(1) This clause applies in relation to a prescribed council.

(2) The total amount of a contribution to be made by the council under section 66 of the Act in respect of the 2020/2021 financial year must not exceed the total amount of the council's contribution imposed under chapter 5 of the repealed Act in respect of the 2019/2020 financial year adjusted by the percentage applying under subclause (4).

(3) The total amount of a contribution to be made by the council under section 66 of the Act in respect of the 2021/2022 financial year or the 2022/2023 financial year must not exceed the total amount of the council's contribution imposed under Part 5 Division 1 Subdivision 1 of the Act in respect of the immediately preceding financial year adjusted by the percentage applying under subclause (4).

(4) The percentage applying under this subclause in respect of a particular financial year is the percentage change in the CPI (expressed to 1 decimal place) when comparing the CPI for the September quarter of the immediately preceding financial year with the CPI for the September quarter of the financial year immediately before that preceding financial year, being this percentage change published by the Australian Bureau of Statistics.

(5) Subclause (2) or (3) does not apply in relation to a contribution to be made by the council if the Minister has allowed the regional landscape board to recover a larger contribution under an approval granted under this subclause.
(6) If the area of the council is divided between the regions of 2 or more regional landscape boards, the boards must confer with each other in order to ensure compliance with subclauses (2) and (3) (and if an approval has been given under subclause (5) then the boards must comply with any direction of the Minister as to the maximum contribution to be paid by a council to any particular board in respect of a particular financial year).

(7) For the purposes of providing for the staged implementation of the policies reflected in section 66(3)(b), (5) and (6) of the Act, those provisions of the Act will not apply (in respect of a prescribed council) in relation to a transitional financial year referred to in clause 4(2) (and section 66 of the Act is modified accordingly).

6—Contributions by other councils

(1) This clause applies in relation to a council other than a prescribed council.

(2) In relation to the 2020/2021 financial year, section 66 of the Act will apply as if the reference in section 66(3)(a) of the Act to the total amount of the council's contribution as a constituent council imposed under "this Subdivision" were a reference to the total amount of the council's contribution as a constituent council imposed under Chapter 5 Part 1 Division 1 of the repealed Act in relation to the 2019/2020 financial year.

(3) Subject to subclause (2), section 66 of the Act will apply in all other respects to the council.

7—Modification of section 69 of Act

(1) Section 69 of the Act is modified to the extent necessary—

(a) to allow a designated council to impose different regional landscape levies in different parts of the area of the council taking into account the provision made by subclause (2); and

(b) in the case of a council with any part of its area within the region of the South Australian Arid Lands Landscape Board—if authorised by the Minister or in the business plan for the board, to allow the council to have different regional landscape levies declared on different bases taking into account the provision made by subclause (2).

(2) The different parts of the area of a council applying for the purposes of subclause (1)(a) or (b) may be determined on the basis of the boundaries of regional NRM boards applying in relation to the area of the council on 1 July 2019 (rather than on the basis of the boundaries of any regional landscape board).

8—Business plans

(1) For the purposes of Schedule 5 clause 95(3)(b) of the Act, this scheme applies to and in relation to the annual business plans of regional landscape boards in the manner, and to the extent, set out in this clause.

(2) In relation to a business plan for the 2020/2021 financial year, subsections (4) to (10) of section 51 of the Act will not apply but a regional landscape board must take steps to consult with each constituent council about the contribution to be made by the council in respect to that financial year and, if relevant, about the application and effect of this scheme as it applies to the council (recognising that such consultation may have occurred or commenced before the publication of this notice) (and noting that Schedule 5 clause 95(3)(c) of the Act will apply).

(3) In relation to a business plan for the 2021/2022 financial year or the 2022/2023 financial year for a prescribed board—

(a) subsection (4) of section 51 of the Act will not apply; and
the annual business plan of the prescribed board must clearly show any proposal that will—

(i) require an approval of the Minister under clause 5(5) in respect to that financial year; or

(ii) make a change to the basis of a levy under section 69(3) of the Act; or

(iii) require a new levy to be imposed under Part 5 Division 2 of the Act; or

(iv) seek the Minister to act under section 76(17)(b) of the Act; or

(v) propose a change to be made to the basis of a levy under section 76(7) of the Act; and

(c) if a proposal is included under paragraph (b), that proposal will be taken to be a prescribed levy proposal under section 51(5) of the Act.

9—Consultation with LGA

**REMUNERATION ACT 1990**

**REPORT OF THE REMUNERATION TRIBUNAL—NO. 1 OF 2020**

2020 Review of Salary of the Governor of South Australia

**INTRODUCTION**

1. The Remuneration Tribunal ("the Tribunal") has jurisdiction under section 14 of the Remuneration Act 1990 ("the Act") and section 73 of the Constitution Act 1934 ("the Constitution Act"), to determine the rate of salary payable to His Excellency the Governor of South Australia ("the Governor").

**BACKGROUND**

2. On 11 February 2016, the Constitution (Governor’s Salary) Amendment Act 2015 ("the Amending Act") came into operation, conferring jurisdiction upon the Tribunal to determine the rate of salary applicable to the office of the Governor. Prior to the commencement of the Amending Act, the rate of salary of the Governor was fixed by the Constitution Act at an amount equivalent to 75% of the salary of a puisne judge of the Supreme Court of South Australia.

3. In 2016, the Tribunal issued its inaugural Determination 1 of salary of the Governor, resulting in that salary being fixed at $315,608 per annum, operative from 11 February 2016.

4. In 2017, the Tribunal conducted its annual review, resulting in the making of a Determination 2 which increased the level of salary of the Governor to $323,183, operative from 1 January 2017.

5. In 2018, the Tribunal conducted its annual review, resulting in the making of a Determination 3 which fixed the rate of salary of the Governor of South Australia at an amount equivalent to 75% of the salary of a puisne Judge of the Supreme Court of South Australia, until further Determination by the Tribunal.
6. In 2019, the Tribunal conducted its annual review of the salary of the Governor, concluding that there was no basis to vary terms of its previous Determination in relation to the salary of the Governor. This Determination thereby provided an increase in the salary of the Governor commensurate with increases in the salaries of puisne Judges of the Supreme Court of South Australia.

PROCEDURAL HISTORY

7. Section 10(2) of the Act provides that prior to the making of a Determination, the Tribunal must allow an affected person, or persons of an affected class, a reasonable opportunity to make submissions orally or in writing to the Tribunal.

8. Section 10(4) provides that the Minister responsible for the Act may intervene, personally or by counsel or other representative, in proceedings before the Tribunal for the purpose of introducing evidence, or making submissions, on any question relevant to the public interest.

9. The Tribunal, by letter dated 29 January 2020, invited the Governor to make a submission in relation to the review of the salary applicable to the office of the Governor.

10. The Tribunal, by letter dated 29 January 2020, invited the Honourable Premier of South Australia (“the Premier”), as the Minister responsible for the Act, to make submissions in the public interest.

11. In addition, on 29 January 2020, a notification of the review was placed on the Tribunal’s public website.

SUBMISSIONS

12. The Official Secretary to the Governor wrote to the Tribunal, by letter dated 29 January 2020, advising that the Governor did not intend to make a submission in relation to the Tribunal’s review of the Governor’s salary in 2020.

13. The Crown Solicitor’s Office, on behalf of the Premier, notified the Tribunal on 4 February 2020 that the Premier does not wish to make a submission in relation to the review of the Governor’s salary by the Tribunal in 2020.

14. On 1 April 2020, the Official Secretary to the Governor wrote to the Tribunal, advising that due to the changing social and economic circumstances of the State since the previous correspondence of 29 January 2020, the Governor now wishes to submit that his salary not be increased by the Tribunal as a result of this review.

15. No other submissions were received by the Tribunal.

CONCLUSION

16. The Tribunal has taken into account the submission made by the Governor in relation to the economic and social circumstances of the State at the present time.

17. At the time of writing, the rate of salary applicable to the office of the Governor is $351,015, operative from 1 January 2020. That salary has not been increased by the Tribunal as a result of this review.

18. The Tribunal’s previous Determination\(^4\) in relation to the salary of the Governor provides for a methodology whereby the Governor’s salary has a 75 per cent relativity with the salary of a puisne judge of the Supreme Court. That Determination is set out as follows:

   “The Tribunal determines that the salary of the Governor of South Australia shall be an amount equal to seventy five per cent of the salary of a puisne judge of the Supreme Court, until further Determination by the Tribunal.”

19. The Tribunal has decided to depart from that Determination at the specific request of the Governor. The Determination resulting from this review provides that the Governor’s salary will no longer bear a relationship to the salary of a puisne Judge of the Supreme Court, as at the date of the accompanying Determination.

20. The Tribunal intends to review the salary of the Governor again in the early part of 2021. At that time, the Tribunal will further consider, among other things, the economic circumstances of the State and the relevance of the previous relationship to the salary of a puisne Judge of the Supreme Court.
