Priority consideration will be given to applications for enrolment from parents of prospective Reception students to attend the following school year, if they have been living inside the school zone prior to week 3, term 3 and whose application is received by this date.

If more than **104** applications for enrolment are received from parents living in the school zone by the beginning of week 3, term 3, places will be offered based on whether any, all or a combination of the following applies:

- the length of time the child has lived in the school zone
- the distance of the child’s residence from the school
- other personal needs such as curriculum, transportation/location convenience, social/family links at the school.

Late applications for Reception from students living in the school zone

Families who move into the school zone or who are already living in the school zone but lodge their application for enrolment after the end of week 3, term 3, will only have their applications considered if or when vacancies exist, with priority consideration afforded to those applicants already on the school's enrolment register.

If no vacancies exist, the applicants upon request, will be placed on the school's enrolment register and referred for enrolment to other neighbouring schools.

Application for Reception from students living outside the zone with siblings currently at the school

There is no automatic entry for Reception students who live outside the school's zone and have older siblings who currently attend the school.

Pursuant to section 15 (1) (a) of the *Professional Standards Act 2004*, I specify 8 October 2019 as the date of commencement of the Chartered Accountants Australia and New Zealand Professional Standards Scheme.

PROFESSIONAL STANDARDS ACT 1994 (NSW)

*Chartered Accountants Australia and New Zealand Professional Standards Scheme**Preamble*

- A. Chartered Accountants Australia and New Zealand ("CA ANZ") is a national Occupational Association.
- B. CA ANZ has applied to the Professional Standards Council, appointed under the *Professional Standards Act 1994* (NSW) ("the Act"), for approval of a scheme under the Act, as set out in this document ("the Scheme").
- C. The Scheme has been prepared by CA ANZ for the purposes of limiting Occupational Liability to the extent to which such liability may be limited under the Act.
- D. The Scheme is to apply to all participating members referred to in clause 2.1 below, in respect of services provided in Australia.
- E. CA ANZ has provided the Professional Standards Council with a detailed list of risk management strategies intended to be implemented in respect of its members and the means by which those strategies are intended to be implemented.
- F. All participating members referred to in clause 2.1 of the Scheme are subject to disciplinary measures under the By-laws of CA ANZ, and are also subject to the professional indemnity insurance requirements of Regulation R2A of CA ANZ's regulations.
- G. The Scheme is to commence on 8 October 2019 and remain in force for a period of 5 years (unless it is revoked, extended or ceases in accordance with section 32 of the Act).
- H. Occupational liability limited by this Scheme may also be subject to the provisions of Commonwealth legislation, which may provide for a different limitation of liability, or unlimited liability, in a particular case, and thereby alter the effect of the Scheme.

1. OCCUPATIONAL ASSOCIATION

- 1.1 This Scheme is a scheme under the Act prepared by CA ANZ, whose business address is 33 Erskine Street, Sydney NSW 2000.
- 1.2 Terms used in the Scheme are defined in the Scheme, including in clause 4.

2. PERSONS TO WHOM THE SCHEME APPLIES

- 2.1 The Scheme applies to:
 - (a) all CA ANZ members who:

- (i) hold a current Australian Certificate of Public Practice;
 - (ii) are Affiliate Members; or
 - (iii) are incorporated Practice Entity Members;
 - (b) all persons to whom it applies by virtue of the Act and of the cognate provisions of the corresponding Acts of the other Australian jurisdictions in which the Scheme has effect.
- (collectively “**Participants**” and each a “**Participant**”).
- 2.2 No Participant to whom the Scheme applies may choose not to be subject to the Scheme, provided that CA ANZ may, on application by a Participant, exempt the Participant from the Scheme if CA ANZ is satisfied that he or she would suffer financial hardship in meeting the business asset and/or professional indemnity insurance requirement to the levels set out in clause 3 below.
- 2.3 All participating members referred to in clause 2.1 are subject to disciplinary measures under the By-Laws of CA ANZ, and are also subject to the professional indemnity insurance requirements of Regulation CR2A of CA ANZ's regulations.
- 3. LIMITATION OF LIABILITY**

- (a) the Participant has the benefit of an Insurance Policy insuring the Participant against that Occupational Liability, and the amount payable under the Insurance Policy in respect of the Occupational Liability relating to that claim (including any amount payable by the Participant by way of excess under or in relation to the Insurance Policy) is not less than the amount of the Category 1 monetary ceiling specified in clause 3.3 below; OR
 - (b) the Participant has business assets the net current market value of which is not less than the amount of that Category 1 monetary ceiling; OR

GENERAL

- 3.8 Pursuant to section 24(1)(b) of the Act, this Scheme confers on CA ANZ a discretionary authority to specify, on application by a Participant, a higher maximum amount of Occupational Liability not exceeding \$75 million than would otherwise apply under the Scheme in respect of any specified case or class of case of Category 2 services or Category 3 services, where the fee for the service or services is, or is reasonably expected to be, \$2 million or greater. The higher maximum amount of Occupational Liability will apply if CA ANZ exercises its discretion and approves the higher maximum amount of Occupational Liability prior to the Participant beginning to provide the relevant services.
- 3.9 In circumstances where a proceeding is brought against a Participant relating to Occupational Liability in connection with a combination of Category 1 services and any of:
- (a) Category 2 services;
 - (b) Category 3 services;
 - (c) Category 2 services and Category 3 services,
- the Participant's Occupational Liability under this Scheme for Damages in excess of the amount specified in clause 3.1 will be determined in accordance with those provisions of the Scheme relating to Category 1 services only, namely clauses 3.2 and 3.3.
- 3.10 In circumstances where a proceeding is brought against a Participant relating to Occupational Liability in connection with a combination of Category 2 services and Category 3 services, the participant's Occupational Liability under this Scheme for Damages in excess of the amount specified in clause 3.1 will be determined in accordance with those provisions of the Scheme relating to Category 2 services only, namely clauses 3.4 and 3.5.
- 3.11 Nothing in this Scheme is intended to increase, or has the effect of increasing, a Participant's Occupational Liability for Damages to a person beyond the amount that, but for the existence of this Scheme, the Participant would be liable in law.
- 3.12 This Scheme only limits the amount of Damages for which a Participant is liable if and to the extent that the Damages exceed the amount specified in clause 3.1. Where the amount of Damages for which a Participant otherwise would be liable on a claim entailing Occupational Liability exceeds the amount specified in clause 3.1 liability for Damages will be limited to the amount specified in the applicable other provisions of this clause 3, as provided for by section 28 of the Act.
- 3.13 Notwithstanding anything to the contrary contained in this Scheme, if in the circumstances giving rise to Occupational Liability, the liability of any Participant should be capped both by this Scheme and also by any other Scheme or Schemes under Professional Standards Legislation, be it the Act or the law of any other Australian state or territory, then should the amounts of such caps differ, the highest of them shall apply.
