HIS EXCELLENCY THE HONOURABLE HIEU VAN LE, Companion in the Order of Australia, Governor in and over the State of South Australia:

TO
The Honourable ROSLYN GAY ATKINSON AO

Greeting:

RECOGNISING that people with disability are equal citizens and have the right to the full and equal enjoyment of all human rights and fundamental freedoms, including respect for their inherent dignity and individual autonomy.

AND that people with disability have the same rights as other members of Australian society to live and participate in safe environments free from violence, abuse, neglect and exploitation.

AND all forms of violence against, and abuse, neglect and exploitation of, people with disability are abhorrent.

AND Australia has international obligations to take appropriate legislative, administrative and other measures to promote the human rights of people with disability, including to protect people with disability from all forms of exploitation, violence and abuse under the Convention on the Rights of Persons with Disabilities.
AND to give effect to those obligations and broader responsibilities to all Australians, all Australian Governments provide funding and services for people with disability, and have implemented laws to protect and enhance the wellbeing of people with disability.

AND it is important that violence against, and abuse, neglect and exploitation of, people with disability in all settings and contexts are exposed and examined, including through the sharing of individual experiences.

AND it is important that people with disability are central to processes that inform best practice decision-making on what all Australian Governments and others can do to prevent and respond to violence against, and abuse, neglect and exploitation of, people with disability.

AND all Australian Governments have expressed their support for, and undertaken to cooperate with, your inquiry.

AND whereas, by Letters Patent issued and entered in the Register of Commissions, Patents, Etc., on 20 June 2019, the following were appointed to be Commissioners to enquire into and report upon matters set out in the Commission issued pursuant to Royal Commissions Act 1917 to:

(i) The Honourable Ronald Sackville AO QC;
(ii) Ms Barbara Bennett PSM;
(iii) Dr Rhonda Louise Galbally AC;
(iv) Ms Andrea Jane Mason OAM;
(v) Mr Alastair James McEwin AM; and
(vi) The Honourable John Francis Ryan AM.

NOW I, the Governor, with the advice and consent of the Executive Council and under the Royal Commissions Act 1917, DO HEREBY APPOINT YOU, The Honourable Roslyn Gay Atkinson AO, to be a Commissioner and an additional member of this Commission and appointed to be Commissioners to enquire into and report upon matters set out in the Commission issued pursuant to Royal Commissions Act 1917 to:

(a) what governments, institutions and the community should do to prevent, and better protect, people with disability from experiencing violence, abuse, neglect and exploitation, having regard to the extent of violence, abuse, neglect and exploitation experienced by people with disability in all settings and contexts;

(b) what governments, institutions and the community should do to achieve best practice to encourage reporting of, and effective investigations of and responses to, violence against, and abuse, neglect and exploitation of, people with disability, including addressing failures in, and impediments to, reporting, investigating and responding to such conduct;

(c) what should be done to promote a more inclusive society that supports the independence of people with disability and their right to live free from violence, abuse, neglect and exploitation;

(d) any matter reasonably incidental to a matter referenced to in paragraphs (a) to (c) or that you believe is reasonably relevant to your inquiry.

AND I direct you to make any recommendations arising out of your inquiry that you consider appropriate, including recommendations about any policy, legislative, administrative or structural reforms.

AND, without limiting the scope of your inquiry or the scope of any recommendations arising out of your inquiry that you may consider appropriate, I direct you, for the purposes of your inquiry and recommendations, to have regard to the following matters:

(e) all forms of violence against, and abuse, neglect and exploitation of, people with disability, whatever the setting or context;

(f) all aspects of quality and safety of services, including informal supports, provided by governments, institutions and the community to people with disability, including the National Disability Insurance Scheme (NDIS) and the NDIS Quality and Safeguarding Framework agreed by all Australian Governments in 2017;

(g) the specific experiences of violence against, and abuse, neglect and exploitation of, people with disability are multilayered and influenced by experiences associated with their age, sex, gender, gender identity, sexual orientation, intersex status, ethnic origin or race, including the particular situation of Aboriginal and Torres Strait Islander people and culturally and linguistically diverse people with disability;

(h) the critical role families, carers, advocates, the workforce and others play in providing care and support to people with disability;

(i) examples of best practice and innovative models of preventing, reporting, investigating or responding to violence against, and abuse, neglect or exploitation of, people with disability;

(j) the findings and recommendations of previous relevant reports and inquiries.

AND I further declare that you are not required by this commission to inquire, or to continue to inquire, into a particular matter to the extent that you are satisfied that the matter has been, is being, or will be, sufficiently and appropriately dealt with by the Royal Commission into Aged Care Quality and Safety, another inquiry or investigation, or a criminal or civil proceeding.

AND, without limiting the scope of your inquiry or the scope of any recommendations arising out of your inquiry that you may consider appropriate, I direct you, for the purposes of your inquiry and recommendations, to consider the following matters, and I authorise you, as you consider appropriate, having regard to the date by which you are required to submit your final report, to take (or refrain from taking) any action arising out of your consideration:

(k) the need to establish accessible and appropriate arrangements for people with disability, and their families, carers and others, to engage with your inquiry and to provide evidence to you, and share information with you, about their experiences;

(l) the need to focus your inquiry and recommendations on systemic issues, recognising nevertheless that you will be informed by individual experiences and may need to make referrals to appropriate authorities;

(m) the need to establish mechanisms to facilitate the timely communication of information, or the furnishing of evidence, documents or things, in accordance with any relevant law, including, for example, for the purpose of enabling the timely investigation and prosecution of offences or assisting an inquiry on a related matter by the Royal Commission into Aged Care Quality and Safety;

(n) the need to ensure that evidence that may be received by you that identifies particular individuals as having been subject to violence, abuse, neglect or exploitation is dealt with in a way that does not prejudice current or future criminal or civil proceedings or other contemporaneous inquiries;

(o) the need to establish appropriate arrangements in relation to current and previous inquiries, in Australia and elsewhere, for evidence and information to be shared with you in ways consistent with relevant obligations so that the work of those inquiries, including, with any necessary consents, the testimony of witnesses, can be taken into account by you in a way that avoids unnecessary duplication, improves efficiency and avoids unnecessary trauma to witnesses.
AND, pursuant to section 4 of the Royal Commissions Act 1917, I appoint the Honourable Ronald Sackville AO QC, to be the chairman of the Commission.

AND, pursuant to section 4(2) of the Royal Commissions Act 1917, I authorise you to sit independently to conduct parts or aspects of your inquiry that are, by direction of the chairman, to be dealt with independently by individual commissioners.

AND I declare that you are authorised to conduct your inquiry into any matter under this commission in combination with any inquiry into the same matter, or a matter related to that matter, that you are directed or authorised to conduct by any Commission, or under any order or appointment, made by the Governor General or any of the Governors of the States or by the Government of any of the Territories.

AND I declare that in this commission:

- government means the Government of the Commonwealth or of a State or Territory or a local government.
- People with disability means people with any kind of impairment, whether existing at birth or acquired through illness, accident or the ageing process, including cognitive impairment and physical, sensory, intellectual and psycho-social disability.
- Royal Commission into Aged Care Quality and Safety means the Royal Commission into Aged Care Quality and Safety issued by the Governor-General by Letters Patent on 8 October 2018 (and including any later variations of those Letters Patent).

AND I:

(p) require you to begin your inquiry as soon as practicable; and
(q) require you to make your inquiry as expeditiously as possible; and
(r) require you to submit to me an interim report that you consider appropriate not later than 30 October 2020; and
(s) require you to submit to me a report of the results of your inquiry, and your recommendations, not later than 29 April 2022.

Given under my hand and the Public Seal of South Australia, at Adelaide, this 24th day of October 2019.

By command,

VICKIE ANN CHAPMAN, MP
Acting Premier

3 General Code of Practice

(1) The Schedule sets out the Commissioner’s General Code of Practice as varied for the purposes of the Liquor Licensing Act 1997.

(2) The Attorney-General has approved the General Code of Practice.

Schedule 1—Commissioner’s General Code of Practice

Part 1— Preliminary

1 Citation

This code of practice may be cited as the General Code of Practice under the Liquor Licensing Act 1997.

2 Commencement

This code of practice came into operation on 18 January 2013 and was amended on 1 March 2014 and on 18 November 2019.

3 Purpose of the code

(1) The purpose of this code of practice is to promote the objects of the Liquor Licensing Act 1997 and, in particular -

(a) to ensure that the sale and supply of liquor occurs in a manner that minimises the harm and potential for harm caused by the excessive or inappropriate consumption of liquor; and

(b) to ensure that the sale, supply and consumption of liquor is undertaken safely and responsibly, consistent with the principle of responsible service and consumption of liquor; and

(c) to ensure as far as practicable that the sale and supply of liquor is consistent with the expectations and aspirations of the public.

(1a) For the purposes of clause 3(1)(a) harm caused by the excessive or inappropriate consumption of liquor includes—
(a) the risk of harm to children, vulnerable people and communities (whether to a community as a whole or a group within a community); and

(b) the adverse economic, social and cultural effects on communities (whether on a community as a whole or a group within a community); and

(c) the adverse effects on a person's health; and

(d) alcohol abuse or misuse; and

(e) domestic violence or anti-social behaviour, including causing personal injury and property damage.

(2) The intention of this code of practice is to commit licensees to:

(a) make an assessment of the risk of their operational practices;

(b) not undertake operational practices involving unacceptable risk;

(c) consider and implement measures to manage high risk operational practices; and

(d) maintain standards of operational practice that, as a matter of course, address medium and low risk operations.

4 Interpretation

(1) Unless the contrary intention appears, expressions defined in the Liquor Licensing Act 1997 have the same meanings in this code of practice.

(2) The levels of risk associated with the operational practices of a licensed premises are to be assessed on the basis of what a reasonable person would consider to be:

(a) low risk;

(b) medium risk;

(c) high risk; or

(d) unacceptable risk.

(3) When assessing the level of risk associated with the operational practices of a licensed premises and the likelihood of a particular outcome occurring, consideration must be given to the class of licence and the nature of the operational practices being conducted under the licence.

(4) Reasonable steps to prevent, reduce the likelihood of or manage an outcome associated with the operational practices of a licensed premises, will be deemed to have been taken where the licensee is able to demonstrate that they have reasonably assessed the risk and the likely occurrence of the outcome based on the class of licence and the operational practices being conducted under the licence, and have implemented a written management plan which contains reasonable measures to reduce the likelihood of the outcome occurring.

(5) The existence of a management plan formulated in purported compliance with clause 4(4) will not constitute reasonable steps if it is no longer current and/or the licensee’s staff have not received training as to the content of the management plan and the manner in which it is to be implemented.

security personnel means a person who holds a security agent’s licence that authorises the person to perform the function of controlling crowds under the Security and Investigation Industry Act 1995.

staff includes any person who sells, offers for sale or serves liquor on licensed premises whether they are a paid staff member or not.
5 Mandatory nature of the code

(1) Under section 42 of the Liquor Licensing Act 1997, it is a condition of every licence that the licensee must comply with the Commissioner’s codes of practice.

(2) This code of practice is in addition to, and does not derogate from, licence conditions imposed by the licensing authority.

(3) For the purposes of section 45 of the Liquor Licensing Act 1997- 
   
   (a) If the letter “A”, “B”, “C” or “D” appears in column B of the table in Schedule 1 next to the listing of a provision, contravention or failure to comply with the provision is declared to be an offence in the category corresponding to that letter;
   
   (b) If the letter “A”, “B”, “C” or “D” appears in column C of the table in Schedule 1 next to the listing of a provision, the offence of contravention or failure to comply with the provision is declared to be an expiable offence in the category corresponding to that letter.
