## BUILDING WORK CONTRACTORS ACT 1995

*Exemption*

TAKE notice that, pursuant to section 45 of the Building Work Contractors Act 1995, I, Mark Bodycoat, Commissioner for Consumer Affairs, do hereby exempt the licensees named in Schedule 1 from the application of Division 3 of Part 5 of the above Act in relation to domestic building work described in Schedule 2 and subject to the conditions specified in Schedule 3.

## SCHEDULE 1

Sean Mullen, BLD 163540 and Kylie Mullen, BLD 163541.

## SCHEDULE 2

Construction of a stone house with an iron roof, performed by the licensees at the property described as Lot 882, Bishop Road, Mount Gambier, S.A.

## SCHEDULE 3

1. This exemption is limited to the domestic building work personally performed by the licensees for the construction of a stone house with an iron roof, situated at Lot 882, Bishop Road, Mount Gambier, S.A. ('the property').

2. This exemption does not apply to any domestic building work on the property that the licensees contract to another building work contractor, for which that contractor is required by law to hold building indemnity insurance.

3. The licensees do not transfer their interest in the property prior to five years from the date of completion of the building work the subject of this exemption, without the prior authorisation of the Commissioner for Consumer Affairs. Before giving such authorisation, the Commissioner for Consumer Affairs may require the licensees to take any reasonable steps to protect the future purchaser(s) of the property, including but not limited to:

- providing evidence that an adequate policy of building indemnity insurance is in force to cover the balance of the five-year period from the date of completion of the building work the subject of this exemption;
- providing evidence of an independent expert inspection of the building work the subject of this exemption;
- making an independent expert report available to prospective purchasers of the property; and
- giving prospective purchasers of the property notice of the absence of a policy of building indemnity insurance.

Dated 22 September 2006.

DEVELOPMENT ACT 1993, SECTION 48: DECISION BY  
THE DEVELOPMENT ASSESSMENT COMMISSION AS  
DELEGATE OF THE GOVERNOR

*Preamble*

1. The decision of the Governor under section 48 of the Development Act 1993, to approve the development of Holdfast Shores Stage 2B development located adjacent to Colley Terrace, Glenelg was published in the *Gazette* on 19 February 2004.

2. On 8 June 2000 and pursuant to section 48 of the Development Act 1993, the Governor granted a development approval for the Holdfast Shores 2A development, comprising a hotel, car parking, landscaping and associated works, adjacent to Chappell Drive, Glenelg. The development was subject to a Development Report and an Assessment Report, pursuant to section 46 of the Development Act 1993. Amendments to the Holdfast Shores Stage 2A proposal relating primarily to design, car parking, land division, signage issues and Building Rules, were subsequently granted approval by the Development Assessment Commission (as the Governor's delegate) on 7 December 2000; 1 March 2001; 17 May 2001; 28 February 2002; 3 October 2002; 20 March 2003, and Stage 2B amendments dated 4 March 2004, 15 July 2004 and 26 August 2004.

3. A proposal for the development of the Holdfast Shores 2B proposal at Glenelg, comprising the construction of the Glenelg Surf Life Saving Club, demolition of the existing GSLSC building; the Magic Mountain building and the construction of a rock seawall, an apartment building, and an entertainment and retail precinct, has been considered under Division 2, Part 4 of the Development Act 1993.

4. The Governor was satisfied that an appropriate Amended Development Report and an Amended Assessment Report have been prepared in relation to the development, in accordance with the requirements of Division 2 of Part 4 of the Development Act 1993 and the proposed development was approved on 19 February 2004.

5. The Governor had, in considering the application, regard to all relevant matters under section 48 (5) of the Development Act 1993.

6. A number of amendments have been approved since the original decision date of 19 February 2004. The most recent amendments are contained in the following documents and drawings:

- Building Rules documentation and accompanying plans from Katnich Dodd Private Certifier dated 11 September 2006 for Tenancy T04.

7. Application has also been made to the Development Assessment Commission as delegate of the Governor under section 48 of the Development Act 1993, to grant an approval for the Building Rules Certification for Tenancy T04.

8. The amendments to the development are contained in the correspondence by Katnich Dodd dated 11 September 2006 and accompanying plans.

9. The Development Assessment Commission has in considering the application had regard to all relevant matters under section 48 (5) of the Development Act 1993.

10. The Development Assessment Commission is satisfied that the variation does not require the preparation of a further amended Development Report.

*Decision*

PURSUANT to section 48 of the Development Act 1993, the Development Assessment Commission as delegate of the Governor, in relation to a proposal submitted by Holdfast Shores Consortium to develop the Holdfast Shores Stage 2B at Glenelg:

- (a) grant provisional development authorisation for the Holdfast Shores Stage 2B development at Glenelg, subject to the conditions and notes to the applicant below;
- (b) grant development authorisation for Building Rules Certification for the demolition of Magic Mountain and the use of the Police Station building by the Glenelg Surf Life Saving Club;

2. A Construction Environmental Management Plan (CEMP) shall be prepared, in consultation with the Environment Protection Authority, Coast Protection Board and the City of Holdfast Bay, to address the management issues during construction. Matters to be addressed in the CEMP must include:

- traffic management during construction, including transport beyond the site;
- control and management of construction noise;
- dust and mud control;
- working hours;
- stormwater and groundwater management during construction;
- site security and fencing;
- disposal of building waste and refuse;
- protection and cleaning of roads and pathways;
- site clean-up;
- adherence to all relevant Environment Protection Authority policies and codes of practice for construction sites;
- identification and management of potential and actual acid sulphate soils (should these be encountered); and
- identification and management of contaminated soils and groundwater (should these be encountered).

3. The applicant shall submit further information and application(s) in relation to the matters that have been reserved for further decision-making by the Governor (or her delegate).

4. No building works shall commence on subsequent stages of the development until a decision has been made by the Governor (or her delegate), involving matters relating to the Building Rules assessment and certification requirements and any other reserved matters that are subject to further development application.

5. No works shall commence unless, and until, legal rights to develop the Magic Mountain site have been secured.

6. The car parking areas shall be designed in accordance with Australian Standards 2890 1-1993 and line markings shall be maintained in good and substantial condition at all times.

7. Access for service deliveries and waste disposal vehicles at the Holdfast Promenade shall only be allowed between 7 a.m. and 10 a.m. daily.

8. Stormwater from the Holdfast Shores Stage 2B site shall not be disposed of by way of a pipe or similar structure that conveys the stormwater to the beach.

9. Site works, construction work and truck movements to and from the site shall only be carried out between 7 a.m. and 6 p.m., Monday to Saturday, inclusive.

10. Pedestrian access ways, from Moseley Square to the Entertainment Plaza and from Hope Street through the 'air lock', shall remain open to the public at all times.

11. Landscaping shall be provided in accordance with the authorised plans and shall be maintained and nurtured, with any diseased or dying plants being replaced.

12. The waste storage and service area at the rear of the buildings shall be kept in a neat, tidy and healthy condition at all times and the service area access door shall remain closed at all times, other than when loading or unloading is taking place.

13. Machinery, plant operating equipment, lighting or sound devices shall not impair or impinge upon the enjoyment of adjoining properties or occupiers thereof.

14. All drainage, finished floor levels, and public works associated with the development, including the disposal of stormwater, shall be carried out in accordance with accepted engineering standards and to the reasonable satisfaction of the City of Holdfast Bay.

15. The period of time for which the building (the Police Station building) shall be used as clubrooms shall be 18 months from the date of Development Authorisation of 15 July 2004, after which period the building shall be vacated.

16. The clubrooms (in the Police Station building) will not be used as a nightclub or discotheque or the like.

17. The door to the accessible male toilet (in the Police Station building) shall be handed to provide latch side clearance in accordance with Fig. 12 of AS1428.1. BCA-Part D3.2.

18. The levels of any openings to the basement car park, including ventilation outlets, inlets and the like shall be in accord with those previously proposed in section 4.1Q of the Amended Development Report for Stage 2B dated 18 September 2003.

19. The fit-out of the public toilets shall be to the reasonable satisfaction of the City of Holdfast Bay.

20. Service plant/machinery associated with the Entertainment Building shall be appropriately concealed from public view.

21. The proposed transformer located on the southern elevation of the Entertainment Building shall be appropriately screened to minimise its visual impact on the public realm.

22. The applicant shall place outdoor showers along the back of the beach to the reasonable satisfaction of the City of Holdfast Bay.

23. The southern most waterslide shall not project over the walkway space located between the Town Hall and Entertainment Building and in any event, should not be located within 5 m of the Town Hall.

24. Structures or ornaments in the mini-golf course shall be arranged and sited to ensure that:

- (a) no individual structure or ornament exceeds a height of 1.5 m within the southern section of the mini-golf course so as to obscure western and north-western views from the Town Hall; and
- (b) structures or ornaments are not grouped in a manner that creates visual bulk to the southern or western elevations of the Entertainment Building or obscures western and north-western views from the Town Hall.
25. The modifications to the Glenelg Town Hall access shall be executed with minimum intervention to the historic fabric of the building.
26. The encumbrance dated 16 February 2006, shall be registered on the five Torrens titles, facing Moseley Square as soon as practicable after the land division No. 110/D052/05 is implemented.
27. The financial requirements of the SA Water Corporation shall be met for the provision of water supply and sewerage services, for land division application Nos 110/D052/05, 110/C053/05, 110/C061/05, 110/C062/05 and 110/C101/05. (SA Water 90097/04 Water/Sewer).
28. The necessary easements shall be granted to the SA Water Corporation free of cost for land division application Nos 110/D052/05, 110/C053/05 and 110/C101/05.
29. Two copies of a certified survey plan shall be lodged for Certificate purposes for land division application Nos 110/D052/05, 110/C053/05, 110/C061/05, 110/C062/05 and 110/C101/05.
30. Vibration during construction is an issue which shall be addressed within a Construction Environmental Plan. A before and after dilapidation study of the former Glenelg Town Hall shall be prepared to note new cracking and other damage. The Plan shall also provide a maximum vibration reading during use of machinery, pile driving or other construction activities. Regular monitoring of the building shall be undertaken while work proceeds. (NOTE: a copy of this information shall be provided to Heritage SA.)
31. Heritage SA shall be consulted prior to any further development changes relating to building rules approval, for modifications to the retaining wall adjacent Glenelg Town Hall.
32. The proposed bi-fold doors and windows at the southern elevation of Retail Tenancies T05, T01, T02 and T03 shall be secured completely within the confines of the tenancy and not encroach onto the Council footpath/Moseley Square, when operated.
33. The signage for Retail Tenancy T05, T03 and T04 and the Entertainment Building, (including its structure and advertising material thereon) shall be maintained in good condition.
34. The signage for Retail Tenancy T05, T03 and T04 and the Entertainment Building shall not be of a light intensity as to cause light overspill, which results in unreasonable nuisance to adjoining land and buildings.
35. No roller doors or grilles shall be installed on the southern or eastern elevations of Tenancy T03.
36. Tenancies T02 and T16 shall not serve food between the hours of 2 a.m. and 8 a.m. of each day.
37. The applicant for Tenancies T02 and T16 shall ensure at all times that outdoor dining furniture remains within the areas defined on the submitted plans and does not obstruct Holdfast Walk/any public footway.
38. The applicant for Tenancies T02 and T16 shall ensure that at no time the number of persons consuming food or drink within the defined outdoor dining area exceed the number of seats specified on the submitted plans.
39. The applicant for Tenancies T02 and T16 shall at all times keep the boundaries of the defined outdoor dining area clearly marked in a manner satisfactory to the Governor or delegate.
40. The applicant for Tenancies T02 and T16 shall at all times keep the defined outdoor dining area and all approved furniture and equipment thereon clean and free from litter and waste materials and shall ensure that no waste material is swept or placed into the water table.
41. The applicant for Tenancies T02 and T16 shall remove all furniture from the defined outdoor dining area at the close of business on each day and if any such furniture and equipment remains in the outdoor dining area during the hours of darkness, it and all other obstructions must be illuminated to ensure adequate visibility to pedestrians.
42. The applicant for Tenancies T02 and T16 shall incorporate a self-closing mechanism into the design of the western side of the balcony (over Moseley Square) and ensure that is locked at all times (apart from when equipment is being shifted) to minimise risk to public/patron safety.
43. Disabled access, facilities and features for Tenancy T05 must be installed in accordance with AS1428.1.
44. Emergency lighting and exit signs for Tenancy T05 must be installed in accordance with AS2293.
45. Portable fire extinguishers for Tenancy T05 must be installed adjacent to hazard areas.
46. Services alterations for Tenancy T05 must be carried out in accordance with the applicable Australian Standards.
47. The door at the ground level serving as the required exit for Tenancy T04 shall be provided with a device required for holding the door in the open position BCA-D2.20.
48. Portable fire extinguishers for Tenancy T04 shall be selected and located in accordance with the requirements of Part E1.6 of the BCA and AS2444, BCA-E1.6.
49. The stair serving the upper level for Tenancy T04 shall be constructed in accordance with the requirements of AS1428.1—Design for access and mobility and be provided with the following:
- Handrails to both sides and extending one tread width plus 300 mm past the ends of the stair in accordance with BCA-D3.3 and Clause 9.2, AS1428.1.
  - Stair tread nosings not less than 50 mm and not greater than 75 mm in a colour contrasting with the background and risers of opaque construction in accordance with BCA-D3.3 and AS1428.1, Clause 9.1.
  - Tactile ground surface indicators in accordance with AS1428.4 to warn people with a vision impairment that they are approaching the public stair in accordance with BCA Clause D3.8.
  - Braille and tactile signage required to identify the accessible features in accordance with BCA Clause D3.6-CA-Part D3.
50. The method of ventilating all rooms and spaces for Tenancy T04 and providing sufficient fresh air quality and quantity shall be in accordance with the minimum requirements of AS1668.2-BCA-F4.
51. The kitchen canopy and flue, including hood design and material thicknesses for Tenancy T04 shall be selected and installed in accordance with the requirements of AS1668 and have its flue discharge not less than 6 m from fresh air intakes—BCA-F4.12.
52. The door opening, latch device and alarm system for the refrigerated/cooling chamber for Tenancy T04 shall be provided in accordance with BCA Clause G1.2, BCA-G1.2.
- Notes on Building Rules Certification (for demolition of Magic Mountain and use of the Police Station Building by GSLSC)*
- The Early Fire Hazard Indices of wall, floor and ceiling linings, and air-handling ductwork shall comply with Clause C1.10 of the BCA.
- Notes on Building Rules Certification (for the Platinum Apartments Basement and Entertainment Precinct Basement)*
- The application does not include the superstructure works which shall be the subject of a separate application.
- This consent is issued on the understanding that the proprietary type materials and products as specified either on the architectural plans or specifications are to be selected and installed in accordance with the manufacturers' recommendations and relevant standards.

Fire precautions must be taken during construction in accordance with BCA-E1.9. The builder must also ensure, once the method of construction has been determined, that the design of the building/structure adequately accommodates the anticipated construction activity actions.

The person proposing to undertake building work on land (or who is in charge of such work) is warned of their obligation to give Council notice at stages prescribed in Regulation 74.

*Notes on Building Rules Certification (for the Platinum Apartments Superstructure and parts of the Entertainment Precinct Superstructure)*

This application does not include the Entertainment Building superstructure which shall be the subject of a separate application.

The certified drawings/documents will be issued by the Council with the notification of development approval.

The drawings are stamped 'Preliminary'. Future changes may require separate approval.

The propriety type materials and products as specified either on the architectural plans or specification are to be selected and installed in accordance with the manufacturers' recommendation and relevant standards.

Fire precautions must be taken during construction in accordance with BCA-E1.9. The builder must ensure once the method of construction has been determined, that the design of the building/structure adequately accommodates the anticipated construction activity actions.

The person proposing to undertake building work on land (or who is in charge of such work) is warned of their obligation to give the Council notice at stages prescribed in Regulation 74.

*Notes on Building Rules Certification (for the Entertainment Building Superstructure and Surf Life Saving Club)*

The certified drawings/documents will be issued by the Council with the notification of development approval.

The proprietary type materials and products as specified either on the architectural plans or specifications are to be selected and installed in accordance with the manufacturers' recommendations and relevant standards.

Fire precautions must be taken during construction in accordance with BCA-E1.9. The builder must also ensure, once the method of construction has been determined, that the design of the building/structure adequately accommodates the anticipated construction activity actions.

The person proposing to undertake building work on land (or who is in charge of such work) is warned of their obligation to give the Council notice at stages prescribed in Regulation 74.

**SCHEDULE OF ESSENTIAL SAFETY PROVISIONS:** Regulation 76 requires that the relevant authority on granting provisional building rules consent, issue a schedule that specifies the essential safety provisions for the building and the standards or requirements for the maintenance and testing in respect of each of those essential safety provisions set out in Minister's Specification SA 76. The items to be inspected or tested will be detailed on a Schedule attached to the Building Rules Consent for the superstructures.

For building work prescribed in Regulation 75, the building owner must, at least 28 days before the building work is commenced cause to be served on the owner of the affected land or premises a notice of intention to perform the building work and the nature of that work as required by section 60.

Pursuant to section 53A of the Development Act 1993, the relevant authority must form an opinion as to whether the existing building is unsafe or structurally unsound. It is considered that although there are/may be items or matters that are not in strict conformity with the Building Rules, or other matters of non-compliance that cannot be identified from the information supplied by the applicant, that the proposed upgrading measures will render the building safe.

Wet areas details including floor grades, set-downs and impervious surfaces shall comply with Minister's Specification SA F1.7 including provision of drainage flanges.

Existing glass in doors, side panels and other human impact areas shall be assessed by the glazier for compliance with section 5 of AS 1288-1994 Glass in Buildings. The applicant is advised

that to comply with the Occupational Health, Safety and Welfare Act 1986, any glass that does not meet current requirements should be replaced.

**IMPORTANT:** The Building Rules Certification does not imply compliance with the Electricity Act 1996, (building within prescribed distances of adjacent power lines) or Occupational Health, Safety and Welfare Act 1986, the (State) Equal Opportunity Act 1984, or with the Commonwealth Disability Discrimination Act as amended or any of the regulations under those Acts. It is the responsibility of the owner and the person erecting the building to ensure compliance with same.

Proof of maintenance must be provided to Council each calendar year by the building owner.

**CERTIFICATE OF OCCUPANCY:** A new Certificate of Occupancy is required to be issued in relation to the proposed development. Katnich Dodd, will before granting a certificate of occupancy, require:

1. A *Statement of Compliance* from the licensed building work contractor who carried out the relevant work or who was in charge of carrying out the relevant work or if there is no such licensed building work contractor—from a registered building work supervisor or private certifier all in accordance with the *pro forma* attached to the building rules consent for Packages 5 and 6 which must also be signed by the owner of the relevant land, or by someone acting on his or her behalf.

2. A certificate of compliance for each essential provision, in the appropriate form under Schedule 16, signed by the installer of the safety provision, or where the installer is a company, signed by the manager responsible for the installation work.

3. Where a building is required by the Building Rules to be equipped with a booster assembly for use by fire-fighters or to have installed a fire alarm that transmits a signal to a fire station and facilities for fire detection, fire-fighting or the control of smoke must be installed in the building pursuant to an approval under the Act, the 'wet' and/or 'dry' report(s) from the fire authority as to whether those facilities have been installed and operate satisfactorily.

Level 05 (Fourth)	Waterslide Deck	9b	175	175 persons

For building work prescribed in Regulation 75, the building owner, must, at least 28 days before the building work is commenced cause to be served on the owner of the affected land or premises a notice of intention to perform the building work and the nature of that work, as required by section 60.

Pursuant to the Local Government Act 1999, the builder may be required to erect and maintain hoardings and platforms for the protection of the public on adjoining streets and footpaths as directed by the City of Holdfast Bay.

Wet area details including floor grades, set downs, and water resistant surfaces shall comply with Minister's Specification SA F1.7-2004 and AS3740 Waterproofing of wet areas within residential buildings including provision of drainage flanges.

A person must not fill the pool with water unless the pool is enclosed by a fence that complies with Part 3.9.3 of the BCA.

**IMPORTANT:** The Building Rules Certification for Packages 5, 6 and 7 is for compliance with the Development Act 1993 and does not imply compliance with the Swimming Pools (Safety) Act 1972, as amended, or any of the regulations under this Act. It is the responsibility of the owner and the person erecting the building/structure to ensure compliance with same.

**NOTES TO APPLICANT:**

- A decision on the reserved matters relating to Building Rules assessment and certification requirements for further stages will only be made by the Governor (or her delegate) after a Building Rules assessment and certification has been undertaken and issued by the City of Holdfast Bay, or a private certifier, as required by the Development Act 1993 and after the Minister for Urban Development and Planning receives a copy of all relevant certification documentation, as outlined in Regulation 64 of the Development Regulations 1993.
- If the Building Rules assessment process demonstrates that the Holdfast Shores Stage 2B development complies with the Building Rules pursuant to the Development Act 1993 and Development Regulations 1993, the City of Holdfast Bay, or a private certifier conducting the Building Rules assessment, must:
  - (a) provide to the Minister the certification in the form set out in Schedule 12A of the Development Regulations 1993; and
  - (b) to the extent that may be relevant and appropriate:
    - (i) issue a schedule of essential safety provisions under Division 4 of Part 12;
    - (ii) assign a classification of the building under these regulations; and
    - (iii) ensure that the appropriate levy has been paid under the Construction Industry Training Fund 1993.

Regulation 64 of the Development Regulations 1993, provides further information about the type and quantity of all building certification documentation required for referral to the Minister:

- The City of Holdfast Bay, or a private certifier undertaking the Building Rules assessment and certification for the Holdfast Shores Stage 2B development, must ensure that any assessment and certification is consistent with this provisional development authorisation (including any conditions or notes that apply in relation to this provisional development authorisation).
- Should the applicant wish to vary the application or the staging of any reserved matters, as outlined in this provisional development authorisation, a variation to the application may be submitted, pursuant to section 48B of the Development Act 1993, provided that the development application variation remains within the ambit of the Amended Development Report and Amendment Assessment Report referred to in this provisional development authorisation.
- The applicant is advised of the requirement to comply with the Environment Protection Authority's (EPA) 'Stormwater Pollution Prevention Code of Practice for the Building and Construction Industry' during demolition and construction of the development.
- Noise emissions from the Holdfast Shores Stage 2B development will be subject to the Environment Protection (Industrial Noise) Policy 1994 and the Environment Protection Authority (EPA) Guidelines and the Environment Protection Act 1993.
- Prior to any construction, the applicant should consult with Adelaide Airport Ltd, about crane operations.
- The Heritage Branch of the Department for Environment and Heritage, should be consulted if there is to be any physical intervention to the structures on the adjacent State Heritage place (Glenelg Town Hall). Any such work must be executed in accordance with advice arising from such consultation.
- The proponent is reminded of the General Environmental Duty under section 25 of the Environment Protection Act 1993, which requires that a person must not undertake any activity, which pollutes, or may pollute, without taking all reasonable and practical measures to prevent or minimise harm to the environment.
- If the Holdfast Shores 2B development is not substantially commenced within two years of the date of any reserved matter decisions, the Governor may cancel this provisional development authorisation and any subsequent decisions on reserved matters (where relevant).
- The Minister has a specific power to require testing, monitoring and auditing under section 48C of the Development Act 1993.
- Final details on the size and construction of the beach tower and confirmation that ownership and maintenance is to be by the Surf Life Saving Club to be provided to the satisfaction of the City of Holdfast Bay.
- The precise location of the beach tower needs to allow for future volleyball courts and be to the satisfaction of Council's Holdfast Shores Stage 2B Project Board Steering Committee.
- Visually attractive options, such as the incorporation of public art, should be considered for the screening of the proposed transformer located on the southern elevation of the Entertainment Building.
- Further details shall be provided to the City of Holdfast Bay regarding the waterslides and their support structures to ensure that:
  - (a) the proposed support structures do not dominate the built form and western and south-western face of the Entertainment Building; and
  - (b) adequate visual permeability is retained between the waterslide tubes.
- All land division documentation, including easement plans should be forwarded to Council for execution under the Real Property Act 1886.
- Variation No. 5 to the Retail Tenancy will be subject to meeting the requirements of the Building Code of Australia, particularly in terms of fire safety.
- External advertising and proposed colour schemes of the buildings adjacent to the former Town Hall shall be the subject of a separate approval.
- Applicants for Retail Tenancies which sell food and beverages (including the applicants for Retail Tenancies T05, T01, T02/T16, T03 and T04) are required to lodge a formal application for the internal fitout with Council's Environmental Health Unit for assessment against the Food Act 2001 and Environmental Health Act 1987.
- Applicants for Retail Tenancies which incorporate outdoor dining areas (including the applicants for Retail Tenancies T05, T01, T02/T16, T03 and T04) are required to lodge a separate application for an Outdoor Dining Permit with Council for any proposed Outdoor Dining areas. (NB: this will be assessed in accordance with Council's adopted Moseley Square Outdoor Dining Guidelines).
- Following completion of the retail buildings and associated balconies that encroach over Moseley Square, an Encroachment Permit and invoice for the annual encroachment fee will be forwarded to the building owner/s by Council. (NB: the annual fee is based on a valuation of the size of the encroachment and its use).
- The applicants for Retail Tenancy T01 and Tenancies T02 and T16 are required to lodge a separate Development Application for any external signage proposed on the buildings.
- The applicants for Retail Tenancies T02/T16 and T03 are advised that the proposed location of their service counters, directly adjacent to Moseley Square, may impact on the extent of outdoor dining that may be approved by Council in this location for these tenancies, due to a need to widen the pedestrian clearway to accommodate any queuing/gathering of patrons at this service counter.

*Notes that specifically apply to the applicant for Tenancies T02 and T16*

That consideration is given to implementation of the following advice for the outdoor dining area in Holdfast Walk as recommended by the City of Holdfast Bay:

- The applicant at all times should ensure that:

- all food and drinks supplied in the defined outdoor dining area is served by waiters and/or waitresses to only such persons as are seated at tables in the dining area;
- all patrons purchasing take-away food and/or liquor are requested to inform the applicant as to whether or not they wish to consume the food and liquor in the defined outdoor dining area;
- all patrons who consume food and/or liquor at the tables in the defined outdoor dining area without crockery and cutlery are to be asked to leave immediately;
- if patrons purchasing take-away food and/or liquor wish to consume the same within the defined outdoor dining area they must do so at the tables provided therein using crockery and cutlery supplied by the applicant;
- crockery, cutlery and glassware is laid out at all tables for patrons who wish to consume food and/or liquor in the defined outdoor dining area only after a meal has been ordered by those patrons and that such cutlery, crockery and glassware is removed immediately upon the departure of those patrons; and
- an approved windproof ashtray must be present on the table whenever someone is smoking at that table.
- The applicant shall prepare in the adjoining premises all meals, food and liquid refreshments supplied at tables in the defined outdoor dining area.
- The applicant shall use mobile containers only for the purpose of conveying food, drink and tableware to and from the defined outdoor dining area and the adjoining premises and shall not permit the same to remain unattended in the defined outdoor dining area.
- The applicant shall at its cost in all things comply in all respects with the provisions of all Acts of Parliament, Regulations, Rules and By-laws for the time being in force and all notices, orders, requirements or directions which may be made or given by the Council or any other competent authority in respect of the same and, in particular and without limiting the generality of the foregoing, comply in all respects with the provisions of the Public and Environmental Health Act 1987, the Food Act 1985 and, if/when applicable, the Liquor Licensing Act 1985.

*Notes that specifically apply to the applicant for Tenancy T01*

- This consent does not include the 1st floor which shall be the subject of a separate application.
- The certified drawings/documents will be issued by the Council with the notification of development approval.
- The proprietary type materials and products as specified either on the architectural plans or specification are to be selected and installed in accordance with the manufacturers recommendations and relevant standards.
- The Early Fire Hazard Indices of wall, floor and ceiling linings, and air-handling ductwork shall comply with Clause C1.10 of the BCA.
- The person proposing to undertake building work on land (or who is in charge of such work) is warned of their obligation to give the Council notice at stages prescribed in Regulation 74.
- **SCHEDULE OF ESSENTIAL SAFETY PROVISIONS—FORM 2:** The attached Form 2 of Schedule 16 of the Development Regulations shall be completed and signed by the contractor responsible for the installation or alteration of the particular item(s). The attached Statement of Compliance shall be completed by the builder and passed on, together with the completed Form(s) 2, to Council or Katnich Dodd at the completion of the work.
- Wet area details including floor grades, set-downs and water resistant surfaces shall comply with Minister's Specification SA F1.7-2004 and AS3740 waterproofing of wet areas within residential buildings; including provision of drainage flanges.

- **IMPORTANT:** This report does not imply compliance with the Occupational Health, Safety and Welfare Act 1986, the (State) Equal Opportunity Act 1984, or with the Commonwealth Disability Discrimination Act 1993, as amended, or with any of the regulations under those Acts. It is the responsibility of the owner and the person erecting the building to ensure compliance with same.

*Notes that specifically apply to the applicant for Tenancy T04*

- This consent does not include the external signage which shall be the subject of a separate application.
- This consent is issued on the understanding that the proprietary type materials and products as specified either on the architectural plans or specification are to be selected and installed in accordance with the manufacturers recommendations and relevant standards.
- The existing method of recording the maintenance of essential safety items shall be updated and extended as necessary to incorporate the following amended fire safety items and equipment:
  - Fire Hazard Properties.
  - Egress.
  - Portable Fire Extinguishers.
  - Internally Illuminated Exit Signs and Emergency Lighting.
- The Early Fire Hazard Indices of wall, floor and ceiling linings, and air-handling ductwork shall comply with Clause C1.10 of the BCA.
- The person proposing to undertake building work on land (or who is in charge of such work) is warned of their obligation to give the Council notice at stages prescribed in Regulation 74.
- **SCHEDULE OF ESSENTIAL SAFETY PROVISIONS:** Regulation 76 requires that the relevant authority on granting provisional rules consent, issue a schedule that specifies the essential safety provisions for the building and the standards or requirements for the maintenance and testing in respect each of those essential safety provisions set out in Minister's Specification SA 76. The items to be inspected or tested are detailed on the attached schedule.
- Proof of maintenance must be provided to Council each calendar year by the building owner.
- **CERTIFICATE OF OCCUPANCY:** A new Certificate of Occupancy is required to be issued in relation to the proposed development. Katnich Dodd will, before granting a certificate of occupancy, require:
  1. A Statement of Compliance from the licensed building work contractor who carried out the relevant work or who was in charge of carrying out the relevant work; or if there is no such licensed building work contractor—from a registered building work supervisor or private certifier all in accordance with the attached *pro-forma*, which must also be signed by the owner of the relevant land, or by someone acting on his or her behalf; and
  2. A certificate of compliance for each essential safety provision, in the appropriate form under Schedule 16, signed by the installer of the safety provision, or where the installer is a company, signed by the manager responsible for the installation work; and
- **PLEASE ENSURE THAT THESE FORMS ARE PASSED ON TO THE BUILDER.**
- The certificate of occupancy will prescribe the following maximum number of occupants:
 

Portion	Classification	Persons

DEVELOPMENT ACT 1993, SECTION 48: DECISION BY THE DEVELOPMENT ASSESSMENT COMMISSION AS DELEGATE OF THE GOVERNOR

*Preamble*

1. The decision of the Governor under section 48 of the Development Act 1993, to approve the development of the Mildara Blass Winery located on the Sturt Highway, 2 km north-east of Nuriootpa in 10 stages was published in the *Gazette* on 7 October 1999.

2. Amendments to the development approval were subsequently considered and approved by the Development Assessment Commission and published in the *Gazette* on 8 June 2000, 31 August 2000, 11 December 2003, 14 October 2004 and 17 August 2006.

3. A further application has been made to the Development Assessment Commission, as delegate of the Governor, for a decision regarding the matter of Building Rules Certification.

4. The Development Assessment Commission has, in considering the application, had regard to all relevant matters under section 48 (5) of the Development Act 1993.

5. The Development Assessment Commission is satisfied that the amendments do not require the preparation of a further or amended Development Report.

*Decision*

PURSUANT to section 48 of the Development Act 1993, the Development Assessment Commission, as delegate of the Governor, grants development approval to the amended Development in 10 stages of the Mildara Blass Winery located on the Sturt Highway, 2 km north-east of Nuriootpa, as described in the application dated 2 December 1998 (amended by the Development Report dated May 1999 and letters dated 9 July 1999 and 28 September 1999), and subsequently amended by the letters dated 20 March 2000, 5 May 2000, 27 June 2000, 18 July 2000 and 27 July 2000, submitted on behalf of Mildara Blass Limited, and the letters dated 22 October 2003, 27 November 2003, the application dated 12 July 2004 and the letter dated 7 June 2006, submitted on behalf of Beringer Blass Wine Estates Limited (formerly Mildara Blass Limited) and the Certified Building Rules relating to Stage 2 of the administration building, subject to conditions.

CONDITIONS OF APPROVAL:

1. No works may be commenced on a particular stage of the proposal on the site unless and until:

- (a) a building certifier or The Barossa Council has certified to the Development Assessment Commission that any work for that stage that constitutes building work under the Development Act 1993, complies with the Building Rules; and
- (b) an Environmental Management Plan has been produced and approved by the Development Assessment Commission for each construction stage. The Environmental Management Plan shall detail the final overall management of the facility and include:
  - wastewater treatment including the proposed wetlands; and
  - solid waste treatment or disposal.

2. The amended development hereby approved must be undertaken in accordance with:

- (a) the following plans comprising part of the application:
  - Bilyara Site Stage V10 Sheet 2 of 3, Drawing Number: BYA-1999-0012 E, dated July 2000;
  - Elevations and Sections, dated 11 March 1999;
  - Elevations and Detail, Drawing Number: BYA-1999-00013 A;
  - Perspective of the open fermenter building—Amendment Plan 1, dated 27 July 2000;
  - Elevation from Light Pass Road—Amendment Plan 2, dated 27 July 2000,
 unless varied by the following:
- (b) Beringer Blass Wine Estates, Wolf Blass Winery Administration Building—Stage 2, 97 Sturt Highway, Nuriootpa, Floor Plan, Site Plan and Elevations, Plan Number: 1321-P01B, dated November 2003;
- (c) the letters from Nolan Rumsby Planners to the Development Assessment Commission dated 20 March 2000 and 5 May 2000, except as amended by the letters from Nolan Rumsby Planners to the Development Assessment Commission dated 27 June 2000, 18 July 2000, 27 July 2000, 22 October 2003 and 27 November 2003;
- (d) the letter and Planning Report from Nolan Rumsby Planners to the Development Assessment Commission dated 12 July 2004 and incorporating the plan from Perks Design Partners, referenced WB-Sign 2.EPS dated 16 April 2004;
- (e) the letter submitted by Nolan Rumsby Planners dated 7 June 2006 and the plan titled, 'Fosters Wine Estates, Wolf Blass Winery, Administration Building—Stages 3 and 4, 97 Sturt Highway, Nuriootpa, Floor Plan, Site Plan and Elevations, 1398-P01B, dated April 2006';
- (f) Building Rules Certification dated 13 September 2006 by TECON Australia Pty Ltd.

3. Mature trees must be planted to reduce impacts of the proposal at the earliest stage.

4. Lighting for monitoring purposes must be switched off at all times when tasks are not being undertaken in that particular area.

5. All lights must be directed and shielded in such a way as to prevent glare from the site.

6. The proponent must comply with the design and noise attenuation measures recommended on pages 3, 4 and 5 of the Environmental Noise Assessment Report prepared by Bassett Acoustics on 13 May 1999, for the proposed 75 000 tonne crush Mildara Blass Ltd Bilyara Winery.

7. The proponent must not discharge winery effluent into the existing wetland system unless the effluent meets the following minimum quality criteria: pH 6.5-8; Total Dissolved Solids less than 2 500 mg/L; Biochemical Oxygen Demand less than 600 mg/L; Suspended Solids less than 100 mg/L.

8. No trucks or heavy vehicles are to access the site from the portion of Light Pass Road south of the access point.

NOTES TO THE APPLICANT:

1. No approval is hereby granted for the development of any car parking in the area marked 'future 126 spaces' on the plan numbered BYA-1999-0012E dated 4 July 2000. Any such car parking will require approval of an amendment to the development hereby approved.

2. The preparation of a Management Plan for the wastewater treatment system must be prepared in accordance with the South Australian Health Commission Code—'Standards for Construction, Installation and Operation of Septic Tank Systems in South Australia'.

3. The removal of native trees along the road reserve requires the approval of The Barossa Council.

Dated 28 September 2006.

#### PETROLEUM ACT 2000

##### SECTION 25 (5) (b)

##### *Variation of Petroleum Exploration Licence—PEL 111*

NOTICE is hereby given that under the provisions of the Petroleum Act 2000, pursuant to delegated powers dated 28 March 2002, *Gazetted* 11 April 2002, page 1573, the conditions of the abovementioned Exploration Licence have been varied as follows:

Condition 1 of the licence is omitted and the following substituted:

'1. During the term of the licence, the Licensee shall carry out or cause to be carried out exploratory operations on the area comprised in the licence in accordance with such work programs as are approved by the Minister from time to time. Years one to three exploratory operations are guaranteed and any subsequent licence year becomes guaranteed upon entry into that year. These exploratory operations shall include but not necessarily be limited to:

Year of Term of Licence	Minimum Work Requirements
One	Geological and geophysical studies; seismic reprocessing
Two	Geological and geophysical studies; seismic reprocessing
Three	One well
Four	One well
Five	Three wells

This variation provides for one well originally programmed for Year 3 to be drilled in Year 4 and one well originally programmed for Year 4 to be drilled in Year 5. Two appraisal wells originally showing as being scheduled for Year 5 have been removed from the exploration work program. The revised work requirements as a result of this variation would not have altered the outcome of the original competitive tender process.

CITY OF PORT LINCOLN

DEVELOPMENT ACT 1993

*Draft for Public Consultation*

NOTICE is hereby given that the City of Port Lincoln has prepared a draft General Plan Amendment Report to update the planning policies contained in the Port Lincoln (City) Development Plan. The area affected is the whole of the City of Port Lincoln.

The main changes to the Port Lincoln (City) Development Plan are:

- Residential Development—Expanding the Residential Zone in key locations and confirming the role of the Fringe Zone in catering for future urban development by excluding rural-residential development.
- Traffic and Transport—Improving planning policy controlling development close to arterial roads and other minor grammatical changes to existing policy.
- Commercial/Retail Development—Expanding the City Centre Zone and improving its policy content, together with the creation of a new Commercial Zone along Mortlock Terrace.
- Industrial Development—Changes to existing planning policy regarding minimum allotment sizes and non-complying forms of development, together with some Industry Zone boundary adjustments.
- Environmental Quality—Introduction of new stormwater management and land contamination policies, together with a new Urban Coastal Zone.

The draft General Plan Amendment Report including the Statement of Investigations will be available for public inspection during normal office hours at:

City of Port Lincoln  
60 Tasman Terrace  
Port Lincoln, S.A. 5606  
[www.portlincoln.sa.gov.au](http://www.portlincoln.sa.gov.au)

The draft Plan Amendment Report is also available at Council's Library and website from Thursday, 28 September 2006 to Friday, 1 December 2006.

During the statutory consultation process, interested persons can attend an informal community information session to be held on Wednesday, 1 November 2006 and at the Council Offices, 60 Tasman Terrace, Port Lincoln, between 3 p.m. and 9 p.m.

Written submissions regarding the draft Plan Amendment Report may be made to Council up until Friday, 1 December 2006. Interested persons making written submissions should clearly indicate whether they wish to speak at a public hearing. All submissions should be addressed to the Chief Executive Officer of the City of Port Lincoln at the abovementioned address.

Copies of all submissions received will be available for inspection by interested persons at the City of Port Lincoln Council office from Monday, 4 December 2006 until the date of the public hearing.

A public hearing will be held at the City of Port Lincoln Council Chambers at the abovementioned address on Wednesday, 13 December 2006 at 7 p.m. The public hearing may not be held if persons making submissions indicate no interest in speaking at the public hearing.

Dated 28 September 2006.

G. DODD, Chief Executive Officer

## DEVELOPMENT ACT 1993

*West Torrens (City) Development Plan  
Underdale High School (River Torrens Linear Park Zone) Plan  
Amendment Report (PAR)—Draft for Public Consultation*

NOTICE is hereby given that the City of West Torrens has prepared a draft Plan Amendment Report (PAR) to amend the West Torrens (City) Development Plan.

The land affected by the draft PAR is known as the Underdale High School, 19 Garden Terrace, Underdale.

The draft PAR proposes to amend the City of West Torrens Development Plan by increasing the width of the Linear Park (River Torrens) Zone at this location to 60 m as measured from the centreline of the River Torrens.

The draft PAR is available for public inspection during normal office hours at the Civic Centre, City of West Torrens, 165 Sir Donald Bradman Drive, Hilton, from Thursday, 7 September 2006 to Wednesday, 29 November 2006. The draft PAR will also be available for inspection at the City of West Torrens, Hamra Centre Library, Brooker Terrace, Hilton. The PAR can also be viewed on the Council's website: [www.wtcc.sa.gov.au](http://www.wtcc.sa.gov.au). A copy of the PAR can be purchased from the Civic Centre for \$17.50.

Written submissions regarding the draft PAR will be accepted by the City of West Torrens until 5 p.m. on Wednesday, 29 November 2006. (Please note the closing date for submissions has been extended). Any written submission should clearly indicate whether you wish to speak at the public hearing on your submission. All submissions should be entitled 'Underdale High School (River Torrens Linear Park Zone) PAR—Submission' and be addressed to the Chief Executive Officer, City of West Torrens, 165 Sir Donald Bradman Drive, Hilton, S.A. 5033.

Copies of all submissions received will be available for inspection by interested persons at the City of West Torrens, Civic Centre, 165 Sir Donald Bradman Drive, Hilton, from Thursday, 30 November 2006 until the date of the public hearing.

A public hearing will be held on Tuesday, 5 December 2006 at 7.30 p.m. at the Civic Centre, 165 Sir Donald Bradman Drive, Hilton. The public hearing may not be held if no submissions are received or if no submission indicates an interest in speaking at the public hearing.

Dated 27 September 2006.

## COORONG DISTRICT COUNCIL

## ROADS (OPENING AND CLOSING) ACT 1991

*Road Closure—Yumali Road, Waltowa*

NOTICE is hereby given, pursuant to section 10 of the Roads (Opening and Closing) Act 1991, that the Coorong District Council proposes to make a Road Process Order to close and merge with section 155A in the Hundred of Bonney, portion of Yumali Road adjacent to the said section, more particularly delineated and lettered 'A' in Preliminary Plan No. 06/0048. Closed road 'A' to be transferred to George Alexander Burnett.

A copy of the plan and a statement of persons affected are available for public inspection at the offices of the Council, 49 Princes Highway, Meningie and the Adelaide office of the Surveyor-General, 101 Grenfell Street, Adelaide during normal office hours.

Any person is entitled to object to the proposed road process, or any person affected by the proposed closure is entitled to apply for an easement to be granted in that person's favour over the land subject to the proposed closure. Such objection or application for

an easement must set out the full name and address of the person making the objection or application and must be fully supported by reasons. Any application for an easement must give full particulars of the nature and location of the easement and where made by a person as the owner of adjoining or nearby land, specify the land to which the easement is to be annexed.

The objection or application for an easement must be made in writing to the Council, P.O. Box 28, Meningie, S.A. 5264, within 28 days of this notice and a copy shall be forwarded to the Surveyor-General, G.P.O. Box 1354, Adelaide, S.A. 5001. Where a submission is made, the Council will give notification of a meeting at which the matter will be considered, so that the person making the submission or a representative may attend, if so desired.

Dated 28 September 2006.
