BUILDING WORK CONTRACTORS ACT 1995

Exemption

TAKE notice that, pursuant to Section 45 of the *Building Work Contractors Act 1995*, I, Zoe Thomas as a delegate for the Minister for Consumer and Business Affairs, do hereby exempt the licensee named in Schedule 1 from the application of Division 3 of Part 5 of the above Act in relation to domestic building work described in Schedule 2 and subject to the conditions specified in Schedule 3.

SCHEDULE 1

JASON GEOFFREY MOORE BLD 146726

SCHEDULE 2

Interior fit out of an existing split level detached dwelling at Allotment 1 in Deposited Plan 77657 being a portion of the land described in Certificate of Title Volume 6015 Folio 778, more commonly known as 38 Latimer Crescent, Trott Park SA 5158.

SCHEDULE 3

1. This exemption is limited to domestic building work personally performed by the licensee in relation to the building work described in Schedule 2.
2. This exemption does not apply to any domestic building work the licensee contracts to another building work contractor, for which that contractor is required by law to hold building indemnity insurance.
3. That the licensee does not transfer his interest in the land prior to five years from the date of completion of the building work the subject of this exemption, without the prior authorisation of Consumer and Business Services (CBS). Before giving such authorisation, CBS may require the licensee to take any reasonable steps to protect the future purchaser(s) of the property, including but not limited to:
 - Providing evidence that an adequate policy of building indemnity insurance is in force to cover the balance of the five-year period from the date of completion of the building work the subject of this exemption;
 - Providing evidence of an independent expert inspection of the building work the subject of this exemption;
 - Making an independent expert report available to prospective purchasers of the property;
 - Giving prospective purchasers of the property notice of the absence of a policy of building indemnity insurance.

ENVIRONMENT PROTECTION ACT 1993

Prohibition on Taking Water affected by Site Contamination

I, Rebecca Anne Hughes, Manager Site Contamination and Delegate of the Environment Protection Authority ('the Authority'), being satisfied that site contamination exists that affects or threatens groundwater and that action is necessary pursuant to Section 103S of the *Environment Protection Act 1993* to prevent actual or potential harm to human health or safety hereby prohibit the taking of groundwater from the 1st, 2nd and 3rd Quaternary aquifers (as defined below) within the area specified in the map to this notice, other than for environmental assessment or environmental monitoring purposes or as approved in writing by the Authority.

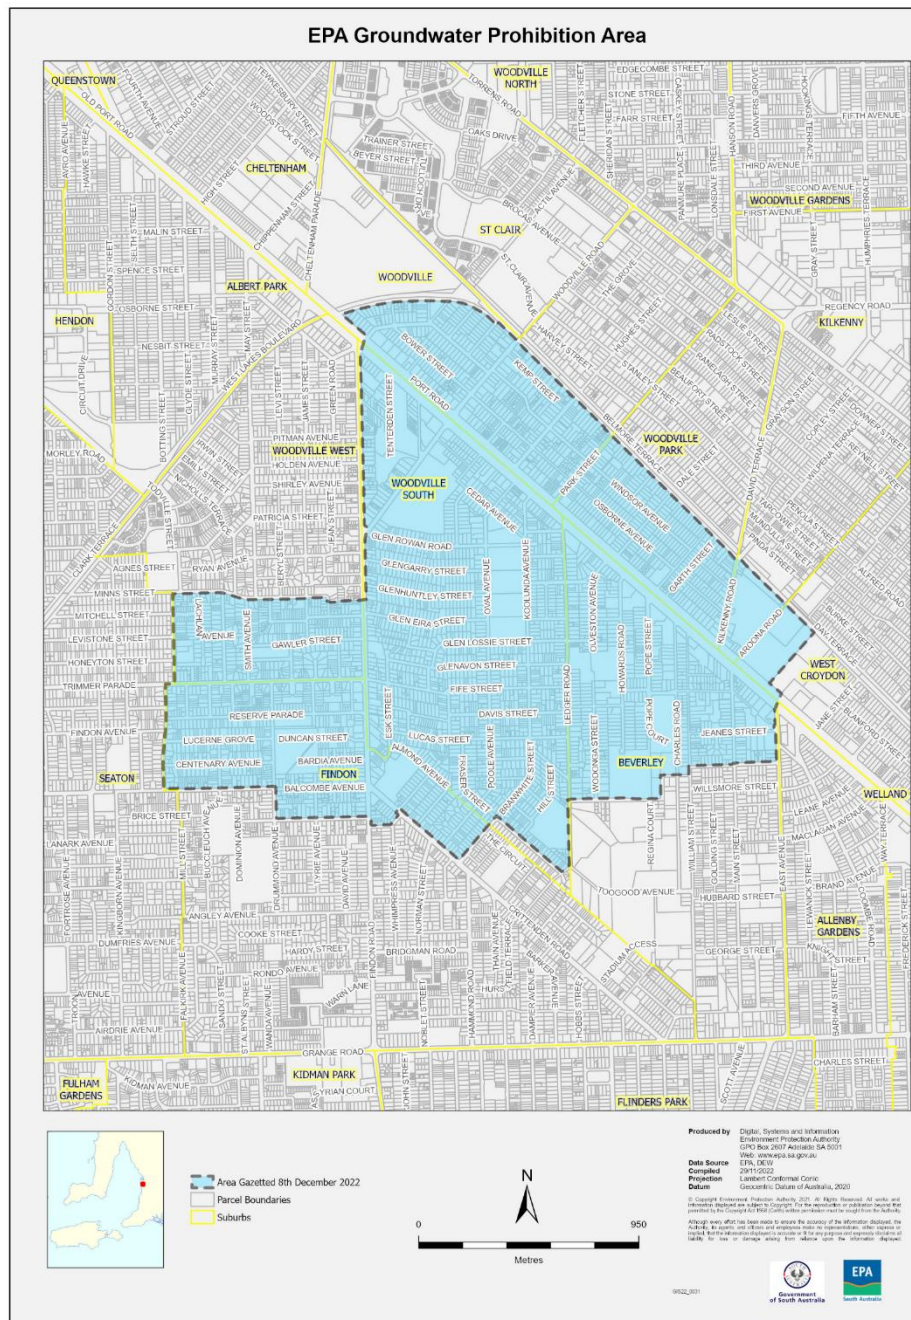

This Notice relates to groundwater in:

- (i) The Pooraka Formation aquifer and the underlying first and second Hindmarsh Clay aquifer, being the body of groundwater 0 to approximately 45 metres below ground surface within the specified area (see map)

The site contamination affecting the groundwater is in the form of chlorinated hydrocarbons, metals and per- and polyfluoroalkyl substances (PFAS) which represent actual or potential harm to human health or safety. This prohibition becomes official upon the gazettal of this notice.

EQUAL OPPORTUNITY ACT 1994

SOUTH AUSTRALIAN CIVIL AND ADMINISTRATIVE TRIBUNAL

Notice of Exemption Before Tribunal Alex Lazarevich—SACAT Reference Number: 2022/SA003315

I HEREBY certify that on the 29 November 2022, the South Australian Civil and Administrative Tribunal, on application of COBHAM AVIATION SERVICES AUSTRALIA PTY LTD, COBHAM SAR SERVICES PTY LTD, COBHAM NAS PTY LTD, and SURVEILLANCE AUSTRALIA PTY LTD, made the following orders for an exemption:

1. Pursuant to s 92 of the Act, the applicants are exempted for a period of three years expiring 29 November 2025 from compliance with the provisions of ss 52, 53, 54 and 103(1) of the Act to the extent that they may:
 - a. request information relating to the nationality, country of birth and current and past citizenship from existing and potential employees and contractors;
 - b. take a person’s nationality, country of birth and current and past citizenship into account in determining who should be offered employment or contract work in areas requiring access to Controlled Defence Articles and when making decisions as to the participation of employees or contractors in such work;
 - c. maintain records of the nationality, country of birth and current and past citizenship of all employees and contractors who have or may have access to Controlled Defence Articles in the performance of their work;
 - d. ensure that Controlled Defence Articles are disclosed only to persons who are not prohibited from receiving a disclosure in accordance with applicable United States laws;

- e. impose limitations or prohibitions on persons of particular nationalities, countries of origin and current and past citizenship having access to Controlled Defence Articles in the performance of their work;
 - f. to the extent necessary to comply with their legal obligations to the Commonwealth, disclose to the Commonwealth the nationality, country of birth and current and past citizenship of all employees and contractors who require access to Controlled Defence Articles in the performance of their work;
 - g. disclose to US Contractors with whom any of the Applicants are party to a US Export Authorisation and to the US Department of State, the nationality, country of birth and current and past citizenship of all employees and contractors who will have access to Controlled Defence Articles in the performance of their work; and h. establish security systems which will prevent the unauthorised re-export or retransfer of Controlled Defence Articles.
2. That the exemption apply subject to the following conditions:
- a. It will only apply to conduct by the applicants where:
 - i. that conduct is necessary to enable the applicants to enter into and/or perform contractual undertakings requiring access to Controlled Defence Articles; and
 - ii. the applicants have taken all steps that are reasonably available (including steps that might be taken in negotiating and performing the terms of their agreements with US Contractors) to avoid the necessity of engaging in conduct that would otherwise be in breach of sections 52, 53, 54 and 103 of the Act.
 - b. Where, in the exercise of this exemption, an employee or contract worker is moved from a project involving the use of Controlled Defence Articles to any other work controlled by the applicants or any of their related entities, the applicants must explain to the person through a duly authorised officer why he or she is being transferred and must otherwise take all reasonable steps to avoid or limit harm or loss to that person.
 - c. Where the applicants use a system of security passes to reflect the fact of access to Controlled Defence Articles or levels of access to any security sensitive material by employees and contract workers, the passes may be coded but not in such a way as to identify the nationality, country of birth and current and past citizenship of the person or the reasons for that person's level of access.
 - d. All information relating to nationality, country of birth and current and past citizenship and access to Controlled Defence Articles shall be restricted to technology control officers, export control officers, security officers, legal officers and human resources officers of the applicants or their properly appointed nominees on a 'need to know' basis.
 - e. The applicants' employment policies shall be amended as soon as reasonably possible so as to refer to the terms of this exemption, including all conditions attaching to it, and to make it clear that the purpose of the request for information regarding nationality, country of birth and current and past citizenship is made solely for the purposes of compliance with United States laws.
 - f. The First Applicant must prepare and retain records annually on 26 November for the duration of the exemption on the Applicants' compliance with the exemption requirements and changes in its procedures to reflect amendments to the International Traffic in Arms Regulations 22 CFR 120 (2003) (USA), and as to how its employees and contractors are affected.
 - g. The First Applicant must provide the Commissioner's Office with an annual report of compliance for the duration of the exemption on its compliance with the exemption requirements, any changes in its procedures reflecting any amendments to the ITAR and how employees and contractors are affected in the context of the protections afforded by the Act.

I, Emma Megan Kokar, Executive Director, Road and Marine Services Division of the Department for Infrastructure and Transport, delegate of the Minister for Infrastructure and Transport in the State of South Australia in accordance with section 11 of the *Harbors and Navigation Act 1993* (the Act), and pursuant to Section 67 of the Act, **do hereby direct** the following in the waters of the River Murray:

1. All vessels and any other water traffic be restricted to a speed of 4 knots when operating:
 - within 250 metres from the location of any dwellings or buildings, where any part of the dwelling or building is partially or wholly submerged; or
 - within 250 metres of a levee bank, where any part of the levee bank is partially or wholly submerged; or
 - during the hours of darkness or conditions of restricted visibility.

2. All Personal Watercraft (commonly referred to as Jet-Skis) must operate at a maximum speed not exceeding 4 knots on any part of River Murray.
3. No persons shall swim, bathe or dive within 250 metres of a lock or weir.
4. No canoes, kayaks, surf skis, rowboats or other human-powered vessels or aquatic toys to be used or operated within 250 meters of a lock or weir.
5. Each occupant in the open area of a vessel up to 12 metres in length, must at all times, while the vessel is underway or at anchor, wear a lifejacket equivalent to a level 50 standard or above.

Definitions:

For the purposes of this Notice of Direction the following terms are defined as follows:

Aquatic Toy means: a surfboard, sailboard, kite board or any other aid to swimming or fishing that is not primarily designed for navigation.

Darkness means: between the hours of sunset and sunrise.

Human powered vessel means: any vessel or craft that is not fitted with an engine or motor and is propelled by human force.

Levee bank means: bank is human made structure built to contain, control or divert the flow of water in order to provide protection to towns, and/or agricultural land from flooding.

River Murray means: All creeks, tributaries, lakes, lagoons and other bodies of water connected to the River Murray between the border of South Australia and a line joining the upstream sides of the landings used by the ferry at Wellington, except a body of water that has been exempted.

Weir means: a barrier and/or dam across the width of the River Murray that alters or restricts the flow and/or characteristics of water and usually results in a change of height in river levels.

This Notice of Direction is in operation during times of declared High Flow or Flood in the waters of the River Murray by the South Australian State Emergency Services or until varied or revoked by a subsequent Notice of Direction.

All other provisions of the *Harbors and Navigation Act 1993* and Regulations will continue to apply.

HARBORS AND NAVIGATION ACT 1993

SECTION 67

NOTICE OF DIRECTION—NO. 3 OF 2022

Power Lines—River Murray

I, Emma Megan Kokar, Executive Director, Road and Marine Services Division of the Department for Infrastructure and Transport, delegate of the Minister for Infrastructure and Transport in the State of South Australia in accordance with Section 11 of the *Harbors and Navigation Act 1993* (the Act), and pursuant to Section 67 of the Act, **do hereby direct** the following in the waters of the River Murray:

1. That no vessels or any other water traffic (including canoes, kayaks, surf skis, rowboats or other human-powered vessels or aquatic toys) be operated or moored within 50 metres of an overhead power line in a floodplain.
2. That no persons shall swim, bathe or dive within 50 metres of an overhead power line in a floodplain.

Definitions:

For the purposes of this Notice of Direction the following terms are defined as follows:

Aquatic Toy means: a surfboard, sailboard, kite board or any other aid to swimming or fishing that is not primarily designed for navigation.

Floodplain means: an area of flat or nearly flat land adjacent to the River Murray which stretches outwards from the banks of it's channel, and which experiences flooding during periods of declared High Flow or Flood by the South Australian State Emergency Services.

Human powered vessel means: any vessel or craft that is not fitted with an engine or motor and is propelled by human force.

Overhead Power Line means: any electrical infrastructure used in electric power transmission and distribution to transmit electrical energy across large distances that consists of one or more uninsulated electrical cables suspended by towers or poles and may include any overhead electrical appliance or transformer.

River Murray means: All creeks, tributaries, lakes, lagoons and other bodies of water connected to the River Murray between the border of South Australia and extending to the Murray Mouth, except a body of water that has been exempted.

This Notice of Direction is in operation during times of declared High Flow or Flood in the waters of the River Murray by the South Australian State Emergency Services or until varied or revoked by a subsequent Notice of Direction.

All other provisions of the *Harbors and Navigation Act 1993* and Regulations will continue to apply.

PLANNING, DEVELOPMENT AND INFRASTRUCTURE ACT 2016

SECTION 108(1)

Battery Anode Material Manufacturing Facility

Preamble

Section 108(1)(c) of the *Planning, Development and Infrastructure Act 2016* allows the Minister for Planning to apply Section 108 (impact assessed development) to a specified kind of development (either in the State generally, or in a specified part of the State) by making a declaration to that effect having taken into account principles prescribed by the regulations.

NOTICE

PURSUANT to Section 108(1)(c) of the *Planning, Development and Infrastructure Act 2016*, having taken into account those principles prescribed under Regulation 27(2) of the *Planning, Development and Infrastructure (General) Regulations 2017* (the Regulations) and having given consideration to the matters under Regulation 27(3) of the Regulations, I declare that Section 108 of the Act applies to all development of a kind specified in Schedule 1, in the part of the State specified in Schedule 2.

SCHEDULE 1

Specified Kinds of Development

Development for the purposes of establishing and operating a Battery Anode Material Manufacturing Facility at Bolivar (being on the land specified in Schedule 2), including:

- (a) development associated with the construction and operation of an industrial plant
 - (i) industrial buildings, including silos and ancillary facilities,
 - (ii) truck loading and unloading facilities, access and egress,
 - (iii) product bagging plant equipment, including pneumatic conveyance and feed hoppers,
 - (iv) mechanical, hydraulic and pneumatic conveyance and feed structures for the purpose of moving graphite concentrate, partially and wholly processed purified spherical graphite (PSG), chemical reagents and process by-products within the Plant,
 - (v) chemical storage equipment suitable for the storage of solid and liquid, caustic and acidic reagents including appropriate bunding/hardstand,
 - (vi) mineral crushing and grinding machinery comprising mechanical micronisation and spheronisation circuits, associated feed hoppers, dust mitigation, collection and conveyance structures, subject to final engineering design,
 - (vii) ancillary infrastructure, including permanent site offices, amenities, parking and access,
 - (viii) temporary construction compound and laydown areas.
- (b) equipment associated with chemical processing including:
 - (i) caustic roast kiln (electric or gas-fired) including dry reagent mixing, cooling equipment, lump-breaking and pulping equipment,
 - (ii) leach tanks (caustic and acid), filtration structures and repulp tanks,
 - (iii) reverse osmosis (RO) water treatment equipment, including demineralisation brine capture and discharge,
 - (iv) caustic process water treatment and neutralisation,
 - (v) acid process water treatment and neutralisation,
 - (vi) solid process by-product isolation, drying and containment,
 - (vii) process monitoring equipment.
- (c) facilities to provide steam generation, produce nitrogen and compressed air, water demineralisation, negative pressure and dust mitigation systems and services;
- (d) development associated with any change in the use of land associated with any development within the ambit of the preceding paragraphs;
- (e) development (including development undertaken on land in the State other than the land specified in Schedule 2) associated with the construction, installation or provision of any or all of the following infrastructure, facilities and services:
 - (i) roads;
 - (ii) stormwater;
 - (iii) water supply;
 - (iv) power supply;
 - (v) telecommunications; and

PLANNING, DEVELOPMENT AND INFRASTRUCTURE ACT 2016

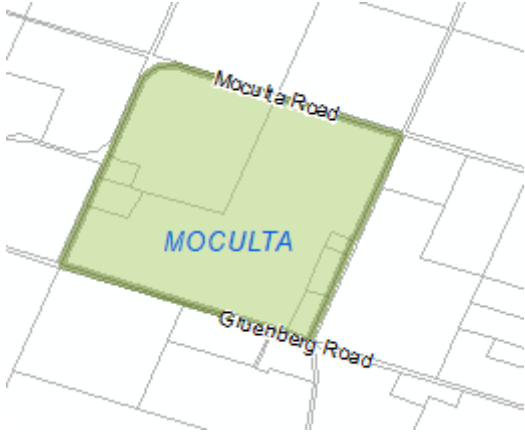

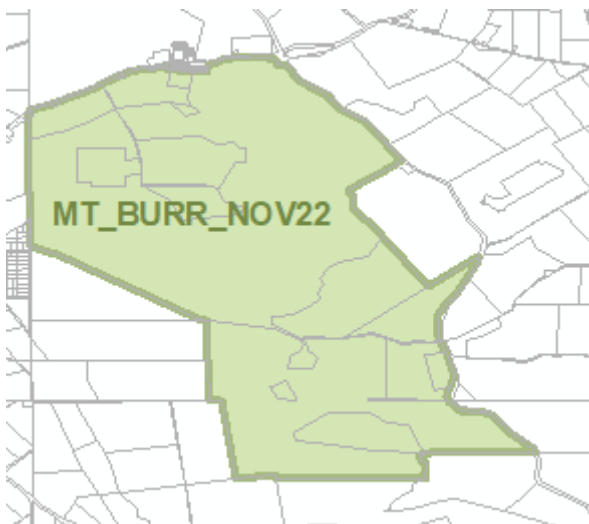

SECTION 76

Amendment to the Planning and Design Code

Preamble

It is necessary to amend the Planning and Design Code (the Code) in operation at 24 November 2022 (Version 2022.22) in order to make changes:

- to correct errors in relation to the misapplication of the Local Heritage Place Overlay at Middleton, Old Noarlunga, North Adelaide and Walkerville.
1. PURSUANT to Section 76 of the *Planning, Development and Infrastructure Act 2016* (the Act), I hereby amend the Code in order to make the following minor or operational amendments as follows:
- (a) Amend the spatial layer of the Local Heritage Place Overlay so that it does not apply to the following properties:
- (i) 5 Mill Terrace, Middleton (Lot 139, CT5467/369)

(iii) Unit 2, 40 Warwick Street, Walkerville (S1405 Unit 2, CT5053/954)

and make corresponding spatial adjustment to the Heritage Adjacency Overlay to reflect this change.

(b) In Part 11 of the Code, in the section applicable to 'Alexandrina' delete the following row in the Table of Local Heritage Places:

5 Mill Street, MIDDLETON	Residence: The external form, materials and detailing of the front and side facades of the original dwelling.	a d	14795
--------------------------	---	-----	-------

(c) Amend the spatial layer of the Local Heritage Place Overlay at North Adelaide so that it does not apply to the land bounded by the red line in Attachment A and make corresponding spatial adjustment to the Heritage Adjacency Overlay to reflect this change.

(d) In Part 13 of the Code—Table of Amendments, update the publication date, Code version number, amendment type and summary of amendments within the 'Table of Planning and Design Code Amendments' to reflect the amendments to the Code as described in this Notice.

2. PURSUANT to Section 76(5)(a) of the Act, I further specify that the amendments to the Code as described in this Notice will take effect upon the date those amendments are published on the SA planning portal.

Award Program Fee Rules

Council resolved to revoke the Academic Year Rules and approve the new Award Program Fee Rules set out below:

1. The matters in respect of which a fee is to be charged by the University, the categories of persons who are to pay them, the determination of the amounts to be charged, the time and manner of payment, extensions for payment and exemptions from payment may be determined in accordance with one or more University policies approved and published by the Vice-Chancellor from time to time.
2. For the purposes of these Rules and Statute 89, the Council approves and adopts any policies established in accordance with Rule 1.
3. A student shall be liable for any increase, or entitled to refund of any decrease, in the total fee that may arise through variation of enrolment during the year.
4. Council delegates to the Vice-Chancellor the authority to:
 - (a) grant an extension of time for the payment of fees or exempt any person from liability to pay any fee in whole or part on the grounds set out in the Statutes; and
 - (b) determine and approve such arrangements as the Vice-Chancellor may deem appropriate for the discharge of a student's outstanding fees and all other financial obligations due to the University for the purposes of permitting a student's re-enrolment in the University or admission to a degree, diploma or certificate of the University.
5. The Vice-Chancellor may further sub-delegate the authority referred to in Rule 4 above to another officer of the University and may approve administrative policies and procedures regulating the exercise of such delegation.

Approved by Council.
