CONSTITUTION ACT 1934

ELECTORAL DISTRICTS BOUNDARIES COMMISSION

Notice Issued Pursuant to section 85 (1) of the Constitution Act 1934

PURSUANT to section 82 (1) of the Constitution Act 1934 the Electoral Districts Boundaries Commission is about to commence proceedings for the purpose of making an electoral redistribution of House of Assembly Districts.

In making an electoral redistribution, section 83 of the Constitution Act 1934 requires the Commission to:

- ensure, as far as practicable, that the electoral redistribution is fair to prospective candidates and groups of candidates so that, if candidates of a particular group attract more than 50 per cent of the popular vote (determined by aggregating votes cast throughout the State and allocating preferences to the necessary extent), they will be elected in sufficient numbers to enable a government to be formed;
- have regard, as far as practicable, to:
 - (a) the desirability of making the electoral redistribution so as to reflect communities of interest of an economic, social, regional or other kind;
 - (b) the population of each proposed electoral district;
 - (c) the topography of areas within which new electoral boundaries will be drawn;
 - (d) the feasibility of communication between electors affected by the redistribution and their parliamentary representative in the House of Assembly;

- (e) the nature of substantial demographic changes that the Commission considers likely to take place in proposed electoral districts between the conclusion of its present proceedings and the date of the expiry of the present term of the House of Assembly.

Section 83 authorises the Commission to have regard to any other matters it thinks relevant.

In accordance with section 85 (1) of the Constitution Act 1934, the Commission hereby invites representations from any person in relation to the proposed electoral redistribution.

Any persons desiring to make representations to the Commission in relation to the proposed electoral redistribution may do so by instrument in writing, served personally or by post upon the Secretary of the Commission, by 5 p.m. on Friday, 9 August 2002.
