NOTICE under Clause 3.10 of the Code of Conduct for Council Members published by the Minister for Planning for the purposes of Section 63 (1) of the Local Government Act 1999.

For the purposes of Clause 3.10 of the Code of Conduct for Council Members adopted for the purposes of Section 63 (1) of the Local Government Act 1999 and published in the *Gazette* on the day on which this Notice is made, the value of \$100 is specified.

Dated 18 August 2013.

JOHN RAU, Deputy Premier, Minister for Planning

Code of Conduct for Council Members

*Published by the Minister for Planning for the purposes of Section 63 (1) of the
Local Government Act 1999.*

This Code of Conduct is to be observed by all Council members.

Council members must comply with the provisions of this Code in carrying out their functions as public officials. It is the personal responsibility of Council members to ensure that they are familiar with, and comply with, the standards in the Code at all times.

PART 1—PRINCIPLES**1. Higher principles—Overarching Statement**

This part does not constitute separate enforceable standards of conduct.

Council members in South Australia have a commitment to serve the best interests of the people within the community they represent and to discharge their duties conscientiously, to the best of their ability, and for public, not private, benefit at all times.

Council members will work together constructively as a Council and will uphold the values of honesty, integrity, accountability and transparency, and in turn, foster community confidence and trust in Local Government.

As representatives of open, responsive and accountable government, Council members are committed to considering all relevant information and opinions, giving each due weight, in line with the Council's community consultation obligations.

In the performance of their role, Council members will take account of the diverse current and future needs of the local community in decision-making, provide leadership and promote the interests of the Council.

Council members will make every endeavour to ensure that they have current knowledge of both statutory requirements and best practice relevant to their position. All Councils are expected to provide training and education opportunities that will assist members to meet their responsibilities under the Local Government Act 1999.

Council members will comply with all legislative requirements of their role and abide by this Code of Conduct.

PART 2—BEHAVIOURAL CODE**2. Behavioural Code**

In line with 'Part 1—Higher Principles' of this Code, the following behaviour is considered essential to upholding the principles of good governance in Councils.

This Part is for the management of the conduct of Council members that does not meet the reasonable community expectations of the conduct of Council members. It deals with conduct that does not, and is not likely to, constitute a breach of Part 3—Misconduct or criminal matters such as those contained in the Appendix to this document.

Robust debate within Councils that is conducted in a respectful manner is not a breach of this Part.

It is intended that each Council will adopt a process for the handling of alleged breaches of this Part. This process will be reviewed within 12 months of a general Local Government election.

Council members must:

General behaviour

2.1 Show commitment and discharge duties conscientiously.

- 2.2 Act in a way that generates community trust and confidence in the Council.
- 2.3 Act in a reasonable, just, respectful and non-discriminatory way when dealing with people.
- 2.4 Show respect for others if making comments publicly.
- 2.5 Ensure that personal comments to the media or other public comments, on Council decisions and other matters, clearly indicate that it is a private view, and not that of the Council.

Responsibilities as a member of Council

- 2.6 Comply with all Council policies, codes and resolutions.
- 2.7 Deal with information received in their capacity as Council members in a responsible manner.
- 2.8 Endeavour to provide accurate information to the Council and to the public at all times.

Relationship with fellow Council Members

- 2.9 Endeavour to establish and maintain a respectful relationship with all Council members, regardless of differences of views and opinions.
- 2.10 Not bully or harass other Council members.

Relationship with Council staff

- 2.11 Not bully or harass Council staff.
- 2.12 Direct all requests for information from the Council administration to the Council's Chief Executive Officer or nominated delegate/s.
- 2.13 Direct all requests for work or actions by Council staff to the Council's Chief Executive Officer or nominated delegate/s.
- 2.14 Refrain from directing or influencing Council staff with respect to the way in which these employees perform their duties.

Requirement to report breach of Part 3

- 2.15 A Council member who is of the opinion that a breach of Part 3 of this Code (Misconduct)— has occurred, or is currently occurring, must report the breach to the Principal Member of the Council or Chief Executive Officer, the Ombudsman or the Office for Public Integrity.
- 2.16 A failure to report an alleged or suspected breach of Part 3 of this Code is in itself a breach under this Part (Behavioural Code).

Complaints

- 2.17 Any person may make a complaint about a Council member under the Behavioural Code.
- 2.18 Complaints about behaviour alleged to have breached the Behavioural Code should be brought to the attention of the Principal Member or Chief Executive Officer of the Council, or nominated delegate/s.
- 2.19 A complaint may be investigated and resolved in any manner which that Council deems appropriate in its process for handling alleged breaches of this Part. This can include, but is not limited to: a mediator or conciliator, the Local Government Governance Panel, a regional governance panel or an independent investigator.
- 2.20 A complaint may be considered within this process to be trivial, vexatious or frivolous, and accordingly not investigated.
- 2.21 A failure of a Council member to cooperate with the Council's process for handling alleged breaches of this Part may be referred for investigation under Part 3.
- 2.22 A failure of a Council member to comply with a finding of an investigation under this Part, adopted by the Council, may be referred for investigation under Part 3.
- 2.23 Repeated or sustained breaches of this Part by the same Council member may be referred, by resolution of the Council, to the relevant authority as a breach of Part 3.
- 2.24 A breach of the Behavioural Code must be the subject of a report to a public meeting of the Council.

Findings

- 2.25 If, following investigation under the Council's complaints handling process, a breach of the Behavioural Code by a Council member is found, the Council may, by resolution:
- 2.25.1 Take no action;
 - 2.25.2 Pass a censure motion in respect of the Council member;
 - 2.25.3 Request a public apology, whether written or verbal;
 - 2.25.4 Request the Council member to attend training on the specific topic found to have been breached;
 - 2.25.5 Resolve to remove or suspend the Council member from a position within the Council (not including the member's elected position on Council);
 - 2.25.6 Request the member to repay monies to the Council.

PART 3—MISCONDUCT**3. Misconduct**

Failure by a Council member to comply with this Part constitutes misconduct. The provisions within this Part may refer to statutory matters under the Local Government Act 1999. Any breach of these provisions will be investigated under that legislation.

Any person may report an alleged breach of this Part to the Council, the Ombudsman, the Electoral Commissioner (for alleged breaches of Code 3.8) or the Office for Public Integrity. Alleged breaches of this Part made to a Council or to the Office for Public Integrity may be referred to the Ombudsman for investigation under Section 263 of the Local Government Act 1999, by the Council's Chief Executive Officer or by the Independent Commissioner Against Corruption, where he or she so determines.

A report from the Ombudsman that finds a Council member has breached this Part (Misconduct) of the Code of Conduct must be provided to a public meeting of the Council. The Council must pass resolutions, that give effect to any recommendations received from the Ombudsman, within two ordinary meetings of the Council following the receipt of these recommendations.

An investigation under Part 3 of this Code does not preclude an investigation being launched as a potential breach of the criminal matters listed in the Appendix to this document.

Member duties

Council members must:

- 3.1 Act honestly at all times in the performance and discharge of their official functions and duties;
- 3.2 Perform and discharge their official functions and duties with reasonable care and diligence at all times;
- 3.3 Not release or divulge information that the Council has ordered be kept confidential, or that the Council member should reasonably know is information that is confidential, including information that is considered by Council in confidence;

- 3.8 Notwithstanding Code 3.7, Council members may accept campaign donations as provided for in the Local Government (Elections) Act 1999.

- 3.9 Notwithstanding Code 3.7.3, Council members may accept hospitality provided in the context of performing their duties, including:

Repeated or sustained breaches of Part 2

- 3.17 At the discretion of the Council to which the member is elected, repeated or sustained inappropriate behaviour, as listed in Part 2, may be escalated to an allegation of misconduct under this Part.
- 3.18 A failure to comply with a finding of inappropriate behaviour (by the Council, independent investigator or Ombudsman) under Part 2 is also grounds for a complaint under this Part.

APPENDIX—CRIMINAL MATTERS

The matters within this Appendix are matters for which a criminal penalty attaches. As separate legislation operates to cover such conduct, this part does not form part of the Code of Conduct for Council Members.

Allegations of conduct breaching these matters will be investigated in accordance with the legislation governing that conduct and they are included within this document only in order to provide a complete overview of the standards of conduct and behaviour expected of Council members.

Alleged breaches of matters outlined in this Appendix should be reported to the Office for Public Integrity in the first instance.

National Parks and Wildlife (Bandon Conservation Park—Mining Rights) Proclamation 2013

under section 43 of the *National Parks and Wildlife Act 1972*

Preamble

- 1 The Crown land described in Schedule 1 is, by another proclamation made on this day, constituted as a conservation park under section 30(1) of the *National Parks and Wildlife Act 1972* and assigned the name *Bandon Conservation Park*.
 - 2 It is intended that, by this proclamation, certain existing and future rights of entry, prospecting, exploration or mining be preserved in relation to that land.
-

1—Short title

This proclamation may be cited as the *National Parks and Wildlife (Bandon Conservation Park—Mining Rights) Proclamation 2013*.

2—Commencement

This proclamation comes into operation on the day on which it is made.

3—Interpretation

In this proclamation—

Environment Minister means the Minister for the time being administering the *National Parks and Wildlife Act 1972*;

Mining Minister means the Minister for the time being administering the *Mining Act 1971* or the Minister for the time being administering the *Petroleum and Geothermal Energy Act 2000*, as the case requires.

4—Existing rights to continue

Subject to clause 6, existing rights of entry, prospecting, exploration or mining under the *Mining Act 1971* or the *Petroleum and Geothermal Energy Act 2000* may continue to be exercised in respect of the land described in Schedule 1.

5—New rights may be acquired

Rights of entry, prospecting, exploration or mining may, with the approval of the Mining Minister and the Environment Minister, be acquired pursuant to the *Mining Act 1971* or the *Petroleum and Geothermal Energy Act 2000* in respect of the land described in Schedule 1 and may, subject to clause 6, be exercised in respect of that land.

6—Conditions for exercise of rights

A person in whom rights of entry, prospecting, exploration or mining are vested pursuant to the *Mining Act 1971* or the *Petroleum and Geothermal Energy Act 2000* (whether those rights were acquired before or after the making of this proclamation) must not exercise those rights in respect of the land described in Schedule 1 unless the person complies with the following conditions:

- (a) if work to be carried out in relation to the land in the exercise of those rights is a regulated activity within the meaning of the *Petroleum and Geothermal Energy Act 2000*, the person must ensure that—
 - (i) the work is not carried out until a statement of environmental objectives in relation to the activity that has been approved under that Act has also been approved by the Environment Minister; and
 - (ii) the work is carried out in accordance with the statement as so approved;
- (b) if work to be carried out in relation to the land in the exercise of rights under the *Mining Act 1971* or the *Petroleum and Geothermal Energy Act 2000* has not previously been authorised (whether by inclusion in an approved statement of environmental objectives referred to in paragraph (a) or otherwise), the person must give at least 3 months notice of the proposed work to the Mining Minister and the Environment Minister and supply each Minister with such information relating to the proposed work as the Minister may require;
- (c) if directions are agreed between the Mining Minister and the Environment Minister and given to the person in writing in relation to—
 - (i) carrying out work in relation to the land in a manner that minimises damage to the land (including the land's vegetation and wildlife) and the environment generally; or
 - (ii) preserving objects, structures or sites of historical, scientific or cultural interest; or
 - (iii) rehabilitating the land (including the land's vegetation and wildlife) on completion of the work; or
 - (iv) (where the work is being carried out in the exercise of rights acquired after the making of this proclamation) prohibiting or restricting access to any specified area of the land that the Ministers believe would suffer significant detriment as a result of carrying out the work,
(being directions that do not reduce or otherwise detract from any requirement in respect of any of those matters contained in an approved statement of environmental objectives referred to in paragraph (a)), the person must comply with those directions in carrying out the work;
- (d) if a plan of management is in operation under section 38 of the *National Parks and Wildlife Act 1972* in respect of the land, the person must have regard to the provisions of the plan of management;
- (e) in addition to complying with the other requirements of this proclamation, the person—
 - (i) must take such steps as are reasonably necessary to ensure that objects, structures and sites of historical, scientific or cultural interest and the land's vegetation and wildlife are not unduly affected by any work; and
 - (ii) must maintain all work areas in a clean and tidy condition; and

- (iii) must, on the completion of any work, obliterate or remove all installations and structures (other than installations and structures designated by the Mining Minister and the Environment Minister as suitable for retention) used exclusively for the purposes of that work;
- (f) if no direction has been given by the Mining Minister and the Environment Minister under paragraph (c)(iii), the person must (in addition to complying with any approved statement of environmental objectives referred to in paragraph (a)) rehabilitate the land (including its vegetation and wildlife) on completion of any work to the satisfaction of the Environment Minister.

7—Governor may give approvals, directions

If—

- (a) the Mining Minister and the Environment Minister cannot agree as to whether—
 - (i) approval should be granted or refused under clause 5; or
 - (ii) a direction should be given under clause 6(c); or
- (b) the Environment Minister does not approve a statement of environmental objectives under clause 6(a),

the Governor may, with the advice and consent of the Executive Council—

- (c) grant or refuse the necessary approval under clause 5; or

I write to summon you to render jury service for the Court sitting month of *[insert month]*.

You must attend at *[insert location]* on *[insert date]* at *[insert time]*.

Your initial attendance will include a general orientation and allow you to ask any questions you may have about jury service. Further attendances for jury service will be required at such times as I or a judge may direct in accordance with the requirements of the Court.

While this summons obliges you to provide jury service for the Court sitting month of *[insert month]*, if you are selected to form part of the jury to sit on a trial that proceeds past the end of that month, you will be required to attend as a juror until discharged by the Court or the completion of that trial.

Your attendance for jury service is required by section 78 of the *Juries Act 1927*. Unless you have been officially excused from attending for jury service, you will be guilty of an offence and liable to a fine of up to \$1 250 if you do not attend in response to this summons.

The right of an accused to a fair trial, before a jury, is an important part of our criminal justice system. Jurors make a valuable contribution to the maintenance of this system.

If you live 150 kilometres or more from the courthouse, you may apply to be excused from serving.
