quota period—a quota period for the fishery for the taking of pipi is a period of 12 months commencing on 1 July;

unit entitlement under a licence means the number of pipi units allocated to the licence for the time being;

unit value means the number of kilograms of pipi determined by the Minister to be the value of a pipi unit for the fishery and a quota period.

 - (i) —
 - (A) 10% of the quota entitlement for the first quota period; or
