Mr John Eastham
Director
National Electricity Code Administrator
Level 5, 41 Currie Street
Adelaide, S.A. 5000

Dear John,

*Draft Determination and Interim Authorisation of Australian
Capital Territory Metering Derogations*

On 22 March 2005, the Australian Competition and Consumer Commission (ACCC) received applications for authorisation (Nos A40100, A40101 and A40102) of derogations to Chapter 7 of the National Electricity Code (code). The applications were made by

the National Electricity Code Administrator (NECA) on behalf of the Australian Capital Territory Government, under Part VII of the Trade Practices Act 1974 (TPA). The stated purpose of the applications includes reinstating and extending current jurisdictional derogations in the short term to provide sufficient time for the code changes recommended by the jurisdictional regulators to be pursued through the usual code consultation process.

I also note that the Australian Capital Territory Government requested interim authorisation. The ACCC has considered this request and has decided, pursuant to section 91 (2) of the TPA to grant interim authorisation to the applications. The interim authorisation becomes effective from 12 May 2005 and will lapse when the ACCC's final determination in regard to each application comes into force, unless this interim authorisation is revoked before this date. Please note that under subsection 91 (2) of the TPA, the ACCC may revoke an interim authorisation at any time.

The ACCC has also made a draft determination on the applications for authorisation. The draft determination outlines the ACCC's proposal to grant authorisation of the derogations. A copy of the draft determination is enclosed

Written submissions on the draft determination are to be received by 10 June 2005. Further, the ACCC invites NECA and other interested parties to notify it by 26 May 2005 if they wish the ACCC to hold a pre-determination conference (PDC). If notified, the ACCC will hold a PDC in Canberra on 6 June 2005 at a time and venue to be notified.

The applicant and interested parties who receive a copy of the draft determination, and any other interested parties whose presence the ACCC considers appropriate are entitled to participate in any such PDC. Following the PDC, the ACCC will take into account issues raised at the PDC and any related submissions, and will issue a final determination.

If no PDC is called, or written submissions received, then the draft determination will form the basis of the final determination.

If you have any queries about any issue raised in this letter, please contact me on (03) 9290 1435 or Owen Seadon on (03) 9290 1445.

Yours sincerely,

SEBASTIAN ROBERTS, General Manager,
ACCC Electricity

The **WORKCOVER CORPORATION OF SOUTH AUSTRALIA** ("the Corporation") in accordance with those provisions of the **WORKERS REHABILITATION AND COMPENSATION ACT, 1986**, as amended ("the WRCA") and the **WORKCOVER CORPORATION ACT, 1994**, as amended ("the WCA") identified in Item 1 of the Schedule hereto ("the Schedule") makes its determination in the terms set out in Item 2 of the Schedule upon the grounds set out in Item 3 of the Schedule, if any, to come into effect on the date set out in Item 4 of the Schedule and determines further that notice of this determination shall be provided in the manner set out in Item 5 of the Schedule, if any, and further for the purposes of this determination the Corporation pursuant to Section 17 of the WCA delegates those powers or functions of the Corporation set out in Item 6 of the Schedule to the person or persons named therein ("the Delegate").

SCHEDULE**Item 1 Legislation Empowering Determination**

Sections 65 and 67 of the WRCA and Section 17 of the WCA.

Item 2 Terms of Determination**A. Establishment of a consolidated remission/supplement scheme**

That the Delegate establish and implement under Section 67 of the WRCA a consolidated scheme for the remission of levies ("remissions") or the imposition of supplementary levies ("supplements") on particular employers ("the Levy Adjustment Scheme"). The Levy Adjustment Scheme must satisfy the following conditions:

2.1 The Levy Adjustment Scheme shall not apply at all to employers who are holders of exempt employer status.

2.2 The remission to be granted or the supplement to be imposed on a particular employer shall be the result, in net terms, of the application of the discrete elements of remission or supplement described in Elements 1 to 6 set out below.

Accordingly, the Delegate shall determine, within any discrete period, the application of a single remission or supplement which reflects the net effect of Elements 1 to 6 (provided that the part of the remission that reflects the operation of Element 2 of the Levy Adjustment Scheme may be payable as a lump sum).

2.3 Element 1 is the grant of a remission or the imposition of a supplement on a particular employer determined having regard to:

(a) the incidence or costs of claims for compensable disabilities suffered by a particular employer's workers (disregarding claims excluded from the ambit of Section 67(1)(b) of the WRCA by regulation); or

- (b) the performance or otherwise by the employer of measures determined by the Corporation to reduce the incidence or costs of those compensable disabilities,

subject to the conditions that:

- (c) the amount of any supplement shall not exceed 50% of the levy payable by the particular employer by application of the percentage fixed by the Corporation under Section 66(6) of the WRCA; and
- (d) Element 1 of the Levy Adjustment Scheme shall not apply to employers whose levy payable to the Corporation for the relevant period falls below a level determined for that purpose by the Delegate.

2.4 Element 2 is the grant of a remission to or the imposition of a supplement on a Participating Employer determined by calculating that employer's Performance Ratio and granting or imposing, as the case may be, the remission or supplement that has been fixed by the Board as applicable to that Performance Ratio for that financial year.

2.5 Element 3 is the imposition of a supplement where the particular employer fails to give at least 28 days notice to the Corporation of the proposed termination of a worker who has suffered a compensable disability (being the employer from whose employment the disability arose) unless:

- (a) the employment is properly terminated on the ground of serious and wilful misconduct; or
- (b) the worker is neither receiving compensation, nor participating in a rehabilitation program, for the disability; or
- (c) the worker's rights to compensation for the disability have been exhausted or the time for making a claim for compensation has expired,

subject to the conditions that:

- (d) the amount of the supplement imposed under Element 3 shall not exceed 110% of the amount of the Claims Costs paid or payable by the Corporation in respect of the relevant worker of the particular employer during the period the particular employer fails to provide the relevant notice; and
- (e) the supplement imposed under Element 3 shall cease if a supplement is imposed under Element 4 of the Levy Adjustment Scheme to the same employer in respect of the same worker.

2.6 Element 4 is the imposition of a supplement where the particular employer fails to provide suitable employment for a worker of that employer who has been incapacitated for work in consequence of a compensable disability and is able to return to work (whether on a full-time or part-time basis and whether or not to his or her previous employment), the employment being employment for which the worker is fit and, subject to that qualification, so far as reasonably

practicable the same as, or equivalent to, the employment in which the worker was employed immediately before the incapacity, unless –

- (a) it is not reasonably practicable to provide employment;
- (b) the worker left the employment of that employer before the commencement of the incapacity for work;
- (c) the worker terminated the employment after the commencement of the incapacity for work; or
- (d) the employer currently employs less than ten employees, and the period that has elapsed since the worker became incapacitated for work is more than one year

subject to the condition that the amount of the supplement imposed under Element 4 shall not exceed 110% of the Claims Costs paid or payable by the Corporation in respect of the relevant worker of the particular employer which are attributable to such failure to provide suitable employment.

2.7 Element 5 is the imposition of a supplement in relation to a particular employer having regard to criteria determined on an annual or more regular basis by the Manager, Occupational Health and Safety Services as:

- (a) establishing an indicator that the costs or incidence of disabilities to the workers of particular employers exceeds to a material extent the average of those costs or incidence in the industry (which has been determined by the Corporation pursuant to Section 66(3) of the WRCA) in which the particular employer employs workers or some other like benchmark or grouping adopted for that purpose where determined to be more appropriate by the Delegate; or
- (b) measures designed to target the application of this element of the Levy Adjustment Scheme to particular employers whose workers have a cost or incidence of claims that require the specific intervention of the Corporation in order to meet the objects of the WRCA specified in Section 2 of the WRCA;

subject to the condition that the amount of the supplement imposed under this Element of the Levy Adjustment Scheme shall not exceed fifty percent (50%) of the levy payable by the particular employer by application of the percentage fixed by the Corporation under Section 66(6) of the WRCA.

2.8 Element 6 is the imposition of a supplement on each Qualifying Employer (a "Relevant Balancing Payment") in relation to each Return Period subject to the conditions that:

- (a) no Qualifying Employer shall be obliged to pay a Relevant Balancing Payment more than once in respect of a single continuous period of registration by the Corporation under the WRCA; and
- (b) the Relevant Balancing Payment shall be payable at the same time that the Qualifying Employer is obliged to pay the Base Levy applicable to that Return Period unless the obligation to pay the

Relevant Balancing Payment is revoked by the Corporation under section 67(4)(b) of the WRCA before the time for such payment.

B. Adjustment of the Levy Adjustment Scheme

2.9 In order to give effect to the Levy Adjustment Scheme in a manner which will best achieve the objects of the WRCA under Section 2 of the WRCA and the primary objects of the Corporation under Section 12 of the WCA the Delegate may adjust the operation of the Levy Adjustment Scheme as follows:

- (a) the Delegate may replace an Element or Elements with alternative means of calculating or establishing an element of the Levy Adjustment Scheme;
- (b) the Delegate may apply an Element or Elements to a particular location or locations at which the particular employer employs workers or may apply an Element or Elements to the particular employer as a whole;
- (c) the Delegate may defer the commencement of an Element or Elements for a particular employer for a definite or indefinite period or, suspend or terminate the operation of any Element of the Levy Adjustment Scheme for a particular employer for a definite or indefinite period;
- (d) the Delegate may apply an Element or Elements to a particular employer by having regard to the claims history and other circumstances of another employer where, in the opinion of the Delegate, the connection between the particular employer and the other employer is such that it is appropriate to do so;
- (e) the Delegate may determine that two or more employers will constitute a group for the purposes of Division IV of Part V of the WRCA if:
 - (i) they are capable of being treated as members of a group under the Payroll Tax Act 1971, as amended; or
 - (ii) they are related in some other way,and to treat the Levy Adjustment Scheme as applicable to that group of employers as if a reference in this Determination to an 'employer' was a reference to that group of employers;
- (f) the Delegate may nominate after consultation with the members of a group determined under paragraph B2.9(e), one of the employers to be treated as the employer of all of the workers employed by members of that group;
- (g) the Delegate may establish and implement transitional arrangements and measures necessary or convenient to deal with any alteration of the Levy Adjustment Scheme under B2.9(a); or

- (h) the Delegate may make such further or other adjustment of the operation of the Levy Adjustment Scheme as may in the opinion of the Delegate, best give effect to the objects of the WRCA (as specified in Section 2 of the WRCA) and the primary objects of the Corporation (as specified under Section 12 of the WCA) and having regard to the matters permitted to be considered under Section 67(1) of the WRCA (and for which purpose the Delegate may form the opinion required under Section 67(1)(e) of the WRCA);
- (i) the Delegate may require repayment of a remission or may increase any supplement where the Corporation has previously assessed that remission or supplement on the basis of the performance or conduct of an employer which assessment did not take into account materially relevant information or took into account information which materially misstated the conduct or performance of the employer so that the amount either repayable by way of a refund of the remission (or part thereof) or payable by way of a further supplement reflects the remission or supplement, as the case may be, that the employer would have received or incurred had the Corporation known all relevant information when it initially assessed the remission or supplement (including information which only became available to the Corporation or the employer at a date after the initial calculation of the remission or supplement);
- (j) the Delegate may apply the Levy Adjustment Scheme to an employer that does not have the requisite claims history to allow the application of Elements in the Levy Adjustment Scheme by:
 - (i) imputing such a claims history on the basis of the information available to the Delegate and applying the relevant Elements accordingly; and
 - (ii) making such adjustments subsequently as the Delegate considers appropriate if subsequent claims history is materially at variance with the imputed claims history;

however, an employer cannot be considered for the application of an Element that would give rise to a remission as a result of the application of this paragraph (j) unless the Delegate determines that the employer meets the following additional criteria:

- (iii) the employer has not previously conducted a business employing a worker in South Australia;
- (iv) the employer has not acquired or otherwise taken control of a business previously conducted in South Australia;
- (v) the employer can establish to the satisfaction of the Delegate a high likelihood that the levies payable by the employer in the first year of registration as an employer (disregarding any remission under this paragraph (j)) will be not less than \$100,000;

- (vi) the employer can establish to the satisfaction of the Delegate that the business to be conducted by the employer in South Australia will continue for a period of not less than 3 years;
 - (vii) the employer can establish to the satisfaction of the Delegate that the employer is or will become a "best practice" employer on or soon after commencing to conduct a business in South Australia; and
 - (viii) the employer is conducting a business to which is applicable an industry levy which is not reduced by the effect of any cross-subsidising levy rate paid by employers in other industries.
- (k) where:
- (i) any Element of a remission or supplement ("Original Element") has been calculated with respect to a particular period on the basis of information provided by or on behalf of an employer to the Corporation; and
 - (ii) it subsequently transpires that information was inaccurate either by way of misstatement or omission,

the Delegate may make such subsequent adjustment to the levy payable by that employer (including any subsequent remission or supplement of that levy) to allow for the effect of the inaccurate data on the Original Element so that neither the Corporation nor the employer suffers or receives any detriment or advantage by reason of such inaccurate data.

C. Reviews

- 2.10 Applications for reviews of the implementation of the Levy Adjustment Scheme shall remain to be determined by the Board of the Corporation under Section 72 of the WRCA in accordance with the procedures determined by the Board for that purpose under Section 72(3) of the WRCA.

D. PAS Determination

- 2.11 As and from the commencement of this Determination all prior determinations of the Corporation as to matters dealt with in this Determination (including the PAS Determination) are rescinded on and subject to the terms that:

- (a) this Determination will be taken to be substituted for the PAS Determination;
- (b) any prior decision made by the Delegate in the exercise of a power conferred under the PAS Determination will, until replaced by an inconsistent decision of the Delegate under this Determination, continue in force and effect as a decision of the Delegate under the corresponding provision of this Determination;

- (c) the rescission of the PAS Determination does not affect any liability, obligation or duty incurred or liable to be incurred under the PAS Determination prior to such rescission or any legal proceeding (as defined in Section 16(4) of the Acts Interpretation Act 1915) as if the PAS Determination was a statutory instrument to which section 16 of the Acts Interpretation Act 1915 applied; and
- (d) the "Experience Rating Pilot Scheme" applied pursuant to the Determination of the Corporation made on 1 September 2000 and published in the South Australian Government Gazette on 5 October 2000, pages 2362 and 2363, shall continue to operate with respect to an employer that is a party to a current "Experience Rating Agreement" (as defined in that Determination) with the Corporation as at the date of this Determination.

E. Definitions

- 2.12 (a) "Accepted Claim Costs" means all Claims Costs paid by or on behalf of the Corporation during the Relevant Window Period in respect of a disability accepted to be a compensable disability occurring in the first 24 months of the Relevant Window Period but:
- (i) excluding the costs of claims proven, by the obtaining of a conviction, to constitute a breach of Section 120 of the WRCA;
 - (ii) excluding estimates of payments expected to be made after the Relevant Window Period;
 - (iii) excluding that part of the cost of redeemed claims that relate to the period after the Relevant Window Period;
 - (iv) making no allowance or subsequent adjustment for any recoveries of such Claims Costs made outside of the Relevant Window Period.
- (b) "Actuarial Costs" or "AC" means the costs and expenses incurred by the Corporation to appoint an actuary to calculate OL in relation to a particular Qualifying Employer.
- (c) "Adjusted Total Levy" means Total Levy less that part of Base Levy which is estimated by the Delegate to be attributed to recovering costs and expenses of the Corporation other than the Claim Costs.
- (d) "Balancing Payment" or "BP" means:
- (i) if, in relation to a particular Return Period, the NLP applicable to a particular Qualifying Employer exceeds the OL applicable to that Qualifying Employer, then in relation to that Qualifying Employer, BP equals FSC + AC;
 - (ii) if not, then in relation to that Qualifying Employer:
 - (A) if $OL - NLP$ exceeds FSC then:

- a. BP equals $AC + OL - NLP$ (if ALP exceeds TCP); or
 - b. BP equals $AC + OL + NLP$ (if TCP exceeds ALP); or
- (B) if $OL - NLP$ is less than FSC then:
 - a. BP equals $FSC + AC + OL - NLP$ (if ALP exceeds TCP);
 - b. BP equals $FSC + AC + OL + NLP$ (if TCP exceeds ALP); or
- (iii) if, a Balancing Payment as calculated under paragraph (i) or (ii) would be legally unenforceable against a particular Qualifying Employer, then in relation to that particular Qualifying Employer, BP equals:
 - (A) $OL + NLP$ (if TCP exceeds ALP); or
 - (B) OL (if ALP exceeds TCP).
- (e) "Base Levy" means the aggregate of the amounts calculated by multiplying the remuneration for each of the employer's locations by the applicable relevant industry levy rate determined under Section 66 of the WRCA and ignoring the application of GST and any adjustment by way of remission or supplement and, if more than one such applicable industry levy rate in a relevant period, by multiplying the remuneration for each part of the period by the levy rate applicable to that part of the period and aggregating the product.
- (f) "Claim Costs" means all costs, expenses and payments made by or on behalf of the Corporation in respect of a compensable disability including but not limited to payments of compensation to the worker that suffered the compensable disability.
- (g) "Funding Shortfall Contribution" or "FSC" means the amount which the Delegate estimates that a particular Qualifying Employer would be expected to pay by way of Base Levy over the 10 years following the relevant Return Period which is attributed to the recovery of the Unfunded Liabilities assuming for that purpose that:
 - (i) the Qualifying Employer remained registered as an employer under the WRCA for the 10 year period;
 - (ii) subject to paragraph (iv), the amount of such contribution of that Qualifying Employer remains the same proportion of the Base Levy payable by that Qualifying Employer over the whole of the 10 year period as exists at the beginning of that 10 year period;
 - (iii) the Qualifying Employer has the same industry classification and the Base Levy rate applicable to that

industry classification does not change during the 10 year period; and

- (iv) the Qualifying Employer's aggregate remuneration which would attract the application of the Base Levy increases at the rate of 3% per annum for each year during the 10 year period.
- (h) "Net Levy Position" or "NLP" means if:
- (i) ALP exceeds TCP the amount that the Delegate estimates to be ALP – TCP; or
 - (ii) TCP exceeds ALP the amount that the Delegate estimates is to be TCP – ALP,

where:

- (iii) ALP is the Delegate's estimate of Adjusted Total Levy paid by a particular Qualifying Employer during the seven years¹ prior to the relevant Return Period; and
 - (iv) TCP is the Delegate's estimate of the aggregate of the Claims Costs paid by the Corporation in the seven years¹ preceding the relevant Return Period to workers employed by that Qualifying Employer at the time of the trauma to which those Claims Costs are attributable discounted to the dates that the injuries that gave rise to the claims occurred at the discount rate used to determine the latest amount of the Unfunded Liabilities;
- (i) "Outstanding Liabilities" or "OL" means the present value of the future liability of the Corporation to pay Claims Costs for compensable disabilities attributable to traumas that occurred before the beginning of the relevant Return Period in relation to the workers of a particular Qualifying Employer² as estimated by an actuary appointed by the Corporation assuming for that purpose that the Qualifying Employer (whether reported to the Corporation or the Qualifying Employer or not) would no longer be required to pay a supplement under Section 67(1)(e) of the WRCA as constituted by Element 3 or Element 4 of this Determination, in relation to those compensable disabilities after the end of the relevant Return Period and that the Qualifying Employer would be no longer registered as an employer under the WRCA.
- (j) "Participating Employer" means a Qualifying Employer that has agreed in writing not later than the 31 May before the start of a financial year to participate in Element 2 in respect of that financial year and who has not given a valid notice in writing withdrawing

¹ If the Qualifying Employer has not been registered as an employer under the WRCA over the whole of that period, this period shall be replaced by a period equal to the period that the Qualifying Employer has been registered as an employer under the WRCA.

² Whether or not those traumas have been reported to the Corporation or to the Qualifying Employer.

from Element 2. A notice from an employer withdrawing from Element 2 must be given not later than the 31 May before the start of the financial year in respect of which the employer does not wish to participate in Element 2 and will not, in any event, be effective until the employer has participated in Element 2 for at least two consecutive financial years.

- (k) "PAS Determination" means the Determination of the Corporation made 26 May 1999 and published in the South Australian Government Gazette, 3 June 1999, page 2998 as amended (see South Australian Government Gazette 5 October 2000, pages 2362 and 2363, South Australian Government Gazette 16 May 2002, pages 1908 to 1912 and South Australian Government Gazette 3 March 2005, pages 566 to 569) and as further amended to the date of this Determination.

- (m) "Qualifying Employer" means an employer that has a Base Levy of \$100,000 (or such other amount as the Board may determine in respect of a particular financial year) in the financial year:
 - (i) two years preceding the financial year to which Element 2 will apply; or
 - (ii) immediately preceding the Return Period to which Element 6 will apply.
- (n) "Relevant Balancing Payment" means the Balancing Payment calculated in relation to a particular Qualifying Employer for a particular Return Period.
- (o) "Relevant Window Period" means in respect of a financial year to which Element 2 applies, the 30 month period commencing on the date 3 years before the first day of that financial year.
- (p) "Return Period" means in relation to a particular Qualifying Employer, a month or such other period, if any, as the Corporation may have determined under Section 69(4)(b) of the WRCA as the period to apply to that Qualifying Employer in lieu of a month;
- (q) "Total Levy" means the Base Levy payable by a particular Qualifying Employer after it has been increased by the addition of any supplement (other than under Element 6) or decreased by the grant of any remission.
- (r) "Unfunded Liabilities" means the amount by which the Corporation's total liabilities exceeds its total assets as specified in the then latest audited accounts of the Corporation.

- 2.14 A word or term having a defined meaning in the WRCA has, unless the contrary intention appears, the same meaning in this Determination.

Item 3 Grounds of Determination

That the Levy Adjustment Scheme is a just and equitable means of applying Section 67 of the WRCA having regard to the objects of the WRCA and the primary objects of the Corporation.

Item 4 Commencement Date of Determination

This Determination shall commence on the publication of this Determination in the South Australian Government Gazette.

Item 5 Notice of Determination

This Determination shall be published in the Government Gazette.

Item 6 Delegation by Board

That the officers of the Corporation occupying (or acting in) the positions designated by the Corporation as the Chief Executive Officer and Chief Financial Officer in any instrument of delegation of the Corporation as having delegated authority with respect to Section 67 of the WRCA be separately delegated (in addition to and not in derogation of such other delegated powers and functions of the Corporation delegated to those officers) (each "the Delegate") such of the powers and functions of the Corporation pursuant to the WRCA as are necessary to give effect to this Determination. The Delegate shall not exercise the powers contained in paragraph B2.9(a) without first having consulted with the Board Committee having responsibility for the oversight of the Levy Adjustment Scheme as to the implementation of the Levy Adjustment Scheme and the exercise by the Delegate of the powers and functions of the Corporation delegated to the Delegate under this Determination ('the Board Committee'). The Delegate shall report annually to the Board Committee as to the operation of the Levy Adjustment Scheme.

SCHEDULE**Item 1 Legislation Empowering Determination**

Sections 67(4)(b) and 69(4) of the WRCA and Section 17 of the WCA.

Item 2 Terms of Determination**A. Revocation of the Balancing Payment**

The Balancing Payment imposed under Element 6 of the LAS Determination on a particular Qualifying Employer in relation to a particular Return Period is revoked in relation to that Return Period if that Qualifying Employer is, as at the first day of the next consecutive Return Period, required to be and is registered by the Corporation for the purposes of Part 5 of the WRCA.

B. Payment of Balancing Payment

Those Qualifying Employers for whom the Balancing Payment in relation to a particular Return Period is not revoked under paragraph A above are constituted as a class of employers for the purposes of Section 69(4)(a) of the WRCA and the Corporation determines, in relation to that class of employers that:

- (a) the requirement to pay that part of the levy payable by those Qualifying Employers attributable to the Balancing Payment imposed under Element 6 of the LAS Determination within the time provided for in Section 69 of the WRCA does not apply to those Qualifying Employers; and
- (b) the Corporation imposes upon those Qualifying Employers an obligation to pay that part of such levy attributable to the Balancing Payment imposed under Element 6 of the LAS Determination within 14 days of the Corporation notifying the Qualifying Employer of the amount of such Balancing Payment.

C. Definitions

In this Determination the following terms will have the meaning set out below:

Item 3 Grounds of Determination

That the Balancing Payment Supplement imposed by virtue of Element 6 of the LAS Determination should be payable by Qualifying Employers that are no longer registered as employers under the WRCA in order that the remaining registered employers are not required to bear an inequitable proportion of the future costs of claims of existing compensable disabilities (including but not limited to those attributable to workers of that Qualifying Employer) once that Qualifying Employer ceases to be registered and pay levies under Part 5 of the WRCA.

Item 4 Commencement Date of Determination

This Determination shall come into force and effect immediately after the LAS Determination comes into force and effect.
