#### FISHERIES ACT 1982: SECTION 59

TAKE notice that pursuant to section 59 of the Fisheries Act 1982, Ian M. Fuller, c/o P.O. Box 199, Glenelg, S.A. 5045 (or its registered masters) holder of Western Zone Abalone Fishery Licence No. W18, issued pursuant to the Scheme of Management (Abalone Fisheries) Regulations 1991 (hereinafter referred to as the 'exemption holder'), is exempted from the provisions of Clause 60 of Schedule 1 of the Fisheries (General) Regulations 2000, in that the exemption holder shall not be guilty of an offence when taking Roe's abalone (*Haliotis roei*) which is undersize, from those waters defined as the Western Zone in the Scheme of Management (Abalone Fisheries) Regulations 1991 (hereinafter referred to as the 'exempted activity') subject to the

conditions specified in Schedule 1 from the date of gazettal of this notice until 20 December 2002, unless varied or revoked earlier.

#### SCHEDULE 1

1. Whilst engaged in the exempted activity, the exemption holder may only take *Haliotis roei* provided that it is not less than 75 mm in length at its greatest dimension. All abalone must be landed in the shell.

2. On any day the exemption holder engages in the exempted activity only abalone of the species (*Haliotis roei*) may be taken.

3. No more than one registered master may engage in the exempted activity on any one day.

4. The exemption holder may conduct the exempted activity in more than one area as defined in Schedule 2 on any one day, provided that a separate notification pursuant to condition 5 below has been made for each area prior to conducting any fishing activity in that area.

5. The exemption holder must notify the PIRSA Fisheries Compliance Unit on 1800 065 522 prior to engaging in the exempted activity with the following information:

- (a) the name of the person making the call and the Western Zone Abalone Fishery Licence Number;
- (b) the name of the registered master who will be conducting the exempted activity on that day;
- (c) the date on which the exempted activity will take place;
- (d) the port of departure;
- (e) the designated area from Schedule 2 which is to be fished; and
- (f) where the exemption holder is nominating to fish in an additional designated area from the previous nominated designated area on any one day, the exemption holder must wait at least 30 minutes prior to leaving the point from where the nomination was made.

6. Upon completion of the days fishing activities the exemption holder shall complete the Daily Research Data Logsheet provided including the following information:

- Drop number;
- Fishing location (each dive entry location using GPS marks in decimal minutes including seconds);
- Time underwater;
- Swell;
- Number of *H. Roei*;
- Tag number; and
- CDR number.

The completed Daily Research Data Logsheets must be posted or delivered to the Chief Scientist, South Australian Research and Development Institute within seven days of the completion of the day's fishing activities to which it relates.

7. Upon completion of the dive at each site and before landing, the exemption holder shall place the abalone in or with the bag supplied and complete the information on the tag provided including the date and CDR number. The catch is to be bagged or stored separately for each dive location and the tag included with the catch. If more than one bag is taken in one dive location, the tag numbers are to be recorded in the row beneath the original on the Daily Research Data Logsheet provided.

The total number of bags for that day and the numbers of the tags placed on each bag shall be included on the CDR 1. The CDR 1 must be completed within 50 m of landing and the white and yellow copies of the CDR 1 must accompany the abalone to the fish processing premises.

8. The exemption holder must make a record in writing immediately at the conclusion of a fishing trip and before the abalone are consigned to a registered fish processor setting out details of the abalone taken during that fishing trip. This record must be completed within 50 m of the point of landing of the catch; and before the catch is consigned to a nominated processor and/or taken onto processor premises where such premises are within 50 m of the point of landing; or at the end of each day of fishing where the catch is not landed on that day. The details of such record shall be recorded on and be such as are sufficient to complete in triplicate a CDR 1 form.

9. All *Haliotis roei* taken pursuant to this notice shall be delivered to one of the registered fish processors detailed in Schedule 3 for weighing, within 48 hours of landing, within the State of South Australia.

10. The exemption holder shall not, during the period of this notice, take a combined quantity of *Haliotis roei* which exceeds 800 kg wholeweight.

11. The amount of *Haliotis roei* allocated pursuant to this notice is non-transferable.

12. The exemption holder shall not intentionally induce weight loss of abalone by any means.

13. The exemption holder whilst engaged in the exempted activity must conduct such activity from a boat registered pursuant to Western Zone Abalone Fishery Licence No. W18.

14. The exemption holder shall not contravene or fail to comply with the Fisheries Act 1982, or any other regulations made under that Act except where specifically exempted by this notice.

15. Whilst engaged in the exempted activity the exemption holder must have in his possession a copy of this notice and produce a copy of the notice if required by a PIRSA Fisheries Compliance Officer.

4. On any day the exemption holder engages in the exempted activity only abalone of the species (*Haliotis roei*) may be taken.

5. No more than one registered master may engage in the exempted activity on any one day.

6. The exemption holder may conduct the exempted activity in more than one area as defined in Schedule 2 on any one day, as directed by an officer of the South Australian Research and Development Institute, provided that a separate notification pursuant to condition 6 below has been made for each area prior to conducting any fishing activity in that area.

7. The exemption holder must notify the PIRSA Fisheries Compliance Unit on 1800 065 522 prior to engaging in the exempted activity with the following information:

- the name of the person making the call and the Western Zone Abalone Fishery Licence Number;
- the name of the registered master who will be conducting the exempted activity on that day;
- the date on which the exempted activity will take place;
- the port of departure;
- the designated area from Schedule 2 which is to be fished; and
- where the exemption holder is nominating to fish in an additional designated area from the previous nominated designated area on any one day, the exemption holder must wait at least 30 minutes prior to leaving the point from where the nomination was made.

8. Upon completion of the day's fishing activities the exemption holder shall complete the Daily Research Data Logsheet provided including the following information:

- Drop number;
- Fishing location (each dive entry location using GPS marks in decimal minutes including seconds);

- Time underwater;
- Swell;
- Number of *H. Roei*;
- Tag number; and
- CDR number.

The completed Daily Research Data Logsheets must be posted or delivered to the Chief Scientist, South Australian Research and Development Institute within seven days of the completion of the day's fishing activities to which it relates.

9. Upon completion of the dive at each site and before landing, the exemption holder shall place the abalone in or with the bag supplied and complete the information on the tag provided including the date and CDR number. The catch is to be bagged or stored separately for each dive location and the tag included with the catch. If more than one bag is taken in one dive location, the tag numbers are to be recorded in the row beneath the original on the Daily Research Data Logsheets provided.

The total number of bags for that day and the numbers of the tags placed on each bag shall be included on the CDR 1. The CDR 1 must be completed within 50 m of landing and the white and yellow copies of the CDR 1 must accompany the abalone to the fish processing premises.

10. The exemption holder must make a record in writing immediately at the conclusion of a fishing trip and before the abalone are consigned to a registered fish processor setting out details of the abalone taken during that fishing trip. This record must be completed within 50 m of the point of landing of the catch and before the catch is consigned to a nominated processor and/or taken onto processor premises where such premises are within 50 m of the point of landing or at the end of each day of fishing where the catch is not landed on that day. The details of such record shall be recorded on and be such as are sufficient to complete in triplicate a CDR 1 form.

11. All *Haliotis roei* taken pursuant to this notice shall be delivered to one of the registered fish processors detailed in Schedule 3 for weighing, within 48 hours of landing, within the State of South Australia.

12. The amount of *Haliotis roei* allocated pursuant to this notice is non-transferable.

13. The exemption holder shall not intentionally induce weight loss of abalone by any means.

14. The exemption holder whilst engaged in the exempted activity must conduct such activity from a boat registered pursuant to Western Zone Abalone Fishery Licence No. W15.

15. The exemption holder shall not contravene or fail to comply with the Fisheries Act 1982, or any other regulations made under that Act except where specifically exempted by this notice.

16. Whilst engaged in the exempted activity the exemption holder must have in his possession a copy of this notice and produce a copy of the notice if required by a PIRSA Fisheries Compliance Officer.
