- (18) Nothing in this rule shall prevent the member making procedural orders for the effective conduct of the hearing.
- (19) The application lodged and any response provided will not be taken to be a formal statement of the parties' position. The member may direct the parties to provide written confirmation of their position on the matter(s) in dispute or the grievance and to provide the other party with a list of all relevant documents in their possession.
- (20) Where an applicant fails to attend the hearing in person or by a representative, the Commission may, if satisfied that the applicant had reasonable notice and a reasonable opportunity to be heard, dismiss the application.
- (21) Where an applicant lodges an application under this Rule, and in response to any clarification sought by the Registrar or a member regarding their intention to proceed does not confirm such an intention within ten days, the Registrar may deem the matter to be discontinued without further notice.
