5.5 Dispute Resolution

About this clause:

The procedure in this clause must be applied to any dispute that arises between the Authority and a Constituent Council concerning the affairs of the Authority, or between Constituent Councils concerning the affairs of the Authority, including a dispute as to the meaning or effect of this Charter and whether the dispute concerns a claim in common law, equity or under statute.

The Authority and a Constituent Council must continue to observe and perform this Charter despite the application or operation of this clause.

This clause does not prejudice the right of a party:

to require the continuing observance and performance of this Charter by all parties; or

to institute proceedings to enforce payment due under this Charter or to seek injunctive relief to prevent immediate and irreparable harm.

Pending completion of the procedure set out in this clause, and subject to this clause, a dispute must not be the subject of legal proceedings between any of the parties in dispute. If legal proceedings are initiated or continued in breach of this provision, a party to the dispute is entitled to apply for and be granted an order of the court adjourning those proceedings pending completion of the procedure set out in this clause.

Step 1: Notice of dispute:

A party to the dispute must promptly notify each other party to the dispute:

The nature of the dispute, giving reasonable details; and

what action (if any) the party giving notice thinks will resolve the dispute;

but a failure to give such notice does not entitle any other party to damages.

Step 2: Meeting of the parties:

A party to the dispute which complies with the previous step may at the same or a later time notify in writing each other party to the dispute that the first party requires a meeting within 14 business days after the giving of such notice. In that case, each party to the dispute must send to the meeting a senior manager of that party with the Board to resolve the dispute and at the meeting make a good faith attempt to resolve the dispute.

Step 3: Mediation:

Despite whether any previous step was taken, a dispute not resolved within 30 days must be referred to mediation.

The mediator must be a person agreed by the parties in dispute or, if they cannot agree within 14 business days, a mediator nominated by the then President of the South Australian Bar Association (or equivalent officer of any successor organisation).

The role of a mediator is to assist in negotiating a resolution of a dispute. A mediator may not make a decision binding on a party unless that party has so agreed in writing.

The mediation must take place in a location in Adelaide agreed by the parties:

A party in dispute must cooperate in arranging and expediting mediation;

A party in dispute must send to the mediation a senior manager with authority to resolve the dispute.

The mediator may exclude lawyers acting for the parties in dispute and may co-opt expert assistance as the mediator thinks fit.

A party in dispute may withdraw from mediation if there is reason to believe the mediator is not acting in confidence, or with good faith or is acting for a purpose other than resolving the dispute.

Unless otherwise agreed in writing;

everything that occurs before the mediator is in confidence and in closed session;

discussions (including admissions and concessions) are without prejudice and may not be called into evidence in any subsequent litigation by a party;

documents brought into existence specifically for the purpose of the mediation may not be admitted in evidence in any subsequent legal proceedings by a party;

the parties in dispute must report back to the mediator within 14 business days on actions taken, based on the outcome of the mediation;

a party in dispute need not spend more than one day in mediation for a matter under dispute; and

a party in dispute must bear an equal share of the costs and expenses of the mediator and otherwise bears their own costs.

Step 4: Arbitration:

Despite whether any previous step was taken, a dispute not resolved within 60 days must be referred to arbitration, as to which:

there must be only one arbitrator and who is a natural person agreed by the parties or, if they cannot agree within 14 business days, an arbitrator nominated by the then Chairperson of The Institute of Arbitrators and Mediators Australia (South Australia Chapter);

the role of the arbitrator is to resolve the dispute and make decisions binding on the parties;

the arbitration must take place in an agreed location in Adelaide;

a party must cooperate in arranging and expediting arbitration;

a party must send to the arbitration a senior manager with authority to resolve the dispute; and

the parties may provide evidence and given written and verbal submissions to the arbitrator within the time set by the arbitrator;

The arbitrator must:

consider the evidence and submissions;

decide the dispute; and

give written reasons to each party.

Subject to this clause, the arbitration must take place under Rules 5 to 18 (inclusive) of the Rules of the Institute of Arbitrators and Mediators for the Conduct of Commercial Arbitrations and the provisions of the Commercial Arbitration Act 1986 (S.A.) and which Rules are taken to be incorporated by reference into this clause OR subject to this clause, the arbitrator must fix the rules of arbitration.

The costs and expenses of the arbitrator and of each party must be borne as the arbitrator decides.

5.6 Common Seal

5.6.1 The Authority will have a common seal, which may be affixed to documents requiring execution under seal and where affixed must be witnessed by the Chair of the Board and the Manager.

5.6.2 The common seal must not be affixed to a document except to give effect to a resolution of the Board.

5.6.3 The Manager must maintain a register which records the resolutions of the Board giving authority to affix the common seal and details of the documents to which the common seal has been affixed with the particulars of persons who witnessed the fixing of the seal and the date that the seal was affixed.

5.6.4 The Board may by instrument under seal authorise a person to execute documents on behalf of the Authority.

5.7 Circumstances Not Provided For

If any circumstance arises about which this Charter is silent, incapable of taking effect or being implemented according to its strict provisions, the Board has the power to consider the circumstance and determine the action to be taken.

3. *Purpose*

The objects of this by-law are to provide for the good rule and government of the Council area, and for the convenience, comfort and safety of its inhabitants by:

- 3.1 creating a permit system for Council by-laws;
- 3.2 providing for the enforcement of breaches of Council By-laws and fixing penalties; and

4. *Expiry*

- 4.1.1 By-law No. 1—Permits and Penalties.²

- 4.2 This by-law will expire on 1 January 2022.³

Note:

¹ Generally a by-law comes into operation four months after the day on which it is *gazetted*: Section 249 (5) of the Act.

² Section 253 of the Act provides that the revocation of a by-law by another by-law that contains substantially the same provisions, does not affect certain resolutions such as those applying a by-law to a part or parts of the Council area.

³ Pursuant to Section 251 of the Act, a by-law will expire on 1 January following the seventh anniversary of the gazettal of the by-law.

5. *Application*

- 5.1 This by-law applies throughout the Council area.

6. *Interpretation*

In this by-law, unless the contrary intention appears:

- 6.1 *Act* means the Local Government Act 1999;
- 6.2 *Council* means the City of Whyalla;
- 6.3 *person* includes a body corporate.

Note:

7. *Construction of By-laws Generally*

- 7.1 Every by-law of the Council is subject to any Act of Parliament and Regulations made thereunder.
- 7.2 In any by-law of the Council, unless the contrary intention is clearly indicated, the word permission means the permission of the Council, granted in writing prior to the act, event or activity to which it relates.

PART 2—PERMITS AND PENALTIES

8. *Permits*

- 8.1 Where a by-law requires that permission be obtained, any person seeking the grant of permission must submit a written application to the Council in the form (if any) and accompanied by the fee (if any) prescribed by the Council.

- 8.2 The Council may attach such conditions as it thinks fit to a grant of permission, and may vary or revoke such conditions or impose new conditions by notice in writing to the person granted permission.

- 8.3 The Council may suspend or revoke such grant of permission at any time by notice in writing to the person granted permission.

9. *Offences and Penalties*

- 9.1 A person who commits a breach of any by-law of the Council is guilty of an offence and may be liable to pay:

- 9.1.1 the maximum penalty, being the maximum penalty referred to in the Act that may be fixed for any breach of a by-law; or

- 9.1.2 subject to any resolution of the Council to the contrary, the expiation fee fixed by the Act for alleged offences against by-laws, being a fee equivalent to 25 per cent of the maximum penalty fixed for any breach of a by-law.

- 9.2 A person who commits a breach of a by-law of the Council of a continuing nature is guilty of an offence and, in addition to any other penalty that may be imposed, is liable to a further penalty for every day on which the offence continues, such penalty being the maximum amount referred to in the Act that may be fixed by a by-law for a breach of a by-law of a continuing nature.

Note:

The maximum penalty for a breach of a by-law is currently \$750, and the maximum penalty for every day in which a breach of a continuing nature continues is currently \$50—see Section 246 (3) (g) of the Act.

Pursuant to Section 246 (5) of the Act expiation fees may be fixed for alleged offences against by-laws either by a by-law or by resolution of the Council. However, an expiation fee fixed by the Council cannot exceed 25 per cent of the maximum penalty for the offence to which it relates.

This by-law was duly made and passed at a meeting of the City of Whyalla held on 15 September 2014, by an absolute majority of the members for the time being constituting the Council, there being at least two-thirds of the members present.
