LANDSCAPE SOUTH AUSTRALIA ACT 2019

SECTION 192(3)(A)

Notice of Control Measures for Declared Animals in Declared Areas
Goats in South Australia (excluding Kangaroo Island)

For the purposes of section 192(3)(a) of the Landscape South Australia Act 2019 [LSA Act] and in accordance with the Landscape South Australia (General) Regulations 2020, I John Schutz, Chief Executive, hereby notify that an owner of land within the declared area of mainland South Australia (excluding Kangaroo Island) must take the following measures to control and keep controlled any goats on their land:

1. In the case of goats kept by, or with the consent of, an owner of the land:
   - the goats must be kept on that land within enclosures with boundary fencing (including any gates) constructed and maintained at all times to a standard sufficient to prevent the escape of any goats, taking into account the particular terrain;
   - boundary fencing (including gates) must be maintained in a state of good repair, free from any gaps, holes or damage, and be kept free from fallen trees or branches;
   - immediately upon becoming aware of an escape of goats kept on their land, the owner of the land must inspect and repair any damage to, or means of escape from, the goat enclosure fences.

2. Where an owner of land becomes aware that goats are on their land without their consent, the owner of land must take all reasonable steps to ensure that the goats are captured and, within 6 weeks of capture, either:
   (i) removed from the land or destroyed; or
   (ii) if the goats have identification tags, notify the owner of the goats (or the regional Landscape Board if the owner of the goats is not known) and enable the goats to be collected and removed.

On pastoral lease land as defined under the Pastoral Land Management and Conservation Act 1989, any stated policy of the Pastoral Board in relation to the management of domestic goats will take precedence over this Notice to the extent of any inconsistency.
