(4) The chief executive officer must take reasonable steps to ensure that the person or persons who requested a deputation are informed of the outcome of the request.

(5) If the presiding member refuses to allow a deputation to appear at a meeting, the presiding member must report the decision to the next meeting of the council or council committee (as the case may be).

(6) The council or council committee may resolve to allow a deputation to appear despite a contrary ruling by the presiding member.

(7) A council may refer the hearing of a deputation to a council committee.

### **Motions**

**13.** (1) A member may bring forward any business in the form of a written notice of motion.

(2) The notice of motion must be given to the chief executive officer at least five clear days before the date of the meeting at which the motion is to be moved.

(3) A motion the effect of which, if carried, would be to revoke or amend a resolution passed since the last periodic election of the council must be brought by written notice of motion.

(4) If a motion under subregulation (3) is lost, a motion to the same effect cannot be brought—

(a) until after the expiration of 12 months; or

(b) until after the next periodic election,

whichever is the sooner.

(5) Subject to the Act and these regulations, a member may also bring forward any business by way of a motion without notice.

(6) The presiding member may refuse to accept a motion without notice if, after taking into account the Guiding Principles, he or she considers that the motion should be dealt with by way of a written notice of motion.

(7) The presiding member may refuse to accept a motion if the subject matter is, in his or her opinion, beyond the power of the council or council committee (as the case may be).

(8) A motion will lapse if it is not seconded at the appropriate time.

(9) A member moving or seconding a motion will speak to the motion at the time of moving or seconding the motion.

(10) A member may only speak once to a motion except—

(a) to provide an explanation in regard to a material part of his or her speech, but not so as to introduce any new matter; or

(b) with leave of the meeting; or

(c) as the mover in reply.

(11) A member who has spoken to a motion may not at a later stage of the debate move or second an amendment to the motion.

(12) A member who has not spoken in the debate on a question may move a formal motion.

(13) A formal motion must be in the form of a motion set out in subregulation (14) (and no other formal motion to a different effect will be recognised).

(14) If the formal motion is—

(a) that *the meeting proceed to the next business*, then the effect of the motion, if successful, is, in the case of an amendment, that the amendment lapses and the meeting proceeds with the consideration of the motion before the meeting without further reference to the amendment and, in the case of a motion, that the motion lapses and the meeting proceeds to the next item of business; or

(b) that *the question be put*, then the effect of the motion, if successful, is that debate is terminated and the question put to the vote by the presiding member without further debate; or

(c) that *the question lie on the table*, then the effect of the motion, if successful, is that the meeting immediately moves to the next item of business and the question can then only be retrieved at a later time by resolution (and, if so retrieved, debate is then resumed at the point of interruption); or

(d) that *the question be adjourned*, then the effect of the motion, if successful, is that the question is disposed of for the time being but debate can be resumed at the later time (at the point of interruption); or

(e) that *the meeting be adjourned*, then the effect of the motion, if successful, is that the meeting is brought to an end immediately without the consideration of further business.

(15) If seconded, a formal motion takes precedence and will be put by the presiding member without discussion unless the motion is for an adjournment (in which case discussion may occur (but only occur) on the details for resumption).

(16) A formal motion does not constitute an amendment to a substantive motion.

(17) If a formal motion is lost—

(a) the meeting will be resumed at the point at which it was interrupted; and

(b) if the formal motion was put during debate (and not at the end of debate) on a question, then a similar formal motion (*i.e.*, a motion to the same effect) cannot be put until at least one member has spoken on the question.

(18) A formal motion for adjournment must include the reason for the adjournment and the details for resumption.

(19) Subregulations (9), (10) and (11) may be varied at the discretion of the council pursuant to regulation 7.

#### **Amendments to motions**

**14.** (1) A member who has not spoken to a motion at an earlier stage of the debate may move or second an amendment to the motion.

(2) An amendment will lapse if it is not seconded at the appropriate time.

(3) A person who moves or seconds an amendment (and, if he or she chooses to do so, speaks to the amendment) will, in so doing, be taken to have spoken to the motion to which the amendment relates.

(4) If an amendment is lost, only one further amendment may be moved to the original motion.

(5) If an amendment is carried, only one further amendment may be moved to the original motion.

(6) Subregulations (1), (3), (4) and (5) may be varied at the discretion of the council pursuant to regulation 7.

#### **Variations, etc.**

**15.** (1) The mover of a motion or amendment may, with the consent of the seconder, request leave of the meeting to vary, alter or withdraw the motion or amendment.

(2) The presiding member must immediately put the question for leave to be granted and no debate will be allowed on that question.

#### **Addresses by members, etc.**

**16.** (1) A member must not speak for longer than five minutes at any one time without leave of the meeting.

(2) A member may, with leave of the meeting, raise a matter of urgency.

(3) A member may, with leave of the meeting, make a personal explanation.

(4) The subject matter of a personal explanation may not be debated.

(5) The contribution of a member must be relevant to the subject matter of the debate.

(6) Subregulations (1) and (2) may be varied at the discretion of the council pursuant to regulation 7.

### **Voting**

**17.** (1) The presiding member, or any other member, may ask the chief executive officer to read out a motion before a vote is taken.

(2) The presiding member will, in taking a vote, ask for the votes of those members in favour of the question and then for the votes of those members against the question (and may do so as often as is necessary to enable him or her to determine the result of the voting), and will then declare the outcome.

(3) A person who is not in his or her seat is not permitted to vote.

(4) Subregulation (3) may be varied at the discretion of the council pursuant to regulation 7.

### **Divisions**

**18.** (1) A division will be taken at the request of a member.

(2) If a division is called for, it must be taken immediately and the previous decision of the presiding member as to whether the motion was carried or lost is set aside.

(3) The division will be taken as follows—

(a) the members voting in the affirmative will, until the vote is recorded, stand in their places; and

(a) the members voting in the negative will, until the vote is recorded, sit in their seats; and

(b) the presiding member will count the number of votes and then declare the outcome.

(4) The chief executive officer will record in the minutes the names of members who voted in the affirmative and the names of the members who voted in the negative (in addition to the result of the vote).

(5) Subregulation (3) may be varied at the discretion of the council pursuant to regulation 7.

### **Tabling of information**

**19.** (1) A member may require the chief executive officer to table any documents of the council relating to a motion that is before a meeting (and the chief executive officer must then table the documents within a reasonable time, or at a time determined by the presiding member after taking into account the wishes of the meeting, and if the member who has required the tabling indicates that he or she is unwilling to vote on the motion until the documents are tabled, then the matter must not be put to the vote until the documents are tabled).

(2) The chief executive officer may, in tabling a document, indicate that in his or her opinion consideration should be given to dealing with the document on a confidential basis under section 90 or 91 of the Act.

### **Adjourned business**

**20.** (1) If a formal motion for a substantive motion to be adjourned is carried—

(a) the adjournment may either be to a later hour of the same day, to another day, or to another place; and

(b) the debate will, on resumption, continue from the point at which it was adjourned.

(2) If debate is interrupted for want of a quorum and the meeting is then adjourned, the debate will, on resumption, continue from the point at which it was interrupted.

(3) Business adjourned from a previous meeting must be dealt with before any new business at a subsequent meeting.

(4) The provisions of this regulation may be varied at the discretion of the council pursuant to regulation 7.

### **Short-term suspension of proceedings**

**21.** (1) If the presiding member considers that the conduct of a meeting would benefit from suspending the operation of all or some of the provisions of this Division for a period of time in order to allow or facilitate informal discussions, the presiding member may, with the approval of at least two-thirds of the members present at the meeting, suspend the operation of this Division (or any part of this Division) for a period determined by the presiding member.

(2) The Guiding Principles must be taken into account when considering whether to act under subregulation (1).

(2) If a suspension occurs under subregulation (1)—

(a) a note of the suspension, including the reasons for and period of suspension, must be entered in the minutes; and

(b) the meeting may proceed provided that a quorum is maintained but, during the period of suspension—

(i) the provisions of the Act must continue to be observed<sup>1</sup>; and

<sup>1</sup> See particularly Part 4 of Chapter 5, and Chapter 6, of the Act.

(ii) no act or discussion will have any status or significance under the provisions which have been suspended; and

(iii) no motion may be moved, seconded, amended or voted on, other than a motion that the period of suspension should be brought to an end; and

(c) the period of suspension should be limited to achieving the purpose for which it was declared; and

(d) the period of suspension will come to an end if—

(i) the presiding member determines that the period should be brought to an end; or

(ii) at least two-thirds of the members present at the meeting resolve that the period should be brought to an end.

**PART 3**  
**MEETINGS OF OTHER COMMITTEES**

**Application of Part**

**22.** The provisions of this Part apply to or in relation to the meetings of any council committee that is not subject to the operation of Part 2.

**Notice of meetings for members**

**23.** Pursuant to section 87(15) of the Act, section 87 is modified in its application in relation to the meetings of a committee to which this Part applies as if subsections (4) and (7) to (10) of that section provided as follows:

- (a) that notice of a meeting of the committee may be given in a form determined by the committee after taking into account the nature and purpose of the committee; and
- (b) that notice need not be given for each meeting separately; and
- (c) that if ordinary meetings of the committee have a set agenda then notice of such a meeting need not contain, or be accompanied by, the agenda for the meeting; and
- (d) that it is not necessary for the chief executive officer to ensure that each member of the committee at the time that notice of a meeting is given is supplied with a copy of any documents or reports that are to be considered at the meeting.

**Public notice of committee meetings**

**24.** Pursuant to section 88(7) of the Act, section 88 is modified in its application in relation to the meetings of a committee to which this Part applies as if subsections (2), (3) and (4) provided as follows:

- (a) that public notice need not be given for each meeting separately; and
- (b) that public notice may be given by displaying a notice and agenda in a place or places determined by the chief executive officer after taking into account the nature and purpose of the committee.

**Minutes**

**25.** (1) The minutes of the proceedings of a meeting must include—

- (a) the names of the members present at the meeting; and
- (b) each motion carried at the meeting; and
- (c) any disclosure of interest made by a member; and
- (d) details of the making of an order under subsection (2) of section 90 of the Act (*see* subsection (7) of that section); and
- (e) a note of the making of an order under subsection (7) of section 91 of the Act in accordance with the requirements of subsection (9) of that section.

(2) The minutes of the proceedings at a meeting must be submitted for confirmation at the next meeting or, if that is omitted, at a subsequent meeting.

**PART 4**  
**MISCELLANEOUS**

**Quorum for committees**

**26.** The prescribed number of members of a council committee constitutes a quorum of the committee and no business can be transacted at a meeting unless a quorum is present.

- × The **prescribed number** of members of a council committee is—
  - (a) unless paragraph (b) applies—a number ascertained by dividing the total number of members of the committee by 2, ignoring any fraction resulting from the division, and adding one; or
  - (b) a number determined by the council.
  
- × *See* also section 41(6) of the Act.

**Voting at committee meetings**

**27.** (1) Subject to the Act and these regulations, a question arising for decision at a meeting of a council committee will be decided by a majority of the votes cast by the members present at the meeting and entitled to vote on the question.

(2) Each member of a council who is a member of a council committee and who is present at a meeting of the committee must, subject to a provision of the Act to the contrary, vote on a question arising for decision at that meeting.

(3) The presiding member of a council committee has a deliberative vote on a question arising for decision at the meeting but does not, in the event of an equality of votes, have a casting vote.

**Points of order**

**28.** (1) The presiding member may call to order a member who is in breach of the Act or these regulations.

(2) A member may draw to the attention of the presiding member a breach of the Act or these regulations, and must state briefly the nature of the alleged breach.

(3) A point of order takes precedence over all other business until determined.

(4) The presiding member will rule on a point of order.

(5) If an objection is taken to the ruling of the presiding member, a motion that the ruling not be agreed with must be moved immediately.

(6) The presiding member is entitled to make a statement in support of the ruling before a motion under subregulation (5) is put.

(7) A resolution under subregulation (5) binds the meeting and, if a ruling is not agreed with—

(a) the ruling has no effect; and

(b) the point of order is annulled.

**Interruption of meetings by members**

**29.** (1) A member of a council or council committee must not, while at a meeting—

- (a) behave in an improper or disorderly manner; or
- (b) cause an interruption or interrupt another member who is speaking.

(2) Subregulation (1)(b) does not apply to a member who is—

- (a) objecting to words used by a member who is speaking; or
- (b) calling attention to a point of order; or
- (c) calling attention to want of a quorum.

(3) If the presiding member considers that a member may have acted in contravention of subregulation (1), the member must be allowed to make a personal explanation.

(4) Subject to complying with subregulation (3), the relevant member must leave the meeting while the matter is considered by the meeting.

(5) If the remaining members resolve that a contravention of subregulation (1) has occurred, those members may, by resolution—

- (a) censure the member; or
- (b) suspend the member for a part, or for the remainder, of the meeting.

(6) A member who—

- (a) refuses to leave a meeting in contravention of subregulation (4); or
- (b) enters a meeting in contravention of a suspension under subregulation (5),

is guilty of an offence.

Maximum penalty: \$1 250.

**Interruption of meetings by others**

**30.** A member of the public who is present at a meeting of a council or council committee must not—

- (a) behave in a disorderly manner; or
- (b) cause an interruption.

Maximum penalty: \$500.

**Materials and services charge**

107A. (1) In this regulation—

"**materials and services**" includes books, stationery, apparatus, equipment, facilities and organised activities.

(2) A charge is payable in each year in respect of a student enrolled at a school for materials and services—

- (a) provided to or for the student for individual use or on an individual basis in connection with the student's instruction; or
- (b) provided for students for specific curricular activities.

(3) Subject to this regulation, the amount of the charge in respect of each student enrolled at a school is the amount fixed by the schedule for that school and (where specified) for the grade or year, or level of grade or year, for which the student is enrolled.

(4) The charge in respect of a student is payable by a parent of the student or by the student.

(5) The parent or student must be given notice in writing of the charge by the principal of the school and must, subject to this regulation, pay the charge to the principal within a period specified in the notice (being not less than 14 days after receipt of the notice).
