vending machine in the area defined in the Schedule; and
- (b) not permit any person to buy or take supply of motor fuel dispensed, whether directly or indirectly, from a vending machine in the area defined in the Schedule.

Clause II—Issue further directions to members of the public generally as follows:

1. The directions apply during the period of restriction declared by proclamation under the *Petroleum Products Regulation Act 1995* and commencing at 12.01 a.m. on 17 October 2001, including any period for which the period of restriction is extended by subsequent proclamation.

2. A member of the public must not purchase, require to be supplied with or take delivery of motor fuel that is dispensed, whether directly or indirectly, from any vending machine in the area defined in the Schedule.

Definition: In these conditions and directions:

'vending machine' means a machine which dispenses lead replacement petrol/unleaded petrol/premium unleaded petrol on the insertion into the machine of money or a token, card, disk or other object.

SCHEDULE

The whole of the area comprising the council areas of the Adelaide Hills Council, the District Council of Mount Barker, the City Councils of Playford, Onkaparinga, Port Adelaide Enfield, Norwood Payneham and St Peters, Charles Sturt, West Torrens, Holdfast Bay, the Corporations of the Cities of Salisbury, Tea Tree Gully, Prospect, Campbelltown, Marion, Adelaide, Burnside, Unley, Mitcham, and the Corporations of the Towns of Walkerville and Gawler, but excluding the whole of the town of Callington.

PETROLEUM PRODUCTS REGULATION ACT 1995

(SECTION 34)

Ministerial Directions—Industrial Pumps—Monday to Friday

PURSUANT to section 34 of the *Petroleum Products Regulation Act 1995*, I, Wayne Matthew, Minister for Minerals and Energy, being of the opinion that it is in the public interest to do so:

Clause I—Issue directions as follows:

1. The directions apply during the period of restriction declared by proclamation under the *Petroleum Products Regulation Act 1995* and commencing at 12.01 a.m. on 17 October 2001, including any period for which the period of restriction is extended by subsequent proclamation.

2. The directions apply to any person who is an owner, lessee or operator of an industrial pump (as defined herein) in the area defined in the Schedule and to any employee of such a person.

3. The directions issued apply only to the sale from an industrial pump of lead replacement petrol/unleaded petrol/premium unleaded petrol (herein referred to as 'motor fuel') to any employee of the owner, lessee or operator of the industrial pump.

4. Persons of a class referred to in subclause 2. above are directed to:

- (a) not sell, on a single occasion, motor fuel exceeding the value of \$25;
- (b) not sell lead replacement petrol for a price exceeding 94.5 cents per litre;
- (c) not sell unleaded petrol for a price exceeding 92 cents per litre;

- (d) not sell premium unleaded petrol for a price exceeding 98 cents per litre;
- (e) not sell motor fuel on even numbered days of the month except for motor vehicles with a number plate that bears as its last character an even number, zero or an alphabetic letter;
- (f) not sell motor fuel on odd numbered days of the month except for motor vehicles with a number plate that bears as its last character an odd number;
- (g) not sell motor fuel on Saturday and Sunday and on other days to sell only for a six hour period of the day. The period shall be either 6 a.m. to 12 noon or 1 p.m. to 7 p.m. and the period chosen must be indicated by a prominent sign or notice at the premises;
- (h) supply motor fuel only into the tank of a registered road vehicle.

5. The directions contained in paragraphs (e) and (f) of subclause 4. above do not apply to the sale of motor fuel for use in motor cycles, motor scooters, mopeds or other like two-wheeled vehicles.

6. Where separate directions have been issued under Part 5 of the *Petroleum Products Regulation Act 1995* in respect of a specified industrial pump in the area defined in the Schedule and those separate directions exclude the application of these general directions, these general directions do not apply in respect of that industrial pump.

7. These directions do not apply to the sale of motor fuel where the person seeking sale, or the person selling motor fuel, has been issued with a written instrument, signed by me or my lawful delegate, granting an exemption from the application of section 34 (6) of the *Petroleum Products Regulation Act 1995* and motor fuel is sold in accordance with the conditions of that exemption.

8. These directions require that where it is a condition of an exemption that a specified document must be handed over to the person supplying motor fuel, the person supplying the motor fuel must draw a line across the face of the document. That document must be kept at the premises from which the fuel was supplied, until handed over at the request of the Executive Director of Energy SA, Department of Primary Industries and Resources or until the expiration of 28 days from the end of the period of restriction, whichever occurs first.

Clause II—Issue further directions to members of the public (including employees of any of the persons referred to in subclause 2. of Clause I above) as follows:

1. The directions apply during the period of restriction declared by proclamation under the *Petroleum Products Regulation Act 1995* and commencing at 12.01 a.m. on 17 October 2001, including any period for which the period of restriction is extended by subsequent proclamation.

2. A member of the public must not purchase, require to be supplied with or take delivery of motor fuel where to do so would result in the contravention of a direction issued under Clause 1 by a person to whom Clause I applies.

In these directions:

‘industrial pump’ means a pump that:

- (a) is connected to a bulk tank having a capacity of not less than 2 001 litres; and
- (b) is installed at or in the vicinity of premises principally for the supply of petroleum products to the occupier of the premises and not principally for resale,

but does not include such a pump used primarily in connection with:

- (c) the business of primary production as defined for the purposes of *the Land Tax Act 1936*; or

- (d) any prescribed activity (that is—activities of municipal or district councils; activities of the Surf Life Saving Association on the Association’s land at the corner of Trimmer Parade and Sportsman Drive at West Lakes and activities of the S.A. St John Ambulance Service Incorporated).

SCHEDULE

The whole of the area comprising the council areas of the Adelaide Hills Council, the District Council of Mount Barker, the City Councils of Playford, Onkaparinga, Port Adelaide Enfield, Norwood Payneham and St Peters, Charles Sturt, West Torrens, Holdfast Bay, the Corporations of the Cities of Salisbury, Tea Tree Gully, Prospect, Campbelltown, Marion, Adelaide, Burnside, Unley, Mitcham, and the Corporations of the Towns of Walkerville and Gawler, but excluding the whole of the town of Callington.

PETROLEUM PRODUCTS REGULATION ACT 1995

(SECTION 34)

Ministerial Directions—Industrial Pumps, Saturday and Sunday

PURSUANT to Section 34 *the Petroleum Products Regulation Act 1995*, I, Wayne Matthew, Minister for Minerals and Energy, being of the opinion that it is in the public interest to do so:

Clause I—Issue directions as follows:

1. The directions apply during the period of restriction declared by proclamation under *the Petroleum Products Regulation Act 1995* and commencing at 12.01 a.m. on 17 October 2001, including any period for which the period of restriction is extended by subsequent proclamation.

2. The directions apply to any person who is an owner, lessee or operator of an industrial pump (as defined herein) in the area defined in the Schedule and to any employee of such a person.

3. The directions apply only to the sale from an industrial pump of lead replacement petrol/unleaded petrol/premium unleaded petrol (herein referred to as ‘motor fuel’) to any employee of the owner, lessee or operator of the industrial pump.

4. Persons of a class referred to in subclause 2. above are directed to not sell motor fuel on a Saturday or a Sunday except as provided by subclause 5. and 6. below or unless permitted to do so by separate conditions fixed as provided by subclause 7. or as permitted by a particular exemption provided for by subclause 8. below.

5. (a) An owner, lessee or operator of an industrial pump, or an employee of such a person may, subject to paragraph (b) below, sell motor fuel to a person seeking supply who delivers up to him or her a current exemption in writing issued by and signed by me or my lawful delegate permitting the purchase of motor fuel.

(b) Persons selling motor fuel as permitted by paragraph (a) above, are directed to:

- (i) not sell lead replacement petrol for a price exceeding 94.5 cents per litre;
- (ii) not sell unleaded petrol for a price exceeding 92 cents per litre;
- (iii) not sell premium unleaded petrol for a price exceeding 98 cents per litre;
- (iv) not sell, on a single occasion, motor fuel exceeding the value of \$25;
- (v) supply the motor fuel only into the tank of a registered motor vehicle;

- (vi) draw a line across the face of the exemption document delivered up by the purchaser, which document must be kept at the premises from which the fuel was supplied, until handed over at the request of the Executive Director of Energy SA, Department of Primary Industries and Resources or until the expiration of 28 days from the end of the period of restriction, whichever occurs first.

6. The directions above do not apply to the sale of motor fuel for use in motor cycles, motor scooters, mopeds or other like two-wheeled vehicles.

7. Where separate directions have been issued under Part 5 of the *Petroleum Products Regulation Act 1995* in respect of a specified industrial pump in the area defined in the Schedule and those separate directions exclude the application of these general directions, these general directions do not apply in respect of that industrial pump.

8. These directions do not apply to the sale of motor fuel where the person seeking sale, or the person selling motor fuel, has been issued with a written instrument, signed by me or my lawful delegate, granting an exemption from the application of section 34 (6) of the *Petroleum Products Regulation Act 1995* and motor fuel is sold in accordance with the conditions of that exemption.

9. These directions require that where it is a condition of an exemption that a specified document must be handed over to the person supplying motor fuel, the person supplying the motor fuel must draw a line across the face of the document, which document must be kept at the premises from which the fuel was supplied, until handed over at the request of the Executive Director of Energy SA, Department of Primary Industries and Resources or until the expiration of 28 days from the end of the period of restriction, whichever occurs first.

Clause II—Issue further directions to members of the public (including employees of any of the persons referred to in subclause 2. of Clause I above) as follows:

1. The directions apply during the period of restriction declared by proclamation under the *Petroleum Products Regulation Act 1995* and commencing at 12.01 a.m. on 17 October 2001, including any period for which the period of restriction is extended by subsequent proclamation.

2. A member of the public must not purchase, require to be supplied with or take delivery of motor fuel where to do so would result in the contravention of a direction issued under Clause I by a person to whom Clause 1 applies.

In these directions:

‘industrial pump means a pump that:

- (a) is connected to a bulk tank having a capacity of not less than 2 001 litres; and
- (b) is installed at or in the vicinity of premises principally for the supply of petroleum products to the occupier of the premises and not principally for resale,

but does not include such a pump used primarily in connection with:

- (c) the business of primary production as defined for the purposes of the *Land Tax Act 1936*; or
- (d) any prescribed activity (that is—activities of municipal or district councils; activities of the Surf Life Saving Association on the Association’s land at the corner of Trimmer Parade and Sportsman Drive at West Lakes and activities of the S.A. St John Ambulance Service Incorporated).

SCHEDULE

The whole of the area comprising the council areas of the Adelaide Hills Council, the District Council of Mount Barker, the City Councils of Playford, Onkaparinga, Port Adelaide Enfield, Norwood Payneham and St Peters, Charles Sturt, West Torrens, Holdfast Bay, the Corporations of the Cities of Salisbury, Tea Tree Gully, Prospect, Campbelltown, Marion, Adelaide, Burnside, Unley, Mitcham, and the Corporations of the Towns of Walkerville and Gawler, but excluding the whole of the town of Callington.
