  14. At any time that the Driver is driving an Access Taxi, the Driver must accept and perform any booking for Access Taxi Services allocated or assigned by the CBS regardless of location, trip distance, voucher status or any other factor unless:
    - 14.1. the Driver is already providing Access Taxi Services or Other Taxi Services which have been approved by CBS (including any booking pre-approved by CBS), at the time that the allocated or assigned booking is scheduled to take place; or
    - 14.2. at the time of the allocation or assignment the Driver is unable (as determined by the CBS in its sole discretion having regard to the current location of the driver, the time since the Driver’s last break, the passenger booking time and traffic flows, with reference to mapping services) to travel to and commence the booking for Access Taxi Services at the time requested by the passenger.

15. During Access Taxi Hours the Driver of an Access Taxi must only provide Access Taxi Services and must not provide Other Taxi Services unless:
    - 15.1. there are no Access Taxi Services allocated or assigned by the CBS to the Driver or otherwise available for the driver to undertake at the time at which Other Taxi Services becomes available;

    - 15.3. the CBS has provided the Driver with express approval to undertake the Other Taxi Services, which approval may be granted in respect of either a particular Other Taxi Services job or a fixed period of time during Core Access Taxi Hours.
  16. Ensure that the Driver promptly notifies and receives approval from the CBS before accepting and performing any request for Access Taxi Services made other than through the CBS, including pre-booked Access Taxi Services or an ad-hoc request for Access Taxi Services which is to be performed immediately;
  17. The Driver must not do anything which would cause the Operator or the holder of a Licence for any Access Taxi driven by the Driver to be in breach of their conditions of Accreditation or Licence conditions.
  18. The Driver must commence all pre-booked allocated or assigned Access Taxi Services promptly at the booked time.
  19. The Driver must not perform Taxi Services which are Out of Zone except when directed or otherwise approved by the CBS.
  20. The Driver must ensure that the passenger and any wheelchair, scooter or other large (ride-on) mobility aid used by the passenger are safely secured within the Access Taxi before commencing the journey. If the wheelchair, scooter, or other large (ride-on) mobility aid cannot be secured, the Driver must ensure the passenger is safely secured in a passenger seat within the Access Taxi. If the passenger cannot be safely secured in the Access Taxi, the Driver must immediately notify and comply with any directions of the CBS and must not perform the Access Taxi Services.
  21. Prior to providing Access Taxi Services, the Driver must complete an appropriate course of training recognised by the Minister.
  22. The Driver must undertake such additional training in relation to the Access Taxi, the operation of the Access Taxi and the delivery of Access Taxi Services as may be required by the Minister from time to time.

This will ensure that national dam management guidelines are followed in the interest of public safety.

**Direction**

I, David Speirs MP, Minister for Environment and Water, direct SA Water:

1. To maintain responsibility for the ongoing and future maintenance of the Beetaloo Reservoir dam wall and associated water infrastructure (including pipes and pumps) to meet Australian National Committee on Large Dams obligations using regulated resources into the future, in the interest of public safety.
