 - (o) the motivation of the applicant to adopt a child;

- (p) if the applicant has expressed an interest in adopting a child with special needs—the capacity of the applicant to provide the standard of care required to fulfil the needs of such a child throughout the child's childhood and, if it is likely to be necessary because of the child's special needs, into adulthood;
 - (q) if the applicant has expressed an interest in adopting a child of a particular racial origin—the applicant's understanding of, and interest in, people of that racial origin and the applicant's attitude towards the retention by such a child of the child's cultural heritage.
- (5) A person preparing an assessment report—
 - (a) must have regard to any relevant information relating to the applicant held by the administrative unit that is, under a Minister, responsible for the administration of the *Children and Young People (Safety) Act 2017*; and
 - (b) may have regard to any other factor that the person considers relevant in the particular circumstances.
- (6) The Chief Executive may rely on an assessment report prepared by an adoption agency in relation to an application if satisfied that the agency, in preparing that assessment report, has complied with the requirements of this regulation (and in such a case the Chief Executive is not obliged to cause any other assessment report to be prepared in relation to the application).

11—Registration

- (1) A decision on an application must be made within 18 months of the date on which the application was lodged.
- (2) If, after considering an assessment report prepared in relation to an application, the Chief Executive is satisfied that the applicant or, in the case of a joint application, each applicant is a suitable person to adopt a child of the kind in relation to which registration is sought, the Chief Executive will register the applicant or applicants on the appropriate subregister or subregisters.
- (3) If an assessment report has not been prepared in relation to an application for the reasons set out in regulation 10(2), the application may be rejected.
- (4) Before the Chief Executive rejects an application, the applicant must be given an opportunity to make representations on the matter to the Chief Executive.
- (5) Written notice of the Chief Executive's decision under this regulation, together with a copy of the relevant assessment report, must be given to the applicant.
- (6) If the Chief Executive rejects an application, the notice of that decision must inform the applicant of the right to seek a review of the decision and must set out the procedures and time limits that apply in respect of seeking a review.

12—Transfer of registration from another State or Territory

- (1) A person who has been registered as a prospective adoptive parent under the law of another State or a Territory of the Commonwealth that substantially corresponds to the Act and these regulations may apply to the Chief Executive to have that registration transferred to this State.
- (2) If a person who is so registered duly applies for transfer of that registration under subregulation (1), the Chief Executive must enter the applicant's name in the register if satisfied that the applicant—
 - (a) is registered under that other law; and

- (b) meets the minimum requirements for applicants for registration set out in regulation 9; and
 - (c) is a suitable person to adopt a child of the kind in relation to which registration is sought; and
 - (d) has given notice of the application for transfer of registration, in writing, to the authority administering the other law.
- (3) The Chief Executive may require a person transferring registration in accordance with this regulation to provide such information as is necessary to determine which subregister or subregisters the person's name should be entered in.
- (4) Where a person who has been registered under another law becomes registered in accordance with this regulation, the entry in the register will be taken to have been made on the day on which the person was registered under the other law.

13—Conversion of registration into joint registration

- (1) A person who is registered as a single prospective adoptive parent and who, following registration, commences living together with another person in a qualifying relationship may, if the other person meets the minimum requirements for applicants for registration set out in regulation 9, apply jointly with that other person to the Chief Executive to have the registration converted into joint registration.
- (2) The Chief Executive will treat an application for conversion of registration under this regulation in all respects as if it were a joint application for registration made under regulation 8.
- (3) Where a person's initial registration is converted into joint registration in accordance with this regulation, the entry in the register relating to that joint registration will be taken to have been made on the day on which the person's initial registration occurred.

14—Duration and renewal of registration

- (1) Registration of a person as a prospective adoptive parent—
 - (a) has effect, subject to these regulations, for a period of 3 years; and
 - (b) may be renewed from time to time in accordance with this regulation; and
 - (c) ceases—
 - (i) on written notice of withdrawal being given to the Chief Executive by the registered person or, in the case of persons with joint registration, on the written notice of either of the registered persons; or
 - (ii) on the death of the registered person; or
 - (iii) on cancellation of the registration by the Chief Executive under these regulations.
- (2) Subject to subregulation (3), an application for renewal of registration must be lodged with the Chief Executive not more than 3 months and not less than 1 month before the period of registration expires.
- (3) The Chief Executive may, in the Chief Executive's discretion, accept a late application for renewal of registration.
- (4) A person may only apply for renewal of registration if the person meets the minimum requirements for applicants for registration set out in regulation 9.

- (5) On receipt of an application for renewal of registration, the Chief Executive must cause the assessment report relating to the applicant to be reviewed having regard to any changes in circumstances of the applicant in the period since that report was prepared or was last reviewed.
- (6) However, an assessment report need not be reviewed if—
 - (a) the applicant is not resident in this State while the review is being carried out; or
 - (b) in the opinion of the Chief Executive, the review cannot be completed due to—
 - (i) the inability to adequately review the assessment of the applicant in the applicant's usual home environment; or
 - (ii) the failure of the applicant to participate in workshops, seminars or interviews or to cooperate in the review process.
- (7) If an assessment report has not been reviewed for the reasons set out in subregulation (6), the application for renewal of registration may be rejected.
- (8) The Chief Executive may rely on a review of an assessment report undertaken by an adoption agency if satisfied that the agency, in undertaking the review, has had proper regard to any changes in circumstances of the applicant in the period since that report was prepared or was last reviewed.
- (9) If, after considering the review of the assessment report, the Chief Executive is satisfied that the applicant or, in the case of a joint application, each applicant is still a suitable person to adopt a child of the kind in relation to which renewal of registration is sought, the Chief Executive will renew the registration for a further period of 3 years.
- (10) Before the Chief Executive rejects an application for renewal of registration, the applicant must be given an opportunity to make representations on the matter to the Chief Executive.
- (11) Written notice of the Chief Executive's decision under this regulation, together with a copy of the review of the assessment report, must be given to the applicant.
- (12) If the Chief Executive rejects an application for renewal of registration, the notice of that decision must inform the applicant of the right to seek a review of the decision and must set out the procedures and time limits that apply in respect of seeking a review.

15—Cancellation of registration

- (1) The registration of a person as a prospective adoptive parent will be cancelled if a child is placed for adoption with that person.
- (2) The registration of a person as a prospective adoptive parent will be cancelled by the Chief Executive if—
 - (a) the person ceases to be resident or domiciled in this State; or
 - (b) the person ceases to be permanently resident in Australia; or
 - (c) the person ceases to be an Australian citizen and, in the case of joint registration, the person with whom they are jointly registered is not an Australian citizen; or
 - (d) a child is removed from the care or custody of that person under the *Children and Young People (Safety) Act 2017*, the *Children's Protection Act 1993*, or any other similar law of this State or another State or a Territory of the Commonwealth; or
 - (e) the person is a prohibited person within the meaning of section 15 of the *Child Safety (Prohibited Persons) Act 2016*; or
 - (f) without limiting paragraph (e), the person has, as an adult, been convicted of—

- (i) an offence against section 14 of the *Criminal Law Consolidation Act 1935* (criminal neglect); or
 - (ii) any other offence involving violence towards a child, abuse of a child or abduction of a child; or
 - (g) the person's registration is transferred to another State or a Territory of the Commonwealth; or
 - (h) the registration was improperly obtained.
- (3) If a person is registered on a subregister relating to children who are resident in a country outside Australia and the person ceases to satisfy the minimum requirements of that country for adoption of a child by a person resident in Australia, the person's registration on that subregister will be cancelled by the Chief Executive.
- (4) If the registration of a person is cancelled or otherwise ceases in accordance with these regulations, the Chief Executive will, unless satisfied that special reasons exist for not doing so, cancel the registration of a person jointly registered with that person.
- (5) If persons who are jointly registered cease living together in a qualifying relationship, the Chief Executive—
- (a) if satisfied that special reasons exist for doing so, may cancel the registration of 1 of the persons but not the other;
 - (b) in any other case—will cancel the registration of both persons.
- (6) A person registered as a prospective adoptive parent must—
- (a) within 28 days of the person's registration becoming liable to cancellation under this regulation, inform the Chief Executive of that fact; and
 - (b) as soon as is reasonably practicable after any other significant change in the person's circumstances that—
 - (i) in the case of a jointly registered person— might affect the suitability of either person to adopt a child of the kind in relation to which they are registered; or
 - (ii) in any other case—might affect the suitability of the person to adopt a child of the kind in relation to which the person is registered,inform the Chief Executive of the change.

Maximum penalty: \$5 000.

Note—

The following are examples of a significant change in a person's circumstances that might affect the suitability of the person to adopt a child:

- if the person suffers a deterioration in health; or
- if the person is likely to have another child residing with the person within the next 12 months.

- (7) It is a defence to a charge of an offence under subregulation (6)(a) for the defendant to prove that—
- (a) the defendant's registration only became liable to cancellation because, due to a change in the law of a country outside Australia, the person ceased to satisfy the minimum requirements of that country for adopting a child; and
 - (b) the defendant did not know that the law of that country had so changed.

- (8) The Chief Executive may, at any time, review the registration of a person and may, if the Chief Executive finds that the person is no longer a suitable person to adopt a child of the kind in relation to which the person is registered or, in the case of joint registration, that either person is no longer a suitable person to adopt such a child, cancel the registration of the person or persons.
- (9) Before the Chief Executive cancels the registration of a person under this regulation (other than under subregulation (1) or (2)), the person must be given an opportunity to make representations on the matter to the Chief Executive.
- (10) Written notice of the Chief Executive's decision to cancel registration under this regulation, together with a brief description of the reasons for that decision, must be given to each person affected by the decision.
- (11) A notice under subregulation (9) must inform the person of the right (if any) to seek a review of the decision and must set out the procedures and time limits that apply in respect of seeking a review.
- (12) A decision to cancel the registration of a person under subregulation (1) or (2) may not be the subject of an application for a review under regulation 17.

16—Additional requirements relating to applications

The Chief Executive may, for the purposes of determining an application under this Part, require the applicant—

- (a) to provide further information on any matter specified; or
- (b) to participate in specified workshops or seminars; or

18—Powers of Tribunal

- (b) the assessment report relevant to the person who sought the review; or

Part 6—Selection of applicants for adoption orders

- (2) A person is excluded from selection as an applicant for an order for adoption of a particular child in accordance with the order prescribed by subregulation (1) if the Chief Executive is satisfied that—
 - (a) the adoption of the child by the person would be inconsistent with a limitation of the consent to the adoption of a parent or guardian of the child; or
 - (b) the adoption of the child by the person would be contrary to—
 - (i) the wishes of the child's birth parent or guardian; or
 - (ii) in relation to a child who is resident in a country outside Australia—the requirements of the law of that country governing the adoption of children; or
 - (c) the adoption of the child by another person whose name is included in the register would, in the particular circumstances of the child, better safeguard and promote the best interests, rights and welfare of the child; or
 - (d) the registration of the person on the register is liable to cancellation; or
 - (e) the person is living together with another person in a qualifying relationship but the other person is not jointly registered with the person as a prospective adoptive parent; or

 - (c) is in a qualifying relationship with another person but has only been living together with that other person for a continuous period of less than 3 years,

is excluded from selection as an applicant for an order for adoption of a particular child in accordance with the order prescribed by subregulation (1) unless the Chief Executive is satisfied that there are special circumstances that would justify the making of an adoption order in favour of the person.

- (4) If a person—
 - (a) has a child residing with him or her and the child has so resided for a period of less than the immediately preceding 12 months; or
 - (b) will or is likely to have any other child residing with him or her in the period of 2 years following selection as an applicant for an adoption order under this regulation,

- the Chief Executive must, before selecting the person as an applicant for an order for adoption of a particular child in accordance with this regulation, have regard to—
- (c) the effect that having the care of another child may have on the best interests, rights and welfare of the particular child proposed to be adopted or on the person's ability to care for that child; and
 - (d) the impact that the adoption of the particular child by the person may have on that other child.
- (5) In the case of selection of applicants for an adoption order from the overseas subregister—
- (a) subject to any requirements of the overseas country, the order of selection will be as follows:
 - (i) the Chief Executive will invite those persons on the subregister, in the order in which the persons' names appear in the subregister, to submit documentation for forwarding to the relevant authority of an overseas country; and
 - (ii) the documentation will be forwarded to the overseas country in the order in which the completed documentation has been received by the Chief Executive; and
 - (b) subregulations (2) to (4) (inclusive) apply if a relevant authority of an overseas country proposes the adoption of a particular child.
- (6) The selection of a person under this regulation as an applicant for an order for adoption of a child may be cancelled if the Chief Executive becomes aware of circumstances that, if known or in existence at the time of the selection, would have resulted in the person being excluded from selection as an applicant for the order.
- (7) If the selection of a person is cancelled under subregulation (6), the Chief Executive must notify the person in writing of the cancellation.

20—Legal practitioners to comply with this regulation when representing party under 18 years
