## SA Animal Health Statement - Instructions

The Animal Health Statement aims to help producers minimise the risk of introducing OJD onto their property. The Statement also gives sellers the opportunity to promote the assurance level of their sheep. The system uses Assurance Based Credit (ABC) points to provide information on OJD assurance or risk. An Animal Health Statement is required for all sheep movements including going directly for slaughter, to a market, agistment and on property sales.

### DIRECTIONS FOR USE

- The following sections **MUST** be completed for this AHS to be valid:
  - Sheep movements within the State – **Section 1** (Property of Origin), **Section 2** (Description of Consignment Sheep), **Section 3** (Footrot), **Section 6** (OJD Assurance Based Credit (ABC) Points) and **Section 7** (Declaration).
  - Sheep movements into the State – **Section 1** (Property of Origin), **Section 2** (Description of Consignment Sheep), **Section 3** (Footrot), **Section 6** (OJD Assurance Based Credit (ABC) Points) and **Section 7** (Declaration)
- The original must accompany the stock and is to be provided to the purchaser. A duplicate copy must be kept by the vendor.
- These forms must be kept for two years by both the vendor and purchaser of the sheep.

### EXPLANATORY NOTES

- a** **Flock of Origin** – flock from which sheep are being consigned. **Previous purchases may affect credit score** - Where sheep have been introduced to a flock, the flock credit rating may become the lowest rating of any of the sheep in the flock. The only exception is where lambs of a lower score have been introduced for finishing and they are sold for slaughter before the eruption of their first adult teeth. In this case the flock credit rating remains unchanged. If unsure – contact your nearest PIRSA animal health officer.
- b** **Prevalence Area** - four prevalence areas are defined: Very Low, Low, Medium and High. These have been agreed nationally and are reviewed annually. Details are available from PIRSA district offices or [www.aahrc.com.au/jd](http://www.aahrc.com.au/jd)
- c** **Infected flocks** - Flocks are no longer regarded as infected when:
- the whole flock consists of approved vaccines and has undertaken a PFC 350 test, with negative results, at a minimum of 2 years after the last detected infected animal has been destocked, or
  - the whole flock is a second generation Approved Vaccinate Flock which has undertaken a PFC 350 test with negative results, or
  - a destocking/decontamination program that has been approved by the CVO of the jurisdiction, has been completed.
- d** **SheepMAP flocks**  
The number of Sample Tests applies to the actual number of negative Sample Tests that contributed to attaining the current flock status. For most flocks this will be one for MN1, two for MN2 and three for MN3. However, an MN2 flock that has taken a status upgrade for being located in a Protected Zone would have had only 1 Sample Test.

**SheepMAP flocks (Cont.)** Similarly an MN3 flock would only have had 2 Sample Tests. Credits for being in a low prevalence area are now gained under Category A. If the flock has re-entered the SheepMAP having previously had its status lapse or removed, only Sample Tests directly contributing to its current status will be eligible for credits.

- e** **Sample test** - test of a sample of a flock, in accordance with Sheep Market Assurance Program (SheepMAP) guidelines, which is undertaken within the flock's current MAP program.
- f** **PFC 350 test** – Test of 350 representative sheep over 2 years of age (or all sheep over 2 years of age in small flocks) by Pooled Faecal Culture in pools of up to 50 sheep.
- g** **Certified as Abattoir 700 status** - 700 representative sheep over 2 years of age have been submitted to an abattoir in the past 24 months with at least 500 sheep, in one or more lots, being examined and found negative for OJD (abattoir surveillance certificate must have been issued).
- h** **Certified as Abattoir 200 status** - 200 representative sheep over 2 years of age have been submitted to an abattoir in the past 12 months with at least 150 sheep, in one or more lots, being examined and found negative for OJD (abattoir surveillance certificate must have been issued).
- i** **Tested low level infected flock** - an infected flock which has a history supporting low level of infection, an approved Property Disease Management Plan (PDMP) in place, and a flock profile demonstrating a detection rate of not more than 1 of 10 pools by Pooled Faecal Culture (PFC) within the previous 2 years.
- j** **Second generation vaccinate flock** - a flock comprising entirely of approved vaccines which were born when the whole flock were approved vaccines.
- k** **Approved Vaccinates** - sheep vaccinated by 16 weeks of age or sheep vaccinated after 16 weeks of age where, in the written opinion of a SheepMAP approved veterinarian, vaccination occurred prior to exposure. Cross bred wether and 2<sup>nd</sup> cross ewe lambs intended for slaughter before they cut their first adult teeth can be allocated the credit point assigned to their dams.
- m** **Certified low risk sheep** - sheep which are sourced from an infected flock and which are certified in writing as low-risk by a SheepMAP approved veterinarian on the basis of:
- risk assessment, and
  - an approved PDMP that includes profiling and strategic culling, being implemented in the flock. Other strategies such as vaccination of sheep, which are unlikely to have been heavily exposed, may also be appropriate.
- n** **Terminal 'T' tag lambs** – Credit rating 1 or better crossbred wether and 2<sup>nd</sup> cross ewe lambs to be slaughtered before they cut their first permanent teeth (identified by an fluoro-pink NLLIS 'T' tag).
- p** **Kangaroo Island Regional OJD Control Program** – CVO allocated credit point recognising participation in the regional disease control program in place. This credit point is only available to flocks not infected or suspect in the Kangaroo Island Medium Prevalence Area.
- FOOTROT**  
Footrot refers to Virulent Footrot. Any condition that resembles footrot must be assessed by a veterinarian or an Inspector of Stock before it is classified as not being virulent footrot.

- (4) The Chief Executive will not invite a person to apply for registration if satisfied that the person does not meet the minimum requirements for applicants for registration set out in regulation 8.
- (5) Subject to subregulation (6), an application for registration cannot be made except pursuant to an invitation given under this regulation.
- (6) Where a person who is cohabiting with another person in a marriage relationship proposes to make an application for registration, the application must be made jointly with that other person.

### **8—Minimum requirements for applicants for registration**

  - (a) the person is 18 years of age or over but under 55 years of age; and
  - (b) the person is resident or domiciled in the State; and
  - (c) the person is a permanent resident of Australia and has been so resident for at least the last 3 years; and
  - (d) the person is an Australian citizen or, in the case of a joint application for registration, at least one of the applicants is an Australian citizen.
- (2) A person cannot apply for registration as a prospective adoptive parent if—
  - (a) the person has previously been so registered (whether under these regulations or under the law of another State or a Territory of the Commonwealth) and that registration was cancelled on the ground that it was improperly obtained; or
  - (b) the person has, as an adult, been convicted of an offence involving violence towards a child, abuse of a child or abduction of a child.
- (3) A person cannot, except with the approval of the Chief Executive, apply for registration as a prospective adoptive parent if a child has, at any time, been removed from the care or custody of the person and become the subject of a care and protection order made under the *Children's Protection Act 1993*, or any other similar order made in this State or another State or a Territory of the Commonwealth.
- (4) A person cannot apply for registration on a subregister relating to children who are resident in a country outside Australia unless the person also complies with the minimum requirements of that country for adoption of a child by a person resident in Australia.

### **9—Assessment report**

- (1) The Chief Executive must cause an assessment report to be prepared with respect to an application for registration.
- (2) The assessment report must contain an assessment of the suitability of the applicant to adopt a child of the kind in relation to which registration is sought and the capacity of the applicant to care adequately for such a child.
- (3) An assessment report must be prepared having regard to the following factors:
  - (a) the parenting skills or potential parenting skills of the applicant;

- (b) the capacity of the applicant to provide the standard of care necessary to safeguard and promote the physical, intellectual and emotional welfare of a child of the kind in relation to which registration is sought;
  - (c) if the applicant has the care of any other child—the effect that may have on the welfare of an adopted child or on the applicant's ability to care for an adopted child;
  - (d) the emotional warmth, maturity and stability of the applicant;
  - (e) the physical and mental health of the applicant;
  - (f) the capacity of the applicant to deal with difficult or stressful situations;
  - (g) in the case of a joint application—the length and quality of the relationship between the applicants;
  - (h) the economic position and financial management skills of the applicant;
  - (i) the criminal record (if any) of the applicant;
  - (j) the nature of the childhood experiences of the applicant;
  - (k) if the applicant is infertile—the attitude of the applicant to that infertility or, in the case of a joint application, the attitude of each applicant to that infertility;
  - (l) the attitude of the applicant to children and in particular to the discipline of children;
  - (m) the attitude of the applicant to the status of an adopted child, to the birth parents of an adopted child and to an adopted child's access to information about the child's origin;
  - (n) the attitude to adoption of a child by the applicant of—
    - (i) any children of the applicant; and
    - (ii) any other parent or guardian of any children of the applicant; and
    - (iii) any other person (who is a relative of the applicant, a member of the applicant's household or a close acquaintance of the applicant) with whom the child, if adopted by the applicant, would be likely to come into regular contact;
  - (o) the motivation of the applicant to adopt a child;
  - (p) if the applicant has expressed an interest in adopting a child with special needs—the capacity of the applicant to provide the standard of care required to fulfil the needs of such a child;
  - (q) if the applicant has expressed an interest in adopting a child of a particular racial origin—the applicant's understanding of, and interest in, people of that racial origin and the applicant's attitude towards the retention by such a child of his or her cultural heritage.
- (4) A person preparing an assessment report may have regard to any other factor that the person considers relevant in the particular circumstances.
- (5) The Chief Executive may rely on an assessment report prepared by an adoption agency in relation to an application if satisfied that the agency, in preparing that assessment report, has complied with the requirements of this regulation (and in such a case the Chief Executive is not obliged to cause any other assessment report to be prepared in relation to the application).

## 10—Registration

- (1) A decision on an application must be made within 18 months of the date on which the application was lodged.
- (2) If, after considering an assessment report prepared in relation to an application, the Chief Executive is satisfied that the applicant or, in the case of a joint application, each applicant is a fit and proper person to adopt a child of the kind in relation to which registration is sought, the Chief Executive will register the applicant or applicants on the appropriate subregister or subregisters.
- (3) Before the Chief Executive rejects an application, the applicant must be given an opportunity to make representations on the matter to the Chief Executive.
- (4) Written notice of the Chief Executive's decision under this regulation, together with a copy of the relevant assessment report, must be given to the applicant.
- (5) If the Chief Executive rejects an application, the notice of that decision must inform the applicant of the right to seek a review of the decision and must set out the procedures and time limits that apply in respect of seeking a review.

## 11—Transfer of registration from another State

- (1) A person who has been registered as a prospective adoptive parent under the law of another State or a Territory of the Commonwealth that substantially corresponds to the Act and these regulations may apply to the Chief Executive to have that registration transferred to this State.
- (2) If a person who is so registered duly applies for transfer of that registration under subregulation (1), the Chief Executive must enter the applicant's name in the register if satisfied that the applicant—
  - (a) is registered under that other law; and
  - (b) meets the minimum requirements for applicants for registration set out in regulation 8; and
  - (c) has given notice of the application for transfer of registration, in writing, to the authority administering the other law.
- (3) The Chief Executive may require a person transferring registration in accordance with this regulation to provide such information as is necessary to determine which subregister or subregisters the person's name should be entered in.
- (4) Where a person who has been registered under another law becomes registered pursuant to this regulation, the entry in the register will be taken to have been made on the day on which the person was registered under the other law.

## 12—Conversion of registration into joint registration

- (1) A person who is registered as a single prospective adoptive parent and who, following registration, commences cohabiting with another person in a marriage relationship may, if the other person meets the minimum requirements for applicants for registration set out in regulation 8, apply jointly with that other person to the Chief Executive to have the registration converted into joint registration.
- (2) The Chief Executive will treat an application for conversion of registration under this regulation in all respects as if it were a joint application for registration made under regulation 7.

- (3) Where a person's initial registration is converted into joint registration pursuant to this regulation, the entry in the register relating to that joint registration will be taken to have been made on the day on which the person's initial registration occurred.

### **13—Duration and renewal of registration**

- (1) Registration of a person as a prospective adoptive parent—
  - (a) has effect, subject to these regulations, for a period of 3 years; and
  - (b) may be renewed from time to time in accordance with this regulation; and
  - (c) ceases—
    - (i) on written notice of withdrawal being given to the Chief Executive by the registered person or, in the case of persons with joint registration, on the written notice of either of the registered persons; or
    - (ii) on the death of the registered person; or
    - (iii) on cancellation of the registration by the Chief Executive under these regulations.
- (2) Subject to subregulation (3), an application for renewal of registration must be lodged with the Chief Executive not more than 3 months and not less than 1 month before the period of registration expires.
- (3) The Chief Executive may, in his or her discretion, accept a late application for renewal of registration.
- (4) A person may only apply for renewal of registration if the person meets the minimum requirements for applicants for registration set out in regulation 8.
- (5) On receipt of an application for renewal of registration, the Chief Executive must cause the assessment report relating to the applicant to be reviewed having regard to any changes in circumstances of the applicant in the period since that report was prepared or was last reviewed.
- (6) However, the Chief Executive may rely on a review of an assessment report undertaken by an adoption agency if satisfied that the agency, in undertaking the review, has had proper regard to any changes in circumstances of the applicant in the period since that report was prepared or was last reviewed.
- (7) If, after considering the review of the assessment report, the Chief Executive is satisfied that the applicant or, in the case of a joint application, each applicant is still a fit and proper person to adopt a child of the kind in relation to which renewal of registration is sought, the Chief Executive will renew the registration for a further period of 3 years.
- (8) Before the Chief Executive rejects an application for renewal of registration, the applicant must be given an opportunity to make representations on the matter to the Chief Executive.
- (9) Written notice of the Chief Executive's decision under this regulation, together with a copy of the review of the assessment report, must be given to the applicant.
- (10) If the Chief Executive rejects an application for renewal of registration, the notice of that decision must inform the applicant of the right to seek a review of the decision and must set out the procedures and time limits that apply in respect of seeking a review.

## 14—Cancellation of registration

- (1) The registration of a person as a prospective adoptive parent will be cancelled if a child is placed for adoption with that person.
- (2) The registration of a person as a prospective adoptive parent will be cancelled by the Chief Executive if—
  - (a) the person attains the age of 55 years; or
  - (b) the person ceases to be resident or domiciled in the State; or
  - (c) the person ceases to be permanently resident in Australia; or
  - (d) the person ceases to be an Australian citizen and, in the case of joint registration, the person with whom he or she is jointly registered is not an Australian citizen; or
  - (e) a child is removed from the care or custody of that person and becomes the subject of a care and protection order made under the *Children's Protection Act 1993*, or any other similar order made in this State or another State or a Territory of the Commonwealth; or
  - (f) the person is convicted of an offence involving violence towards a child, abuse of a child or abduction of a child; or
  - (g) the person's registration is transferred to another State or a Territory of the Commonwealth; or
  - (h) the registration was improperly obtained.
- (3) If a person is registered on a subregister relating to children who are resident in a country outside Australia and the person ceases to satisfy the minimum requirements of that country for adoption of a child by a person resident in Australia, the person's registration on that subregister will be cancelled by the Chief Executive.
- (4) If the registration of a person is cancelled or otherwise ceases in accordance with these regulations, the Chief Executive will, unless satisfied that special reasons exist for not doing so, cancel the registration of a person jointly registered with that person.
- (5) If persons who are jointly registered cease cohabiting in a marriage relationship, the Chief Executive will, unless satisfied that special reasons exist for not doing so, cancel the registration of both persons.
- (6) A person registered as a prospective adoptive parent must, within 28 days of that registration becoming liable to cancellation under this regulation, inform the Chief Executive of that fact.  
Maximum penalty: \$250.
- (7) It is a defence to a charge of an offence under subregulation (5) for the defendant to prove that—
  - (a) the defendant's registration only became liable to cancellation because, due to a change in the law of a country outside Australia, the person ceased to satisfy the minimum requirements of that country for adopting a child; and
  - (b) the defendant did not know that the law of that country had so changed.

- (8) The Chief Executive may, at any time, review the registration of a person and may, if the Chief Executive finds that the person is no longer a fit and proper person to adopt a child of the kind in relation to which the person is registered or, in the case of joint registration, that either person is no longer a fit and proper person to adopt such a child, cancel the registration of the person or persons.
- (9) Before the Chief Executive cancels the registration of a person under this regulation (other than under subregulation (1) or (2)), the person must be given an opportunity to make representations on the matter to the Chief Executive.
- (10) Written notice of the Chief Executive's decision to cancel registration under this regulation, together with a brief description of the reasons for that decision, must be given to each person affected by the decision.
- (11) A notice under subregulation (9) must inform the person of the right (if any) to seek a review of the decision and must set out the procedures and time limits that apply in respect of seeking a review.
- (12) A decision to cancel the registration of a person under subregulation (1) or (2) may not be the subject of a request for a review under regulation 16.

### **15—Additional requirements relating to applications**

The Chief Executive may, for the purposes of determining an application under this Part, require the applicant—

- (a) to provide further information on any matter specified; or
- (b) to participate in specified workshops or seminars; or
- (c) to provide a medical report as to any specified matter from a medical practitioner nominated by the Chief Executive; or
- (d) to provide written consent authorising a third party to release information relating to the applicant to the Chief Executive.

## **Part 4—Review**

### **16—Application for review and constitution of adoption board**

- (1) A person who is dissatisfied with a decision of the Chief Executive under Part 3 may, within 30 days of receipt of notice of the decision, request the Minister to refer the matter to an adoption board for review.
- (2) The Minister must, on receipt of such a request, constitute an adoption board for the purposes of hearing the review and refer the matter to that board unless the Minister is satisfied—
  - (a) that the request for the review is frivolous or vexatious; or
  - (b) that the matter has already been the subject of review.
- (3) An adoption board constituted for the purpose of hearing a review will consist of one or more members appointed by the Minister.
- (4) If an adoption board consists of more than one member, the following provisions apply:
  - (a) the Minister will appoint one of the members of the board to be the presiding member;
  - (b) a decision in which a majority of the members concurs is a decision of the board;

- (c) if a member, other than the presiding member, dies or is for any reason unable to continue with the review proceedings, the board may continue to conduct the review with the remaining members (but, if there are only two remaining members, a decision of the board must be unanimous).

## **17—Proceedings**

- (1) An adoption board must give the Chief Executive and the party seeking the review reasonable notice of the time and place at which it intends to conduct the review.
- (2) An adoption board must give the party seeking the review a reasonable opportunity to call or give evidence, to examine or cross-examine witnesses and to make oral or written submissions to the board.
- (3) If a person to whom notice has been given under subregulation (1) does not attend at the time and place fixed by the notice, the adoption board may hold the review in that person's absence.
- (4) An adoption board is not bound by the rules of evidence and may inform itself on any matter in such manner as it thinks fit.
- (5) An adoption board must act according to equity, good conscience and the substantial merits of the case.
- (6) Subject to these regulations, the procedure at a review will be as determined by the adoption board hearing the review.
- (7) The Chief Executive must make available to an adoption board any relevant assessment report and any other records or information as the board requests relating to the matter which is the subject of the review.
- (8) The party seeking the review is entitled to appear personally or by counsel or, by leave of the adoption board hearing the review, by some other representative.
- (9) The Chief Executive may appear personally in proceedings before an adoption board or may be represented at such proceedings by counsel or an officer of the Public Service.
- (10) On completion of a review under these regulations, the adoption board must give notice of its decision to the Chief Executive and to the person who sought the review.

## **18—Adoption board's powers**

- (b) remit any matter arising in the proceedings to the Chief Executive for further consideration; or
- (c) make such incidental or ancillary orders as it considers appropriate (including orders relating to entries in the register, to the assessment report relevant to the person who sought the review or to the documentation to be sent overseas for the purposes of adoption).

## **Part 5—Selection of applicants for adoption orders**

### **19—Order in which registered persons selected to be applicants for adoption orders**

- (1) Subject to this regulation, persons whose names are included in the register will be selected to be applicants for an adoption order in the order in which the persons' names appear in the subregister relating to children of the same kind as the child to be adopted.
- (2) A person is excluded from selection as an applicant for an order for adoption of a particular child in accordance with the order prescribed by subregulation (1) if the Chief Executive is satisfied that—
  - (a) the adoption of the child by the person would be inconsistent with a limitation of the consent to the adoption of a parent or guardian of the child; or
  - (b) the adoption of the child by the person would be contrary to—
    - (i) the wishes of the child's birth parent or guardian; or
    - (ii) in relation to a child who is resident in a country outside Australia—the requirements of the law of that country governing the adoption of children; or
  - (c) the adoption of the child by another person whose name is included in the register would, in the particular circumstances of the child, better safeguard and promote the welfare and interests of the child; or
  - (d) the registration of the person on the register is liable to cancellation; or
  - (e) the person is cohabiting with another in a marriage relationship but the other person is not jointly registered with the person as a prospective adoptive parent; or
  - (f) the person is lawfully married but not cohabiting with his or her spouse and the spouse does not consent to the adoption; or
  - (g) the Court is unlikely to make an adoption order in favour of the person on a ground set out in the Act.

  - (b) is more than 45 years older than the child to be adopted; or

  - (d) is cohabiting with another in a marriage relationship but has been so cohabiting for a continuous period of less than 3 years; or
  - (e) has a child residing with him or her and the child has so resided for a period less than the immediately preceding 2 years; or
  - (f) will or is likely to have any other child residing with him or her in the period of 2 years following selection as an applicant for an adoption order under this regulation,

is excluded from selection as an applicant for an order for adoption of a particular child in accordance with the order prescribed by subregulation (1) unless the Chief Executive is satisfied that there are special circumstances that would justify the making of an adoption order in favour of the person.

- (4) The selection of a person under this regulation as an applicant for an order for adoption of a child may be cancelled if the Chief Executive becomes aware of circumstances that, if known or in existence at the time of the selection, would have resulted in the person being excluded from selection as an applicant for the order.
- (5) If the selection of a person is cancelled under subregulation (4), the Chief Executive must notify the person in writing of the cancellation.

## **Part 6—Register of births**

### **20—Court to notify Registrar of Births, Deaths and Marriages of adoption order etc**
