 - (i) issue a Schedule of Essential Safety Provisions under Division 4 of Part 12; and
 - (ii) assign a classification of the building under these regulations; and
 - (iii) ensure that the appropriate levy has been paid under the *Construction Industry Training Fund Act 1993*.

Regulation 64 of the Development Regulations 2008 provides further information about the type and quantity of all Building Rules certification documentation for Major Developments required for referral to the Minister for Planning.
4. The District Council of Robe or private certifier undertaking Building Rules assessments must ensure that the assessment and certification are consistent with this provisional development authorisation (including any Conditions or Advisory Notes that apply in relation to this provisional development authorisation).
5. Should the applicant wish to vary the Major Development or any of the components of the Major Development, an application may be submitted, provided that the development application variation remains within the ambit of the Public Environmental Report and Assessment Report referred to in this provisional development authorisation. If an application variation involves substantial changes to the proposal, pursuant to Section 47 of the *Development Act 1993*, the applicant may be required to prepare an amended Public Environmental Report for public inspection and purchase. An amended Assessment Report may also be required to assess any new issues not covered by the original Assessment Report and a decision made by the Governor pursuant to Section 48 of the *Development Act 1993*.
6. The applicant's CEMP, OEMMP and other management plans should be prepared taking into consideration (and with explicit reference to) relevant EPA policies and guideline documents, including, but not limited to:
 - a. the Environment Protection (Air Quality) Policy 2016;
 - b. the Environment Protection (Noise) Policy 2007;
 - c. the Environment Protection (Water Quality) Policy 2015;
 - d. the Environment Protection (National Pollutant Inventory) Policy 2008;
 - e. the Environment Protection (Waste to Resources) Policy 2010;
 - f. the Standard for the Production and Use of Waste Derived Fill (if applicable) (2013);
 - g. the Bunding and Spill Management Guidelines (2012);
 - h. the Wastewater Irrigation Management Plan (WIMP) Guideline (2009);
 - i. the Stormwater Pollution Prevention Code of Practice for the Building and Construction Industry (1999);
 - j. Handbooks for Pollution Avoidance; and

- k. any other legislative requirements, Guidelines and Australian Standards requiring compliance.
7. The applicant is reminded of its obligations under the *Aboriginal Heritage Act 1988*, whereby any 'clearance' work that may require permission to disturb, damage or destroy Aboriginal Sites, must be undertaken with the full authorisation of the Minister for Aboriginal Affairs and Reconciliation, according to Section 23 of the Act.
 8. The applicant, and all agents, employees and contractors, such as construction crews, must be conversant with the provisions of the *Aboriginal Heritage Act 1988*, particularly the requirement to immediately contact the Department of Aboriginal Affairs and Reconciliation in the event that archaeological items (especially skeletal material) are uncovered during earthmoving.
 9. All works and activities must be undertaken in accordance with the General Environmental Duty as defined in Part 4, section 25(1) of the *Environment Protection Act 1993* (which requires that a person must not undertake any activity, which pollutes, or may pollute; without taking all reasonable and practical measures to prevent or minimise harm to the environment), relevant Environment Protection Policies made under Part 5 of the *Environment Protection Act 1993* and other relevant publications and guidelines.
 10. The applicant is reminded of its obligations under the *Native Vegetation Regulations 2003* whereby any native vegetation clearance must be undertaken in accordance with a management plan that has been approved by the Native Vegetation Council that results in a significant environmental benefit on the property where the development is being undertaken, or a payment is made into the Native Vegetation Fund of an amount considered by the Native Vegetation Council to be sufficient to achieve a significant environmental benefit in the manner contemplated by Section 21(6) of the *Native Vegetation Act 1991*, prior to any clearance occurring.
 11. The applicant is reminded of its obligations under the Commonwealth *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act), not to undertake any activity that could have a significant impact on any matter of National Environmental Significance, without first referring it to Commonwealth Minister for the Environment for consideration under the Act.
 12. The applicant is reminded that a water license to establish a water supply for the development (i.e. bore or borefield) would need to be secured under the *Natural Resources Management Act 2004*. The transfer and use of a license is bound by the principles and guidelines of the Water Allocation Plan for the Lower Limestone Coast Prescribed Wells Area. The licensing process would include the need for the proponent to undertake a preliminary hydrogeological assessment that would have to detail:
 - a. the volume of water required based on the current design;
 - b. the primary water source intended for the project (i.e. confined or unconfined aquifer (noting limits to how far can transfer water));
 - c. Details of water quality for potable or non-potable use, and treatment as necessary; and
 - d. impacts on Groundwater Dependent Ecosystems.
 13. The applicant is reminded that, under the *National Parks and Wildlife Act 1972*, permits are required for the 'taking of protected animals', such for the capture and relocation of animals during construction and the destruction or relocation of animals during operation.

The Minister for Planning has a specific power to require testing, monitoring, auditing and reporting under Section 48C of the *Development Act 1993*.

Given under my hand at Adelaide.

REPORT OF THE REMUNERATION TRIBUNAL

NO. 10 OF 2017

2017 Review of the Common Allowance for Members of the Parliament of South Australia

INTRODUCTION

1. The *Remuneration Act 1990* (“the Act”) was introduced to establish an independent tribunal to determine the remuneration payable to members of the judiciary, and the remuneration or part of the remuneration payable in respect of certain other offices. Section 14 of the Act provides that additional jurisdiction may be conferred on the Remuneration Tribunal (“the Tribunal”) by any other Act, or by proclamation by the Governor. Section 3A of the *Parliamentary Remuneration Act 1990* (“the PR Act”) confers jurisdiction on the Remuneration Tribunal to make a determination or perform any other function required by the PR Act.

BACKGROUND

2. In 2015, the PR Act was amended by the *Parliamentary Remuneration (Determination of Remuneration) Amendment Act 2015* (“the Amending Act”) and a number of allowances for Members of the Parliament and Ministers of the Crown were abolished. To compensate for the abolition of the allowances, a Common Allowance was established by the Amending Act. The Remuneration Tribunal is subject to a statutory direction under the Amending Act to determine the amount of the Common Allowance. Accordingly, the Tribunal issued Report and Determination 7 of 2015, which determined the amount of the Common Allowance for Members of the Parliament. The Tribunal reviewed the Common Allowance in 2016, and decided not to award an increase in the level of the allowance. The Tribunal issued Report 16 of 2016, which deals with the grounds upon which that decision was made.
3. Section 4AA(3) of the PR Act, provides that the Tribunal must review the Common Allowance once per year, and if the Tribunal considers it appropriate to do so, the Tribunal may determine an increase to the level of the Common Allowance.

PROCEDURAL HISTORY

4. Section 10(2) of the Act, requires that before the making of a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or persons of that class, a reasonable opportunity to make submissions.
5. The Tribunal wrote to the Premier, as the Minister responsible for the Act, and the Members of the Parliament on 9 October 2017, notifying the parties of the Tribunal’s intention to review the Common Allowance, and inviting submissions with a closing date of 31 October 2017. A notice of the review was also placed on the Tribunal’s public website. No submissions were received by the Tribunal.

CONCLUSION

6. The Tribunal has noted that no submissions were made from any member of the Parliament for whom the Common Allowance forms a component of remuneration. Furthermore, there are no grounds advanced for a variation to the level of the allowance. The Tribunal is not otherwise aware of any relevant changes in circumstances which might warrant a variation to the Common Allowance at this time.
7. The Tribunal has conducted its annual review of the Common Allowance for the Members of the Parliament. On the material before it, the Tribunal has therefore concluded that no adjustment will be made to the level of the Common Allowance.
8. Accordingly, the Tribunal will make no variation to Determination 7 of 2015, which will continue to apply.

REPORT OF THE REMUNERATION TRIBUNAL

NO. 11 OF 2017

*2017 Review of Electorate Allowances for Members of the Parliament of South Australia***INTRODUCTION**

1. The *Remuneration Act 1990* (“the Act”) was introduced to establish an independent tribunal to determine the remuneration payable to members of the judiciary, and the remuneration or part of the remuneration payable in respect of certain other offices. Section 14 of the Act provides that additional jurisdiction may be conferred on the Remuneration Tribunal (“the Tribunal”) by any other Act, or by proclamation of the Governor. Section 3A of the *Parliamentary Remuneration Act 1990* (“the PR Act”) confers jurisdiction on the Remuneration Tribunal to make a determination or perform any other function required by the PR Act.
2. Section 4(1)(c) of the PR Act provides that electorate allowances form part of the remuneration of members of the Parliament. Section 8(2) of the Act requires the Tribunal to review previous Determinations of remuneration under the Act at least once in each year.

BACKGROUND

3. Electoral Allowances are provided to members of the Parliament to meet the costs of discharging their duties in the Electoral District the member represents. In 2016, the Tribunal conducted its annual review of electorate allowances for members of the Parliament, deciding not to award an increase to the levels of those allowances.

PROCEDURAL HISTORY

4. Section 10(2) of the Act, requires that before the making of a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or persons of that class, a reasonable opportunity to make submissions.
5. The Tribunal wrote to the Premier, as the Minister responsible for the Act, and the members of the Parliament on 9 October 2017, notifying the parties of the Tribunal’s intention to review the relevant electorate allowance Determination, and inviting submissions with a closing date of 31 October 2017. A notice of the review was also placed on the Tribunal’s public website. No submissions were received by the Tribunal.

CONCLUSION

6. The Tribunal has conducted its annual review of electorate allowances for 2017. The electorate allowance is an allowance in respect of discharging parliamentary duties within the electorate the member of the Parliament represents. In the absence of any submissions, the Tribunal is unable to discern what expenses of this kind have increased which would justify a variation in the level of the allowance.
7. Accordingly, the terms of Determination 17 of 2016 will continue to apply.

REPORT OF THE REMUNERATION TRIBUNAL

NO. 12 OF 2017

*Annual Review of Reimbursement of Expenses Applicable to the Electorate of Finniss – Travel by Ferry***INTRODUCTION**

1. The *Remuneration Act 1990* (“the Act”) was introduced to establish an independent tribunal to determine the remuneration payable to members of the judiciary, and the remuneration or part of the remuneration payable in respect of certain other offices. Section 14 of the Act provides that additional jurisdiction may be conferred on the Tribunal by any other Act, or by proclamation of the Governor. Section 3A of the *Parliamentary Remuneration Act 1990* (“the PR Act”) confers jurisdiction on the Remuneration Tribunal (“the Tribunal”) to make a determination or perform any other function required by the PR Act.
2. Section 3A(3) of the PR Act provides that the Tribunal may make a different provision according to the member, the electorate, the House of Parliament or the circumstances to which the Determination is to apply. The last Determination in relation to reimbursement of expenses applicable to the electorate of Finniss is Determination 5 of 2015, which applies to the specific circumstances within the electorate of Finniss, where ferry travel by sea is routinely required to move around the electorate for the purposes of parliamentary business.

PROCEDURAL HISTORY

3. Section 10(2) of the Act, requires that before the making of a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or persons of that class, a reasonable opportunity to make submissions.
4. The Tribunal wrote to the Premier, as the Minister responsible for the Act, and the members of the Parliament on 9 October 2017, notifying of the Tribunal’s intention to review the relevant electorate allowance Determination, and inviting submissions with a closing date of 31 October 2017. A notice was also placed on the Tribunal’s public website. No submissions were received by the Tribunal.

CONCLUSION

5. The Tribunal has conducted its annual review of Determination 5 of 2015. The level of the allowance for the electorate of Finniss is fixed in Determination 5 of 2015. The allowance is based on the reimbursement of expenses actually and necessarily incurred, by the member for Finniss, for the purposes of travel by ferry between Kangaroo Island and the Fleurieu Peninsula, for electoral purposes. The reimbursement is currently capped at an amount of \$3,380, and in the absence of any submission that the allowance is inadequate for this purpose, the Tribunal considers that there is no necessity to vary the allowance. Accordingly, the terms of the Tribunal's Determination 5 of 2015 shall continue to apply.
6. The Electoral Districts Boundaries Commission has recently determined a realignment of South Australia's electoral boundaries, which will affect the electorate of Finniss, with effect at the next election of members of the House of Assembly. The Tribunal will review the Determination, having regard to the electorate within which Kangaroo Island is situated and any change in the cost of the relevant transportation, subsequent to that election.

REPORT OF THE REMUNERATION TRIBUNAL

NO. 13 OF 2017

2017 Review of Accommodation and Meal Allowances for Ministers of the Crown and Officers and Members of Parliament

INTRODUCTION AND BACKGROUND

1. Section 4(1)(c) of the *Parliamentary Remuneration Act 1990*, confers jurisdiction on the Remuneration Tribunal to determine electorate allowances and other allowances and expenses for Members of Parliament.
2. Section 3 of the *Remuneration Act 1990*, defines such allowances and expenses as remuneration, and section 8(2) of the Act requires the Tribunal to review previous determinations of remuneration under the Act at least once in each year.
3. The last Determination in relation to accommodation and meal allowances was Determination 12 of 2016.

PROCEDURAL HISTORY

4. Section 10(2) of the Act, requires that before the making of a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or persons of that class, a reasonable opportunity to make submissions.
5. The Tribunal wrote to the Premier, as the Minister responsible for the Act, and the members of the Parliament on 9 October 2017, notifying of the Tribunal's intention to review Determination 12 of 2016, and inviting submissions with a closing date of 31 October 2017. A notice of the review was also placed on the Tribunal's public website. No submissions were received by the Tribunal.

ACCOMMODATION AND MEAL ALLOWANCES FOR MINISTERS OF THE CROWN AND THE LEADER AND DEPUTY LEADER OF THE OPPOSITION

6. The allowances under consideration for Ministers of the Crown and the Leader and Deputy Leader of the Opposition, are provided for the purpose of accommodation and meal expenses associated with travelling in an official capacity within South Australia and interstate.
7. The Tribunal has had regard to increases in accommodation and meal allowances applicable within the South Australian public sector. The Tribunal has also considered increases in the costs of the relevant goods and services, including movements in the Consumer Price Index¹ for South Australia.
8. The Tribunal is of the view that justification exists to increase these allowances. The Tribunal will issue a Determination accordingly.
9. For greater clarity, the Tribunal has made a minor adjustment to the text of the accompanying Determination at paragraph (2), which establishes the basis of the entitlement.

COUNTRY MEMBERS ACCOMMODATION ALLOWANCE

10. The Country Members Accommodation Allowance is provided to a Member of either House of Parliament whose usual place of residence is more than 75 kilometres by road (by the most direct route) from the Adelaide General Post Office ("GPO"), and who is required to stay in Adelaide overnight in order to attend to either parliamentary duties or the Member's duty to be actively involved in community affairs. A modest level of allowance is also provided to a Member whose permanent residence is outside metropolitan Adelaide but who does not qualify for the existing accommodation allowance because they do not live more than 75 kilometres from the GPO.
11. Having regard to the increased accommodation allowances granted to the South Australian public sector, the Tribunal is of the view that justification exists to increase the allowances for Country Members of Parliament.
12. The Tribunal will therefore issue the accompanying Determination to provide equivalent increases to the accommodation allowances for Country Members of Parliament.

Such changes will be made in the Determination arising from this Report. The consequence will be removal of some designated office holders to which Determination 11 of 2016 applied.

REPORT OF THE REMUNERATION TRIBUNAL

NO. 15 OF 2017

2017 Judicial Security Allowance

INTRODUCTION AND BACKGROUND

1. The Remuneration Tribunal (“the Tribunal”) has jurisdiction under section 13 of the *Remuneration Act 1990* (“the Act”) to determine the remuneration payable to the judiciary and holders of the public offices listed in that section of the Act. The Tribunal is also given jurisdiction under section 14 of the Act to determine the remuneration payable to holders of certain other public offices where jurisdiction is conferred on the Tribunal by any other Act, or by proclamation by the Governor.
2. The Tribunal’s last Determination in relation to Judicial Security Allowance was Determination 13 of 2016¹. That Determination provides for a Judicial Security Allowance for the office holders within the scope of application of the Determination at the level of \$1,000 per annum.
3. The Judicial Security Allowance is provided for the purpose of expenditures in relation to personal security at the judicial officer’s residence.

PROCEDURAL HISTORY

4. Section 10(2) of the Act, requires that before the making of a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or persons of that class, a reasonable opportunity to make submissions.
5. The Tribunal wrote to the affected parties on 9 October 2017, notifying them of the Tribunal’s intention to review Determination 13 of 2016, and inviting submissions with a closing date of 31 October 2017. The Tribunal also invited submissions from the Premier, as the Minister responsible for the Act, and placed a notice of the review on the Tribunal’s public website.

SUBMISSIONS

6. The Judicial Remuneration Coordinating Committee (“JRCC”) submitted that the Tribunal should review the existing determination in relation to Judicial Security Allowance and increase the allowances to reflect movements in the Consumer Price Index since the most recent determinations were made.
7. The Crown Solicitor’s Office (“CSO”) on behalf of the Premier submitted that the Premier supports the submissions of the JRCC in relation to this matter.

EXPANSION OF THE SOUTH AUSTRALIAN EMPLOYMENT TRIBUNAL

8. As from 1 July 2017, the jurisdiction of the South Australian Employment Tribunal (“SAET”) expanded upon the dissolution of the Industrial Relations Court and Industrial Relations Commission of South Australia. These changes were brought about by the *Statutes Amendment (South Australian Employment Tribunal) Act 2016* and make necessary an amendment to the scope of the application of the Tribunal’s judicial security allowance Determination. Such changes will be made in the Determination arising from this Report. The consequence will be removal of Commissioners of the Industrial Relations Commission from the Determination. References to *Industrial Relations Court and Commission* will also be substituted by reference to the *South Australian Employment Tribunal*.

CONSIDERATION

9. The Tribunal doubts that the cost of the relevant goods and services that form components of the Consumer Price Index, which is a broad measurement of changes in the price of a wide ranging basket of goods and services, is an accurate measure of increased costs in relation to judicial security.
10. Moreover, the Tribunal has observed that the relevant goods and services within the furnishings, household equipment and services group of the Adelaide Consumer Price Index have decreased in price over the year ending September 2017.
11. Given the Tribunal's doubts about the utility and validity of the Consumer Price Index as a reference point and our observations concerning the negative movement in the furnishings, household equipment and services group, the Tribunal has decided not to adjust the allowance at this time.
12. The Tribunal indicates its preparedness to further consider a method of adjusting the Judicial Security Allowance, which is better informed by considerations of costs specifically related to the relevant goods and services.

PURSUANT to regulation 11 of the *South Australian Motor Sport Regulations 2014 (SA)*, the Minister to whom the administration of the *South Australian Motor Sport Act 1984 (SA)* (Act) has been committed hereby imposes the following conditions in respect of a permit, authorisation or ticket (collectively, Ticket) sold or granted by the SATC allowing entry to the motor sport event known as the Adelaide 500 (Event), in addition to any term stated or referred to in the Ticket. Every Ticket allowing entry to the Event is subject to: (a) these conditions, as amended by the SATC from time to time (displayed at Event entrances and available at <https://www.clipsal500.com.au/>); (b) the Act and regulations made under the Act; and (c) any reasonable direction issued by SATC, its employees, officers, agents, professional advisers, or any person appointed as an authorised person pursuant to regulation 20 under the Act (Authorised Person), (collectively, Conditions). Any person who, at any time, holds or purchases or otherwise acquires a Ticket (Patron) to enter the Event accepts and understands as binding the Conditions and any accompanying risks, obligations and responsibilities. It is each Patron's responsibility to inform themselves of all the Conditions.

1. Motor Sport Activities are inherently dangerous recreational activities and there is significant risk of injury, disability or death.

If you do not wish to be exposed to such risks, then you should not attend or participate in Motor Sport Activities.

WARNING: If you participate in these activities your rights to sue the supplier under the Competition and Consumer Act 2010 if you are killed or injured because the activities were not supplied with due care and skill or were not reasonably fit for their purpose, are excluded, restricted or modified in the way set out in these Conditions.

In exchange for being able to attend or participate in the Motor Sport Activities, you agree:

- to release the SATC, the Crown in the right of South Australia, the Confederation of Australia Motor Sport Ltd (CAMS) and the Entities* to the extent that any or all of them are providing Recreational Services from all liability for: a) your death; b) any physical or mental injury (including the aggravation, acceleration or recurrence of such an injury); c) the contraction, aggravation or acceleration of a disease; d) the coming into existence, the aggravation, acceleration or recurrence of any other condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs: i. that is or may be harmful or disadvantageous to you or the community; or ii. that may result in harm or disadvantage to you or the community,

howsoever arising from your participation in or attendance at the Motor Sport Activities;

- to indemnify and hold harmless and keep indemnified the SATC, the Crown in the Right of South Australia, CAMS and each of the Entities to the maximum extent permitted by law in respect of any Claim by any person; and
- to attend at or participate in the Motor Sport Activities at your own risk.

NOTE: The change to your rights, as set out in these Conditions, does not apply if your death or injury is due to reckless conduct on the supplier's part. "Reckless Conduct" means conduct where the supplier of the recreational services is aware, or should reasonably have been aware, of a significant risk that the conduct could result in personal injury to another person and engages in the conduct despite the risk and without adequate justification. See section 139A of the Competition and Consumer Act 2010.

*'Entities' means event and competition organisers/promoters/managers, land and track owners/managers/administrators/lessees, CAMS affiliated clubs, state and territory governments and insured listed in CAMS' public/product/professional indemnity insurance policies and each of their related bodies corporate (including their related bodies corporate) and each of their organs and agencies, officers/president/directors/executives, employees, servants, agents, partners, providers, members, competitors, drivers, co- drivers, navigators, officials, crew members, pit crew, delegates, licence holders, representatives, commissions, committees, advisers, trustees, councils, panels, shareholders, volunteers, officials, appointees, delegated bodies and sponsors.

2. At the Event, Patrons must not, without the prior written consent of the SATC: (a) post, stick or place any poster, placard, bill, banner, print, paper or any advertising material on any building, structure, fence or tree; (b) promote any advertising or promotional material, samples of goods or services or any other matter or thing or otherwise engage in ambush marketing; (c) disrupt, interrupt or behave in any manner that may disrupt or interrupt any official or employee or contractor of the SATC, or any race, event or activity; (d) act or conduct oneself in such a way as to hinder, obstruct or interfere with a driver of any vehicle taking part in a race or to adversely affect the safety of the public; (e) deliberately obstruct the view of any Patron seated in a seat in the immediate vicinity, or cause unreasonable inconvenience to any Patron, official or employee or contractor of the SATC, or interfere with the comfort of any Patron or their enjoyment of the Event; (f) use racist, indecent or obscene language or threatening or insulting words or otherwise behave in a threatening, abusive, riotous, indecent or insulting manner; (g) interfere with, obstruct or hinder the SATC or an Authorised Person in the exercise of their powers, functions or duties; (h) ignite any flare or firework, explosive or smoke bomb; (i) become intoxicated, use banned drugs or supply alcohol to minors; (j) smoke in a designated 'no smoking' area; or (k) refuse to follow any reasonable direction issued by the SATC.
3. Patrons must not, without the prior written consent of the SATC, have in their possession at the Event, or bring into the Event any: (a) alcoholic beverage (unless purchased at the Event); (b) glass bottle or glass container (unless purchased at the Event); (c) beverage container with the manufacturer's seal broken (unless purchased at the Event); (d) hard cased esky or ice box (polystyrene eskies and cooler bags acceptable); (e) chair, lounge, bench or stool, other than a folding chair or folding stool; (f) clothing bearing any racist, indecent or obscene language or images, patch, insignia or logo ("colours"); (g) prohibited or controlled weapon, firearm, or any dangerous goods; (h) animal, other than an assistance dog; (i) flare, firework, laser pointer, or distress signal; or (j) item the possession of which does not have an ordinary and reasonable use by a Patron at the Event and which may be used to damage or deface property, buildings or any part of the area used for the Event (including without limitation any spray paint), disrupt or interrupt the Event, hinder, obstruct or interfere with any driver taking part in the Event, adversely affect public safety, excavate any part of the area used for the Event or erect any structure.

4. The SATC may, at any time, require a Patron to open for inspection any vehicle, bag, basket or other receptacle, or turn out their pockets. Patrons who fail to comply with such a request may be refused entry or directed to leave the Event.
5. The SATC may direct any Patron at any time at the Event to produce a valid Ticket.
6. At all times, Tickets remain the property of the SATC.
7. The SATC may set aside (a) certain areas as reserved areas; (b) certain blocks of seats as reserved blocks of seats; and (c) certain seats as reserved seats. A person who is not the holder of a Ticket conferring an entitlement to: (a) enter and remain in a reserved area; or (b) occupy a seat in a reserved block of seats; or (c) occupy a reserved seat, must not enter or remain in that area or occupy that seat.
8. Each Patron must keep his or her Ticket safe and in good condition, as the SATC is not obliged to replace any Ticket under any circumstances, including but not limited to loss or theft – however the SATC may, in its sole and absolute discretion, replace a Ticket which has been lost or stolen (and may charge a fee for that replacement).
9. Each Patron's entry to the Event is not transferable. If a Patron is exiting the Event and seeks re-entry, the Patron must produce a valid Ticket for that day and/or the Patron's hand must be stamped to regain entry on the same day. The stamp must be shown together with a valid Ticket for that day to regain entry.
10. Patrons holding a concession ticket must provide identification confirming concession status at the time of entry.
11. Unless otherwise authorised by the SATC, every child entering the Event must have a Ticket. The child Patron must be accompanied by an adult Patron (18 years of age or over) at all times during attendance at the Event. The SATC or its representatives may require evidence of the child Patron's age or make a reasonable assessment of the Patron's age in which case SATC's or its representative's assessment will be final and determinative. If the SATC (or its representative) assesses any Patron bearing a Children's Ticket to be older than the age applicable to the Ticket, the SATC may: (a) refuse entry or direct the Patron to leave the Event without refund; or (b) direct the person to purchase a Ticket that is available to persons of that age. Patrons who accompany children at the Event are responsible for the care, conduct and supervision of those children and must keep those children within sight at all times. Children may not be permitted to enter certain areas at the Event as determined or advised by the SATC in its absolute discretion.
12. The SATC reserves the right to add, withdraw or substitute any drivers, performers or activities including any concerts or other entertainment associated with the Event, vary programs, other conveniences and attractions and audience capacity from time to time.
13. The SATC will not be liable to any Patron for any loss or damage (including indirect or consequential loss or damage) suffered as a result of or arising from or in any way connected to cancellation, postponement or change to the Event (or any part of the Event).
14. The SATC will refund payments made by Patrons to the SATC for Tickets only if the entire Event is cancelled and cannot be rescheduled.
15. Patrons must not, without the written approval of the SATC: (a) broadcast, telecast or transmit by any means whatsoever any sound or moving image of the Event or any part of the Event; or (b) make any sound recording or any visual record or moving images of the Event or any part of the Event for profit or gain, from within or outside the Event area.
16. Patrons acknowledge that the SATC and third parties authorised by the SATC may make, create, store, record, transmit, reproduce or use recordings and images or any likenesses at or in relation to the Event (including, without limitation, of Patrons). Each Patron grants the SATC and third parties authorised by it, permission to use any recordings, images or likenesses of the Patron in any media world-wide and for any purpose without identification, compensation or payment of any kind.
17. The SATC, its representatives, including any Authorised Person, may refuse entry to any Patron or direct any Patron to leave the Event. Any person who does not comply with the Conditions may be refused entry or directed to leave the Event.
18. Patrons acknowledge and agree that any part or parts of these Conditions that is illegal or unenforceable may be severed from these Conditions and the remaining part or parts of the Conditions continue in force.
19. A person who contravenes or fails to comply with these Conditions is subject to a maximum penalty of \$1,250.
20. These Conditions are governed by, and are to be construed in accordance with, the law of the state of South Australia.
