CITY OF MARION

DEVELOPMENT ACT 1993

Better Development Plan (BDP) and General Development Plan Amendment—Draft for Public Consultation

NOTICE is hereby given that the City of Marion has prepared a draft Development Plan Amendment (DPA) to amend the existing City of Marion Development Plan.

The DPA converts existing Development Plan policy by adopting the relevant planning policy modules, structure and format of the Better Development Plan (BDP) project promoted by Planning SA. The DPA will, as a result, be easier to navigate and comprehend and thereby help improve the clarity and understanding of Development Plan policy. The DPA also deals with a few zoning changes, principally:

Council has resolved that Grand Central Reserve at Hallett Cove be rezoned from Residential (Foothills) to Coastal Open Space, which would provide greater protection to the land from being developed for other uses such as residential.

Council intends to introduce wetlands as a form of development appropriate for the residential policy area covering the Driver Training Centre—Oaklands Park.

The property located on the north-western corner of the intersection of Sturt and Marion Roads which is currently zoned Residential, is seen as a key landmark/entrance site for the City of Marion which may suit a building of larger scale and substantial architectural merit. The location has proved to be an unattractive proposition for residential land uses and during the investigation process for this DPA Council has considered that a commercial land use and a zone of Commercial (Sturt/Marion Road Corner Policy Area) may be an appropriate option for the site.

The draft Development Plan Amendment and Investigations will be available for public inspection and purchase during normal office hours at the City of Marion Council Offices, 245 Sturt Road, Sturt and is available on Council's website at www.marion.sa.gov.au from Wednesday, 9 September 2009 until 5 p.m. on Wednesday, 11 November 2009. A copy of the Development Plan Amendment can be downloaded free from the website, a hard copy purchased on request from Council for \$70 (full colour) or a CD-ROM copy purchased for \$5.

Written submissions regarding the draft amendment will be accepted by the City of Marion until 5 p.m. on 11 November 2009. All submissions should be addressed to the Chief Executive Officer, City of Marion, P.O. Box 21, Oaklands Park, S.A. 5046. The written submission should clearly indicate whether you will wish to speak at the public hearing on your submission.

Copies of all written submissions received will be available for inspection by interested persons at Council's offices from 14 November 2009 until the date of the public hearing. A public hearing may be held if required at the Living Kaurna Cultural Centre, Laffer Drive (off Sturt Road), Bedford Park on 8 December 2009 commencing at 7 p.m.

The public hearing may not be held if no submission indicates an interest in speaking at the public hearing.

Dated 9 September 2009.
