These charges have effect from 1 January 2019:

1. Charges for dependent subclass 457 or 482 visa student per full school year (40 weeks):

   subject to any applicable fee reductions, pro rata adjustments for enrolment for part of a school year in which the charge applies or exemptions.

2. Where more than one dependent of a primary subclass 457 or 482 visa holder is subject to a charge under this notice, the full amount of the charge payable under paragraph 1 will apply to the eldest of those dependents.    Where the family income is more than $60,000, but less than the upper threshold rounded down to the nearest whole thousand dollars, the charge payable is a proportion of the charge indicated in paragraph 1, calculated according to the following formula:
