References in Part 2 of Chapter 6 of the Act to 'the Chief Executive Officer' shall be read as if they were references to the Executive Officer of the Regional Subsidiary and references to 'the Council' or 'the committee' shall be read as if they were references to the Regional Subsidiary.  
To the extent that this Charter and the Act and the relevant Regulations are silent, the Board may determine its own meeting procedures.
- 12.2 Subject only to the special provisions of this clause, a meeting of the Board will not commence until a quorum of Board members is present and no meeting may continue unless there is a quorum of Board members present. A quorum of Board members will comprise half the Board members then in office (ignoring any fraction) plus one. A time limit of 30 minutes shall apply from the advertised commencement time of the Board meeting in which to achieve a quorum. At the commencement of the meeting, each Board member must announce his/her presence to all other Board members taking part in the meeting. A Board member must not leave a telecommunication meeting by disconnecting his/her, audio visual or other communication equipment, unless that Board member has previously notified the Chairperson of the meeting.
- 12.4 In the event that a quorum is not present at two consecutive meetings of the Board, an extraordinary meeting of the Board may be convened in the same manner as for a special meeting (see clause 9.8), at which the business in the agendas for the two previous failed meetings may be transacted at the extraordinary meeting of the Board where the requirement for a quorum is altered to at least two (2) members being in attendance. Decisions made at the extraordinary meeting of the Board will be binding on the Regional Subsidiary and all members of the Board and the Constituent Councils.
- 12.5 Unless this Charter provides otherwise, all matters for decision at a meeting of the Board will be decided by a simple majority of the Board members present and entitled to vote on the matter.  
Each Board member, including the Chair, is entitled to only a deliberative vote on a matter. Board members may not vote by proxy.
- 12.6 In the event of equality of votes, the Chairperson will not have a casting vote and the matter will be deemed to have lapsed and may at some later time, whether at the same meeting or at a subsequent meeting, be reconsidered.
- 12.7 Meetings of the Board will be held at such time and such place as the Board decides subject only to the requirement that there will be at least one meeting in every three calendar months.
- 12.8 A special meeting of the Board may be held at any time and may be called at the request of the Chairperson or at the written request of three (3) members of the Board.
- 12.9 Notice of all meetings will be given in accordance with the provisions applicable to a committee meeting under Part 2 of Chapter 6 of the Act and the associated Regulations.
- 12.10 Meetings of the Board will be open to the public unless the Board resolves to exclude the public pursuant to section 90 of the Act.
- 12.11 All Board members must keep confidential all documents and any information provided to them in confidence for their consideration prior to a meeting of the Board.

- 13.3 The Executive Officer has those powers, insofar as they may be made applicable, as the chief executive officer of a council as prescribed at section 99 of the Act and such other powers, functions and duties as prescribed by this clause and as determined necessary by the Board from time to time to ensure the efficient and effective management of the operations and affairs of the Regional Subsidiary.
- 13.4 The Board may authorise the Executive Officer to employ such other officers as are required for the efficient and effective management of the operations and affairs of the Regional Subsidiary.
- 13.5 The Board may engage professional consultants and it may authorise the Executive Officer to engage professional consultants to provide services to the Regional Subsidiary to ensure the proper execution of its decisions, the efficient and effective management of the operations and affairs of the Regional Subsidiary and for giving effect to the general management objectives and principles of personal management prescribed by this Charter.
- 13.6 The establishment of the Regional Subsidiary does not derogate from the power of any Constituent Council from performing for itself the same functions and powers as the Regional Subsidiary could on behalf of the Council.
- 13.6.1 The Regional Subsidiary must register with the *Local Government Association Mutual Liability Scheme* and comply with the rules of that Scheme.
