8. CONSEQUENCES OF NON-COMPLIANCE

Cancellation and the need to re-enrol to participate

- 8.1 If a person fails to comply with the Scheme their participation in the Scheme in relation to the relevant Nominated Vehicle(s) will be cancelled automatically by the Registrar under clause 6.1 or may be cancelled by the Registrar under clause 6.2. The Registrar will notify the person of the cancellation by E-Notice.
- 8.2 If participation for a Nominated Vehicle is cancelled, the relevant vehicle is entirely removed from the operation of the Scheme and the person will need to re-enrol if they choose to once again participate in the Scheme with respect to that vehicle.

Registration

- 8.3 If a person's participation in the Scheme for a Nominated Vehicle has been cancelled, the vehicle concerned will remain subject to the requirement to be registered under the MV Act and the person will need to register their vehicle in accordance with the MV Act by alternate means outside of the Scheme.
- 8.4 Monthly renewals in advance and the timeframes for direct debit payments are set to allow for a minimum of (approximately) **18 days** prior to the expiration of a vehicle's registration so as to afford a person the opportunity to renew the registration of their vehicle in the event their participation in the Scheme in respect to that vehicle is cancelled.
- 8.5 If a person fails to renew the registration of the vehicle concerned prior to the expiry of the vehicle's registration period then the vehicle will become unregistered. Continued use of the vehicle is a contravention of the MV Act and other State legislation for which penalties may apply.

Penalties for failure to notify Registrar

8.6 Subsection 24A(8) of the MV Act provides:

24A(8) A person who is a participant in the periodic payment scheme in respect of a particular motor vehicle must, in accordance with the scheme, notify the Registrar of any change in—

- (a) the person's personal particulars or circumstances that may affect an amount to be paid in respect of the registration of the motor vehicle; or
- (b) such other information or circumstances as may be specified under the scheme for the purposes of this subsection.

Maximum penalty: \$1 250

8.7 For the purposes of subsection 24A(8)(b) of the MV Act the following information or circumstances are specified (and a person who is a participant in the Scheme must notify the Registrar of any change in):

- (i) the person's contact details (either a participant's e-mail address or Australian mobile phone number) as nominated for the purposes of an E-Notice within **14** days.

9. FEES

9.1 Each direct debit transaction attracts the regulated Administration Fee.

9.2 Failed direct debit transactions may also attract a dishonour fee from the participant's ADI.

9.3 An amount paid by the use of direct debit is a transaction that is subject to the provisions of section 138B of the MV Act. For the avoidance of doubt if the Registrar is required to repay the amount paid by direct debit, the transaction in relation to the payment that was purportedly made will be taken to be, and to always have been, void and of no effect and the Registrar may, for example, pursuant to s. 138B(7)(b) of the MV Act refuse to enter into any further transaction with the person unless they pay to the Registrar the amount that was payable in respect of the void transaction, or such proportion of that amount as the Registrar thinks fit, and the prescribed charges.

9.4 The registration renewal and administration fees for the Scheme each month, plus other payments required at the same time, are the fees applicable as at the commencement date of the new period of registration, and are detailed as follows:

Fees (If Applicable)	Method of Calculation
Registration	As set out in the Motor Vehicles Regulations 2010
Administration fee	As set out in the Motor Vehicles Regulations 2010

Stamp Duty on CTP	As set out in Schedule 2, Part 1, (3)(aa) of the <i>Stamp Duties Act 1923</i>
Lifetime Support Scheme Fund Levy	1/3 rd of the amount of the levy for 3 months
Emergency Services Levy	1/3 rd of the amount of the levy for 3 months registration

10. PROCEDURE FOR SUSPECTED DEBIT ERRORS

10.1 If a participant believes there has been an error in debiting their Nominated ADI Account, the participant should notify Service SA directly by telephone on 13 10 84 and confirm that notice by email at reginfo@sa.gov.au as soon as possible.

10.2 A participant may also refer instances of suspected error(s) in debit(s) to their ADI. The ADI may, in turn, obtain details from the participant of the debit(s) in dispute and lodge a claim on the participant's behalf.

10.3 If the Registrar is satisfied that a participant's Nominated ADI Account has been incorrectly debited, the Registrar will arrange for the Nominated ADI Account to be reimbursed with the incorrectly debited amount. In such cases the Registrar will notify the participant in writing of the amount by which the Nominated ADI Account has been adjusted.

10.4 If the Registrar concludes that a participant's Nominated ADI Account has been correctly debited, the Registrar will provide the participant with reasons and any evidence for this finding.
