DEVELOPMENT ACT 1993

SECTION 48(8)

Decision by the Minister for Planning and Local Government under Delegation from the Governor

Preamble

1. On 5 June 2003, a major development declaration was made for the subdivision and development of land at Buckland Park near Virginia north of Adelaide ('the declaration'). The Minister for Urban Development and Planning ('the Minister') gave notice in the *Government Gazette* that he was of the opinion that it was appropriate for the proper assessment of the development of major environmental, social or economic importance that Section 46 of the *Development Act 1993* ('the Act') applied to any development of a kind listed in Schedule 1 of that notice in parts of the State listed in Schedule 2 of that notice.
2. The declaration was varied by notice in the *Government Gazette* on 4 January 2007 to, amongst other things, expand the major development declaration.
3. A proposal from Walker Corporation Pty Ltd ('the proponent') to develop a substantial staged residential and commercial development at Buckland Park was the subject of a development application lodged in May 2007 ('the major development').
4. The declaration was varied again by notice in the *Government Gazette* on 12 June 2008 to include additional land parcels within the major development declaration.
5. The major development was the subject of an Environmental Impact Statement ('EIS'), which was completed and put on public display on 19 September 2007, and an Assessment Report was produced, and was assessed in accordance with Section 46 and Section 46B of the Act. By notice in the *Government Gazette* on 4 February 2010, the Governor:
 - (a) granted provisional development authorisation subject to conditions (in Part B of the notice), with specified reserved matters (in Part A of the notice), for the following components:
 - (i) land division, creating 8 superlots which include the 5 residential land division stages, employment lands, recreation/water management and transport infrastructure areas shown in plans 19000p01-r3, r5 and r6, 5 November 2009 (Fyfe Engineers Surveyors);
 - (ii) Precinct 1 land division (Superlot 1 under the land division application) which comprised 614 residential allotments, a school site, display centre and shopping /community centre over 62.23 hectares;
 - (iii) proposed partial closure of Legoe Road under Part 7A (Section 34C(2)(a)(ii)) of the *Roads (Opening and Closing) Act 1991* (to take effect on a day to be fixed by subsequent order of the Governor or Minister published in the *Gazette*);
 - (iv) construction of a Neighbourhood Centre as set out in the detailed drawings; and
 - (v) construction of a display village as detailed by the proponent (The display village is now to be under the authority of the council for decision making).
 - (b) specified the period up until 1 February 2012 (subsequently amended) as the time within which substantial work must be commenced on site, failing which the Governor may cancel the authorisation.

Future Precincts (Beyond 1 and 2) of the major development (3-5) will be determined when detailed land division applications are lodged. The object of this decision notice is a decision on:

 - (i) new Superlot plan
 - (ii) Precinct 2 Land Division
 - (iii) Precinct 2C Land division
 - (iv) Road Closure of part of Buckland Park Road (on 18 December 2017).
6. The proponent requested in the past (and was granted) modifications to the provisional development authorisation to allow more practicality in implementing the proposal and satisfying the reserved matters and conditions of the authorisation. In summary, the matters related to:
 - (a) the requirement for a scheme description;
 - (b) affordable housing requirements
 - (c) the requirement for a construction environment management and monitoring plan (CEMMP);
 - (d) signage associated with the proposed neighbourhood centre; and
 - (e) various elements of the Schedule of Commitments.

7. In response to the request, by notice in the *Government Gazette* on 21 October 2010, the Minister (under delegation) varied the provisional development authorisation by:
 - (a) removing specified reserved matters entirely from the authorisation;
 - (b) revoking and varying specified conditions;
 - (c) attaching new conditions;
 - (d) reserving remaining specific matters for further assessment;
 - (e) specifying that the reserved matters must be completed by 31 October 2011 (which was achieved); and
 - (f) specifying the period up until 31 October 2013 (subsequently extended) as the time within which substantial work must be commenced on site, failing which the Governor may cancel the authorisation.
8. On 23 December 2010 a Development Plan Amendment ('DPA') was authorised by the Minister which provides policy guidance for the residential, commercial and other uses of Buckland Park as expressed in the provisional development authorisation for the major development.
9. The proponent requested further modifications to satisfy the reserved matters related to employment of a Community Worker (d)(4) (letter dated 8 November 2010), provision of power through an electricity provider (d)(9) (letter dated 8 November 2010), negotiation with DECS/Virginia Primary School on the need for demountable class rooms (d)(11) (letter dated 10 November 2010) and liaison with the City of Playford in relation to provisions of library services (d)(6) (letter dated 2 December 2010). By notice in the *Government Gazette* on 10 March 2011, the Presiding Member of the Development Assessment Commission (DAC) (under delegation) varied the provisional development authorisation by:
 - (a) moving reserved matters (d)(4) and (d)(9) to conditions; and
 - (b) removing reserved matters (d)(6) and (d)(11) entirely from the provisional development authorisation as they were assessed as having been satisfied.
10. The proponent requested further modifications on 28 February 2011 (as altered by a letter dated 11 July 2011) for an amended land division plan for Stage 1 (including a further 5 sub stages). The number of allotments was reduced from 614 to 609 (for the entire Precinct 1), with an increase in open space of 7.4 hectares. The road hierarchy and lot layout was also amended following discussions with the City of Playford and other agencies. A request to increase the number of display homes from 32 to 45 was also dated 11 March 2011 (approval for display homes was subsequently removed and is now under the authority of the council). By notice in the *Government Gazette* on 15 September 2011, the Presiding Member of the Development Assessment Commission (under delegation) varied the provisional development authorisation by:
 - (a) moving the following from reserved matters to conditions:
 - (i) draft Residential Guidelines and Encumbrance [reserved matter (a) from Schedule 1] (letter dated 11 April 2011);

 - (iii) Community Bus timetabling and staffing (Playford Council) [reserved matter D3] (letter dated 1 June 2011);
 - (iv) agreement for water services (SA Water) [reserved matter D6] (letter dated 8 November 2010);
 - (v) agreement for gas services (APA) [reserved matter D7] (letter dated 21 June 2011);
 - (vi) proponent to prepare a Recreation Facilities Strategy for Stage 1 in collaboration with the City of Playford's Buckland Park Project Control Group [reserved matter D4] (letter dated 6 July 2011); and
 - (vii) final design drawings for the signalised intersection of Legoe Road with Port Wakefield Road to the satisfaction of Department for Transport, Energy and Infrastructure ('DTEI') [reserved matter D1] (letter from DTEI to proponent dated 29 June 2011).
 - (b) removing the following reserved matter entirely from the provisional development authorisation as it was assessed as having been satisfied:
 - (i) a reconfigured land division plan to create a 40m buffer between the SA Potato grower's horticultural activity (on the southern side of Precinct 1 land division) and the outer boundary of the subdivision area [reserved matter (c)] (Amended Precinct 1 plan was submitted by proponent on 28 February 2011);
 - (ii) attaching a new reserved matter requiring the proponent to prepare a concept design of the ultimate grade separated intersection with Legoe Road and Port Wakefield Road (D9); and
 - (iii) granting an extension of time until 31 December 2011 (later satisfied) to satisfy the remaining reserved matters (D2, D5 and D8) (in response to a request by letter dated 5 August 2011).
11. By notice in the *Government Gazette* on 22 December 2011, the Presiding Member of the DAC (under delegation) varied the development authorisation (no longer a provisional development authorisation as all reserved matters were deemed to be satisfied or moved to conditions) by moving the following reserved matters to conditions:
 - (a) reserved matter D(2) regarding emergency access and D(8) regarding the flood access plan for Port Wakefield Road (letter from proponent dated 15 November 2011 approved by the relevant authorities) were deemed to be satisfied and made conditions;
 - (b) reserved matter D(5) regarding maintenance schedules and handover and defects liability periods was deemed to be satisfied (letters received from the proponent and the City of Playford dated 16 August 2011) and made a condition (included in the landscape and engineering designs information);
 - (c) reserved matter D(9) (letter from proponent dated 7 December 2011) regarding the grade separated intersection of Legoe Road and Port Wakefield Road was approved by DTEI (minute of 8 December 2011 from Director, Road Transport Policy and Planning of DTEI to Director, Planning and Assessment at DPLG) was deemed to be satisfied and made a condition; and
 - (d) reserved matters (e), (f) and (g) regarding building rules assessment and display village design were removed as reserved matters and made conditions to provide consistency with other recent prior decisions under Section 48 of the Act.

12. In response to a request by the proponent (letters dated 15 December 2011 and 3 July 2012), by notice in the *Government Gazette* on 24 January 2013, I (under delegation) varied the development authorisation by:
 - (a) removing the obligation to provide recycled water (purple pipes) to individual homes (letter dated 13 July 2012 Section 4 only, with attached letters from SA Water dated 14 May 2012 and email dated 7 November 2012 (specifying that the removal of the obligation shall be limited to individual homes only), a letter from the City of Playford dated 21 November 2012 and an email dated 26 November 2012); and
 - (b) delaying the obligation to handover the substation site to ETSA Utilities (now known as SA Power Networks) from prior to electrification of Precinct 1 to December 2017 (letter dated 30 September 2015 from Walker Corporation).
 13. In response to a request by the proponent, by notice in the *Government Gazette* on 23 December 2013, the Governor varied the development authorisation to:
 - (a) provide a permanent pump station, temporary tanks for the storage of waste water for up to 350 allotments (in Precinct 1) and associated infrastructure to be located within the proposed ‘Precinct 2C 5’ of the Superlot area (letter and report dated 2 May 2013); and
 - (b) provide an allotment for the proposed pump station and holding tanks within the proposed ‘Precinct 2C 5’ (application for land division (292/D079/12) dated 17 October 2012)—(‘the proposed amended major development’).
 14. In response to a request by the proponent by notice in the *Government Gazette* on 5 March 2015 for Precinct 1 Report dated August 2013 Revision B by Walker Corporation was varied amending:
 - (a) Land Division and residential mix;
 - (b) Neighbourhood centre location/design and timing (temporary to permanent);
 - (c) Display village location; (subsequently removed from the decision notice), and
 - (d) Primary School location.
 15. The proponent also requested (and was granted) the removal of the need for separate (DAC) approval of the display village as the City of Playford has authority to make decisions on dwellings at Buckland Park and is be able to make decisions about the display homes. The following would be removed from the existing decision notice:
 - (a) Paragraph 1(a) delete the wording “Display Village”;
 - (b) Remove listed drawing titled ‘Precinct 1 Display Plan’;
 - (c) Removal of conditions 47 and 48; and
 - (d) Amendment of Part B, note 1(a) to remove the reference to display village.
- This was approved in the decision notice of 3 July 2014.
16. The proponent also requested (letter of 17 December 2014) further minor amendment of Precinct 1. The proposed changes were to its sequencing of stages. Some lots increased in size and some medium density lots were removed, resulting in a reduction of total lots from 556 to 525.
 17. There have also been 2 minor road alignment changes.
 18. Modified plans were also provided and have replaced 5 existing approved plans and were approved by the Presiding Member of DAC on 5 March 2015.
 19. The proponent submitted an Amendment to the EIS in November 2014 with an associated report which was advertised for public comment on 11 March 2015 until 27 March 2015 for a period of three weeks. No public comments were received. The Amendment to the EIS was also circulated to the City of Playford and to relevant Government agencies. An amendment to the Assessment Report has also been prepared for the Governor. A revised approval which provided for Stages 2 and 2C was approved by the Governor on 16 February 2017.
 20. The Development Application and associated Land Division applications (which have been submitted via EDALA) are for:
 - (a) An amended Superlot Plan
 - (b) Land Division plan for Precinct 2 (including stages within it) (DA 292/D027/15)
 - (c) Land Division for Precinct 2C (DA 292/D018/15)
 - (d) Notification of Road Closure for the northern (unmade) part of Buckland Road (18 December 2017)
 - (e) Extension of time for ‘substantial commencement’ of the intersection with Port Wakefield Road for two years from 31 October 2015 to 31 October 2017.
 21. In response to a request by the proponent on 13 September 2017, the Minister (under delegation) granted a one year extension of time to 31 October 2018 to substantially commence the development.
 22. On 10 October 2017 the proponent requested a further variation of the development authorisation to further extend the time by which the development must be substantially commenced and the Minister has agreed to vary the development authorisation in response to that request in the following respects:
 - (a) extend the time within which substantial work must be commenced on the site by a further three years until 31 October 2021;
 - (b) removing from the authorisation the definition of “‘substantial commencement’”; and
 - (c) expressly requiring completion to the satisfaction of the Commissioner for Highways of the signalised intersection at the junction of Port Wakefield Road and Legoe Road prior to lodgement with the Lands Titles Office of a Plan of Division creating new residential allotments for Precinct 1, 2 or 2C, other than a Plan of Division creating allotments for the sole purpose of the Display Village as approved in Precinct 1.

23. On 14 May 2020 the proponent requested a further variation of the development authorisation to provide for minor amendments to the land division for Precinct 1 and 2C. The proposed amendments comprise adjustment to lot boundaries to incorporate more lots of approximately 300 m². The reduction in some allotment sizes result in an increase in the total number of lots in Precinct 1 (from 525 to 552). In Precinct 2C, the reduced allotment sizes result in a larger area of open space and reduced allotment number (from 45 to 44). The staging labels have also been amended in that Precinct 2C is now Stage 6 of Precinct 1. The State Commission Assessment Panel has agreed to vary the development authorisation in response to that request.
24. More than five years have elapsed since the Environmental Impact Statement was completed and put on public display. As required by Section 48(4) of the Act, it has been reviewed to see if it should be amended under Section 47 and an amendment was found to be necessary. This amendment was put on public display for a period of three weeks in November 2014, no submissions were received. I am satisfied, for the purposes of Section 48B of the Act, that the proposed amended major development (and associated documents) is within the ambit of the Environmental Impact Statement and Assessment Report (or as amended) as originally prepared under Division 2 of Part 4 of the Act.
25. I am satisfied that an appropriate EIS and Assessment Report that encompass the proposed amended major development have previously been prepared (in accordance with Section 46B, Division 2 of Part 4 of the Act) and the amended documents required under Section 47 and as required by Section 48(3)(b) of the Act, and have had regard, when considering the proposed amended major development, to all relevant matters under Section 48(5) of the Act.
26. I have decided to grant development authorisation to the proposed amended major development under Section 48(7)(a) of the Act, subject to conditions as provided for in Section 48(7) of the Act, as well as 48(2)(b)(i).
27. For ease of reference I have reproduced the development authorisation in its entirety herein. A revised time to commence substantial works on the site of the development has been included and must be undertaken by 31 October 2021.

Decision

THE REMUNERATION TRIBUNAL

REPORT NO. 1 OF 2021

*Berri Country Magistrate Housing Allowance***INTRODUCTION AND BACKGROUND**

1. Section 13 of the Remuneration Act 1990 ("the Act") provides that the Remuneration Tribunal ("the Tribunal") has jurisdiction to determine the remuneration of members of the judiciary and other offices listed in that section of the Act.
2. The Act defines remuneration as including: salary, allowances, expenses, fees and any other benefit of a pecuniary nature.
3. This report deals with an application made by Magistrate Deland for a Berri Country Magistrate Housing Allowance payable in lieu of rental accommodation provided to the Country Resident Magistrate located in Berri, SA.

PROCEDURAL HISTORY

4. On 29 October 2020, as part of the Tribunal's annual review of remuneration for members of the judiciary, the Tribunal received a submission from Magistrate Cathy Deland in relation to an application for a Determination of a Country Magistrate Housing Allowance.
5. The Tribunal decided to deal with the matter separately, in order to conduct further enquires in relation to the nature and operation of existing entitlements.
6. The Tribunal consulted with the Crown Solicitor's Office on behalf of the Premier, the Judicial Remuneration Coordinating Committee, the Magistrates Association of South Australia, and the Chief Magistrate in relation to the submission made by Magistrate Deland.
7. The Tribunal sought further and better particulars in relation to existing entitlements from the Chief Magistrate.

SUBMISSIONS

8. Magistrate Deland's application is summarised below:
 - 8.1. Magistrate Deland requests that the Tribunal approve an allowance for the purposes of maintaining a private residence in Berri.
 - 8.2. That there is a current policy in place whereby Country Resident Magistrates are entitled to secure, furnished accommodation at the country locality, however, Magistrate Deland elected to purchase and maintain her own home at the locality.
 - 8.3. The basis upon which the allowance is sought is Magistrate Deland's personal dissatisfaction with the State provided rental accommodation, having regard to: privacy, security, ongoing maintenance issues, and personal preference for owning own home.
9. No other submissions were received in relation to this matter.

CONSIDERATIONS

10. The application put to the Tribunal by Magistrate Deland seeks the determination of a Country Resident Magistrate Housing Allowance to meet expenses associated with the maintenance of a residence privately owned by Magistrate Deland in the locality of Berri, South Australia.
11. Current work allocation protocols adopted by the magistracy provide that Magistrate Deland sits 5 days per week, 3 weeks per month in the Berri Magistrates Court, and the remaining 1 week per month at the Port Adelaide Magistrates Court.
12. Had Magistrate Deland not elected to purchase and maintain her own residence in Berri, she would have otherwise been entitled to secure, furnished private rental accommodation, at no cost to her, in accordance with the established Country Resident Magistrates policy. That policy has been in effect since 2006 and that policy arrangement is extraneous to any determinations of remuneration made by this Tribunal.
13. The nature of the private rental accommodation available to Magistrate Deland is a house which was previously rented in the general Berri locality at the amount of \$1 955.36 per month (or \$451.23 per week). Magistrate Deland's submission states that this accommodation is unsuitable due to her own assessment of several inadequacies including: privacy, security, ongoing maintenance issues, and personal preference for owning her own home. Due to these reasons, Magistrate Deland has elected to purchase and live in her own home in the country locality.
14. Moreover, the Tribunal has heard that Magistrate Deland owns and maintains a private residence in Metropolitan Adelaide, with no payment made to her by the State in relation to that residence.
15. In considering this matter, the Tribunal has examined the distance and duration of a journey using road transport between Adelaide and Berri. That journey is 243 kilometres in distance and 2 hours and 46 minutes in duration. The Tribunal is satisfied that a journey of that nature cannot reasonably be performed by a judicial officer on a daily basis.
16. Therefore, the question before the Tribunal is whether Magistrate Deland ought to be entitled to an allowance on grounds that she has elected to purchase her own home, rather than take up the rental accommodation arrangement provided to Country Resident Magistrates in accordance with the long standing policy adopted by the magistracy.
17. In properly considering this matter, the Tribunal sought further information from the Chief Magistrate and found that similar rental accommodation arrangements apply to Country Resident Magistrates sitting in Courts at Mount Gambier and Port Augusta. No issues have been raised with the Tribunal in relation to those arrangements. No application has been put to the Tribunal in relation to Magistrates resident at Mount Gambier and Port Augusta.
18. The Tribunal notes that Magistrate Deland's work routine is currently five days per week, 3 weeks per month sitting in Berri and 1 week per month sitting in Port Adelaide. That work arrangement has been in place since 2017, and, prior to that, the Berri Magistrate would sit full time in Berri. It could be reasonably expected that in the future work allocation protocols for Country Resident Magistrates could change from time to time at the discretion of the magistracy's leadership, having regard to a variety of guiding considerations. The Tribunal is mindful of the varying nature of these working arrangements, and the extent to which the Chief Magistrate may alter them to meet specific work requirements.
19. For the purpose of the Tribunal's reasoning, and to overcome the challenges of varying Courts policy and procedure from time to time, the Tribunal will proceed on the assumption that Magistrates posted to country court locations will reasonably perform the majority (i.e. greater than 50 per cent) of their official duties at the country court location. This assumption will be reflected in the terms of any Determination made by the Tribunal in relation to this matter.
20. The remaining issue for the Tribunal's consideration is therefore whether a Country Housing Allowance ought to be paid to Magistrate Deland, and, more specifically, whether the grounds upon which Magistrate Deland's request has been made are sufficient as to warrant the payment of an allowance.

21. The grounds provided by Magistrate Deland include privacy, security, ongoing maintenance issues, and personal preference for owning own home. The Tribunal considers these grounds to have some cogency. In particular, the need for home privacy and personal security of judicial officers is of particular importance to the good order of the State. Relevantly, in 2016, the Tribunal issued a Determination¹ for a Judicial Security Allowance which acknowledged and met this genuine requirement.
22. Furthermore, evidence was heard by the Tribunal in 2016 of an increasing risk in relation to the personal security of judicial officers generally. A particular emphasis was placed upon the security risk borne by judicial officers at their private residences. An extract from the Tribunal's 2016 Report is provided below:

"On the material before it, the Tribunal is satisfied that a substantive level of risk to the personal safety of judicial officers exists, which should be recognised as extending to the time a judicial officer performs work at the courts, their chambers and at their private residence."
23. The Tribunal has taken a similar line of reasoning in deciding the issue currently before the Tribunal, and has concluded that the payment of a housing allowance would assist in this respect.

CONCLUSION

24. Accordingly, the Tribunal considers it appropriate that the Berri Country Resident Magistrate should be entitled to a Berri Country Resident Magistrate Housing Allowance in lieu of taking up the country rental accommodation provided by the State, subject to the terms of the accompanying Determination, which provide that the Berri Country Resident Magistrate must perform the majority if his or her official duties in Berri.
25. In the Tribunal's view, nothing within the accompanying Determination incorporates liability to the State for any extraneous, associated, or unforeseen cost or any loss in relation to the purchase of a private residence by a Magistrate.

AMOUNT OF ALLOWANCE

26. In arriving at an appropriate amount of allowance, the Tribunal was persuaded that the amount of expenditure previously met by the State in relation to rental accommodation in Berri was appropriate. That amount is \$23 464 per annum.
27. The Tribunal supports the notion that there should be no additional cost to the State involved in the establishment of the abovementioned allowance, when compared to the cost of the previous rental accommodation arrangement provided by the State.
28. When reviewing this entitlement in future, the Tribunal intends to have regard to movements in the costs of rental accommodation at the country court location, to ensure that the State does not incur any undue or unexpected costs in relation to the payment of the allowance.
29. The Tribunal has not been asked to consider issues in relation to taxation of the above allowance. The Tribunal notes that issues in relation to taxation are not within its mandate and jurisdiction.

OPERATIVE DATE

30. The Tribunal considers it appropriate that the operative date of the accompanying Determination shall be 27 April 2020, which is the date upon which Magistrate Deland vacated her State provided rental accommodation in Berri.
31. The accompanying Determination 1 of 2021 will now issue.
