Preamble

For the purposes of section 35 of the Development Act 1993, the development of new dwellings that are located within areas determined by the Minister and that meet the requirements of Clause 2B of Schedule 4 of the Development Regulations will be complying development.

The Minister has decided to extend the areas within which the new dwelling complying development provisions apply and to produce Residential Code Maps showing the areas to which Clause 2B of Schedule 4 applies.

In order to give effect to this determination the Minister has in a separate gazette notice published contemporaneously with this one revoked all previous determinations and determined new areas to which the new dwelling complying development provisions apply.

By this notice the Minister has decided to include additional areas to which Clause 2B, Schedule 4 now applies within the new determination.
