MARINE MOLLUSC FARMING LICENCE FM00377

Licence to Farm Fish under section 53 of the Fisheries Act 1982

THE Minister for Primary Industries and Resources ('the Minister') hereby grants to:

Rachel V. Johannsen (20117)
Taal J. Johannsen (20116)
26 Bayview Road
Port Lincoln, S.A. 5606

a licence to occupy and use the waters and airspace over the land specified in Item 1 of Schedule 1 of this licence ('the site') for the purpose of farming and taking the permitted species ('the permitted use') for the period commencing on 1 July 2001 and ending, subject to any earlier termination under this licence, on 30 June 2002 ('the term') subject to the following terms and conditions:

CONDITIONS OF THIS LICENCE

1. *Marked-off Areas*

- 1.1 Subject to section 53A of the Fisheries Act 1982, this licence does not entitle the licensee to exclusive rights of entry to and occupation of the site. The rights granted by this licence are exercisable by the licensee in common with any other occupiers of the site from time to time.
- 1.2 For the purposes of section 53A of the Fisheries Act 1982, the marked-off areas within the site are that area or those areas marked-off or indicated in the manner set out in Item 2 of Schedule 1 of this licence.

2. *Permitted Species*

The licensee:

- 2.1 must not farm or introduce any species at the site other than the permitted species referred to in Schedule 2; and
- 2.2 must not take any wild fish from the site except for recreational purposes.

3. *Permitted Use*

The licensee must not use the site for any purpose other than the permitted use.

4. *Permitted Methods*

- 4.1 The licensee must, in undertaking the permitted use, take all reasonable and practicable measures to prevent or minimise damage to the environment. Without limiting the generality of the foregoing, the licensee:

- 4.1.1 must ensure the total length of each unit does not exceed 3 km of longline or 1 km of racking per hectare, and each unit must be at least 5 m from any other unit;
- 4.1.2 must not use the anti-fouling chemical tributyltin (TBT) on any equipment used at the site;
- 4.1.3 must not use any chemical or drug for either therapeutic or prophylactic purpose except with the prior approval of the Minister;
- 4.1.4 must undertake an environmental monitoring program approved by the Minister and as specified in Clause 4.3;
- 4.1.5 must not introduce the permitted species to the site before the approval of the environmental monitoring program referred to in 4.1.4 by the Minister;
- 4.1.6 must comply with the schedule of reporting for the environmental monitoring program as prescribed in Schedule 6 and submit the final results of the environmental monitoring program to the Minister 30 days before expiry of the term of this licence.

4.2 *SASQAP*

- 4.2.1 It is a condition of your licence to farm bivalve molluscs that only shellfish from areas Classified under the South Australian Shellfish Quality Assurance Program (SASQAP) may be sold for human consumption.
- 4.2.2 The licensee must continue to meet all the regulations required under the Food Standards Code to produce a product safe for human consumption.

- 4.3 The licensee must submit a draft environmental monitoring program to the Minister for approval within 60 days of the grant of the licence by the Minister. The draft environmental monitoring program must include the qualifications and experience of the person(s) designing and undertaking the program and address the matters listed in Schedule 5.

5. *Marking and Maintaining the Site*

The licensee:

- 5.1 must ensure that the site is maintained in a good, tidy and safe condition to the satisfaction of the Minister;
- 5.2 must remove and lawfully dispose of any waste or debris on the site as soon as is reasonably practicable and in particular must comply with any guidelines issued from time to time by the Minister in relation to the removal from the site of any unhealthy or dead fish;
- 5.3 must maintain all buoys, crosses, and markers on the site in good condition and in accordance with the colours specified in Schedule 1 of this licence; and
- 5.4 must mark the site boundary in accordance with the requirements of the Minister for Transport.

6. *Site Inspection and Supervision*

The licensee:

- 6.1 must at all times permit the Minister, his employees, agents or contractors or any employees, agents or contractors of the Crown to enter the site for the purposes of inspecting the site, the sea floor and the flora and fauna on or in the vicinity of the site; and
- 6.2 must comply with all reasonable directions of any such person authorised by the Director of Fisheries to inspect the conduct of the licensee's activities at the site.

7. *Fees and Returns*

The licensee:

- 7.1 must pay to the Minister the licence fee in accordance with Item 1 of Schedule 3 of this licence;
- 7.2 must on or before 31 January and 31 July during the term, submit to the Minister a return supplying all of the information described in Schedule 4 of this licence.

8. Public Risk Insurance

The licensee must at its own cost during the term maintain in full force and effect in respect of the site and the permitted use a policy of public risk insurance in the joint names of the licensee and the Minister. The limits of public risk must not be less than the amount specified in Item 2 of Schedule 3 of this licence, or such other amount as the Minister may from time to time reasonably require. A policy of insurance or copy thereof or a certificate of insurance must be produced by the licensee to the Minister on written request.

9. Guarantee or Indemnity Scheme

The licensee must either:

- 9.1 provide a guarantee from its bankers to the amount specified in Item 3 of Schedule 3; or
- 9.2 contribute to an indemnity scheme established for the aquaculture and fisheries industry and approved by the Minister,

to and in favour of and for the benefit of the Minister by way of security for the due and punctual performance by the licensee of the terms and conditions of this licence and in particular the obligations of the licensee to rehabilitate the site immediately prior to the expiration or sooner determination of the term of this licence. Such guarantee or indemnity scheme must have effect from the date of commencement of the term.

10. No Assignment

The licensee must not assign or sublet or deal in any other way with any interest in this licence.

11. Variation and Cancellation

- 11.1 The Minister may without prior notice vary or cancel this licence immediately during the term for the purposes of preventing or minimising any damage or threat of damage to the environment. For the purpose of this condition the Minister may have regard to but is not limited by the following considerations:
 - 11.1.1 the results of monitoring undertaken pursuant to Clause 4.1.5;
 - 11.1.2 the results of any other monitoring as may from time to time be carried out; or
 - 11.1.3 such other relevant information within the knowledge of the Minister.
- 11.2 Subject to and without limiting Condition 13.1, in the event of breach by the licensee of any term or condition of this licence, the Minister may:
 - 11.2.1 give to the licensee written notice of such breach and the Minister's requirements for rectification thereof; or
 - 11.2.2 cancel this licence for failure to comply with such requirements for rectification.
- 11.3 The Minister may cancel this licence if the licensee is a body corporate, and any of the following occur:
 - 11.3.1 the licensee is unable to pay its debts as and when they fall due or is otherwise insolvent;
 - 11.3.2 an order is made for the winding up or liquidation of the licensee;
 - 11.3.3 the licensee enters into a scheme of arrangement, compromise, moratorium or other form of composition with its creditors or any class of its creditors;
 - 11.3.4 a receiver, a manager or a receiver and manager, a company administrator or other insolvency administrator is appointed to the licensee; or
 - 11.3.5 a mortgagee, chargee or other encumbrancee is appointed over or takes possession of or appoints an agent to take possession of all or any of the licensee's assets.

- 11.4 The Minister may cancel this licence if the licensee is an individual, and the licensee:
 - 11.4.1 becomes bankrupt or assigns its estate or enters into a deed of arrangement or other form of composition for the benefit of the licensee's creditors; or
 - 11.4.2 is convicted of an indictable offence.

- 11.5 Cancellation of this licence by the Minister shall be without prejudice to any rights, remedies or actions that the Minister may have against the licensee in respect of any antecedent breach by the licensee of the terms and conditions contained in this licence.

Granted by the General Manager Aquaculture, delegate for the purposes of section 53 of the Minister responsible for administration of the Fisheries Act 1982, on 10 August 2001.

I. NIGHTINGALE, General Manager Aquaculture

SCHEDULE 5

Environmental Monitoring Program

MATTERS TO BE ADDRESSED

The monitoring program should address the following matters in relation to the permitted use:

Farm Management

1. Approximate layout of all structures on the site during the term including location, number and size.
2. Growth and condition of the permitted species.
3. Occurrence of disease incidents in the permitted species.

Water Quality

1. Phytoplankton including species composition and abundance.
2. Status of the site under the South Australian Shellfish Quality Assurance Program during the term (including closures).

Feral Oysters

Presence and numbers of feral oysters.

Benthic Sediments

Sedimentation through measuring total organic carbon and particle size analysis of sediment samples.

Benthic Fauna and Flora

Benthic macro-flora communities including composition, distribution and abundance.

METHODOLOGY

Video Transects

Video transects should be used to assess broad scale changes in sediment consistency, presence of farming waste and the composition and abundance of macro-flora communities.

Video transects must be collected using equipment capable of producing a clear and well lit image. Transects must extend across the site, including sections under the development, and extend 50 m out both sides of the site. The location of the video transects must be identified on a map attached to the environmental monitoring report. Each transect must be identified on the video with a unique transect number.

Report

The environmental monitoring report must be legible and contain a declaration regarding the authenticity and source of all data and results contained in the report. This declaration must be signed by the licence holder and the person(s) conducting the monitoring program.

The report must include an assessment of the results of the monitoring program against the provisions of the Environment Protection (Marine) Policy 1994, and must be accompanied by all raw data, video footage and diver notes.

SCHEDULE 6

Schedule of Environmental Monitoring Reports

The licensee must submit a final environmental monitoring program report within 12 months of the commencement of this licence to the Minister, c/o General Manager Aquaculture SA, 14th Floor, 25 Grenfell Street, G.P.O. Box 1625, Adelaide, S.A. 5000.

FISHERIES ACT 1982

MARINE MOLLUSC (SUBTIDAL) FARMING LICENCE FS00025
(PREVIOUS LICENCE NO. FM00323)

Licence to Farm Fish under section 53 of the Fisheries Act 1982

THE Minister for Primary Industries and Resources ('the Minister') hereby grants to:

Graham A. Hoffrichter (14543)
Section 33, Hundred of Moule
Denial Bay, S.A. 5690

a licence to occupy and use the waters and airspace over the land specified in Item 1 of Schedule 1 of this licence ('the site') for the purpose of farming and taking the permitted species ('the

permitted use') for the period commencing on 1 July 2001 and ending, subject to any earlier termination under this licence, on 30 June 2002 ('the term') subject to the following terms and conditions:

CONDITIONS OF THIS LICENCE

1. *Marked-off Areas*

- 1.1 Subject to section 53A of the Fisheries Act 1982, this licence does not entitle the licensee to exclusive rights of entry to and occupation of the site. The rights granted by this licence are exercisable by the licensee in common with any other occupiers of the site from time to time.
- 1.2 For the purposes of section 53A of the Fisheries Act 1982, the marked-off areas within the site are that area or those areas marked-off or indicated in the manner set out in Item 2 of Schedule 1 of this licence.

2. *Permitted Species*

The licensee:

- 2.1 must not farm or introduce any species at the site other than the permitted species referred to in Schedule 2; and
- 2.2 must not take any wild fish from the site except for recreational purposes.

3. *Permitted Use*

The licensee must not use the site for any purpose other than the permitted use.

4. *Permitted Methods*

- 4.1 The licensee must, in undertaking the permitted use, take all reasonable and practicable measures to prevent or minimise damage to the environment. Without limiting the generality of the foregoing the licensee:
 - 4.1.1 must ensure the total length of each unit does not exceed 3 km of longline or 1 km of racking per hectare, and each unit must be at least 5 m from any other unit;
 - 4.1.2 must not use the anti-fouling chemical tributyltin (TBT) on any equipment used at the site;
 - 4.1.3 must not use any chemical or drug for either therapeutic or prophylactic purpose except with the prior approval of the Minister;
 - 4.1.4 must undertake an environmental monitoring program approved by the Minister and as specified in Clause 4.3;
 - 4.1.5 must not introduce the permitted species to the site before the approval of the environmental monitoring program referred to in 4.1.4 by the Minister;
 - 4.1.6 must comply with the schedule of reporting for the environmental monitoring program as prescribed in Schedule 6 and submit the final results of the environmental monitoring program to the Minister 30 days before expiry of the term of this licence.
- 4.2 *SASQAP*
 - 4.2.1 It is a condition of your licence to farm bivalve molluscs that only shellfish from areas Classified under the South Australian Shellfish Quality Assurance Program (SASQAP) may be sold for human consumption;
 - 4.2.2 the licensee must continue to meet all the regulations required under the Food Standards Code to produce a product safe for human consumption.
- 4.3 The licensee must submit a draft environmental monitoring program to the Minister for approval within 60 days of the grant of the licence by the Minister. The draft environmental monitoring program must include the qualifications and experience of the person(s) designing and undertaking the program and address the matters listed in Schedule 5.

5. Marking and Maintaining the Site

The licensee:

- 5.1 must ensure that the site is maintained in a good, tidy and safe condition to the satisfaction of the Minister;
- 5.2 must remove and lawfully dispose of any waste or debris on the site as soon as is reasonably practicable and in particular must comply with any guidelines issued from time to time by the Minister in relation to the removal from the site of any unhealthy or dead fish;
- 5.3 must maintain all buoys, crosses, and markers on the site in good condition and in accordance with the colours specified in Schedule 1 of this licence; and
- 5.4 must mark the site boundary in accordance with the requirements of the Minister for Transport.

6. Site Inspection and Supervision

The licensee:

- 6.1 must at all times permit the Minister, his employees, agents or contractors or any employees, agents or contractors of the Crown to enter the site for the purposes of inspecting the site, the sea floor and the flora and fauna on or in the vicinity of the site; and
- 6.2 must comply with all reasonable directions of any such person authorised by the Director of Fisheries to inspect the conduct of the licensee's activities at the site.

7. Fees and Returns

The licensee:

- 7.1 must pay to the Minister the licence fee in accordance with Item 1 of Schedule 3 of this licence;
- 7.2 must on or before 31 January and 31 July during the term, submit to the Minister a return supplying all of the information described in Schedule 4 of this licence.

8. Public Risk Liability

The licensee must at its own cost during the term maintain in full force and effect in respect of the site and the permitted use a policy of public risk insurance in the joint names of the licensee and the Minister. The limits of public risk must not be less than the amount specified in Item 2 of Schedule 3 of this licence, or such other amount as the Minister may from time to time reasonably require. A policy of insurance or copy thereof or a certificate of insurance must be produced by the licensee to the Minister on written request.

9. Guarantee or Indemnity Scheme

The licensee must either:

- 9.1 provide a guarantee from its bankers to the amount specified in Item 3 of Schedule 3; or
- 9.2 contribute to an indemnity scheme established for the aquaculture and fisheries industry and approved by the Minister,

to and in favour of and for the benefit of the Minister by way of security for the due and punctual performance by the licensee of the terms and conditions of this licence and in particular the obligations of the licensee to rehabilitate the site immediately prior to the expiration or sooner determination of the term of this licence. Such guarantee or indemnity scheme must have effect from the date of commencement of the term.

10. No Assignment

The licensee must not assign or sublet or deal in any other way with any interest in this licence.

11. Variation and Cancellation

- 11.1 The Minister may without prior notice vary or cancel this licence immediately during the term for the purposes of preventing or minimising any damage or threat of damage to the environment. For the purpose of this condition the Minister may have regard to but is not limited by the following considerations:
 - 11.1.1 the results of monitoring undertaken pursuant to Clause 4.1.5;
 - 11.1.2 the results of any other monitoring as may from time to time be carried out; or

11.1.3 such other relevant information within the knowledge of the Minister.

11.2 Subject to an without limiting Condition 13.1, in the event of breach by the licensee of any term or condition of this licence, the Minister may:

11.2.1 give to the licensee written notice of such breach and the Minister's requirements for rectification thereof; or

11.2.2 cancel this licence for failure to comply with such requirements for rectification.

11.3 The Minister may cancel this licence if the licensee is a body corporate, and any of the following occur:

11.3.1 the licensee is unable to pay its debts as and when they fall due or is otherwise insolvent;

11.3.2 an order is made for the winding up or liquidation of the licensee;

11.3.3 the licensee enters into a scheme of arrangement, compromise, moratorium or other form of composition with its creditors or any class of its creditors;

11.3.4 a receiver, a manager or a receiver and manager, a company administrator or other insolvency administrator is appointed to the licensee; or

11.3.5 a mortgagee, chargee or other encumbrancee is appointed over or takes possession of or appoints an agent to take possession of all or any of the licensee's assets.

11.4 The Minister may cancel this licence if the licensee is an individual, and the licensee:

11.4.1 becomes bankrupt or assigns its estate or enters into a deed of arrangement or other form of composition for the benefit of the licensee's creditors; or

11.4.2 is convicted of an indictable offence.

11.5 Cancellation of this licence by the Minister shall be without prejudice to any rights, remedies or actions that the Minister may have against the licensee in respect of any antecedent breach by the licensee of the terms and conditions contained in this licence.

Granted by the General Manager Aquaculture, delegate for the purposes of section 53 of the Minister responsible for administration of the Fisheries Act 1982, on 10 August 2001.

Item 3—Criteria for Development of Marine Aquaculture Sites

Development must have commenced on the site within 12 months of the licence being issued. The minimum level of development on the site must be:

0.1 ha developed with 0.2 km of growout line on the site.

SCHEDULE 3

Item 1—Fees

Annual licence fees are payable as prescribed in the licence renewal.

Item 2—Insurance

Ten million dollars (\$10 000 000).

Item 3—Guarantee

Ten thousand dollars (\$10 000).

SCHEDULE 4

Production Returns

The licensee must submit the following production returns to the Minister on or before 30 December and 30 June during the term of this licence. The information contained in these returns will be determined by the Minister. These returns must be forwarded to the General Manager, Aquaculture SA, 14th Floor, 25 Grenfell Street, Adelaide, S.A. 5000.

SCHEDULE 5

Environmental Monitoring Program

MATTERS TO BE ADDRESSED

The monitoring program should address the following matters in relation to the permitted use:

Farm Management

1. Approximate layout of all structures on the site during the term including location, number and size.
2. Growth and condition of the permitted species.
3. Occurrence of disease incidents in the permitted species.

Water quality

1. Phytoplankton including species composition and abundance.
2. Status of the site under the South Australian Shellfish Quality Assurance Program during the term (including closures).

Benthic Sediments

Sedimentation through measuring total organic carbon and particle analysis of sediment samples.

Benthic Fauna and Flora

Benthic macro-flora communities including composition, distribution and abundance.

METHODOLOGY

Video Transects

Video transects should be used to assess the broad scale changes in sediment consistency, presence of farming waste and the composition and abundance of macro-fauna communities.

Video transects must be collected using equipment capable of producing a clear and well lit image. Transects must extend across the site, including sections under the development, and extend 50 m out both sides of the site. The location of the video transects must be identified on a map attached to the environmental monitoring report. Each transect must be identified on the video with a unique transect number.

Report

The environmental monitoring report must be legible and contain a declaration regarding the authenticity and source of all data and results contained in the report. This declaration must be signed by the licence holder and the person(s) conducting the monitoring program.

The report must include an assessment of the results of the monitoring program against the provisions of the Environment Protection (Marine) Policy 1994, and must be accompanied by all raw data, video footage and diver notes.

SCHEDULE 6

Schedule of Environmental Monitoring Reports

The licensee must submit a final environmental monitoring program report within 12 months of the commencement of this licence to the Minister, c/o General Manager Aquaculture S.A., 14th Floor, 25 Grenfell Street, G.P.O. Box 1625, Adelaide, S.A. 5000.

FISHERIES ACT 1982

MARINE FINFISH FARMING LICENCE FF00035

Licence to Farm Fish under section 53 of the Fisheries Act 1982

THE Minister for Primary Industries and Resources ('the Minister') hereby grants to:

Brian F. Geraghty (9319)
P.O. Box 106
Beachport South, S.A. 5280

a licence to occupy and use the waters and airspace over the land specified in Item 1 of Schedule 1 of this licence ('the site') for the purpose of farming and taking the permitted species ('the permitted use') for the period commencing on 1 July 2001 and ending, subject to any earlier termination under this licence, on 30 June 2002 ('the term') subject to the following terms and conditions:

CONDITIONS OF THIS LICENCE

1. *Marked-off Areas*

- 1.1 Subject to section 53A of the Fisheries Act 1982, this licence does not entitle the licensee to exclusive rights of entry to and occupation of the site. The rights granted by this licence are exercisable by the licensee in common with any other occupiers of the site from time to time.
- 1.2 For the purposes of section 53A of the Fisheries Act 1982, the marked-off areas within the site are that area or those areas marked-off or indicated in the manner set out in Item 2 of Schedule 1 of this licence.

2. *Permitted Species*

The licensee:

- 2.1 must not farm or introduce any species at the site other than the permitted species referred to in Schedule 2; and
- 2.2 must not take any wild fish from the site except for recreational purposes.

3. *Permitted Use*

The licensee must not use the site for any purpose other than the permitted use.

4. *Permitted Methods*

- 4.1 The licensee must, in undertaking the permitted use, take all reasonable and practicable measures to prevent or minimise damage to the environment. Without limiting the generality of the foregoing, the licensee:

- 4.1.1 must not stock the permitted species at a rate greater than that specified in Schedule 2 of this licence;
- 4.1.2 must not use the anti-fouling chemical tributyltin (TBT) on any equipment used at the site;
- 4.1.3 must not use any chemical or drug for either therapeutic or prophylactic purpose except with the prior approval of the Minister;
- 4.1.4 must apply the permitted farming methods set out in Schedule 2 of this licence;
- 4.1.5 must undertake an environmental monitoring program approved by the Minister and as specified in Clause 4.2;
- 4.1.6 must not introduce the permitted species to the site before the approval of the environmental monitoring program referred to in 4.1.5 by the Minister;
- 4.1.7 must comply with the schedule of reporting for the environmental monitoring program as prescribed in Schedule 6 and submit the final results of the environmental monitoring program to the Minister 30 days before expiry of the term of this licence;
- 4.1.8 must implement a management strategy approved by the Minister and as specified in Clause 4.3 to manage interactions with seabirds and marine mammals;
- 4.1.9 must not introduce the permitted species to the site before approval of the management strategy specified in 4.1.8 by the Minister.

4.2 The licensee must submit a draft environmental monitoring program to the Minister for approval within 60 days of the grant of the licence by the Minister. The draft environmental monitoring program must include the qualifications and experience of the person(s) designing and undertaking the program and address the matters listed in Schedule 5.

4.3 The licensee must submit a draft strategy for managing interactions with sea birds and marine mammals to the Minister within 60 days of the grant of the licence by the Minister. The draft strategy must identify potential interactions with and risks to sea birds and marine mammals and the measures proposed to minimise interactions with and risks to seabirds and marine mammals.

5. Sea Cages

The licensee must immediately inform an officer of PIRSA (Fisheries) on 1800 065 522 or such other officer as the Minister from time to time notifies to the licensee in writing if any marine animal, other than the permitted species, is caught in any sea cage or other farm structure used by the licensee on the site.

6. Location of Sea Cages

The licensee must not erect or use any sea cages in any location on the site where stocked sea cages have been used in the immediately preceding two year period.

7. Marking and Maintaining the Site

The licensee:

- 7.1 must ensure that the site is maintained in a good, tidy and safe condition to the satisfaction of the Minister;
- 7.2 must remove and lawfully dispose of any waste or debris on the site as soon as is reasonably practicable and in particular must comply with any guidelines issued from time to time by the Minister in relation to the removal from the site of any unhealthy or dead fish;
- 7.3 must maintain all buoys, crosses, and markers on the site in good condition and in accordance with the colours specified in Schedule 1 of this licence; and
- 7.4 must mark the site boundary in accordance with the requirements of the Minister for Transport.

8. Site Inspection and Supervision

The licensee:

- 8.1 must at all times permit the Minister, his employees, agents or contractors or any employees, agents or contractors of the Crown to enter the site for the purposes of inspecting the site, the sea floor and the flora and fauna on or in the vicinity of the site; and
- 8.2 must comply with all reasonable directions of any such person authorised by the Director of Fisheries to inspect the conduct of the licensee's activities at the site.

9. Fees and Returns

The licensee:

- 9.1 must pay to the Minister the licence fee in accordance with Item 1 of Schedule 3 of this licence;
- 9.2 must on or before 31 January and 31 July during the term, submit to the Minister a return supplying all of the information described in Schedule 4 of this licence.

10. Public Risk Insurance

The licensee must at its own cost during the term maintain in full force and effect in respect of the site and the permitted use a policy of public risk insurance in the joint names of the licensee and the Minister. The limits of public risk must not be less than the amount specified in Item 2 of Schedule 3 of this licence, or such other amount as the Minister may from time to time reasonably require. A policy of insurance or copy thereof or a certificate of insurance must be produced by the licensee to the Minister on written request.

11. Guarantee or Indemnity Scheme

The licensee must either:

- 11.1 provide a guarantee from its bankers to the amount specified in Item 3 of Schedule 3; or
- 11.2 contribute to an indemnity scheme established for the aquaculture and fisheries industry and approved by the Minister,

to and in favour of and for the benefit of the Minister by way of security for the due and punctual performance by the licensee of the terms and conditions of this licence and in particular the obligations of the licensee to rehabilitate the site immediately prior to the expiration or sooner determination of the term of this licence. Such guarantee or indemnity scheme must have effect from the date of commencement of the term.

12. No Assignment

The licensee must not assign or sublet or deal in any other way with any interest in this licence.

13. Variation and Cancellation

- 13.1 The Minister may without prior notice vary or cancel this licence immediately during the term for the purposes of preventing or minimising any damage or threat of damage to the environment. For the purpose of this condition the Minister may have regard to but is not limited by the following considerations:
 - 13.1.1 the results of monitoring undertaken pursuant to Clause 4.1.5;
 - 13.1.2 the results of any other monitoring as may from time to time be carried out; or
 - 13.1.3 such other relevant information within the knowledge of the Minister.
- 13.2 Subject to and without limiting Condition 13.1, in the event of breach by the licensee of any term or condition of this licence, the Minister may:
 - 13.2.1 give to the licensee written notice of such breach and the Minister's requirements for rectification thereof; or
 - 13.2.2 cancel this licence for failure to comply with such requirements for rectification.
- 13.3 The Minister may cancel this licence if the licensee is a body corporate, and any of the following occur:

- 13.3.1 the licensee is unable to pay its debts as and when they fall due or is otherwise insolvent;
- 13.3.2 an order is made for the winding up or liquidation of the licensee;
- 13.3.3 the licensee enters into a scheme of arrangement, compromise, moratorium or other form of composition with its creditors or any class of its creditors;
- 13.3.4 a receiver, a manager or a receiver and manager, a company administrator or other insolvency administrator is appointed to the licensee; or
- 13.3.5 a mortgagee, chargee or other encumbrancee is appointed over or takes possession of or appoints an agent to take possession of all or any of the licensee's assets.
- 13.4 The Minister may cancel this licence if the licensee is an individual, and the licensee:
- 13.4.1 becomes bankrupt or assigns its estate or enters into a deed of arrangement or other form of composition for the benefit of the licensee's creditors; or
- 13.4.2 is convicted of an indictable offence.
- 13.5 Cancellation of this licence by the Minister shall be without prejudice to any rights, remedies or actions that the Minister may have against the licensee in respect of any antecedent breach by the licensee of the terms and conditions contained in this licence.

Granted by the General Manager Aquaculture, delegate for the purposes of section 53 of the Minister responsible for administration of the Fisheries Act 1982, on 10 August 2001.

I. NIGHTINGALE, General Manager Aquaculture

SCHEDULE 1

Item 1—The Site

Area applicable to this licence:

Licensed Area	Licensed Hectares
AGD 66—Zone 54	
416398E 5849058N	20
416712E 5849320N	
416988E 5848990N	
416696E 5848737N	

All sea cages on the site must be marked with a unique sea cage number and the site's unique 'FF number'; that is, the licence number. All St Andrew's crosses must be marked with the site's unique 'FF number'; that is the licence number.

Item 2—Marked-off Areas

Marked-off areas must be marked with no less than 8 equally spaced white buoys, each of at least 12 inches in diameter, each positioned no more than 70 m from each relevant sea cage situated on the site.

SCHEDULE 2

Item 1—Permitted Species

The Director of Fisheries has, pursuant to section 50 (2) of the Act, issued a permit for the release of the fish specified in this Schedule.

Atlantic Salmon (*Salmo salar*)
Rainbow Trout (*Oncorhynchus mykiss*)

Item 2—Permitted Farming Methods

There must be a minimum clearance of at least 3 m between the bottom of each sea cage and the sea bed.

Sea Cages 2

Item 3—Stocking Rates

The maximum standing stock on the site must not exceed 40 tonnes.

2 sea cages each with a maximum diameter of 25 m

Item 4—Criteria for Development of Marine Aquaculture Sites

Development must have commenced on the site within 12 months of the licence being issued. The minimum level of development on the site must be 1 cage of 20 m diameter.

SCHEDULE 3

Item 1—Fees

Annual licence fees are payable as prescribed in the licence renewal.

Item 2—Insurance

Ten million dollars (\$10 000 000).

Item 3—Guarantee

Ten thousand dollars (\$10 000).

SCHEDULE 4

Production Returns

The licensee must submit production returns to the Minister on or before 30 December and 30 June during the term of this licence. The information contained in these returns will be determined by the Minister. These returns must be forwarded to the General Manager Aquaculture SA, 14th Floor, 25 Grenfell Street, Adelaide, S.A. 5000.

SCHEDULE 5

Environmental Monitoring Program

The monitoring program should address the following matters in relation to the permitted use:

Farm Management

Approximate layout of all structures on the site including location, number and size.

Stocking density of the permitted species held on the site.

Dates and numbers of the permitted species stocked and harvested on the site.

Occurrence of disease incidents in the permitted species on the site.

Benthic Sediments

Redox potential.

Infauna communities including composition and abundance.

Benthic Fauna and Flora

Benthic macro-flora communities including composition and abundance.

Benthic macro-fauna communities including composition and abundance.

METHODOLOGY

Draft Environmental Monitoring Program

The draft environmental monitoring program needs to detail the site layout and sampling sites, including control sites.

Sediment Cores

Sediment cores should be used to assess the infauna composition and abundance of the sediments. Sediment cores should be 50 mm wide and inserted into the sediments to 150 mm. Samples need to be rinsed through a 1 000 µm mesh. Collection of the cores should be visible on the videos when possible.

Infauna samples must be preserved in Bennett's solution and stained with Thyloxin-B initially. After sorting the samples should be labelled inside and outside the containers with details of the date of collection, site location, collection method, and the collector's and identifier's name. The samples must be preserved in 70% alcohol and kept in storage for two years to allow for auditing or further analysis if required.

Video Transects

Video transects should be used to assess the broad scale changes in sediment consistency, presence of farming waste and the composition and abundance of macro-fauna and macro-flora communities.

Video transects must be collected using equipment capable of producing a clear and well lit image in Hi-8 format for computerised image analysis using a Sony Hi-8 digital camera or equivalent capable of operating at a minimum of 3 lux. The underwater housing must be fitted with a minimum of two 50W lights. Transects must be at least 150 m long and a transect line marked at 5 m intervals must be visible at all times. The date and 'live' time should also be visible. The location and unique number of each transect must be clearly marked on a map that includes details of the site layout. The diver should gently disturb the sediment by hand at the start, middle and end of each transect to reveal the colour of the sediments below the surface.

Report

The environmental monitoring report must contain a synthesis of the data, statistical analysis and interpretation of the results. All raw data and video footage must also be presented to Aquaculture SA in electronic format and hard copy.

The environmental monitoring report must be legible and contain a declaration regarding the authenticity and source of all data and results contained in the report. This declaration must be signed by the licence holder and the person(s) conducting the monitoring program.

The report must include an assessment of the results of the monitoring program against the provisions of the Environment Protection (Marine) Policy 1994, and must be accompanied by all raw data, video footage and diver notes.

SCHEDULE 6

Schedule of Environmental Monitoring Reports

The licensee must submit an environmental monitoring program report within six months of the commencement of this licence and a final environmental monitoring program report within 12 months of the commencement of this licence to the Minister, c/o General Manager Aquaculture SA, 14th Floor, 25 Grenfell Street, G.P.O. Box 1625, Adelaide, S.A. 5000, during the term of this licence.

LAND AND BUSINESS (SALE AND CONVEYANCING)
ACT 1994

Exemption

TAKE notice that, pursuant to section 23 (3) of the Land and Business (Sale and Conveyancing) Act 1994, I, Kenneth Trevor Griffin, Minister for Consumer Affairs, do hereby exempt the person named in Schedule 1 from the application of section 23 (2) of the Act in relation to the purchase of the land specified in Schedule 2.

SCHEDULE 1

 - (iv) 8 are to be elected, in accordance with these regulations, by persons involved in the provision of children's services within the Southern Country Region.

Terms and conditions of membership of regional advisory committees

11. (1) An elected member of a regional advisory committee holds office for a term of 1 year and, on the expiration of that term, is eligible for re-election.

(2) An appointed member of a regional advisory committee holds office for a term of 1 year and, on the expiration of the member's first term of office, is eligible for reappointment for not more than 2 further terms of office.

(3) The Director may remove a member of a regional advisory committee from office—

(a) for misconduct; or

(b) for failure or incapacity to carry out official duties satisfactorily.

(4) The office of a member of a regional advisory committee becomes vacant if the member—

(a) dies; or

(b) completes his or her term of office and is not re-elected or reappointed; or

- (c) resigns by written notice to the Director; or
- (d) is absent from 3 successive meetings without proper excuse; or
- (e) is removed from office under subregulation (3).

Procedure at meetings of regional advisory committees

12. (1) A quorum of a regional advisory committee consists of 7 elected members of whom at least 4 must be parents of children enrolled at, or attending, an establishment that provides children's services.

(2) If the person appointed to chair a regional advisory committee is absent from a meeting of the committee, a person chosen by the members present at the meeting will preside.

(3) A decision carried by a majority of the votes cast by the members present at a meeting of a regional advisory committee is a decision of the committee.

(4) Each member present at a meeting of a regional advisory committee has 1 vote on any question arising for decision and, if the votes are equal, the person presiding may exercise a casting vote.

(5) Regional advisory committee meetings are to be open to observers who may, at the discretion of the members present, take part in the business of the meeting but may not vote on any question arising for decision at the meeting.

(6) Each regional advisory committee must, at least once each year, invite each establishment that provides children's services within its region to send one or more observers to attend a meeting of the committee.

(7) Subject to the Act and these regulations, the business of a regional advisory committee is to be conducted in such manner as it determines.

Validity of acts of regional advisory committees

13. An act or proceeding of a regional advisory committee is not invalid by reason of a vacancy in the membership of the committee or a defect in an appointment or election to the committee.

Election of parents to regional advisory committees

14. (1) For the purposes of an election of members of a regional advisory committee by persons whose children are enrolled at, or attending, an establishment that provides children's services, the area of the State in relation to which the committee is established is to be divided into a number of subregions determined in accordance with the following formula:

$$N = \frac{n}{2}$$

where—

N is the number of subregions; and

n is the number of members to be elected.

(2) An election under this regulation is to be conducted at a time and place determined by the returning officer.

(3) Each establishment may nominate a person who is a parent of a child enrolled at, or attending the establishment, to attend at the election.

(4) At an election, the persons nominated to attend must elect two persons to be members of the regional advisory committee, being parents of children enrolled at, or attending establishments that provide different kinds of children's services.

Election of service providers to regional advisory committee

15. (1) For the purposes of an election of members to a regional advisory committee by persons involved in the provision of children's services, each of the following groups of persons must elect 1 person from their number to be a member of the committee:

- (a) persons involved in the provision of toy libraries; and
- (b) persons involved in the provision of playgroups; and
- (c) persons involved with kindergartens that are registered children's services centres or that were registered under the repealed Act as affiliated kindergartens; and
- (d) persons involved with licensed child care centres that operate on a non-profit basis; and
- (e) officers and employees of the Department of Education, Training and Employment involved in the provision of family day care; and
- (f) persons involved in the provision of occasional care services; and
- (g) persons involved in the provision of Out of School Hours and Vacation Care services; and
- (h) persons involved with child parent centres, pre-schools provided by non-government schools, and any other children's services not specified in the preceding paragraphs.

(2) An election under this regulation is to be conducted by means of a postal ballot or at a meeting of a particular group of persons at a time and place determined by the returning officer.

CITY OF MITCHAM

Roads (Opening and Closing) Act 1991

NOTICE is hereby given that in accordance with section 10 of the Roads (Opening and Closing) Act 1991, notice is hereby given that the City of Mitcham proposes to make a Road Process Order to close the following road in the Hundred of Adelaide, being the whole of Narlene Avenue, Pasadena situate dividing allotment 14 from allotment 15 in Filed Plan 12988 and marked 'A', 'B' and 'C' on Preliminary Plan No. PP32/0681.

It is proposed that the portion of road to be closed marked 'A' be sold by auction or tender. It is also proposed that the piece marked 'B' be merged with said allotment 14 and the piece marked 'C' be merged with said allotment 15 in Filed Plan 12988.

A preliminary plan of the proposal, and a statement are available for public inspection at the Mitcham Council Office, 131 Belair Road, Torrens Park, between the hours of 9 a.m. and 5 p.m. Monday to Friday or at the Adelaide office of the Surveyor-General during normal office hours.

Any person may object to the proposal (and any adjoining landowner or other person substantially affected by the proposed road closure may apply for an easement relative to the closure). Such objection (or application for an easement) must be made in writing to the City of Mitcham within 28 days of the date of this notice. If a submission is made, the City of Mitcham is required to give notice of the time and place at which a meeting will be held to consider the matter, so that the person making the submission (or a representative) may attend to support the submission, if desired. Any submission must set out the full name and address of the person making the submission, and must be fully supported by reasons (and any application for the grant of an easement must give full particulars of the nature and location of the easement and, where made by a person as the owner of adjoining or nearby land, specify the land to which the easement is to be annexed). A copy of the submission must be forwarded to the Surveyor-General at Adelaide.

Dated 30 August 2001.

CITY OF PLAYFORD

BY-LAW MADE UNDER THE DOG AND CAT MANAGEMENT ACT 1995

By-Law No. 4—Dogs

TO limit the number of dogs kept in premises, to set specifications for kennel establishments and to provide for the control of dogs on local government land.

Definitions

1. In this by-law:

- (1) 'small dwelling' means the premises of a self-contained dwelling either:
 - (a) commonly known as a flat, serviced flat, home unit or the like; or
 - (b) which is contained in a separate strata title or community title;
- (2) 'kennel establishment' means a building, structure, premises or area approved by the relevant authority pursuant to the Development Act 1993 for the keeping of dogs on a temporary or permanent basis.
- (3) 'permission' means the written permission of the council, unless the contrary intention is expressed.

Limit on dog numbers

2. (1) The limit on the number of dogs kept without permission shall be:

- (a) in a small dwelling, one dog; and
- (b) on premises other than a small dwelling shall be two dogs.

(2) Where female dog kept in circumstances not amounting to a breach of clause 2 (1) has a litter of young then that young may be kept on the same premises as the female parent until the young attain the age of three months.

Application for permission to exceed the limit on dog numbers

3. (1) A written application may be made to the council for permission to exceed the limit on the number of dogs to be kept on one premises. Such application must be in writing, setting out:

- (a) the reason(s) for wanting to keep more than the number of dogs specified in this by-law; and
- (b) what provisions will be made to ensure the premises are kept in a sanitary condition; and
- (c) what provisions will be made to ensure the dogs will not become a nuisance, whether by noise or in other ways; and
- (d) the details of compliance with the provisions of this by-law concerning kennel establishments where relevant.

(2) Such applications must be submitted with any fee determined to be paid by the council and set by the council from time to time.

Permit

4. (1) The council may attach such conditions and impose such fees in relation to a grant of permission as it thinks fit, and may vary or revoke such conditions or fees or impose new conditions or fees by notice in writing to the permit holder.

(2) Any permit holder shall comply with every such condition and pay such fees.

(3) The council may revoke such grant of permission at any time by notice in writing to the permit holder.

(4) The permit fee shall be the amount set by the council from time to time.

Kennel establishments

5. (1) No person shall, without the council's written permission, keep any dog on any premises where the number of dogs on those premises exceeds the limit specified in paragraph 2 of this by-law unless:

- (a) the council is satisfied that approval under the Development Act 1993 is not required; or
- (b) a kennel establishment is able to operate lawfully under the Development Act 1993;
- (c) the kennel complies with any specifications set by the council for kennel establishments in the area generally; and
- (d) any business involving the dogs is registered in accordance with the Dog and Cat Management Act 1995 pursuant to section 35.

Dog free areas

6. No person shall, in a place to which this paragraph applies cause, suffer or permit any dog (except guide dogs guiding a person who is wholly or partially blind, or wholly or partially deaf), under that person's control or authority to be or remain in that place.

Dogs on leashes

7. No person shall, in a place to which this paragraph applies, cause, suffer or permit any dog (except guide dogs guiding a person who is wholly or partially blind, or wholly or partially deaf), under that person's control, charge or authority to be or remain in that place unless such dog is restrained by a strong leash not exceeding two metres in length and either tethered securely to a fixed object or held by a person capable of controlling the dog and preventing it from being a nuisance or danger to other persons.

Dog exercise areas

8. (1) Any person may enter upon any part of local government land to which this paragraph applies for the purpose of exercising a dog under his or her control.

(2) Where a person enters upon such part of local government land for that purpose, he or she shall ensure that the dog or dogs under his or her control remain under effective control (within the meaning of the Dog and Cat Management Act 1995) while on that land.

(3) Signs shall be erected to denote land to which this paragraph applies, and information shall be provided to the public in a manner determined by the council's City Manager to inform the public about such land.

Application of paragraphs

9. Paragraphs 6, 7 and 8 of this by-law shall apply only in such portion or portions of the area as the council may by resolution direct (in accordance with section 246 of the Local Government Act 1999).

The foregoing by-law was duly made and passed at a meeting of the City of Playford held on 22 May 2001 by an absolute majority of the members for the time being constituting the council, there being at least two-thirds of the members present.

CITY OF PLAYFORD

BY-LAW MADE UNDER THE DOG AND CAT MANAGEMENT ACT 1995

By-Law No. 5—Cats

THE purpose of this by-law is to prevent the keeping of cats so as to be a nuisance or injurious to health.

Definitions

1. In this by-law:

- (a) 'identified cat' means a cat identified in the manner set out in part 3 (9) of the Regulations under the Dog and Cat Management Act 1995;
- (b) 'premises' means any aggregation of contiguous land (including any structures erected thereon) subject to the same occupation;
- (c) 'unidentified cat' means a cat that is not identified in the manner set out in part 3 (9) of the regulations under the Dog and Cat Management Act 1995;
- (d) a 'cat' means a cat over six weeks of age;
- (e) 'keep' includes the provision of food and shelter.

Cats not to be a nuisance

2. No person shall keep or allow to remain on any land of which he or she is the owner or occupier, any cat or cats so as to be a nuisance or injurious to health by reason of:

- (a) the noise or odour generated by the presence of the cat or cats;
- (b) the aggressive nature of the cat or cats; or
- (c) the cat or cats being allowed to wander from the land.

Limit on cat numbers

3. No person shall, without permission:

- (a) keep a cat of or over the age of three months unless the cat is an identified cat;
- (b) keep more than two cats on any premises.

Notice to remedy

4. (1) If the council is satisfied that any cat kept or allowed to remain on any premises is or is likely to become a nuisance or injurious to health, the council may by notice in writing require the owner or occupier of those premises, within the time stated in the notice, to take such measures as the council considers necessary to prevent the cat from being or continuing to be a nuisance or injurious to health.

(2) Any person to whom notice is given shall comply with the requirements of the notice.

(3) If any person to whom notice is given fails to comply with the requirements thereof, the council may carry out the requirements and recover the cost in so doing.

The foregoing by-law was duly made and passed at a meeting of the City of Playford held on 22 May 2001 by an absolute majority of the members for the time being constituting the council, there being at least two-thirds of the members present.

LIGHT REGIONAL COUNCIL

BY-LAW MADE UNDER THE LOCAL GOVERNMENT ACT 1999

By-law No. 1—Permits and Penalties

TO provide for a permit system and penalties in council by-laws, to clarify the construction of such by-laws and to repeal by-laws.

A. All previous by-laws made by council prior to the date this by-law is made, are hereby repealed.

Permits

1. (1) In any by-law of the council unless the contrary intention is clearly indicated the word 'permission' means the permission of the council given in writing.

(2) The council may attach such conditions to a grant of permission as it thinks fit and may vary or revoke such conditions or impose new conditions by notice in writing to the permit holder.

(3) Any permit holder shall comply with every such condition.

(4) The council may revoke such grant of permission at any time by notice in writing to the permit holder.

Penalties

2. Any person who commits a breach of any by-law of the council shall be guilty of an offence and, in addition to any other penalty that may be imposed, shall be liable to a further penalty for every day on which the offence is continued, such penalty being the maximum amount referred to in the Local Government Act 1934, as amended, and/or the Local Government Act 1999, section 246 (3) (g), which may be prescribed by the by-law for offences.

Construction

3. Every by-law of the council shall be subject to any Act of Parliament and Regulations made thereunder.

The foregoing by-law was duly made and passed at a meeting of the Light Regional Council held on 21 August 2001, by an absolute majority of the members for the time being constituting the council, there being at least two-thirds of the members present.

P. J. BEARE, Chief Executive Officer

LIGHT REGIONAL COUNCIL

BY-LAW MADE UNDER THE LOCAL GOVERNMENT ACT 1999

By-law No. 2—Moveable Signs

TO set standards for moveable signs on streets and roads and to provide conditions for and the placement of such signs.

Definitions

1. In this by-law:

- (1) 'footpath area' means that part of a street or road between the boundary of the street or road and the edge of the carriageway on the same side as that boundary;

- (2) 'moveable sign' has the same meaning as in the Local Government Act 1999;
- (3) 'authorised person' as defined in the Local Government Act 1999.

Construction

2. A moveable sign displayed on a public street or road:

- (1) shall be of the kind known as an 'A' Frame or Sandwich Board sign, an 'inverted "T"' sign, or a flat sign;
- (2) (a) shall be constructed and maintained in good quality and condition;
- (b) shall be of strong construction with no sharp or jagged edges or corners;
- (c) shall not be unsightly or offensive in appearance;
- (3) shall:
- (a) be constructed of timber, metal, plastic or plastic coated cardboard, or a mixture of such materials;
- (b) not exceed 1 200 mm in height, 800 mm in width or 800 mm in depth;
- (c) not have a display area on any side exceeding 1 m²;
- (4) shall not be likely to fall over or collapse;
- (5) in the case of an 'A' Frame or Sandwich Board sign:
- (a) shall be hinged or joined at the top;
- (b) shall be of such construction that its sides shall be securely fixed or locked in position when erected;
- (6) in the case of an 'inverted "T"' sign, shall contain no struts or members that run between the display area and the base of the sign.

Position

3. A moveable sign shall not be positioned on a public street or road:

- (1) unless it rests on the surface of the footpath area but no closer to the carriageway than 400 mm;
- (2) on a footpath area that is of less width than 2.1 m;
- (3) on a footpath area attached to or within 1.2 m of any other structure, fixed object, tree, bush or plant (excepting a building adjacent to the footpath area);
- (4) within 1 m of an entrance to premises adjacent thereto;
- (5) on the sealed part of any footpath area, if there is any unsealed part of that area on which the sign can be placed in accordance with this by-law; or
- (6) on or attached to a vehicle or object, tree, bush or plant.

Restrictions

4. A moveable sign shall not be placed on a public street or road:

- (1) (a) unless it only displays material which advertises a business being conducted on premises which are adjacent to the sign, or the products available from that business;
- (b) if another moveable sign which relates to the same business is already displayed on the street or road;
- (c) unless the business to which it relates is open;
- (2) in a wind, if it is likely to be blown over or swept away;
- (3) in such a position or in circumstances that the safety of any user of the street or road is at risk;
- (4) during the hours of darkness unless it is clearly lit.

Appearance

5. A moveable sign displayed on a public street or road shall:

- (1) be painted or otherwise detailed in a competent and professional manner;
- (2) be attractive, legible and simply worded to convey a precise message;

- (3) be of such design and contain such colours which are compatible with the architectural design of the premises adjacent to the sign, and which relate well to the overall amenity of the locality in which it is situated;
- (4) contain combinations of colour and typographical styles which blend in with and reinforce the heritage qualities of the locality and the buildings where it is situated;
- (5) not rotate, contain a flashing light, or have balloons, flags, streamers or other things attached to it.

The foregoing by-law was duly made and passed at a meeting of the Light Regional Council held on 21 August 2001, by an absolute majority of the members for the time being constituting the council, there being at least two-thirds of the members present.

Restricted Lands

4. No person shall enter or remain on any part of local government land except a public street or road:

- (1) at any time during which the council has by resolution declared that part to be closed to the public, and which is indicated by sign adjacent to the entrance to the part; or
- (2) where the land is enclosed with fences and/or walls, and gates, at any time when the gates have been closed and locked; or
- (3) at any time when the council has fixed a fee for entry to that part, without payment of the fee, or otherwise without permission.

Removal of Animals and Persons

5. (1) If any animal is found on part of council land in breach of a by-law:

- (a) any person in charge of the animal shall forthwith remove it from that part on the request of an authorised person; and
- (b) any authorised person may remove it therefrom if the person fails to comply with the request, or if no person is in charge of the animal.

- (2) Any authorised person may remove any person from local government land who is found committing a breach of a by-law.

Application

Any of paragraphs 2 (9) (b), 2 (10), 2 (11), 2 (12) (a), 2 (13), 2 (18) or 3 (1) of this by-law shall apply only in such portion or portions of the area as the council may by resolution direct (in accordance with section 246 (3) (e) of the Local Government Act 1999).

The foregoing by-law was duly made and passed at a meeting of the Light Regional Council held on 21 August 2001, by an absolute majority of the members for the time being constituting the council, there being at least two-thirds of the members present.

P. J. BEARE, Chief Executive Officer

LIGHT REGIONAL COUNCIL

BY-LAW MADE UNDER THE DOG AND CAT MANAGEMENT ACT 1995 AND THE LOCAL GOVERNMENT ACT 1999

By-law No. 5—Dogs

FOR the control of dogs, within an area, to limit the number of dogs kept in premises and require dogs to be effectively secured.

Definitions

1. In this by-law:

- (1) 'dog' means a canine of the age of three months or older;
- (2) 'small dwelling' means the premises of a self-contained dwelling either:
 - (a) commonly known as a flat, service flat, home unit or the like; or
 - (b) which is contained in a separate strata title;
- (3) 'approved kennel establishment' means a building, structure or area approved by the relevant authority, pursuant to the Development Act 1993, for the keeping of dogs on a temporary or permanent basis.

Limit on Number of Dogs

2. (1) The limit on the number of dogs kept shall be:

- (a) in a small dwelling, one dog; and
- (b) in premises other than a small dwelling, two dogs.

(2) No person shall, without obtaining the written permission of the council, keep any dog on any premises where the number of dogs on those premises exceeds the limit unless the premises are an approved kennel establishment.

Dog free areas

3. No person shall in a public place to which this paragraph applies cause, suffer or permit any dog under that person's control, charge or authority to be in, or remain in that place.

Dogs on leash areas

4. No person shall in a public place to which this paragraph applies, cause, suffer or permit any dog under that person's control, charge or authority to be or remain in that public place unless such dog is secured by a strong leash not exceeding 2m in length and either tethered securely to a fixed object or held by a person capable of controlling the dog and preventing it from being a nuisance or a danger to other persons.

Dog exercise areas

5. (1) Any person may enter upon any public place to which this paragraph applies for the purpose of exercising a dog under his or her control.

(2) Where a person enters upon any such public place for that purpose, he or she shall ensure that the dog or dogs are under his or her control and remain under control (within the meaning of the Dog and Cat Management Act 1995) while on that land.

(3) Signs shall be erected to denote the public places to which this paragraph applies, and information shall be provided in a manner determined by the Chief Executive Officer of the Council to inform the public about such land.

Application of paragraphs

6. Any of paragraphs 3, 4, and 5 (1) of this by-law shall apply only in such portion or portions of a public place as the council may by resolution direct (in accordance with section 246 (3) (e) of the Local Government Act 1999).

The foregoing by-law was duly made and passed at a meeting of the Light Regional Council held on 21 August 2001, by an absolute majority of the members for the time being constituting the council, there being at least two-thirds of the members present.
