SOUTH AUSTRALIAN SKILLS ACT 2008

South Australian Skills Standards

Pursuant to the provisions of Division 3, Section 26 of the *South Australian Skills Act 2008* and Regulation 5 of the *South Australian Skills Regulations 2021*, the South Australian Skills Commission (Commission) gives notice of the publication of Standard 1, Standard 6, Standard 9, Standard 10, Standard 12, Standard 13 and Standard 14 as varied, of the South Australian Skills Standards.

South Australia's apprenticeship and traineeship system is underpinned by the *South Australian Skills Act 2008* (the SAS Act), the *South Australian Skills Regulations 2021* (the Regulations), and the South Australian Skills Standards (Standards).

The Standards came into force on 1 July 2021. Compliance with the Standards is required, and a failure to comply with a provision of the Standards may result in compliance action being taken.

The following changes to the Standards have been made:

- Reference to the Department for Education in Standard 1: Declaration of Trades and Vocations s1.3.2 f) amended to South Australian Skills Commission.
- Reference to the Department for Education in Standard 6: Training Plan and Nominated Training Organisations s6.4.6 amended to Department of State Development.
- Reference to the Department for Education in Standard 14: Record Keeping s14.1.4 amended to Department of State Development.

Standard 9 Transfer of Training Contracts and Substitute employer, and Standard 13 Recognition of other Qualifications and Experience in Trades and Declared Vocations have been amended to reflect fee increases that come into force on 1 July 2024. Standard 9 and Standard 13 have also been amended to reflect the South Australian Skills Commission's annual fee review policy.

The Commission approved amendments to Standard 10: Training Contract Suspension to support longer term suspensions during declared emergencies. A new suspension type was added under s10.5 Training contract suspension related to a declared emergency (*South Australian Skills Act 2008* s51). A declared emergency is defined as: An active Major Emergency or Disaster, per Division 3 of the *Emergency Management Act 2004*. The maximum suspension for the reasons relating to a declared emergency is 90 days.

The Commission has also approved further amendments to Standard 10: Training Contract Suspension s10.4.4 to be consistent with clause 10.2.4 *the maximum suspension for non-business-related reasons is 30 days. The Commission may exercise its discretion to consider longer term suspensions for example, pregnancy, medical reasons, natural disaster or pandemic.*

Standard 12: Complaint Handling, Mediation and Advocacy under Governance Arrangements is amended to remove reference to the Department for Education under Governance Arrangements to '*The Standard on Complaint Handling, Mediation and Advocacy is governed by the Commission. Complaints raised with other agencies can be referred to the Commission where appropriate.*'

Standard 13: Recognition of other Qualifications and Experience in Trades and Declared Vocations is amended to inform an applicant that the recognition of a trade or vocation '*may be used in support of, but does not guarantee, the receipt of an Australian visa. Individuals should seek information on visa application processes from the Australian Government Department of Home Affairs.*'

Standard 13: Recognition of other Qualifications and Experience in Trades and Declared Vocations is amended to change the Certificate of Recognition to Occupational Certificate.

The SAS Act or the *Regulations* (whichever is applicable) will prevail to the extent that there is any inconsistency with a provision of the Standards.

Each Standard should be read in conjunction with the other Standards and supporting information for employers of apprentices and trainees.

In addition to the requirements under the SAS Act, employers must comply with such other laws, professional standards or regulatory frameworks as may apply to their business and industry sector. In particular, these Standards do not override the *Work Health and Safety Act 2012* and *Fair Work Act 2009*.
