## DETERMINATION AND REPORT OF THE REMUNERATION TRIBUNAL

No. 9 OF 2016

### *Conveyance Allowance—Judges, Court Officers and Statutory Officers*

#### *Scope of Determination*

The Remuneration Tribunal ('the Tribunal') is given jurisdiction under Section 13 of the Remuneration Act 1990 ('the Act'), to determine the remuneration payable to the judiciary, magistrates

and certain other judicial officers. The Tribunal is also given jurisdiction under Section 14 of the Act to determine the remuneration payable to holders of certain statutory public offices. The Act defines remuneration as including; salary, allowances, expenses, fees and any other benefit of a pecuniary nature.

This Determination deals with the conveyance allowance payable to Judges, Court Officers and those Statutory Officers whose position comes within the ambit of Section 14 of the Act.

Section 8 of the Act requires the Tribunal to review at least once each year, any previous determination of remuneration made under the Act.

#### A. REPORT

The previous determination dealing with the Conveyance Allowance payable to Judges, Court Officers and Statutory Officers (Determination 3 of 2015) has been reviewed and updated. Accordingly, this Determination 9 of 2016, has been issued to replace Determination 3 of 2015.

Submissions were received from the following parties:

- The Judicial Remuneration Coordinating Committee ('JRCC');
- The Crown Solicitor's Office, on behalf of the Premier; and
- The Health and Community Services Complaints Commissioner ('the Commissioner').

#### *Judicial Remuneration Coordinating Committee*

The JRCC wrote to the Tribunal on 19 April 2016, submitting that the Tribunal should review Determination 3 of 2015 and update it in the customary way.

#### *Crown Solicitor's Office, on behalf of the Premier*

The Crown Solicitor's Office, on behalf of the Premier, wrote to the Tribunal on 11 May 2016, submitting that the methodology previously accepted by the Tribunal for updating the Conveyance Allowance remains appropriate and that the Conveyance Allowance Determination should be updated to reflect the current judicial vehicle schedule published by Fleet SA.

#### *Health and Community Services Complaints Commissioner ('the Commissioner')*

The Commissioner made both written and oral submissions to the Tribunal. In the first written submission, the Commissioner raised the issue of two previous determinations in relation to the Conveyance Allowance. The Commissioner submitted that he was not provided an opportunity to make a submission in relation to those Determinations. Moreover, the Commissioner submitted that a reduction of the Conveyance Allowance was beyond the Tribunal's powers, and that the Tribunal ought to give consideration to holding the Conveyance Allowance at previous levels in circumstances where the allowance may be reduced by application of the established methodology for determining the allowance. It is noted that the Commissioner did not seek reversal of the previous Determinations in question.

The Commissioner further submitted that, of his own accord, he has chosen to take the Conveyance Allowance as a monetary amount rather than accessing the motor vehicle entitlement, as he was uncertain as to how the motor vehicle entitlement would operate in his circumstances as a part-time statutory officer. The Commissioner added that he has accessed the Conveyance Allowance as a monetary amount in order to assist with budgetary constraints within his office.

The Tribunal has noted that, pursuant to clause 2.2 of the relevant Determination, the Commissioner's entitlement to the conveyance allowance is limited to a pro rata amount of the allowance, on account of his statutory appointment on a part-time basis. The Tribunal has also noted that clause 3.4 of the Determination provides that the Commissioner has an entitlement to a vehicle, notwithstanding his part time employment, subject to an additional charge accordingly.

The Commissioner was invited to make an oral submission to the Tribunal. The Commissioner attended and presented further material at the hearing, again referring to previous determinations, and requesting the Tribunal to take his present submissions concerning its powers into account in relation to this review of the Conveyance Allowance Determination. The Commissioner reiterated that a reduction of the Conveyance Allowance was a reduction of his remuneration and argued that the Tribunal was not empowered to make any such reduction to his remuneration. Further written material was handed to the Tribunal in support of this argument.

The Tribunal could not identify any statutory restrictions, either in the Remuneration Act 1990 or the Health and Community Services Complaints Act 2004, which impeded or impedes the power of the Tribunal in this way. The Tribunal provided the Commissioner an opportunity to make an additional written submission on these issues, within 21 days, if he so wished. The Commissioner made a further written submission, which has been taken into consideration by the Tribunal.

After consideration of all of the submissions of the Commissioner and all of the information before it, the Tribunal is of the view that a reduction of the Conveyance Allowance, payable to the Commissioner, is within the scope of the statutory power conferred upon it.

In relation to the submission of the Commissioner concerning the opportunity to make submissions to reviews of previous Determinations, an investigation has been conducted into the procedure for the making of previous Determinations. This identified an administrative error, whereby the Commissioner was not served with notice of an opportunity to make submissions at the relevant time. The Tribunal has concluded that, having regard to Section 10(2) of the Act, which deals with the making of submissions, the submissions made by the Commissioner in relation to the previous Determinations are in this respect, correct and relevant.

For the reasons set out above, the Tribunal is not persuaded that there is any impediment to providing a reduced Conveyance Allowance, where the merits of doing so are persuasive. Moreover, the Tribunal considers that the Conveyance Allowance is an allowance for the provision of a motor vehicle, in relation to the cost of a motor vehicle. Whilst there may be grounds not to reduce salary; where an aspect of remuneration of the statutory office is comprised of an allowance, based on the material cost of an object or service, the Tribunal is of the view that fluctuations in the corresponding costs, in this case of a motor vehicle, are a relevant consideration in the determination of such an allowance.

The Tribunal concludes that the customary practice of determining the level of Conveyance Allowance in accordance with the Fleet SA schedule remains appropriate, and was appropriate in respect of the previous Determinations referred to by the Commissioner.

Having heard the Commissioner and having considered the submissions both in respect of the 2016 review and the previous Determinations referred to, the Tribunal intends to re-issue the previous Determinations in question, according to their original terms, on 7 September 2016. Pursuant to Section 10(2) of the Act, interested parties have the opportunity to make a written or oral submission prior to this date, in relation to the re-issue of Determinations 3 of 2014 and 3 of 2015.

The Tribunal concludes that the customary practice of determining the level of Conveyance Allowance in accordance with the Fleet SA schedule remains appropriate, and was appropriate in respect of the previous Determinations referred to by the Commissioner.

Determination 3 of 2015 provides for three levels of Conveyance Allowance which are (1) \$19 518, (2) \$17 420, (3) \$15 944. Adopting the customary methodology for the adjustment of the 2016 allowances results in reductions such that the respective levels of the allowances will be as follows, (1) \$17 541, (2) \$16 551, (3) \$15 298.

### 2.3 Temporary Appointees

Where a person who is not provided with a vehicle in their substantive position is appointed on a temporary basis to act as a Judge, Court Officer or Statutory Officer, that person is entitled after the expiration of the first calendar month of service to receive a Conveyance Allowance in accordance with clause 2.1.

### 2.4 Use of Taxis and Private Vehicles

#### 2.4.1 Judges and Court Officers

A Judge or Court Officer is not entitled to use a government fleet vehicle allocated to the Courts Administration Authority, or to engage taxis or hire car at the expense of the State Courts Administrator, or to seek the payment of any additional allowance for the use of a private vehicle, whether for official or unofficial purposes unless:

- (a) it has been certified by the State Courts Administrator that it was inefficient or not cost effective for the Judge or Court Officer to use the vehicle available for their official and private use; or
- (b) such use or engagement is consistent with a general direction given by the Chief Judicial Officer of the relevant Court, or in the case of Court Officers, the presiding officer of the relevant Tribunal, as to the circumstances where the vehicle available for official and private use, need not be used by reason of efficiency and cost effectiveness.

For members of the Industrial Relations Court and Commission of South Australia and the South Australian Employment Tribunal, the Registrar is the relevant approval authority.

An example of circumstances where such certification or general directions may be given is for journeys to and from the airport, where it may be more efficient or cost effective to use a taxi.

#### 2.4.2 Statutory Officers

A Statutory Officer must not engage a taxi or hire car, and is not entitled to the payment of any additional allowance for the use of a private vehicle, whether for official or unofficial purposes, unless it is inefficient or not cost effective to use the vehicle available for the Officer's official and private use.

#### 2.4.3 Amount of Reimbursement

Where any person subject to this Determination is seeking payment of an additional allowance to cover the use of a private motor vehicle for official purposes, reimbursement of the cost will be made, calculated at the rate per kilometre at a rate equating to that pursuant to the SA Public Sector Salaried Employees Interim Award.

### 3. Vehicles for Official and Private Use

#### 3.1 Selection of Vehicle

Persons who are subject to this Determination are entitled, in accordance with the conditions specified herein, to elect to have allocated to them a motor vehicle of any model and type in the attached schedules of vehicles (as varied from time to time). Notice of the selected motor vehicle should be made in writing as follows:

- by Judges and Court Officers to the State Courts Administrator;
- by members of the Industrial Relations Court and Commission of South Australia and the South Australian Employment Tribunal to the Registrar, including members who are Statutory Officers; and
- by other Statutory Officers to the Director, Fleet SA.

The annual charge payable for each vehicle, determined by Fleet SA on the same basis as the calculation made in respect of the use of motor vehicles by Executives, and current at the date of this Determination, is set out in the Schedules.

#### 3.2 Alternative Vehicle

An alternative vehicle may be supplied where appropriate on the basis of environmental sustainability, a medical disability or the family circumstances of a Judge, Court Officer or Statutory Officer, but only where approved by the Remuneration Tribunal. The annual charge for the use of the vehicle will be calculated on the same basis as the calculation made by Fleet SA for annual charges for use of motor vehicles by Executives.

#### 3.3 Temporary Appointees

Persons appointed on a temporary basis to act as a Judge, Court Officer or Statutory Officer are not entitled to make an election under clause 3.1.

### 3.4 Charges for Use of Vehicles

The amount payable by a Judge, Court Officer or Statutory Officer for the use of a selected vehicle is the amount set out in the Schedules adjacent to the description of the type of vehicle.

Where a person to whom this Determination applies is appointed on a part time basis, and elects pursuant to clause 3.1 to have a motor vehicle, the charge payable by that person pursuant to clause 3.5 shall be an amount determined by Fleet SA, which may be greater than the standard charge to a full time officer to appropriately reflect the proportionately greater private use of such a motor vehicle.

### 3.5 Payment of Vehicle Charges

If a Judge, Court Officer or Statutory Officer makes an election under clause 3.1 and a vehicle is supplied in accordance with that election, then the salary and allowances otherwise payable to the Judge, Court Officer or Statutory Officer must be abated and reduced so as to offset the charges for the use of the vehicle for the period during which the Judge, Court Officer or Statutory Officer has the use of the vehicle.

### 3.6 New Models or Types

3.6.1 If a new type of vehicle, or a new model of a type specified in the Schedules becomes available for selection in terms of 3.1 after the date of election but before the placement of a binding order, the Judge, Court Officer, or Statutory Officer is entitled to withdraw the original election and elect to take the new model or type of vehicle.

3.6.2 The annual charge payable for a new model or new type of vehicle is that amount determined by Fleet SA as the annual charge for private use of the vehicle by Executives. The annual charge takes into account the following:

purchase price and depreciation;

fuel, maintenance, insurance and registration costs and interest rates; (operating costs are calculated on the basis Goods and Services Tax (GST));

Fringe Benefits Tax (FBT) based on an attributed business rate of 20 000 kilometres per year; and

the vehicle being retained for 3 years or 60,000 kilometres travelled, whichever first occurs.

3.6.3 If a model or type of vehicle selected by a Judge, Court Officer or Statutory Officer becomes unavailable before the placement of a binding order, the Judge, Court Officer or Statutory Officer must be advised accordingly and allowed to make a further election under clause 3.1.

3.6.4 If a model becomes unavailable after the date of placement of a binding order and a later or better model vehicle is supplied, any Judge, Court Officer or Statutory Officer who has selected the unavailable vehicle is liable only to pay the annual charge for the vehicle as selected, and not the charge payable for the vehicle as supplied.

### 3.7 Accessories

The Judge, Court Officer or Statutory Officer may choose to have manufacturer approved accessories fitted to the vehicle. The full cost of the accessories and the expense of having them fitted (including any tax incurred) is payable by the Judge, Court Officer or Statutory Officer. When the vehicle is due for return the Judge, Court Officer or Statutory Officer may have personally-installed accessories removed from the vehicle, providing the Judge, Court Officer or Statutory Officer meets the full cost of restoring the vehicle to the same condition as if the accessories had not been fitted. No compensation will be paid if options are left on the vehicle unless agreed by the relevant authority.

Options such as airbags, ABS brake systems and cruise control may not be removed, and tow bars must not be reinstalled on another vehicle.

### 3.8 Retention of Vehicle

Having made an election and receiving the vehicle, the Judge, Court Officer or Statutory Officer must keep the vehicle for a period equivalent to the period determined from time to time by Fleet SA as the period for the replacement of vehicles provided to Executives.

At the conclusion of that period the Judge, Court Officer or Statutory Officer will be entitled to make a new election, or, if he or she does not make an election, to be paid the allowance.

### 3.9 Conditions of Use

The vehicle will be fully maintained, serviced and insured by the relevant authority.

Parking for the vehicle will be made available at or near the place of duty of the Judge, Court Officer, or Statutory Officer and the vehicle will be available for private and official use, subject to the following:

3.9.1 The Judge, Court Officer, or Statutory Officer must make the vehicle available for official use (including for official use by the Judge, Court Officer, or Statutory Officer) at all times whilst the vehicle is parked at or near the usual place of work of the Judge, Court Officer, or Statutory Officer, and the Judge, Court Officer or Statutory Officer, does not require the vehicle for private use.

3.9.2 The Judge, Court Officer, or Statutory Officer will be authorised by the relevant authority to refuel the vehicle provided the vehicle is fuelled in accordance with any requirements specified by Fleet SA, which may include requirements that the vehicle be fuelled using a particular brand of motor fuel and that it be only fuelled in South Australia. (If fuelled otherwise than in accordance with those requirements, it will be at the cost of the Judge, Court Officer, or Statutory Officer).

3.9.3 The Judge, Court Officer, or Statutory Officer must make the vehicle available as required by the relevant authority for the purposes of the maintenance and repair of the vehicle and must deliver the vehicle to such place as the relevant authority may specify for that purpose.

3.9.4 The relevant authority will ensure that Judges, Court Officers and Statutory Officers are insured (which may be pursuant to Government 'self-insurance') in respect of compulsory third party liability, third party property damage and any property damage to the vehicle and will hold the Judge, Court Officer, or Statutory Officer harmless in respect of any such property damage. Personal items within the vehicle need not be covered. The Judge, Court Officer, or Statutory Officer must comply with any requirements of the insurance policy of which the member is aware or should have been aware.

3.9.5 The Judge, Court Officer or Statutory Officer will be responsible for any driving or parking fines for offences incurred.

3.9.6 The vehicle is available to the Judge, Court Officer or Statutory Officer while on leave. Where the Judge, Court Officer or Statutory Officer is absent from duty for a period greater than 7 days then the Judge, Court Officer, or Statutory Officer will be responsible for fuelling the vehicle until returning to duty.

3.9.7 Vehicles may be driven interstate during periods of leave and there is no limit to privately travelled kilometres. Fuel charges for private interstate trips are entirely the personal responsibility of the Judge, Court Officer, or Statutory Officer.

### 3.10 Special Conditions of Use

Notwithstanding anything else in this Determination:

- 3.10.1 where any damage is the result of a wilful or deliberate act of any person, the relevant authority may take such action as he or she thinks fit to recover the cost of such damage;
- 3.10.2 the insurance and discharges are not applicable if the driver is under the influence of drugs and/or alcohol;
- 3.10.3 the insurance and discharges are not applicable if the insurance has been brought to the attention of the Judge, Court Officer or Statutory Officer and is avoided by an action of the driver of the vehicle; and
- 3.10.4 where the insurance policy contains an excess clause, then the Judge, Court Officer or Statutory Officer will be liable to repay the relevant authority the amount of that excess (or any part thereof) in the event that it becomes payable by reason of the driver of the vehicle being blameworthy for any of the damage giving rise to a claim on the policy when the vehicle is being used other than for official use.

### 3.11 Care of Vehicle

The Judge, Court Officer or Statutory Officer is responsible for ensuring that reasonable care is taken of the vehicle. Off street parking at the home of the person concerned is to be used if available and reasonable steps are to be taken to ensure its security. Where any damage to a vehicle supplied to a:

- 3.11.1 Judge or Court Officer is, in the opinion of the Courts Administration Council, the consequence of a serious breach of the obligations imposed by this clause, the Judge, or Court Officer must, on demand, pay the Courts Administration Authority the proper cost of rectification of such damage;
- 3.11.2 Statutory Officer is, in the opinion of the Director, Fleet SA, the consequence of a serious breach of the obligations imposed by this clause, the Statutory Officer concerned must, on demand, pay to Fleet SA the proper cost of rectification of such damage; and
- 3.11.3 Member of the Industrial Relations Court and Commission of South Australia or the South Australian Employment Tribunal, including a member who is a Statutory Officer, is, in the opinion of the Registrar, the consequence of a serious breach of the obligations imposed by this clause, the Member concerned must, on demand, pay to the Tribunal the proper cost of rectification of such damage.

### 3.12 Additional Drivers

The vehicle may be driven by any other Government employee who requires the vehicle for official use.

Judges, Court Officers, and Statutory Officers, must nominate to the relevant authority the names of any persons to use the vehicle at times when it is not required to be available for official use and, subject to the control and direction of the Judge, Court Officer or Statutory Officer, such persons will be authorised to use the vehicle upon such nomination.

Approval is required from the relevant authority for the vehicle to be driven by holders of any form of provisional licence or learner's permit. Approval is also required if any other category of person not otherwise mentioned, is to drive the vehicle.

### 3.13 Right to Purchase

At any time during the 12 months immediately preceding the date of his or her retirement or resignation, a Judge, Court Officer, or Statutory Officer may, by notice in

writing to the relevant authority, elect to purchase the vehicle then allocated to him or her as at the date of his or her retirement or resignation or at the end of the lease period. After such notification has been given, the relevant authority must take such steps as are necessary to ensure that it can sell the vehicle to the member.

### 3.14 No Changeover

A Judge, Court Officer or Statutory Officer who makes an election under clause 3.13 shall not be permitted or required to hand a vehicle in for normally scheduled changeover where that changeover would occur between the date of election and the date of retirement / resignation / end of lease period.

### 3.15 Conditions of Purchase

The conditions in relation to a purchase made following an election under clause 3.13 shall be:

- 3.15.1 The price will be the fair market value for such a vehicle sold without any statutory warranty.
- 3.15.2 The price will be agreed between the Director, Fleet SA, and the Judge, Court Officer or Statutory Officer, due regard being had to prices generally recovered for such vehicles at Fleet SA public auctions.
- 3.15.3 Failing such agreement, the price will be determined by an independent valuer agreed by the parties. Where the prospective retiree/resignee is a:
  - 3.15.3.1 Judge or Court Officer, any fee payable to such a valuer shall be borne in equal shares by the prospective retiree / resignee and the State Courts Administrator;
  - 3.15.3.2 Statutory Officer, any fee payable to such a valuer shall be borne in equal shares with half payable by the respective retiree / resignee and the other half being payable from funds appropriated to pay expenses associated with the statutory office held by the retiree / resignee; and
  - 3.15.3.3 Member of the Industrial Relations Court and Commission of South Australia and the South Australian Employment Tribunal, including a member who is a Statutory Officer, any fee payable to such a valuer shall be borne in equal shares by the prospective retiree / resignee and the Registrar.
- 3.15.4 The price shall be payable in full on, or prior to, the date of retirement/resignation of the Judge, Court Officer or Statutory Officer.

### 4. Date of Operation

- 4.1 The Conveyance Allowances prescribed in Clause 2.1 are operative from 1 July 2016.
- 4.2 If a Judge, Court Officer or Statutory Officer currently has the use of a vehicle pursuant to a previous Determination of the Remuneration Tribunal, the Conveyance Allowance and Annual Charge Payable under the previous Determination will continue to apply. Clause 2 and the Schedules to this Determination will have no effect until that Judge, Court Officer or Statutory Officer takes delivery of a vehicle pursuant to this Determination, or elects not to receive a vehicle.
- 4.3 This Determination replaces in entirety Determination 3 of 2015.
