DEVELOPMENT ACT 1993: SECTION 48 (8)

*Decision by the Presiding Member Development Assessment
Commission under Delegation from the Governor*

Preamble

1. On 5 June 2003, a major development declaration was made for the subdivision and development of land at Buckland Park near Virginia, north of Adelaide. The Minister for Urban Development and Planning gave notice in the *Government Gazette* that he was of the opinion that it was appropriate for the proper assessment of the development of major environmental, social or economic importance that section 46 of the Development Act 1993, applied to any development of a kind listed in Schedule 1 of that notice in parts of the State listed in Schedule 2 of that notice.

2. On 4 January 2007, the earlier declaration from 5 June 2003, was varied to amongst other things, expand the major development declaration.

3. The declaration was subsequently varied again by notice in the *Government Gazette* on 12 June 2008, to include some extra land parcels within the major development declaration.

4. A proposal from Walker Corporation Pty Ltd (hereafter 'the proponent') to develop a substantial staged residential and commercial development at Buckland Park, was the subject of a development application lodged in May 2007, ('the major development').

5. The major development has been the subject of an Environmental Impact Statement (EIS) and has been assessed in accordance with section 46 and section 46B of the Development Act 1993. On 4 February 2010, provisional development authorisation with Reserved Matters was granted for the following components:

- Land Division, creating eight super lots which include the five residential Land Division stages, employment lands, recreation/water management and transport infrastructure areas shown in Plans 19000p01-r3, r5 and r6, 5 November 2009, (Fyfe Engineers Surveyors).
- Stage 1 Land Division (Super Lot 1 under the Land Division application) which will comprise 614 residential allotments, a school site, display centre and shopping /community centre over 62.23 hectares.
- Proposed partial closure of Legoe Road under Part 7A (section 34C (2) (a) (ii)) of the Roads (Opening and Closing) Act 1991, (to take effect on a day to be fixed by subsequent order of the Governor or Planning Minister published in the *Gazette*).

- Construction of a Neighbourhood Centre as set out in the detailed drawings.
- Construction of a Display Village as detailed by the proponent.
- Future stages of the development (2-5) which will be determined when detailed Land Division applications are lodged.

6. The proponents requested modifications to the decision notice provided on 4 February 2010, to allow more practicality in implementing the proposal and satisfying the Reserved Matters and Conditions of Approval. The Minister for Urban Development and Planning approved these amendments on 21 October 2010.

7. The proponents 'Walker Corporation Pty Ltd' have provided a series of letters to the Department of Planning and Local Government which satisfy (approximately half) of the existing Reserved Matters attached to the provisional development authorisation provided by the Governor on 21 October 2010. These letters relating to Reserved Matters are:

- Employment of a Community Worker (Reserved Matter d (4)) (letter dated 8 November 2010).
- Provision of power through an electricity provider (Reserved Matter d (9)) (letter dated 8 November 2010).
- Negotiation with DECS/Virginia Primary School on need for additional demountable class rooms (Reserved Matter d (11)) (letter dated 10 November 2010).
- Liaison with City of Playford in relation to provision of library services to Buckland Park (Reserved Matter d (6)) (letter dated 2 December 2010).

8. The proponent will complete the Reserved Matters within 12 months or by 31 October 2011, with a further two years to 31 October 2013, for the construction of the intersection with Port Wakefield Road which marks 'substantial commencement'.

9. I am satisfied on behalf of the Governor as delegated that an appropriate EIS and Assessment Report have been prepared in relation to the major development, in accordance with sections 46 and 46B, Division 2 of Part 4 of the Development Act 1993 and have had regard when considering the major development, to all relevant matters under section 48 (5) of the Development Act 1993.

10. I as Presiding Member of the Development Assessment Commission, on behalf of the Governor as delegated, have decided to grant this provisional development authorisation to specified components of the major development under section 48 (6) of the Development Act 1993, whilst reserving the decision on specific matters until further assessment of the major development.

11. On 23 December 2010, a Development Plan Amendment (DPA) was authorised by the Minister for Urban Development and Planning which provides policy guidance for the residential, commercial and other uses of Buckland Park as expressed in the approved Master Plan for the site.

12. Pursuant to section 48 (8) of the Development Act 1993, a delegation to me as the Minister was provided by the Governor in a *Gazette* notice on 4 February 2010. The delegation permitted me to have:

- (a) the power to assess the reserve matters and to issue a final development authorisation for the purposes of section 48 (2) (b) (i) of the Act; and
- (b) in relation to that provisional development authorisation, or any variation—the power to vary or revoke conditions, or attach new conditions, under section 48 (7) of the Development Act 1993, (provided that the essential nature of the development is not changed).

National Parks and Wildlife (Kungari Conservation Park—Mining Rights) Proclamation 2011

under section 43 of the *National Parks and Wildlife Act 1972*

Preamble

- 1 The Crown land described in Schedule 1 is, by another proclamation made on this day, constituted as a conservation park under section 30(1) of the *National Parks and Wildlife Act 1972* and assigned the name *Kungari Conservation Park*.
 - 2 It is intended that, by this proclamation, certain existing and future rights of entry, prospecting, exploration or mining be preserved in relation to the land constituting the conservation park.
 - 3 It is also intended that the exercise of those rights be restricted to the land that lies below the surface of the park, with no work permitted on the park surface and any necessary subsurface exploration or access undertaken in a manner (eg from adjacent land) that does not require such work.
-

1—Short title

This proclamation may be cited as the *National Parks and Wildlife (Kungari Conservation Park—Mining Rights) Proclamation 2011*.

2—Commencement

This proclamation comes into operation on the day on which it is made.

3—Interpretation

In this proclamation—

Environment Minister means the Minister to whom the administration of the *National Parks and Wildlife Act 1972* is committed;

Mining Minister means the Minister to whom the administration of the *Petroleum and Geothermal Energy Act 2000* is committed.

4—Existing rights to continue

Subject to clause 6, existing rights of entry, prospecting, exploration or mining under the *Petroleum and Geothermal Energy Act 2000* may continue to be exercised in respect of the land described in Schedule 1.

5—New rights may be acquired

Rights of entry, prospecting, exploration or mining may, with the approval of the Mining Minister and the Environment Minister, be acquired pursuant to the *Petroleum and Geothermal Energy Act 2000* in respect of the land described in Schedule 1 and may, subject to clause 6, be exercised in respect of that land.

6—Conditions for exercise of rights

A person in whom rights of entry, prospecting, exploration or mining are vested pursuant to the *Petroleum and Geothermal Energy Act 2000* (whether those rights were acquired before or after the making of this proclamation) must not exercise those rights in respect of the land described in Schedule 1 unless the person complies with the following conditions:

- (a) no work may be carried out on the surface of the land in the exercise of those rights;
- (b) if work to be carried out in relation to the land in the exercise of those rights is a regulated activity within the meaning of the *Petroleum and Geothermal Energy Act 2000*, the person must ensure that—
 - (i) the work is not carried out until a statement of environmental objectives in relation to the activity that has been approved under that Act has also been approved by the Environment Minister; and
 - (ii) the work is carried out in accordance with the statement as so approved;
- (c) if any work to be carried out in relation to the land in the exercise of those rights has not previously been authorised (whether by inclusion in an approved statement of environmental objectives referred to in paragraph (b) or otherwise), the person must give at least 3 months notice of that proposed work to the Mining Minister and the Environment Minister and supply each Minister with such information in relation to the proposed work as the Minister may require;
- (d) if directions are agreed between the Mining Minister and the Environment Minister and given to the person in writing in relation to—
 - (i) carrying out work in relation to the land in a manner that minimises damage to the land (including the land's vegetation and wildlife) and the environment generally; or
 - (ii) preserving objects, structures or sites of historical, scientific or cultural interest; or
 - (iii) rehabilitating the land (including the land's vegetation and wildlife) on completion of the work; or
 - (iv) prohibiting or restricting access to any specified part of the land that the Ministers believe would suffer significant detriment as a result of carrying out the work,(being directions that do not reduce or otherwise detract from any requirement in respect of any of those matters contained in an approved statement of environmental objectives referred to in paragraph (b)), the person must comply with those directions in carrying out the work;
- (e) if a plan of management is in operation under section 38 of the *National Parks and Wildlife Act 1972* in respect of the land, the person must have regard to the provisions of the plan of management;
- (f) in addition to complying with the other requirements of this proclamation, the person—
 - (i) must take such steps as are reasonably necessary to ensure that objects, structures and sites of historical, scientific or cultural interest and the land's vegetation and wildlife are not unduly affected by any work; and
 - (ii) must maintain all work areas in a clean and tidy condition; and

- (iii) must, upon the completion of any work, obliterate or remove all installations and structures (other than installations and structures designated by the Mining Minister and the Environment Minister as suitable for retention) used exclusively for the purposes of that work;
- (g) if no direction has been given by the Mining Minister and the Environment Minister under paragraph (d)(iii), the person must (in addition to complying with any approved statement of environmental objectives referred to in paragraph (b)) rehabilitate the land (including its vegetation and wildlife) on completion of the work to the satisfaction of the Environment Minister.

7—Governor may give approvals, directions

If—

- (a) the Mining Minister and the Environment Minister cannot agree as to whether—
 - (i) approval should be granted or refused under clause 5; or
 - (ii) a direction should be given under clause 6(d); or
- (b) the Environment Minister does not approve a statement of environmental objectives under clause 6(b),

the Governor may, with the advice and consent of the Executive Council—

- (c) grant or refuse the necessary approval under clause 5; or
- (d) give a direction in writing under clause 6(d); or
- (e) grant or refuse the necessary approval under clause 6(b).

Erratum

IN the *South Australian Government Gazette*, dated 14 November 2002 at page 4216, reference is made to the land described as Signal Point and Cafe, B. L. Laurie Lane, Goolwa, being excluded from classification as community land. This is incorrect and no reference to Signal Point and Cafe should have been included as the land has not been excluded from classification as community land.
