#### AQUACULTURE ACT 2001

##### PRIMARY INDUSTRIES AND RESOURCES SOUTH AUSTRALIA

##### *Call for Submissions*

PURSUANT to section 12 of the Aquaculture Act 2001 notice is hereby given that the Minister for Agriculture, Food and Fisheries has released the following two draft aquaculture policies for public consultation, which have been developed in accordance with the provisions of Part 4 of the Aquaculture Act 2001.

##### *Environmental Management Draft Aquaculture Policy*

It is proposed to establish an Environmental Assessment, Monitoring and Management Framework that will contribute to the ecologically sustainable development of all marine and landbased sectors of the aquaculture industry in South Australia and is designed to ensure the South Australian aquaculture industry is a world leader in environmental management.
