ADVICE TO NOTICE RECIPIENT

CATEGORY 2 OR 3 OFFENCE OR REFUSE/FAIL TO COMPLY (Alcohol or Drug) – Section 47IAA of the Road Traffic Act 1961	
Review of Licence Suspension / Disqualification - Road Traffic Act 1961, Section 47IAB	
(1)	A person who has been given a notice of immediate licence disqualification or suspension under section 47IAA or who has been sent particulars of such a notice by the Registrar of Motor Vehicles may apply to the Magistrates Court for an order—
(a)	that the person is not disqualified, or the person's driver's licence is not suspended, by the notice; or
(b)	reducing the period of disqualification or suspension applicable under the notice.
(2)	The Magistrates Court may, on an application under subsection (1), make an order—
(a)	that the person is not disqualified, or the person's driver's licence is not suspended, by the notice if—
(i)	the Court is satisfied, on the basis of oral evidence given on oath by the applicant that there is a reasonable prospect that the applicant would, in proceedings for the offence to which the notice relates, be acquitted of the offence and the evidence before the Court does not suggest that the applicant may be guilty of another offence to which section 47IAA applies; or
(ii)	the Court is satisfied that the person has not been charged with any offence to which section 47IAA applies and that the prosecution authorities have had a reasonable time, in the circumstances, within which to make a determination as to the laying of charges against the person; or
(b)	reducing the period of disqualification or suspension applicable under the notice if—
(i)	the offence to which the notice relates is a category 2 or category 3 offence that is a first offence and the Court is satisfied, on the basis of oral evidence given on oath by the applicant, that there is a reasonable prospect that the applicant would, in proceedings for the offence to which the notice relates, successfully argue that the offence was trifling (in which case the Court must order that the period of disqualification or suspension be reduced to a period of 1 month); or
(ii)	the offence to which the notice relates is a category 3 offence and the Court is satisfied, on the basis of oral evidence given on oath by the applicant, that there is a reasonable prospect that the applicant would, in proceedings for the offence to which the notice relates, be acquitted of the offence but the evidence before the Court suggests that the applicant may be guilty of a category 2 offence (in which case the Court must order that the period be reduced to a period of 6 months).
(3)	The application must be commenced by lodging written application with the Magistrates Court, in the form prescribed by rules of the Court, setting out the grounds on which the application is made and particulars of the evidence that will be relied on by the applicant.
(4)	The Commissioner of Police—
(a)	must be served, by an applicant for an order under this section, with a copy of the application as soon as practicable after the application is made; and
(b)	is a party to the application; and
(c)	may (but is not required to) appear at the hearing represented by legal counsel or a police officer.
