  - (c) lodge a return for the relevant month.
- (2) If an accredited producer has not carried on business under the accreditation during the relevant month or part of the relevant month, the monthly fee is to be calculated according to the Authority's reasonable assumptions as to what would have been the producer's level of activity had the producer carried on the business during the whole of that relevant month.

### **25—Fee payable before grant of accreditation**

Before a producer of a particular class is granted accreditation, the producer must pay a fee of an amount calculated by multiplying—

- (b) the following proportion:
  - (i) if the periodic fee is a monthly fee—the proportion that the number of whole days between the grant of accreditation and the first day of the next month bears to the total number of days in the month during which accreditation is granted;
  - (ii) if the periodic fee is an annual fee—the proportion that the number of whole months between the grant of accreditation and the next 30 June bears to 12 months.
