HIS Excellency the Governor in Executive Council has been pleased to issue directions to the State Emergency Relief Fund Committee to administer the fund as set out below, pursuant to Section 37 (4) of the Emergency Management Act 2004.

#### GOVERNOR'S DIRECTIONS

##### TO THE MEMBERS OF THE COMMITTEE APPOINTED TO ADMINISTER THE STATE EMERGENCY RELIEF FUND

###### *Directions in Relation to The Emergency Arising from The January 2014 South Australian Bushfires*

THE State Emergency Relief Fund ('the Fund') provides a publicly accountable mechanism for the disbursement of donated funds following an emergency. The Fund is an administered item under the Department for Communities and Social Inclusion. The Department for Communities and Social Inclusion provides administrative and policy support to the Fund.

The committee to administer the State Emergency Relief Fund is appointed by the Minister under Section 37 (3) of the Emergency Management Act 2004 ('the Act') and is subject to broad directions by the Governor. The term 'emergency' in these directions has the meaning given to it under the Act.

One of the ongoing members of the committee is appointed as Funds Administrator (the 'administrator') and will chair meetings of the committee, unless a direction given in relation to a particular emergency provides otherwise.

A quorum of the committee will constitute the chairperson and four of the members of the committee appointed.

Where possible the committee should reach decisions by consensus. However, if a vote is required, and the results are tied, the chairperson will have a deliberative and casting vote.

Members of the committee are obliged to maintain confidentiality in relation to the deliberations of the committee and in relation to personal information that may be made available to the committee by or about potential recipients of monies from the Fund.

Any member who thinks they may have a conflict of interest in relation to their duties as a committee member must declare that interest.

Pursuant to the Act and these directions, the committee is responsible for the appropriate disbursement of the monies in the fund to persons who suffered significant loss or damage as result of the bushfires. Priority will be given to those most in need.

The committee may adopt any fair and reasonable assessment scheme for prioritising the disbursement of monies to those most in need, whether of its own design or a design that has been developed wholly or in part by any government or non-government agency.

The committee may consult with individuals, organisations or groups (including local councils), as appropriate, on the impacts of the bushfires and the resulting needs of persons affected by the bushfires;

The committee will be responsible for ensuring that:

- monies received by the fund are disbursed equitably for the relief of persons whose land or property has been affected by bushfires and who have suffered significant loss or damage as a result. Priority will be given to those most in need. Monies are to be paid directly to such persons;
- administrative processes developed for the management and disbursement of the monies are transparent and meet all appropriate legal, probity and procedural requirements;
- appropriate information is provided to affected parties and to the community on the availability of relief, on eligibility and disbursement and on any other matters that the committee determines should be communicated in order to assist the proper administration of the Fund;
- a written report is provided to the Minister when the committee is satisfied that it has appropriately disbursed the available monies. The written report should include an audit of all monies disbursed, an evaluation of the effectiveness of the Fund in meeting identified need and

recommendations on any issues that should be addressed in a future use of the Fund following an emergency.

- monies are allocated in an equitable, fair and culturally appropriate manner, and may take into account the following principles:
  - priority is given to those most in need;
  - available monies can be used to provide relief as determined by the committee over the short-term or long-term for persons who suffered significant loss or damage as result of the bushfires;
  - monies provided to persons are gifts from the community in recognition of personal loss or damage arising from the bushfires and not a form of compensation;
  - monies provided may complement and recognise other forms of assistance received by those affected by the bushfires including, any insurance payments, government grants, other gifts from public donations or other sources of known tangible support;
  - where the committee is of the opinion that a person who suffered significant loss or damage as a result of the bushfires has been overcompensated for that loss or damage by reason of being paid money from the Fund and damages for compensation from another source the committee may, by notice in writing given personally or by post to the person, require the person to pay the Fund the amount of the overcompensation as determined by the committee and specified in the notice;
  - priority is given in the allocation of monies to persons whose primary place of residence at the time of the bushfires was within the bushfire areas as defined and approved by the Chief Officer of the SA Country Fire Service.
  - monies may be provided irrespective of the insurance status of the recipient;
- and,
- there will be a maximum and minimum amount that any recipient can receive from the fund, which will be determined by the committee.

By command,

JAY WILSON WEATHERILL, Premier

- 50% SATSS Vouchers will have a subsidy limit of \$20.
- 75% SATSS Vouchers will have a subsidy limit of \$30.
- JTWS vouchers subsidise 75% of the fare up to a limit of \$40.
- TEAS vouchers subsidise 100% of the taxi fare up to a limit of \$40.

ELIGIBILITY CRITERIA AND GENERAL CONDITIONS OF USE  
FOR ALL SATSS MEMBERS (INCLUDING JTWS AND TEAS  
MEMBERS)

*Eligibility Criteria for SATSS Members (JTWS and TEAS Members must meet this criteria as well as additional criteria which is provided for below)*

- Permanent residents of South Australia who have severe and permanent disabilities **which limit their capacity to use public transport**, can apply for transport assistance, by way of membership to SATSS.
- Eligibility for membership of SATSS is determined after an assessment of the applicant's permanent disability and the way this affects their ability to use public transport, namely public transport service by bus, train or tram. As such, functional assessment, not diagnosis or type of condition, is the basis for eligibility.
- A temporary SATSS membership is available to those who may be undergoing rehabilitation or whose condition may improve through surgery and is subject to review (e.g. as a result of an accident or stroke).

*General Conditions*

- A member is not eligible for more than one book of SATSS vouchers in less than six months.
- SATSS vouchers ARE NOT TRANSFERABLE and can only be used by the member named on the voucher.
- A member must not provide a SATSS voucher to another person for their use or for any other personal advantage.
- A person who is not a member of SATSS or any other approved subsidy scheme must not use a SATSS voucher as part payment of a fare or other personal advantage.
- A member must not endorse or enter incorrect information on the SATSS voucher.
- A member must not act in a dishonest or dishonourable manner in the use of SATSS vouchers.
- If the SATSS Manager or an Authorised Officer is satisfied that a member has breached any of the Conditions of Use, limitations may be placed upon the member's use of SATSS vouchers or their membership of SATSS may be suspended or cancelled.
- The member must be a passenger in the taxi or certain car hire service for the entire journey. The journey is deemed to have ended when the member leaves the taxi or certain car hire service.
- Only ONE SATSS voucher can be used for each trip within the Metropolitan Area, i.e. one SATSS voucher to the destination and another SATSS voucher for the return trip.
- ONLY a Regional SATSS member is able to use multiple SATSS vouchers (up to a maximum of three vouchers per trip) on trips outside of the Metropolitan Area, where a trip starts or ends outside this boundary.
- A member must pay their calculated portion of the fare by cash, card or other approved payment method.
- A member must not give a driver an IOU or extra vouchers in lieu of payment.
- A SATSS Photographic Identification card must be carried at all times when travelling in a taxi or certain car hire service and must be presented when requested by the driver. A member will not be able to use a SATSS voucher if they cannot produce their SATSS Photographic Identification Card when requested.
- A member must complete the information on the SATSS voucher related to the trip unless they have a reasonable explanation for not doing so (e.g. due to disability). Information must include the date of the trip, the State of travel (eg SA), the suburbs (from and to), and the start and finish time of the trip, prior to handing the voucher to the driver as payment for the journey. Once the driver has inserted the booking details, including their taxi and driver ID numbers and fare

details, the member must verify these details and then sign the SATSS voucher (unless the SATSS voucher specifies otherwise). If any changes are made to the SATSS voucher details, they must be initialled by the member or the person making the changes.

- When calculating the legal fare and therefore the portion payable by the member and the portion subsidised by SATSS by means of a SATSS voucher, the following must not be considered as part of the subsidy:
  - Waiting time which is initiated by the member beyond five minutes.
  - Any discount on the fare given by the driver.
  - Any tip given to the driver by the passenger.
  - *Please Note: The \$2 Adelaide Airport charge forms part of the legal fare and can be included as part of the legal fare for payment by SATSS vouchers.*
- Multiple-Hire arrangements can only be used for ad-hoc journeys and must comply with Regulation 71 and Clause 4 of Schedule 3 Passenger Transport Regulations 2009.
- A set or negotiated fare cannot be used as the fare on the SATSS voucher unless approval has been given by the SATSS Manager or an officer authorised by the SATSS Manager.
- Tariff 3 and Tariff 4 (which apply to five or more passengers in a taxi) must not be applied for any trip using a SATSS voucher. This means that SATSS vouchers can only be used if there are less than 5 passengers in the taxi.
- A member must provide an updated application for review of membership, including level of subsidy, when requested by the SATSS Manager or an Authorised Officer.
- If a membership is cancelled for any reason or subsidy level reduced following a review, a member must return any unused SATSS vouchers to the SATSS Manager at (G.P.O. Box 2830, Adelaide, S.A. 5001) within 14 days and must not use any further SATSS vouchers.
- A member must advise the SATSS Manager of a potential conflict of interest with a taxi driver who is transporting them. A potential conflict is described as where the member has a relationship with the driver outside of the request for travel (e.g. family member or friend).

3.8. Pursuant to section 24 of the Act, this Scheme confers on CPA Australia a discretionary authority to specify, on application by a participant member, a higher maximum amount of liability not exceeding \$75 million than would otherwise apply under the Scheme in respect of any specified case or class of case of Category 2

services or Category 3 services. The higher maximum amount of liability will apply if CPA Australia exercises its discretion and approves the higher maximum amount of liability prior to the participant member beginning to provide the relevant services.

3.9. In circumstances where the services provided by a participant comprise a combination of Category 1 services and any of:

- (a) Category 2 services;
- (b) Category 3 services;
- (c) Category 2 services and Category 3 services,

the participant's liability under this Scheme for damages in respect of a proceeding in relation to occupational liability in excess of the applicable amount specified in clause 3.1 brought against it will be determined in accordance with those provisions of the Scheme relating to Category 1 services only, that is, clauses 3.2 to 3.4.

3.10. In circumstances where the services provided by a participant comprise a combination of Category 2 services and Category 3 services, the participant's liability under this Scheme for damages in respect of a proceeding in relation to occupational liability in excess of the applicable amount specified in clause 3.1 brought against it will be determined (subject to clause 3.10) in accordance with those provisions of the Scheme relating to Category 2 services only, that is clauses 3.5 and 3.6.

3.11. Nothing in this scheme is intended to increase, or has the effect of increasing, a participant's liability for damages to a person beyond the amount that, other than for the existence of this Scheme, the participant would be liable in law.

3.12. This Scheme only limits the amount of damages for which a participant is liable if and to the extent that the damages exceed the applicable amount specified in clause 3.1. Where the amount of damages in relation to a cause of action exceeds the applicable amount specified in clause 3.1 but the damages which may be awarded as determined by this Scheme are equal to or less than the applicable amount specified in clause 3.1, liability for those damages will instead be limited to the applicable amount specified in clause 3.1.

3.13. Notwithstanding anything to the contrary contained in this scheme, if in particular circumstances giving rise to Occupational liability, the liability of any person who is subject to this scheme should be capped both by this scheme and also by any other scheme under Professional Standards legislation (whether of this jurisdiction or under the law of any other Australian state or territory) and, if the amount of such caps should

differ, then the cap on the liability of such person arising from such circumstances which is higher shall be the applicable cap.
