## FISHERIES MANAGEMENT (SARDINE FISHERY) REGULATIONS 2021

## REGULATION 12

*Revocation and Determination*

The Determination made for the purposes of Regulation 12 dated 20 December 2024 will be revoked as of 25 September 2025.

For the purpose of Regulation 12 relating to catch and disposal requirements in the Sardine Fishery, commencing 25 September 2025, I make the following determinations:

**Regulation 12—Catch and disposal requirements—12(1)(a) record information and 12(1)(c) (arrangements for fish)**

The holder of the licence or registered master must—

- (1) Complete and submit an electronic ‘Sardine-Start Report’ prior to departing port.
- (2) Complete and submit an electronic ‘Sardine—Change Zone’ report via the Commercial Fishing SA app before the registered boat leaves the Zone originally reported, where:
  - (a) A ‘Sardine-Start Report’ has been submitted declaring that fishing will occur in a Zone; and
  - (b) No fish are taken from that Zone; and
  - (c) The licence holder or registered master intends to take fish from another Zone.
- (3) Immediately after the sardines are unloaded from the registered boat, complete and submit Part A of electronic report ‘Sardine—CDR’ record in respect of the sardines.
- (4) If the sardines are to be loaded onto a boat specified in the certificate of registration of a registered fish processor, he or she must ensure that the Part A electronic report ‘Sardine—CDR’ record is completed and submitted in respect of the sardines consigned to the registered fish processor or an agent of the registered fish processor when the sardines are loaded onto that boat.
- (5) If the sardines are to be transported to the registered premises of a registered fish processor, he or she must ensure that the Part A electronic report ‘Sardine—CDR’ record is completed and submitted in respect of the sardines that are transported to the registered premises.
- (6) If the sardines are to be transported to the registered premises of a registered fish processor by 2 or more vehicles or are to be unloaded to a boat or boats specified in the certificate of registration of a registered fish processor, he or she must ensure that Part A of electronic report ‘Sardine—Transit Form’ record is completed and submitted in respect of each other vehicle or boat that is to be used to transport the sardines.
- (7) Ensure that sardines to be delivered or consigned to a registered fish processor are:
  - (a) Transported to the fish processor in bins or containers of a kind consistent with those listed in Schedule 1 of this Determination; and
  - (b) The quantity of fish being transported do not exceed the specified fill line of the bin or container when level in the bin or container.

**Regulation 12(1)(b) (provide information)**

- (1) The holder of the licence or registered master must report to the Department, by the Commercial Fishing SA Application, at least 1 hour before the sardines are to be unloaded from the registered boat to be delivered to the registered premises of a fish processor other than a boat; or at least 2 hours before the sardines are to be unloaded from the registered boat to be loaded on to a boat registered as the premises of a fish processor:
  - (a) the name of the person making the telephone call or report;
  - (b) the number of the licence under which the sardines were taken;
  - (c) the name of the registered boat from which the sardines were taken;
  - (d) the name of the registered master of the registered boat;
  - (e) the location at which the sardines are to be unloaded from the registered boat;
  - (f) the estimated time of arrival of the registered boat at that location;
  - (g) the estimated total weight in tonnes of the sardines taken;
  - (h) the name of the registered fish processor to whom the sardines are to be consigned;
  - (i) whether the sardines are to be delivered to the registered premises of the registered fish processor or to be loaded onto a boat specified in the certificate of registration of the registered fish processor;
  - (j) the estimated time at which the sardines are to be unloaded from the registered boat;
  - (k) the trip ID;
  - (l) any threatened, endangered or protected species mortality events;
  - (m) any threatened, endangered or protected species entanglement or injury events; and
  - (n) the number of net shots made.
- (3) The holder of the licence in respect of the fishery or registered master under such a licence, must immediately notify the Department of any change to information already submitted to the Department by telephone on 1800 065 522 or by the Commercial Fishing SA Application before the sardines are unloaded from the registered boat.

**Regulation 12(3) (keeping of records)**

- (1) Where an electronic report has been submitted to the Department no further record need be kept for the purposes of this determination.

For the purposes of this determination—

**Electronic report**—means an entry received in the eCatch electronic database created and administered by the Department. Submission of the electronic report may be directly entered into the eCatch electronic database via the myPIRSA portal ([www.pir.sa.gov.au/ecatch](http://www.pir.sa.gov.au/ecatch)); via the Commercial Fishing SA App; or other third party application. If entered by a third party application the Licence Holder, Registered Master or Nominated Agent must ensure the report has been received by the eCatch electronic database.

**Department**—means the Department of Primary Industries and Regions South Australia.

Dated: 25 September 2025

PROFESSOR GAVIN BEGG  
Executive Director, Fisheries and Aquaculture  
Delegate of the Minister for Primary Industries and Regional Development

#### SCHEDULE 3

1. The exemption holder may conduct fishing activities using the Carp nets and electro fisher gear specified in Schedule 1 in the following areas of the waters connected to the River Murray:
  - Lake Bonney and connected Chambers Creek
  - Wachtels Lagoon
  - Spectacle Lakes and unnamed connected creek
  - Yatco Lagoon
  - Gurra Gurra Lakes.
2. The exemption holder may conduct fishing activities using the Carp Separation Cages which form part of Lock 1 at Blanchetown on the River Murray consistent with any requisite approvals and requirements of SA Water.

#### SCHEDULE 4

1. The exemption holder must not use more than the permitted number of devices specified in Schedule 1 at any one time.
2. The exemption holder may only engage in the exempted activity when also fishing pursuant to River Fishery licence number R27 and may only use a boat to engage in the exempted activity if that boat is registered by endorsement on River Fishery licence number R27.
3. The exempted activity may only be conducted by the exemption holder or his nominated agent:
  - Mr Jayden Warrick, 1979 Kingston Road, New Residence SA 5333
4. Use of the electrofisher gear must comply with guidelines set out by the Australian Code of Electrofishing Practice. All persons using the devices must be trained in accordance with these guidelines.
5. All native fish (excluding Bony Bream (*Nematalosa erebi*)) taken in the course of the exempted activity must be immediately returned to the water, and consistent with the Australian Code of Electrofishing Practice, when native species are encountered while electrofishing, electrofishing must be discontinued until the native species recovers and escapes.
6. Immediately prior to commencing the exempted activity, the exemption holder must contact the Department of Primary Industries and Regions (PIRSA) Fishwatch on 1800 065 522 and provide the following details:
  - The licence number and person(s) conducting the activity; and
  - The exact location(s) of the fishing activities; and
  - The gear type and quantity being used; and
  - Ministerial exemption number: ME9903396.

7. The exemption holder must ensure that the carp nets are checked and all fish removed at least once during any 24 hour period during which they are in the water. All noxious species captured during these activities must not be returned to the water and disposed of appropriately.
8. Carp nets must be removed from the water when fishing pursuant to this exemption notice ceases.
9. Where the exemption holder moves the carp nets more than 3 kilometres from the location of the nets reported to the Department under condition 6, or removes any of the nets from the river completely, the exemption holder must provide an additional report to the PIRSA Fishwatch on 1800 065 522 and either provide details as required under condition 6 of this exemption notice, or report that fishing with carp nets and carp separation cages has ceased.
10. While engaging in the exempted activity, the exemption holder and his nominated agent must be in possession of a copy of this notice. Such notice must be produced to a Fisheries Officer as requested.
11. The exemption holder must not contravene or fail to comply with the *Fisheries Management Act 2007* or any regulations made under that Act, except where specifically exempted by this notice.

## LAND ACQUISITION ACT 1969

## SECTION 26F

*Form 6B—Notice of Acquisition of Underground Land***1. Notice of acquisition**

The Commissioner of Highways (the Authority), of 83 Pirie Street, Adelaide SA 5000 acquires the following interests in the following land:

An unencumbered estate in fee simple in the whole of Allotment 508 in D138162 lodged in the Lands Titles Office, being portion of the land comprised in Certificate of Title Volume 5109 Folio 472.

This notice is given under Section 26F of the *Land Acquisition Act 1969*.

**2. Compensation not payable unless certain water infrastructure or rights are affected**

You are not entitled to compensation in relation to the acquisition of the underground land to which this notice relates, unless the following conditions are satisfied:

- you held at least one of the following interests in relation to the underground land immediately before the notice of acquisition was published in relation to the land—
  - ownership of a lawful well that provides access to underground water in the underground land, and any underground infrastructure associated with the well; or
  - a right to take underground water from the underground land by means of such a well;
- you notified the Authority of your interest in response to a notice given under Section 26G of the *Land Acquisition Act 1969*;
- the acquisition of the underground land either—
  - involved the acquisition of your interest; or
  - resulted in the discharge of your interest; or
  - resulted in you being unable to take water by means of, or pursuant to, your interest;
