Where it is proper to deliver more than one brief, and in respect of appeal books after the first, an additional amount of one half of the amount allowable under this item for the first copy of the brief or appeal book for each additional brief or appeal book will be allowed.	
Where a brief or appeal book exceeds 300 pages, the pages in excess of 300 pages may be treated as a separate brief of appeal book.	
21. Care and consideration in the preparation of a brief to be an amount in the discretion of the taxing Master but in cases where oral evidence is to be called on disputed matters or where there is to be substantial argument on legal matters	82.00
22. Preparation of short form bill of costs, per A4 page	63.00
23. Drawing and the engrossment of the original, and of the solicitor's own copy of:	
(a) a proof of a witness for a brief, where it is not necessary substantially to recast any notes made of the statement of the witness or to collate any number of previous statements	
(b) indices (where not otherwise provided)	
(c) formal lists	
(d) copies of extracts from other documents, per A4 page	31.00

**NOTES**

- A.** The amount allowed for each of the above items is to be at the discretion of the taxing officer, who shall be at liberty in the particular circumstances of the matter to disallow any item entirely or to allow a greater or lesser amount for any item AND PROVIDED THAT a greater amount may be allowed where the matter is of importance or difficulty.
- B.** Each bill of costs (other than a short form bill of costs) must show:
- (1) the time spent on any attendance;
  - (2) the number of A4 pages (or the equivalent thereof) contained in any document for which a charge is made;
  - (3) the name of any solicitor and the status of any clerk in respect of whom any attendance is charged;
  - (4) a separate identifying number for each item and the date thereof;
  - (5) the items of work and disbursements in chronological order.
- C.** Where the time for any attendance is only a portion of an hour, such amount may be allowed in accordance with the scale as the proportion of the hour bears to the amount allowed for the whole of an hour.
- D.** Where in this schedule fees (other than for photocopying, printing, electronically scanning, or sending and receiving by facsimile transmission) are set by reference to an A4 page, such fees are fixed (except in the case of correspondence) on the basis that the typed or printed content of each page consists of 30 lines of 12 size print with margins approximately the minimum referred to in R 102.02 (b). Where correspondence is concerned, the fee is fixed on the basis that the typed content of each page consists of 45 lines in 12 size print with margins approximately the minimum referred to in R 102.02 (b). The fee allowable may be adjusted by the taxing officer depending on whether the document in question exceeds or falls short of those standards.
- Where the contents of a document (or page thereof) are less than one A4 page in length the fee allowed is therefore to be at the discretion of the taxing officer.
- E.** Where a document is prepared on other than A4 paper the amounts to be allowed under items 1, 2, 3 and 15 may be increased or decreased in the discretion of the taxing officer.
- F.** Only the amount of disbursements actually paid or payable are to be shown in the bill as disbursements. Where a disbursement is yet to be paid, this must be specially stated.
- G.** For drawing of any bill of costs (not including a short form bill of costs) the taxing officer may allow an additional 50 per cent on all drawing fees.
- H.** Such allowance for kilometreage by motor vehicle or other conveyance will be made as the taxing officer shall consider reasonable.

- I.** Where the Court orders a party, or a party or person is otherwise required, to tax costs both as between party and party and solicitor and client, Form 36 of the Supreme Court Rules shall be modified by the applicant so as to provide for the inclusion of both party and party and solicitor and client costs and the respondent's respective responses thereto.
- J.** The maximum rate for perusal is appropriate for documents such as pleadings, particulars, advices and opinions and for the more complicated medical and expert reports. A middle range figure will be appropriate for standard expert reports, lists of documents and medical reports. The lower rate will apply to appearances, ordinary correspondence, special damages, vouchers and the like. In cases where a large volume of documents is required to be perused, an hourly rate may be allowed by the taxing officer in lieu of a perusal fee.
- K.** When an instructing solicitor is in Court the lower attendance rate should be allowed if the solicitor is merely assisting counsel by being present, but the higher rate should be allowed if the solicitor is more actively involved, e.g. by proofing witnesses, preparing indices, etc.
- L.** Where a substantial number of sheets are or should be photocopied at the same time, in respect of multiple copies of the same document for each sheet after the first regard may be had to commercial photocopying rates.
- M.** The costs allowed in scale do not include the Goods and Services Tax (GST) which is to be added except in the following circumstances:
- The GST should not be included in a claim for costs in a party/party Bill of Costs if the receiving party is able to recover the GST as an input tax credit. Where the receiving party is able to obtain an input tax credit for a proportion of GST only, only the portion which is not eligible for credit should be claimed in the party/party bill.
- Where there is a dispute as to whether the GST is properly claimed in the party/party Bill of Costs, the receiving party must provide a certificate signed by the solicitors or the auditors of the receiving party as to the extent of any input tax credit available to the receiving party.

Given under our hands and the Seal of the Supreme Court of South Australia this 27<sup>th</sup> day of June 2005.

### **16—Requirements for accreditation**

For the purposes of sections 15(1)(c) of the Act, an applicant for accreditation must satisfy the Authority that the applicant has the capacity, or has made or proposes to make appropriate arrangements, to satisfy the requirements of the Act and these regulations applicable to the activities to be accredited.

### **17—Approved food safety arrangement**

- (1) An accredited producer must ensure that the activities under the accreditation are carried on in compliance with the Dairy Industry Food Safety Code.
- (2) The Authority may, on application, exempt an accredited producer from compliance with specified provisions of the Dairy Industry Food Safety Code if satisfied that satisfactory alternative arrangements have been made by the producer or in order to allow the producer a specified period within which to comply.

## **Part 5—Periodic fees and returns**

### **19—Periodic fees and returns under section 17**

This Part is made for the purposes of section 17 of the Act.

### **20—Determination of monthly rate and annual fee**

- (1) The Authority must, for the purposes of calculating periodic fees under this Part, determine—
  - (a) the monthly rate for—
    - (i) dairy farmers who sell milk to large scale dairy manufacturers; and
    - (ii) large scale dairy manufacturers; and

- (b) the annual fee for each financial year for various classes of producers (which may vary between class of producers).
- (2) Subject to subregulation (3), in determining the monthly rates, the Authority must have regard only to the Authority's estimate of the costs associated with accrediting producers of that class and enforcing their compliance with the dairy industry food safety scheme.
- (3) In determining the monthly rates and the annual fees, the Authority must disregard costs incurred by the Authority associated with auditing of approved food safety arrangements conducted by or on behalf of the Authority.

## **21—Notice of monthly rate and annual fee**

- (1) The Authority must give written notice of the relevant monthly rate and at least 1 month's advance written notice of a change in that rate to each accredited producer of the following classes:
  - (a) dairy farmers who sell milk to large scale dairy manufacturers;
  - (b) large scale dairy manufacturers.
- (2) The Authority must give each accredited producer written notice of the relevant annual fee for a financial year at least 1 month before the commencement of the financial year (except in the case of the annual fee for the first financial year following commencement of these regulations, in which case, the notice must be given before or as soon as practicable after that commencement).

## **22—Monthly fee and return—large scale dairy manufacturers**

- (1) An accredited producer carrying on business as a large scale dairy manufacturer must, within 14 days after the commencement of each month—
  - (a) pay a monthly fee that consists of—
    - (i) an amount calculated by multiplying the relevant monthly rate by the number of litres or kilograms of dairy produce manufactured or packed by the producer during the last month but 1 before the commencement of the current month (the *relevant month*); and
    - (ii) one twelfth of the relevant annual fee for the current financial year; and
  - (b) pay, on behalf of each accredited producer carrying on business as a dairy farmer who sells milk to the manufacturer, a monthly fee that consists of—
    - (i) an amount calculated by multiplying the relevant monthly rate by the number of litres of milk sold by each such producer to the manufacturer during the relevant month; and
    - (ii) one twelfth of the relevant annual fee for the current financial year; and
  - (c) lodge a return for the relevant month.
- (2) If an accredited producer has not carried on business under the accreditation during the relevant month or part of the relevant month, the monthly fee is to be calculated according to the Authority's reasonable assumptions as to what would have been the producer's level of activity had the producer carried on the business during the whole of that relevant month.

**23—Annual fee and return—all other producers**

- (1) This regulation applies to accredited producers of the following classes:
  - (a) dairy farmers who sell milk to dairy manufacturers other than large scale dairy manufacturers;
  - (b) dairy manufacturers other than large scale dairy manufacturers;
  - (c) dairy distributors;
  - (d) dairy produce carriers.

- (3) The penalty for default in paying an annual fee or lodging an annual return is \$180.

**24—Annual fee payable by producer accredited for multiple classes of activities**

An accredited producer is liable to pay only 1 annual fee for each financial year (and consequently, if the annual fee is paid by or on behalf of the producer in a particular capacity, no further annual fee is payable by or on behalf of the producer in any other capacity).

**25—Fee payable before grant of accreditation**

Before a producer of a particular class is granted accreditation, the producer must pay a fee of an amount calculated by multiplying—

- (a) the periodic fee that would have been payable by or on behalf of the producer had the producer been an accredited producer of that class at the last date for payment of the periodic fee by producers of that class; and
- (b) the following proportion:
  - (i) if the periodic fee is a monthly fee—the proportion that the number of whole days between the grant of accreditation and the first day of the next month bears to the total number of days in the month during which accreditation is granted;
  - (ii) if the periodic fee is an annual fee—the proportion that the number of whole months between the grant of accreditation and the next 30 June bears to 12 months.

**26—Authority may require information**

An accredited producer must comply with a written notice given to the producer by the Authority requiring information to enable the Authority to determine the level of activity of the producer.

Maximum penalty: \$5 000.

Expiation fee: \$315.

**27—Transitional provision**

The periodic fee payable on the first occasion after the commencement of these regulations by a person who holds or has held a temporary accreditation under Schedule 1 Part 4 of the Act will be reduced by the amount, if any, of the periodic licence fee paid by the person under the *Dairy Industry Act 1992* attributable to the portion of the term of the licence that was unexpired at that commencement.

**Schedule 1—Application fees**

1	Application for accreditation	\$100
2	Application for variation of accreditation	\$100
3	Application for exemption from compliance with Dairy Industry Food Safety Code	\$100
