REMUNERATION TRIBUNAL

REPORT RELATING TO DETERMINATION NO. 7 OF 2010

1. Introduction

- 1.1 The Remuneration Tribunal ('the Tribunal') is responsible for determining the remuneration payable to Statutory Office Holders including:
 - 1.1.1 the Auditor General;
 - 1.1.2 the Electoral Commissioner and the Deputy Electoral Commissioner;
 - 1.1.3 the Employee Ombudsman; and
 - 1.1.4 the Health and Community Services Complaints Commissioner ('HCSCC').
 - 1.2 Prior to 30 October 2008 the Tribunal determined the remuneration for the South Australian Ombudsman ('the Ombudsman'). The *South Australian Government Gazette* published on 30 October 2008 removed the Ombudsman from the jurisdiction of the Tribunal. This occurred without any consultation with the Tribunal or any explanation as to why the change was deemed necessary.
 - 1.3 Prior to the Tribunal's 2009 Determination, the remuneration and classification of the HCSCC was linked directly to the remuneration of the Ombudsman.
 - 1.4 As part of the 2008 and 2009 reviews of remuneration of Statutory Office holders, the Tribunal received written and verbal submissions from the HCSCC.
 - 1.5 Amongst other things the HCSCC submitted that the Tribunal note that:
 - 1.5.1 the remuneration for the Ombudsman had been increased without a work value assessment;
 - 1.5.2 the annual salary now applicable to the positions of WorkCover Ombudsman and Ombudsman is the salary applicable to a Stipendiary Magistrate;
 - 1.5.3 prior to this increase it was believed that the salary of the HCSCC was fixed at 90% of the salary of the Ombudsman;
 - 1.5.4 the work value principles needed to be upheld otherwise there were negative implications in the possible widening of the gender gap; and
 - 1.5.5 the handling of the Ombudsman's remuneration cast into question the principles of scrutiny, explicitness and visibility.
 - 1.6 In light of:
 - 1.6.1 The previous linkage in remuneration between the Ombudsman and other Statutory Officers;
 - 1.6.2 The lack of clarity regarding the rationale for removal of the Ombudsman from the Tribunal's jurisdiction; and
 - 1.6.3 Continued submissions by Statutory Office Holders regarding changes in work value and by reference to the new remuneration of the Ombudsman,
 the Tribunal initiated an independent work value review of the Statutory Offices within its jurisdiction.
- #### 2. Work Value Review
- 2.1 As noted in its Determination 7 of 2009 and Report 7 of 2009, and in accordance with the provisions of the Remuneration Act 1990, the Remuneration Tribunal engaged consultants, Mercer, to conduct an independent review and evaluation ('the Mercer Review') of the following Statutory Offices within its jurisdiction:
 - 2.1.1 Electoral Commissioner;
 - 2.1.2 Deputy Electoral Commissioner;
 - 2.1.3 Employee Ombudsman; and
 - 2.1.4 HCSCC.
 - 2.2 The Mercer Review was conducted in early 2010. The Tribunal provided supporting and relevant information to Mercer, such as annual reports, strategic plans, organisational reviews and copies of the relevant legislation and submissions for review.
 - 2.3 Mercer conducted interviews with each of the incumbents, and where necessary sought additional information or clarification via telephone.
 - 2.4 Mercer provided a draft report to the Tribunal on 9 February 2010. The Tribunal then provided copies of the draft report to each of the four Statutory Office holders, for their information and seeking their comments.
 - 2.5 Comments and further information supplied by the Statutory Office holders in response to this request by the Tribunal were then provided to Mercer.
 - 2.6 Mercer delivered its final report ('the Mercer Report') to the Remuneration Tribunal on 30 April 2010.
 - 2.7 The Tribunal sought comments from Premier regarding the Mercer Report, (as the Minister responsible for the Remuneration Act 1990 (SA)) to make submissions in the public interest.
 - 2.8 The Premier made the same submission in respect of all of the offices covered by the Mercer Report. In doing so the Premier submitted, on 7 July 2010, that in relation to the Mercer points assessment and Mercer Report, 'the primary considerations for the Tribunal are the elements and requirements of Principle 8: "Work Value Change" and the Tribunal should form its own views in that regard in relation to these four statutory offices'.
 - 2.9 The Premier further submitted that the points assessment within the Mercer Report should not be relied upon for a number of reasons, including:
 - 2.9.1 That the Mercer CED Evaluation Model uses a methodology that does not make 'work value' assessments against Principle 8 or by having regard to other offices within the jurisdiction of the Tribunal;
 - 2.9.2 The Mercer Report does not detail the basis upon which its points assessment is based; and
 - 2.9.3 The Mercer Report does not provide information about what comparisons were made when it states that 'it conducted benchmarking with similar positions with the Public Sector in other Australian jurisdictions'.
 - 2.10 The Premier submitted that 'in referring to [South Australian Executive Salary] Levels, the Mercer Report omits to note that these levels (and the Mercer points assessments) refer to the [Total Remuneration Package Value] applicable, whereas the Tribunal makes its determination in relation to salaries'.

- 2.11 In all the circumstances, the Tribunal concluded that an upward adjustment of the salaries of the offices the subject of the Mercer Report was warranted and that such movement should occur within the current classification structure for South Australian Public Sector Executive Officers.

3. Annual Review

- 3.1 In accordance with the provisions of the Remuneration Act 1990 (SA) the Tribunal by letters dated 16 September 2010 invited the office holders of the statutory positions of Auditor-General, Electoral Commissioner, Deputy Electoral Commissioner, Employee Ombudsman and Health and Community Services Complaints Commissioner to make submissions in relation to the remuneration of those offices, for the purposes of its annual review of remuneration.
- 3.2 The Tribunal also invited the Premier (as the Minister responsible for the Remuneration Act 1990 (SA)) to make submissions in the public interest.
- 3.3 The Tribunal received written submissions from the Premier, the Deputy Electoral Commissioner and the Auditor-General.
- 3.4 The Premier submitted that the Tribunal should have regard to the following economic factors in its review of remuneration:
- 3.4.1 The economic indicia published by the Australian Bureau of Statistics, such as the Labour Price Index, the Average Weekly Earnings, and the Consumer Price Index;
- 3.4.2 The global economic uncertainty and its impact on South Australia's finances; and
- 3.4.3 The limited economic impact of the 2.5% general salary increase applicable to public sector salaried employees, applicable from 1 October 2009, and the 2.5% general salary increase for 2010 for public sector executives.
- 3.5 The Auditor-General submitted 'the adverse effects of the global financial crisis on the South Australian public sector and its workforce require constraint to be exercised. The recent 2010-11 budget will also adversely affect the public sector workforce and reinforces the need for continuation of the exercise of constraint' and as such that 'there should be no alteration to my remuneration'.
- 3.6 The Deputy Electoral Commissioner submitted that the salary for the office of Deputy Electoral Commissioner should be 'increased to bring the effective TRPV into line with the work value assessed within Level B of the Tenured Contact Appointment schedule as at 1 July 2010, thereby including the annual increase equivalent of that paid to Public Sector Executives'.

4. Conclusion

- 4.1 After reviewing previous Tribunal Determinations, the Mercer Report, comments and submissions from Statutory Office holders and the Premier, the Tribunal has determined that salary increases are appropriate. The increases incorporate the Tribunal's determination regarding work value changes, and a 2.5% general increase to Total Salary Packages granted to South Australian Public Sector Executives.
- 4.2 The Tribunal has determined that the salary for the Auditor-General will be \$280 900 per annum. Telephone rental and calls allowance for this Office will remain unaffected by this Determination.
- 4.3 The Tribunal has determined that the salary for the Office of the Electoral Commissioner will be \$176 000 per annum. Telephone rental and calls allowance for this Office will remain unaffected by this Determination.
- 4.4 The Tribunal has determined that the salary for the Office of Deputy Electoral Commissioner will be \$128 000 per annum. Telephone rental and calls allowance for this Office will remain unaffected by this Determination.

- 4.5 The Tribunal has determined that the salary for the Office of the Employee Ombudsman will be \$132 500 per annum. Telephone rental and calls allowance for this Office will remain unaffected by this Determination.

- 4.6 The Tribunal has determined that the salary for this Office of the HCSCC will be \$207 000 per annum. Telephone rental and calls allowance for this Office will remain unaffected by this Determination.

5. Operative Date

- 5.1 Salaries determined herein will operate from 1 July 2010.

Dated 19 October 2010.

Notice by the Minister for Urban Development and Planning

Delegation

PURSUANT to Section 48 (9) (b) of the Development Act 1993, I delegate to:

1. The Development Assessment Commission:

- (a) the power to make a decision on any reserved matters for Stage 1 of this development specified within the (delegated) provisional development authorisation provided on this date in a separate notice (provided the essential nature of the development is not changed);
- (b) the power to grant or permit any variation associated with that provisional development authorisation (provided that the essential nature of the development is not changed); and

for the proposed development, as amended from time to time.

Given under my hand at Adelaide, 11 October 2010.

PAUL HOLLOWAY, Minister for Urban
Development and Planning

DEVELOPMENT ACT 1993: SECTION 48

Decision by the Minister on Behalf of the Governor

Preamble

1. On 5 June 2003 a major development declaration was made for the subdivision and development of land at Buckland Park near Virginia north of Adelaide. I, as the Minister for Urban Development and Planning gave notice in the *Government Gazette* that I, was of the opinion that it was appropriate for the proper assessment of the development of major environmental, social or economic importance that Section 46 of the Development Act 1993 applied to any development of a kind listed in Schedule 1 of that notice in parts of the State listed in Schedule 2 of that notice.

2. On 4 January 2007, the earlier declaration from 5 June 2003 was varied to amongst other things, expand the major development declaration.

3. The declaration was subsequently varied again by notice in the *Government Gazette* on 12 June 2008 to include some extra land parcels within the major development declaration.

4. A proposal from Walker Corporation Pty Ltd (hereafter 'the proponent') to develop a substantial staged residential and commercial development at Buckland Park, was the subject of a development application lodged in May 2007 ('the major development').

5. The major development has been the subject of an Environmental Impact Statement (EIS) and has been assessed in accordance with Section 46 and Section 46B of the Development Act 1993. On the 4 February 2010 provisional development approval with reserved matters was granted for the following components:

- Land Division, creating eight super lots which include the five residential land division stages, employment lands, recreation/water management and transport infrastructure areas shown in plans 19000p01-r3, r5 and r6, 5 November 2009 (Fyfe Engineers Surveyors).
- Stage 1 land division (Super Lot 1 under the land division application) which will comprise 614 residential allotments, a school site, display centre and shopping/community centre over 62.23 hectares.
- Proposed partial closure of Legoe Road under Part 7A (Section 34C (2) (a) (ii)) of the Roads (Opening and Closing) Act 1991 (to take effect on a day to be fixed by subsequent order of the Governor or Planning Minister published in the *Gazette*).
- Construction of a Neighbourhood Centre as set out in the detailed drawings.
- Construction of a display village as detailed by the proponent.

Future stages of the development (2-5) which will be determined when detailed land division applications are lodged.

6. The proponents have requested modifications to the decision notice provided on 4 February 2010 to allow more practicality in implementing the proposal and satisfying the reserved matters and conditions of approval. I, as Minister for Urban Development and Planning have agreed to the changes to the extent outlined in points 7-17 below.

7. In the case of Buckland Park there is no need for a Scheme Description or By-laws as the proposal will be Torrens Titled. Residential Design guidelines will be enforced by an 'Encumbrance Manager'.

8. The procedure for implementing a Land Management Agreement (LMA) for affordable housing has changed and requires only the submission of a Stage 1 Affordable Housing Plan to the Minister for Urban Development and Planning or his delegate for decision and an LMA applied to allotments is then a condition of consent and complied with at the time of the lot's registration.

9. A Construction Environment Management Plan (CEMMP) is really only required before construction commences rather than as a reserved matter and is therefore appropriate as a requirement as a condition of approval.

10. An Ongoing Environment Monitoring and Management Plan is also only required as a Condition of Consent and applies only to the Neighbourhood Centre building and Display village.

11. Approval for signage is 'caught' by the Development Act 1993 in any case and therefore approval for signage for the Neighbourhood centre can be moved from being a Reserved Matter to a 'Note' in the Decision Notice.

12. The 'Schedule of Commitments' Schedule 1 is proposed to be modified to all individual agreements to form the commitments rather than every agency and the City of Playford having to sign off on things which may be of limited interest to them.

13. Within the Schedule 1 a number of commitments will be transferred from 'Reserved Matters' to 'Conditions of Consent' for practicality reasons. These are existing items 3, 7, 8, 10 and 15. The wording of existing items 11 and 19 will be altered slightly. Existing items 12, 13 and 14 will be combined into one item relating to gas provision.

14. In some cases conditions of consent or reserved matters will only apply to the Neighbourhood centre and Display village and not the whole of Stage 1.

15. The proponent will complete the reserved matters within 12 months or 31 October 2011 with a further two years to 31 October 2013 for the construction of the intersection with Port Wakefield Road which marks 'substantial commencement'.

16. I am satisfied that an appropriate EIS and Assessment Report have been prepared in relation to the major development, in accordance with sections 46 and 46B, Division 2 of Part 4 of the Development Act 1993, and have had regard when considering the major development, to all relevant matters under Section 48 (5) of the Development Act 1993.

17. I have decided to grant this provisional development authorisation to specified components of the major development under Section 48 (6) of the Development Act 1993, whilst reserving the decision on specific matters until further assessment of the major development.

18. Pursuant to Section 48 (8) of the Development Act 1993 a delegation to me as the Minister was provided by the Governor in a gazette notice on 4 February 2010. The delegation permitted me to have:

- (a) the power to assess the reserve matters and to issue a final development authorisation for the purposes of Section 48 (2) (b) (i) of the Act; and
- (b) in relation to that provisional development authorisation, or any variation—the power to vary or revoke conditions, or attach new conditions, under Section 48 (7) of the Development Act 1993 (provided that the essential nature of the development is not changed).

Decision

I intend in this gazette notice to change the following reserved matters in the notice of 4 February 2010 and in some cases move from reserved matters to conditions of approval:

- (b) Residential Design Details and a Scheme Description and By-laws requirement incorporating all details as per the Response Document shall be provided for any Community Titled and Torrens Titled allotments.
- (c) Provision of an Affordable Housing Land Management Agreement (LMA) pursuant to Section 57 of the Development Act 1993, in relation to the provision of affordable housing in the land division for Stage 1. The LMA will be registered on each new house allotment title for affordable blocks.
- (e) A Construction Environment Monitoring and Management Plan for Stage 1 is completed to the satisfaction of the Environment Protection Agency (EPA) and approval of the Development Assessment Commission on behalf of the Governor.
- (f) An ongoing Environment Monitoring and Management Plan for Stage 1 (Neighbourhood Centre and Display Village) completed to the satisfaction of the Environment Protection Authority and approval of the Development Assessment Commission on behalf of the Governor.
