DEVELOPMENT ACT 1993: SECTION 48

DECISION BY THE PRESIDING MEMBER OF DAC

Preamble

1. On 5 June 2003, a major development declaration was made for the subdivision and development of land at Buckland Park near Virginia north of Adelaide ('the declaration'). The Minister for Urban Development and Planning ('the Minister') gave notice in the *Government Gazette* that he was of the opinion that it was appropriate for the proper assessment of the development of major environmental, social or economic importance that Section 46 of the Development Act 1993 ('the Act') applied to any development of a kind listed in Schedule 1 of that notice in parts of the State listed in Schedule 2 of that notice.

2. The declaration was varied by notice in the *Government Gazette* on 4 January 2007 to, amongst other things, expand the major development declaration.

3. A proposal from Walker Corporation Pty Ltd ('the proponent') to develop a substantial staged residential and commercial development at Buckland Park was the subject of a development application lodged in May 2007 ('the major development').

4. The declaration was varied again by notice in the *Government Gazette* on 12 June 2008, to include some extra land parcels within the major development declaration.

5. The major development was the subject of an Environmental Impact Statement ('EIS'), which was completed and put on public display on 19 September 2007, and an Assessment Report was produced, and was assessed in accordance with Section 46 and Section 46B of the Act. By notice in the *Government Gazette* on 4 February 2010, the Governor:

- (a) granted provisional development authorisation subject to conditions (in Part B of the notice), with specified reserved matters (in Part A of the notice), for the following components:
 - (i) land division, creating 8 super lots which include the 5 residential land division stages, employment lands, recreation/water management and transport infrastructure areas shown in plans 19000p01-r3, r5 and r6, 5 November 2009 (Fyfe Engineers Surveyors);
 - (ii) Stage 1 land division (Super Lot 1 under the land division application) which comprised 614 residential allotments, a school site, display centre and shopping /community centre over 62.23 hectares;
 - (iii) proposed partial closure of Legoe Road under Part 7A (Section 34C (2) (a) (ii) of the Roads (Opening and Closing) Act 1991 (to take effect on a day to be fixed by subsequent order of the Governor or Minister published in the *Gazette*);
 - (iv) construction of a Neighbourhood Centre as set out in the detailed drawings; and
 - (v) construction of a display village as detailed by the proponent.
- (b) specified the period up until 1 February 2012, as the time within which substantial work must be commenced on site, failing which the Governor may cancel the authorisation.

Future stages of the major development (2-5) will be determined when detailed land division applications are lodged.

6. The proponent requested modifications to the provisional development authorisation to allow more practicality in implementing the proposal and satisfying the reserved matters and conditions of the authorisation. In summary, the matters related to:

- (a) the requirement for a scheme description;
- (b) affordable housing requirements
- (c) the requirement for a construction environment management plan;
- (d) signage associated with the proposed neighbourhood centre; and
- (e) various elements of the Schedule of Commitments.

7. In response to the request, by notice in the *Government Gazette* on 21 October 2010, the Minister for Urban Development and Planning (under delegation) varied the provisional development authorisation by:

- (a) removing specified reserved matters entirely from the authorisation;
- (b) revoking and varying specified conditions;
- (c) attaching new conditions;
- (d) reserving remaining specific matters for further assessment;
- (e) specifying that the reserved matters must be completed by 31 October 2011; and

- (f) specifying the period up until 31 October 2013 as the time within which substantial work must be commenced on site, failing which the Governor may cancel the authorisation.

8. On 23 December 2010, a Development Plan Amendment ('DPA') was authorised by the Minister which provides policy guidance for the residential, commercial and other uses of Buckland Park as expressed in the provisional development authorisation for the major development.

9. The proponent requested further modifications to satisfy the reserved matters related to employment of a Community Worker (d) (4) (letter dated 8 November 2010), provision of power through an electricity provider (d) (9) (letter dated 8 November 2010), negotiation with DECS/Virginia Primary School on the need for demountable class rooms (d) (11) (letter dated 10 November 2010) and liaison with the City of Playford in relation to provisions of library services (d) (6) (letter dated 2 December 2010). By notice in the *Government Gazette* on 10 March 2011, the Presiding Member of the Development Assessment Commission (under delegation) varied the provisional development authorisation by:

- (a) moving reserved matters (d) (4) and (d) (9) to conditions; and
- (b) removing reserved matters (d) (6) and (d) (11) entirely from the provisional development authorisation as they were assessed as having been satisfied.

10. The proponent requested further modifications on 28 February 2011 (as altered by a letter dated 11 July 2011) for an amended land division plan for Stage 1 (including a further 5 sub stages). The number of allotments was reduced from 614 to 609 (for the entire Stage 1), with an increase in open space of 7.4 hectares. The road hierarchy and lot layout was also amended following discussions with the City of Playford and other agencies. A request to increase the number of display homes from 32 to 45 was also dated 11 March 2011. By notice in the *Government Gazette* on 15 September 2011, the Presiding Member of the Development Assessment Commission (under delegation) varied the provisional development authorisation by:

- (a) moving the following from reserved matters to conditions:
 - (i) draft Residential Guidelines and Encumbrance [reserved matter (a) from Schedule 1] (letter dated 11 April 2011);
 - (ii) provision of an Affordable Housing Plan, in relation to the land division for Stage 1 [reserved matter (b) from Schedule 1] (letter dated 15 April 2011);
 - (iii) Community Bus timetabling and staffing (Playford Council) [reserved matter D3] (letter dated 1 June 2011);
 - (iv) agreement for water services (SA Water) [reserved matter D6] (letter dated 8 November 2010).
 - (v) agreement for gas services (APA) [reserved matter D7] (letter dated 21 June 2011);
 - (vi) proponent to prepare a Recreation Facilities Strategy for Stage 1 in collaboration with the City of Playford's Buckland Park Project Control Group [reserved matter D4] (letter dated 6 July 2011); and
 - (vii) final design drawings for the signalised intersection of Legoe Road with Port Wakefield Road to the satisfaction of Department for Transport, Energy and Infrastructure ('DTEI') [reserved matter D1] (letter from DTEI to proponent dated 29 June 2011).
- (b) removing the following reserved matter entirely from the provisional development authorisation as it was assessed as having been satisfied:
 - (i) a reconfigured land division plan to create a 40 m buffer between the SA Potato grower's horticultural activity (on the southern side of Stage 1 land division) and the outer boundary of the subdivision area [reserved matter (c)] (Amended Stage 1 plan was submitted by proponent on 28 February 2011);

- (c) attaching a new reserved matter requiring the proponent to prepare a concept design of the ultimate grade separated intersection with Legoe Road and Port Wakefield Road (D9);
- (d) granting an extension of time until 31 December 2011 to satisfy the remaining reserved matters (D2, D5 and D8) (in response to a request by letter dated 5 August 2011).

11. By notice in the *Government Gazette* on 22 December 2011, the Presiding Member of the Development Assessment Commission (under delegation) varied the development authorisation (no longer a provisional development authorisation as all reserved matters were deemed to be satisfied or moved to conditions) by moving the following reserved matters to conditions:

- (a) reserved matter D (2) regarding emergency access and D (8) regarding the flood access plan for Port Wakefield Road (letter from proponent dated 15 November 2011, approved by the relevant authorities) were deemed to be satisfied and made conditions;
- (b) reserved matter D (5) regarding Maintenance schedules and handover and defects liability periods was deemed to be satisfied (letters received from the proponent and the City of Playford dated 16 August 2011) and made a condition (included in the Landscape and engineering designs information);
- (c) reserved matter D (9) (letter from proponent dated 7 December 2011), regarding the grade separated intersection of Legoe Road and Port Wakefield Road was approved by DTEI (minute of 8 December 2011 from Director, Road Transport Policy and Planning of DTEI to Director, Planning and Assessment at DPLG)) was deemed to be satisfied and made a condition; and
- (d) reserved matters (e) (f) and (g) regarding building rules assessment and display village design were removed as reserved matters and made conditions to provide consistency with other recent prior decisions under Section 48 of the Act.

12. In response to a request by the proponent (letters dated 15 December 2011 and 3 July 2012), by notice in the *Government Gazette* on 24 January 2013, I (under delegation varied the development authorisation by:

- (a) removing the obligation to provide recycled water (purple pipes) to individual homes (letter dated 13 July 2012 Section 4 only, with attached letters from SA Water dated 14 May 2012 and email dated 7 November 2012, (specifying that the removal of the obligation shall be limited to individual homes only), a letter from the Corporation of the City of Playford dated 21 November 2012 and an email dated 26 November 2012); and
- (b) delaying the obligation to handover the substation site to ETSA Utilities (now known as SA Power Networks) from prior to electrification of Stage 1 to December 2014, (letter dated 13 July 2012 Section 5 only with attached letter from ETSA dated 15 June 2012).

13. In response to a request by the proponent, by notice in the *Government Gazette* on 23 December 2013, the Governor varied the development authorisation to:

- (a) provide a permanent pump station, temporary tanks for the storage of waste water for up to 350 allotments (in Stage 1) and associated infrastructure to be located within the proposed 'Stage 5' of the Superlot area (letter and report dated 2 May 2013); and
- (b) provide an allotment for the proposed pump station and holding tanks within the proposed 'Stage 5' (application for land division (292/D079/12) dated 17 October 2012)

(‘the proposed amended major development’).

14. The proponent now seeks to vary the development authorisation (Report dated August 2013 Revision B) for Stage 1 (which has been renamed ‘Precinct 1’ by the Proponent) by amending:

- (a) Land Division and residential mix;

- (b) Neighbourhood centre location/design and timing (temporary to permanent);
- (c) Display village location; and
- (d) Primary School location.

15. The proponent has also requested the removal of the need for separate (DAC) approval of the display village as the City of Playford has authority to make decisions on dwellings at Buckland Park and would be able to make decisions about the display homes. The following would be removed from the existing decision notice:

- (a) Paragraph 1 (a) delete the wording ‘Display Village’;
- (b) Remove listed drawing titled ‘Precinct 1 Display Plan’;
- (c) Removal of Conditions 47 and 48; and
- (d) Amendment of Part B, Note 1 (a) to remove the reference to display village.

16. More than five years have elapsed since the EIS was completed and put on public display. As required by Section 48 (4) of the Act, it has been reviewed to see if it should be amended under Section 47 and no amendment was found to be necessary. I am satisfied, for the purposes of Section 48B of the Act, that the proposed amended major development (and associated documents) is within the ambit of the EIS and Assessment Report as originally prepared under Division 2 of Part 4 of the Act.

17. I am satisfied that an appropriate EIS and Assessment Report that encompass the proposed amended major development have previously been prepared (in accordance with Section 46B, Division 2 of Part 4 of the Act) as required by Section 48 (3) (b) of the Act, and have had regard, when considering the proposed amended major development, to all relevant matters under Section 48 (5) of the Act.

18. I have decided to grant development authorisation to the proposed amended major development under Section 48 (7a) of the Act, subject to conditions as provided for in Section 48 (7) of the Act, as well as 48 (2) (b) (i).

19. For ease of reference, I have decided in this notice to number the documents incorporated in the entire major development authorisation and have reproduced the development authorisation in its entirety herein with the conditions pertaining to this amended major development authorisation in bold and italics.

20. The new conditions pertaining to this amended major development authorisation are contained in Part A:

- (a) conditions 1(ww) to (zz) (documents);
- (b) ***new drawings in the second table***; and
- (c) conditions 2,9,14,15,17,20,23, 24, 46 and 47.

Where Stage 1 has been referred to the amended reference Precinct 1 is also included.

Note 1 (a) amended to remove the reference to the Display village. No new notes are attached.

‘Substantial Commencement’. It is intended to extend the time for substantial commencement (which is the completion of the road intersection with Port Wakefield Road—at Grade) to 31 March 2015.

Decision
