## STATE GOVERNMENT INSTRUMENT

LIVESTOCK ACT 1997

SECTION 33

*Prohibition of Entry into South Australia of Live Poultry and Fertile Poultry Eggs*

Pursuant to Section 33 of the *Livestock Act 1997*, and for the purposes of controlling or eradicating influenza A viruses in birds, I, Elise Katherine Spark, Chief Inspector of Stock and delegate of the Minister for Primary Industries and Regional Development, hereby prohibit:

- movement into the State of South Australia of live *poultry* and *fertile poultry eggs* that are from an area or premises declared in the State of Victoria by a *relevant order* as a *Restricted Area*, *Control Area*, *infected premises*, *dangerous contact premises*, or *suspect premises*;
- movement into the State of South Australia of live *poultry* and *fertile poultry eggs* that are from premises that have received live *poultry*, *specified poultry products* or *specified property* within the preceding 28 days from an area or premises declared in the State of Victoria by a *relevant order* as a *Restricted Area*, *Control Area*, *infected premises*, or *dangerous contact premises*;
- movement into the State of South Australia of live *poultry* and *fertile poultry eggs* from any other area or premises in the State of Victoria, unless such movement complies with conditions outlined in Schedule 1.

SCHEDULE 1

**Movement Notification Condition**

- (a) The Department of Primary Industries and Regions South Australia is notified of the movement at least 5 business days prior to proposed movement either by:
- (i) downloading the *Notification of Movement of Live Poultry and Fertile Poultry Eggs into South Australia from the State of Victoria* form as published on the Department of Primary Industries and Regions South Australia website (<https://www.pir.sa.gov.au>) and sending the completed form to [PIRSA.BiosecuritySA@sa.gov.au](mailto:PIRSA.BiosecuritySA@sa.gov.au); or
  - (ii) completing the online *Notification of Movement of Live Poultry and Fertile Poultry Eggs into South Australia from the State of Victoria* form available on the Department of Primary Industries and Regions South Australia website (<https://www.pir.sa.gov.au>).

**Transport Conditions**

- (b) Transport from the State of Victoria to the *destination property* is direct so that the journey does not include any stops at any premises that contain live *poultry*.
- (c) The vehicle and any *specified property* used as part of the movement must be *decontaminated* prior to being used for the movement of live *poultry* or *fertile poultry eggs* into the State of South Australia.
- (d) The vehicle and any *specified property* used for the movement must return directly to the State of Victoria or be *decontaminated* prior to further use within the State of South Australia.

All instruments appearing in this gazette are to be considered official, and obeyed as such

**Destination Property Conditions**

- (e) Live *poultry* or *fertile poultry eggs* are moved either:
- (i) directly to slaughter (not applicable for *fertile poultry eggs*); or
  - (ii) to a destination property where, for 14 days from receipt of live *poultry* or *fertile poultry eggs* from the State of Victoria:
    - A. All live *poultry* or *fertile poultry eggs* received from Victoria must be confined at the *destination property* so as not to have contact with other animals either on the property or from outside the property.
    - B. All *poultry* on the *destination property* must not be moved from the *destination property*, unless direct to slaughter at an abattoir or for disposal in a manner sufficient to prevent contact with any animal.
    - C. Any *specified property* that has come into contact with the introduced live *poultry* or *fertile poultry eggs* must be *decontaminated* prior to movement off the *destination property*.
