- (3) A reference in this Schedule to a Table of a specified number in this Schedule is a reference to the Table of that number in clause 9.

## 2—Determination of applicable AR-DRG

For the purposes of this Schedule, the AR-DRG applicable to a patient must be determined in accordance with the guidelines contained in *South Australian Morbidity Coding Standards and Guidelines (Inpatients)*, effective 1 July 2006, published by the Department of Health.

## 3—Standard fee for admitted patients

Subject to this Schedule, the fee to be charged by a public hospital site for a period of treatment, care and accommodation of an admitted patient to whom an AR-DRG specified in the first and second columns of Table 3 in this Schedule is applicable must be calculated as follows:

$$\text{Fee} = \text{Price} \times \text{Cost Weight}$$

where—

- (a) the **Price** is the price specified in the second column of Table 1 in this Schedule according to the public hospital site classification (teaching or non-teaching) specified in the first column of the Table; and
- (b) the **Cost Weight** is the cost weight specified in the third, fourth, fifth or sixth column of Table 3 in this Schedule according to the public hospital site classification (teaching or non-teaching) and patient classification (public or private) specified in those columns for the AR-DRG applicable to the patient.

## 5—Fee for rehabilitation or maintenance care

Despite clause 3, the fee to be charged by a public hospital site for a period of treatment, care and accommodation of an admitted patient where the treatment and care consists of rehabilitation or maintenance care must be calculated as follows:

$$\text{Fee} = \text{Price} \times \text{LOS}$$

where—

- (a) the **Price** is the price specified in the third or fourth column of Table 2 in this Schedule according to the public hospital site classification (teaching or non-teaching) specified in those columns, the patient classification (public or private) specified in the first column and the type of treatment or care specified in the second column, of the Table; and
- (b) the **LOS** (length of stay) means the number of hours (rounded to the nearest hour) between—
  - (i) the admission of the patient to the public hospital site or, where the patient receives maintenance care, the commencement of maintenance care, whichever is the later; and

- (ii) the discharge of the patient from the public hospital site, excluding any leave hours (rounded to the nearest hour) for the patient during that period, expressed as a figure in days (including parts of days) and rounded up to the nearest whole day.

#### **6—Medical or diagnostic services not included in fees for private patients**

In the case of a private patient, a fee determined in accordance with this Schedule does not include a fee for the cost of medical or diagnostic services provided by a medical practitioner selected by the patient.

#### **7—Retrieval fee (admitted patients)**

Where a retrieval team provided by a public hospital site monitors and treats a seriously ill or seriously injured admitted patient of that or any other public hospital site during the transportation of the patient to the public hospital site or to another facility of the public hospital site, the fee to be charged by the public hospital site providing the retrieval team is as follows:

Provision of retrieval team—\$2 077

#### **8—Transportation fee**

- (1) Where, in addition to providing a service referred to in this Schedule, a public hospital site transports, or arranges for the transportation of, a patient to or from (or between different facilities of) the public hospital site, the public hospital site may charge an additional fee equal to the cost to the public hospital site of providing, or arranging for the provision of, that transportation.
- (2) Subclause (1) does not apply to the transportation of a patient with a retrieval team provided by the public hospital site.

#### **9—Other fees**

- (1) Pharmaceutical Reform arrangements

For public hospital sites participating in the pharmaceutical reform arrangements under the agreement between the South Australian and the Australian Government the following fees apply for pharmaceuticals provided to admitted patients on discharge:

- (i) For compensable patients:
  - (a) For the supply of Pharmaceutical Benefit Scheme items (per item) the community co-payment rate for pharmaceuticals as set under the Commonwealth *National Health Act 1953* each year on 1 January.
  - (b) For the supply of non-Pharmaceutical Benefit Scheme items (per item) an amount that is the cost to the public hospital (using a full cost recovery principle) for supply of that item
- (ii) For non-Medicare patients for the supply of non-Pharmaceutical Benefit Scheme and Pharmaceutical Benefit Scheme items (per item) an amount that is the cost to the public hospital (using a full cost recovery principle) for supply of that item

**Mining Minister** means the Minister for the time being administering the *Mining Act 1971* or the Minister for the time being administering the *Petroleum and Geothermal Energy Act 2000*, as the case requires.

### 4—Existing rights to continue

Subject to clause 6, existing rights of entry, prospecting, exploration or mining under the *Mining Act 1971* or the *Petroleum and Geothermal Energy Act 2000* may continue to be exercised in respect of the land described in Schedule 1.

### 5—New rights may be acquired

## 6—Conditions for exercise of rights

A person in whom rights of entry, prospecting, exploration or mining are vested pursuant to the *Mining Act 1971* or the *Petroleum and Geothermal Energy Act 2000* (whether those rights were acquired before or after the making of this proclamation) must not exercise those rights in respect of the land described in Schedule 1 unless the person complies with the following conditions:

- (a) if work to be carried out in relation to the land in the exercise of those rights is a regulated activity within the meaning of the *Petroleum and Geothermal Energy Act 2000*, the person must ensure that—
  - (i) the work is not carried out until a statement of environmental objectives in relation to the activity that has been approved under that Act has also been approved by the Environment Minister; and
  - (ii) the work is carried out in accordance with the statement as so approved;
- (b) if work to be carried out in relation to the land in the exercise of rights under the *Mining Act 1971* or the *Petroleum and Geothermal Energy Act 2000* has not previously been authorised (whether by inclusion in an approved statement of environmental objectives referred to in paragraph (a) or otherwise), the person must give at least 3 months notice of the proposed work to the Mining Minister and the Environment Minister and supply each Minister with such information relating to the proposed work as the Minister may require;
- (c) if directions are agreed between the Mining Minister and the Environment Minister and given to the person in writing in relation to—
  - (i) carrying out work in relation to the land in a manner that minimises damage to the land (including the land's vegetation and wildlife) and the environment generally; or
  - (ii) preserving objects, structures or sites of historical, scientific or cultural interest; or
  - (iii) rehabilitating the land (including the land's vegetation and wildlife) on completion of the work; or

- (d) if a plan of management is in operation under section 38 of the *National Parks and Wildlife Act 1972* in respect of the land, the person must have regard to the provisions of the plan of management;
- (e) in addition to complying with the other requirements of this proclamation, the person—
  - (i) must take such steps as are reasonably necessary to ensure that objects, structures and sites of historical, scientific or cultural interest and the land's vegetation and wildlife are not unduly affected by any work; and

- (ii) must maintain all work areas in a clean and tidy condition; and
  - (iii) must, on the completion of any work, obliterate or remove all installations and structures (other than installations and structures designated by the Mining Minister and the Environment Minister as suitable for retention) used exclusively for the purposes of that work;
- (f) if no direction has been given by the Mining Minister and the Environment Minister under paragraph (c)(iii), the person must (in addition to complying with any approved statement of environmental objectives referred to in paragraph (a)) rehabilitate the land (including its vegetation and wildlife) on completion of any work to the satisfaction of the Environment Minister.
