- the name of the person making the call;
- details of the boat that will be used to engage in the exempted activity;
- the time and date the exempted activity will commence;
- an estimated time of landing;
- the place of landing; and
- Exemption No. 9902382.

5. If the exemption holder is not able to land Turbo at the estimated time or place notified in accordance with Condition 4 above, they must notify PIRSA Fisheries by calling 1800 065 522 before the estimated time provided and provide a new time of landing or place of landing.

6. Within half an hour of landing Turbo the exemption holder must weigh the Turbo and complete the daily log sheet in accordance with Condition 7.

7. The exemption holder must provide the Director of Fisheries separate statistical catch and effort information, in the form of a log sheet as provided by the Director. The exemption holder must complete the log sheet every day and submit a completed monthly log to the Director no later than the 15th day of the month following the month to which the log sheet relates, (G.P.O. Box 1625, Adelaide, S.A. 5001). The log sheet must be submitted to the Director at the address specified on the approved log sheet. If no fishing activity was undertaken or no fish were taken on a day or during a month, a nil return must still be completed and submitted to the Director.

8. The exemption holder must allow a departmental officer to accompany the exemption holder at any time during fishing operations.

9. While engaged in the exempted activity the exemption holder must carry or have about or near his person a copy of this notice. Such notice must be produced to a PIRSA Fisheries Officer upon request.

10. The exemption holder must not contravene or fail to comply with the Fisheries Management Act 2007, or any regulations made under that Act, except where specifically exempted by this notice.

Dated 20 October 2010.

M. SMALLRIDGE, Director of Fisheries and Aquaculture

## FISHERIES MANAGEMENT ACT 2007: SECTION 115

TAKE notice that pursuant to section 115 of the Fisheries Management Act 2007, the holder of a Northern Zone Rock Lobster Fishery Licence issued pursuant to the Fisheries Management (Rock Lobster Fisheries) Regulations 2006 (the 'exemption holders') are exempted from the provisions of Regulation 5 of the Fisheries Management (Vessel Monitoring Scheme) Regulations 2007, but only insofar as an exemption holder shall not be guilty of an offence when using a registered

boat that is endorsed on the licence to undertake fishing activity for the sole purpose of fishing for species other than southern rock lobster (*Jasus edwardsii*) and giant crabs (*Pseudocarcinus gigas*) without having a fitted and operational vessel monitoring system (the 'exempted activity'), subject to the conditions specified in Schedule 1, from 1 November 2010 until 31 May 2011, unless this notice is varied or revoked earlier.

## SCHEDULE 1

1. The exemption holder may only conduct the exempted activity from a boat that is registered and endorsed on their Northern Zone Rock Lobster Fishery Licence and that is less than 6 m in length.

2. The exemption holder must ensure that only a master registered on their Northern Zone Rock Lobster Fishery Licence undertakes the exempted activity (Exemption No. 9902392).

3. The exemption holder must notify PIRSA Fisheries by calling 1800 065 522 prior to engaging in the exempted activity and providing the following information:

- the name of the licence holder making the call;
- the fishery licence number of the licence on which the registered boat is endorsed;
- the name of the boat and the commercial boat registration number;
- the time and date the exempted activity will commence; and
- the time and date the exempted activity will cease.

4. An exemption holder must ensure that no rock lobster pots are on board the registered boat at any time during the exempted activity.

5. An exemption holder must not take or have on board the registered boat any rock lobster during the exempted activity.

6. An exemption holder must not contravene or fail to comply with the Fisheries Management Act 2007, or any other regulations made under that Act, except where specifically exempted by this notice.

Dated 20 October 2011.

#### NATIONAL GAS LAW

THE Australian Energy Market Commission (AEMC) gives notice under the National Gas Law of the following matter.

Under section 303, AEMO has requested the Timetable for Prescribed Gas STTM Reviews Rule proposal (Project Ref. GRC0005). The proposal seeks to amend the timetable for prescribed market reviews of the STTM to allow for sufficient time to collect and analyse market data for a full winter and two summer periods, and undertake adequate review and consultation. The AEMC intends to expedite the Rule proposal under section 304 on the grounds that it considers the proposed Rule is non-controversial, subject to the receipt of written objections.

In relation to the proposal:

- written objections must be received by 11 November 2010;
- submissions must be received by 25 November 2010; and
- written objections and submissions may be forwarded to [submissions@aemc.gov.au](mailto:submissions@aemc.gov.au) and must cite the Project Ref. in its title.

Objections on this proposal can be forwarded to [submissions@aemc.gov.au](mailto:submissions@aemc.gov.au) and must cite the Project Ref. in its title.

Submissions on this proposal can be lodged online via the AEMC's website at [www.aemc.gov.au](http://www.aemc.gov.au). Before submitting your objection or submission, you must review the AEMC's privacy collection statement on its website.

Submissions should be submitted in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

All documents in relation to the above matter are published on the AEMC's website and are available for inspection at the offices of the AEMC.
