- (3) The Fund consists of—
- (a) the amount in the Swine Compensation Fund on the repeal of the *Swine Compensation Act 1936* paid into the Fund under the *Livestock Regulations 1998* (see *Gazette 22 January 1998* p. 288), as varied;

5. The Pig Industry Advisory Group, established by the Minister under Part 2 of the *Livestock Act 1997* to represent the pig industry, will be the consultative committee to advise the Minister in relation to the application of the Fund.

Contributions to Fund

6. (1) Subject to subregulation (2), a pig producer must pay to the Minister for payment into the Fund a contribution of 20 cents per pig sold for \$20 or more by the producer (whether within or outside this State).

(2) If there is a collection agent in respect of the pig, the collection agent must pay the contribution on behalf of the pig producer.

(3) The relevant collection agent or, in respect of a pig for which there is no collection agent, the pig producer must—

(ii) is, if the person has the necessary equipment, in an electronic form acceptable to the Minister; and

(b) receive and forward to the Minister, with the periodic financial statement required by paragraph (a), the required contributions for pigs sold by the producer during the period to which the financial statement relates.

(5) A pig producer may, by notice in writing to the Minister, within the 12 months following a financial year in respect of which contributions have been paid by or on behalf of the producer, make a claim for a refund in respect of those contributions.

(6) A pig producer claiming a refund under subregulation (5) must supply the Minister with—

(b) verification of that evidence in the form of a statutory declaration.

(7) If the pig producer satisfies the Minister that the producer is entitled to a refund, the Minister must pay to the producer an amount determined in accordance with the following formula:

$$R = C_t + \left(C_1 + C_2 \times \frac{9}{12} + C_3 \times \frac{6}{12} + C_4 \times \frac{3}{12} \right) \times I$$

where—

R is the total amount of the refund;

C_t is the total amount of contributions paid during the financial year immediately preceding the financial year in which the producer claims the refund in respect of the pigs sold by the producer;

(a) by notice in the *Gazette*—

- (i) declare a disease to be a **declared compensable disease**; and
- (ii) declare a period to be the **declared period** in relation to a declared compensable disease (and such a period may commence on a day specified in the notice and end on a day to be specified by subsequent notice in the *Gazette*); and

(b) by the same or a subsequent notice in the *Gazette*, declare an amount to be the **declared amount of compensation** payable per pig in respect of the declared compensable disease and declared period (which amount may vary according to the class of pigs concerned or any other factor).

(2) Before publishing a notice in the *Gazette* under subregulation (1), the Minister must consult the consultative committee.

(3) The Minister may defer declaring a declared amount of compensation payable per pig in respect of a declared compensable disease and declared period until after the time allowed for claims for such compensation.

Claims for compensation from Fund

10. (1) The following persons may claim compensation under this Part:

- (a) an owner of pigs destroyed in accordance with a notice or order issued under Division 4 of Part 4 of the *Livestock Act 1997*, or by action taken or caused to be taken by an inspector under that Division, for the purpose of controlling or eradicating a declared compensable disease during a declared period;
- (b) an owner of pigs certified by an inspector as having died of a declared compensable disease and as being pigs that would have, had they not died, been destroyed for the purposes of controlling or eradicating the declared compensable disease during the declared period.

(2) A claim for compensation must—

- (a) be made to the Chief Inspector within one month after the end of the declared period; and
- (b) be in the form and contain or be accompanied by the information required by the Chief Inspector.

(3) A claim that is not made within the time allowed is barred, unless the Chief Inspector, on application and with the approval of the Minister, otherwise determines.

(4) The amount of compensation payable is the declared amount of compensation in respect of the declared compensable disease and declared period.

(5) A person who was, at the time of the death or destruction of the pig in respect of which a claim for compensation is made, in default in relation to contributions to the Fund is not entitled to compensation under this Part (but the Chief Inspector may, with the approval of the Minister, exempt a person from the application of this subregulation if satisfied that the circumstances of the particular case justify the exemption).

(6) The Chief Inspector may, with the approval of the Minister, determine that no compensation, or a reduced amount of compensation, is payable to a claimant if the Chief Inspector is satisfied that—

- (a) the pig was visibly affected by the declared compensable disease and the owner failed to notify an inspector of that fact; or
- (b) the owner failed to carry out any written direction of an inspector for the control or eradication of the declared compensable disease and that the failure was a probable cause of the pig being affected by the disease; or
- (c) the owner failed to take reasonable steps to minimise the risk of pigs affected with the declared compensable disease being introduced into the owner's piggery or the pigs otherwise becoming affected by the declared compensable disease; or
- (d) the pig was destroyed within three months of being introduced into South Australia and was likely to have been affected by the declared compensable disease when so introduced.

(7) Before the Minister gives an approval for the purposes of this regulation, the Minister must consult the consultative committee.

(8) If the owner of a pig has been paid compensation or is entitled to compensation in respect of the pig under any other law, the amount of compensation that may be claimed under this Part is reduced by the amount so paid or to which the owner is so entitled.

(9) If a payment of compensation in respect of a pig is made to a claimant under these regulations, the Minister is, to the extent of the payment, subrogated to the rights of the claimant against a person liable to pay compensation in respect of the pig under any other law.

(10) The Chief Inspector must, by written notice, inform the claimant, the Minister and the consultative committee of the Chief Inspector's determination of the claim.

(11) The claimant may, within one month after receiving notice of the amount of compensation to be paid, object in writing to the Minister to the proposed amount on the grounds set out in detail in the objection.

(12) If an objection is not made within the time allowed, the claimant's entitlement to compensation is finally determined for the purposes of these regulations.

(13) If an objection to a proposed amount of compensation is made, the Minister may, after consulting the consultative committee—

- (a) affirm the decision against which the objection is made; or
- (b) rescind the decision and substitute a decision that the Minister considers appropriate.

(14) A decision of the Minister after consideration of an objection is final and without appeal.

(2) Where a fee is prescribed or fixed by the Director for the hire of a tennis court, pavilion, accommodation block or cottage in a reserve, a person must not enter or remain within the boundaries of the facility unless that person has hired the facility or has been permitted by the hirer to enter or remain within the boundaries of the facility.

(2) The Director may vary or revoke a notice under this regulation at any time by subsequent notice published in the *Gazette*.

(3) The Director may close a reserve or any part of a reserve—

- (a) if, in the Director's opinion, the closure is necessary or desirable for the proper management of the reserve; or

- (c) if the staff necessary to patrol the reserve are unavailable; or
- (d) if it is, in the Director's opinion, in the interest of public safety to close the reserve.

(4) A person must not, without the permission of the Director, enter or remain in a reserve when it is closed to the public.

Access to Seal Bay beach

- (b) where, because of the design of the vehicle, it is not possible to comply with paragraph (a)—the receipt or permit is displayed in a prominent position in or on the vehicle,

so that the receipt or permit is facing outwards from the vehicle and can be easily seen and read by a person standing beside the vehicle.
